Verna Louise Cleverley

Verna Louise Cleverley peacefully passed from this earth on Saturday, September 11, 2021. Verna was born in Hamilton, MT on April 25, 1945 to Barton and Louise Smith. She enjoyed her childhood alongside her older brother, Tom, living at Medicine Hot Springs near Sula, MT, where she spent many summers as a lifeguard. After graduating from Darby High School, she continued her education at Western Montana College in Dillon, MT, earning a Bachelor's in Education. Following a one year teaching venture at the one room school house in Millpoint, she met and married Roger Cleverley in August 1966. She quickly joined him in Yokosuka, Japan, where he was stationed with the Navy Seabees during the Vietnam War. Their daughter, Camy, was born overseas in 1969, and upon returning to Dillon, they added another daughter, Cary, to their happy family in 1973.

An active member of the Dillon community for many years, Verna was a member of many organizations including Jayceens, AAUW, and Parkview Acres Auxiliary. She spent countless hours volunteering. She was a Presbyterian Church school teacher, she helped out at the Barrett Hospital gift shop and at the front greeting desk, and most recently she helped organize several of the Festival of Trees fundraising events. One of the things that Verna enjoyed the most was serving as a Board Member for Pioneer Federal Savings and Loan.

Most importantly Verna was a devoted wife, mother and friend. She traveled from Boise to Browning to Billings and to the Badlands to watch her children and grandchildren compete. She called her daughters every day, she never forgot special occasions, she loved the holidays, she visited her friends often, she rarely missed a Beaver basketball game, she sent caring cards to many, and she loved her Thursday afternoon Coffee Girl get-togethers. Those who knew her will miss her beautiful smile, her level head, her humor, and above all her generosity, kindness and compassion.

Verna was preceded in death by her parents, Barton and Louise Smith, and her brother, Tom Smith. She leaves behind her husband, Roger Cleverley, her daughters Camy Paffhausen (Tom) and Cary Yensen (Chris), her grandchildren Emily Linder (JT), Mick Paffhausen (Paige), Cooper Fry, Addy Fry and Mark Yensen (Grace) and her great-grandchildren Madison Linder and Kale Linder, who she anxiously waited to arrive on September 6, 2021.

An open house will be held on Sunday, September 19, from 4-7 pm at Brundage Funeral Home in Dillon, MT. A private graveside service will take place on Monday, September 20, at 10 am at Mountain View Cemetery in Dillon, MT. In lieu of flowers, a donation can be sent to the Montana Tech Mick Paffhausen Nursing Scholarship or a charity of the donor's choice.

14th COVID-19 DEATH
Beaverhead County Health Public Health deeply regrets to report that a woman in her 80s died from COVID-19 on September 3, 2021 after being hospitalized in a Beaverhead County facility.

Public Health continues to strongly emphasize the importance of doing everything you can to help decrease the spread of COVID infection in our communities. COVID vaccinations continue to be our best strategy in keeping COVID cases low and decreasing the spread to others.

PUBLIC SERVICE ANNOUNCEMENT ON REVISED VISITOR RESTRICTIONS ARE NOW IN EFFECT

Sept. 14, 2021 –Barrett Hospital & HealthCare notifies the public that revised visitor restrictions are now in effect. To protect the health and safety of Barrett Hospital & HealthCare's patients, guests, coworkers, and community, we are restricting visitors to the hospital and clinic. This helps us to prevent and slow the spread of infectious illnesses such as COVID-19 and its variants.

As the Delta variant continues to lead to an increase in COVID-19 cases in Montana, Barrett Hospital & HealthCare must once again change our visitor policy.

The following restrictions are currently in place at the hospital: No visitors are allowed for both patients and COVID-19 patients, except by clergy.

Hydraulic Lid Systems Installed at County Refuse Sites

Beaverhead County Solid Waste announces a special improvement project at the Wise River/Dewey transfer station and Glen transfer station.

If you haul your trash to either of these transfer stations, you will notice some changes at these sites starting in September. Beaverhead County Solid Waste installed new hydraulic lids systems to secure transfer stations around the county in priority areas, starting with the Wise River/Dewey and Glen sites. The County and Beaverhead Electric installed a new hydraulic lid system on the transfer containers to help keep trash contained and prevent bears and wildlife from accessing garbage. Keeping wildlife out of garbage will help prevent human-wildlife conflicts, reduce the risk of creating food-conditioned bears near developed/public areas, and increase public safety at these sites.

Each site will have a control panel, giving people easy control for opening and closing of the lids on the containers. To use the containers, simply push the button to open the lid, then push it again to close the lid when you're done. Keeping the lid closed will create a cleaner site with less trash scattered, and it will prevent bears, birds, and other wildlife from getting into garbage and scattering it around. The county is asking for people to keep container lids closed at all times when containers are not in use.

If residents have questions, or need to report problems, contact Beaverhead County Solid Waste at (406) 683-3780.

Thank You

A big THANK YOU to the wonderful people in Dillon who have been with us through the loss of our husband, father and grandfather Ray Clark. We cannot express enough gratitude for all the visits, phone calls, food, flowers and for those who helped look for his dog Jesse. Thank you Julie at Brundage Funeral for all your help.

The many acts of kindness and sympathy continue to comfort us in our time of sorrow. Thank you

The family of Ray Clark

Blacktail Dental to open soon

Blacktail Dental, a new dental practice owned and operated by the Southwest Montana Community Health Center, is slated to open in mid-September at 122 E. Glendale St. "It is our mission to provide access and quality care to the people of Southwest Montana," said Dr. Shawna Yates, executive director for the SWMTCHC. "We have been working diligently to remodel our building and hire staff, including two new dentists, in order to meet the dental needs of the area." The health center was forced to close its dental services in 2020 due to the Covid pandemic. The remodeled building was the site of a former law office and is located across the street from the Blacktail Pharmacy at 125 E. Glendale. The clinic plans to remodel that building in the next year in order to relocate its primary medical and behavioral health services there. "We are making significant investments in the Dillon community in order to meet community needs," Yates added. "We are thrilled to be creating a new home for medical, dental, pharmacy and behavioral health services for everyone who needs us." The new dental clinic will accept all insurances, including Medicaid, and offers a sliding fee scale to eligible patients.

To benefit the Beaverhead Community Food Pantry, the Town Pump Cash Match has begun again. All cash donations we receive from September 1, 2021, through November 30, 2021, Town Pump will match dollar for dollar up to \$15,000. This match program that Town Pump offers is always one of our largest donations which helps us with purchasing groceries and pay operational expenses. The Food Pantry is a 501(c)(3) non-profit organization. We run entirely on volunteers.

Please help us reach our goal by sending your donations to the Beaverhead Community Food Pantry at P.O. Box 1356, Dillon, MT 59725. 9/8-11/15 BILL

Blacktail Dental to open soon

Blacktail Dental, a new dental practice owned and operated by the Southwest Montana Community Health Center, is slated to open in mid-September at 122 E. Glendale St. "It is our mission to provide access and quality care to the people of Southwest Montana," said Dr. Shawna Yates, executive director for the SWMTCHC. "We have been working diligently to remodel our building and hire staff, including two new dentists, in order to meet the dental needs of the area." The health center was forced to close its dental services in 2020 due to the Covid pandemic. The remodeled building was the site of a former law office and is located across the street from the Blacktail Pharmacy at 125 E. Glendale. The clinic plans to remodel that building in the next year in order to relocate its primary medical and behavioral health services there. "We are making significant investments in the Dillon community in order to meet community needs," Yates added. "We are thrilled to be creating a new home for medical, dental, pharmacy and behavioral health services for everyone who needs us." The new dental clinic will accept all insurances, including Medicaid, and offers a sliding fee scale to eligible patients.

An Act To Promote Transparency and Protect Civil Rights and Civil Liberties With Respect to Surveillance Technology¹

Whereas, the City Council finds it essential to have an informed public debate as early as possible about decisions related to surveillance technology.

Whereas, the City Council finds that no decisions relating to surveillance technology should occur without strong consideration being given to the impact such technologies may have on civil rights and civil liberties, including those rights guaranteed by the First, Fourth and Fourteenth Amendments to the United States Constitution, and Article II section 10 of the Montana State Constitution.

Whereas, the City Council finds that, while surveillance technology may threaten the privacy of all of us, throughout history, surveillance efforts have been used to intimidate and oppress certain communities and groups more than others, including those that are defined by a common race, ethnicity, religion, national origin, income level, sexual orientation, or political perspective.

Whereas, the City Council finds that decisions regarding if and how surveillance technologies should be funded, acquired, or used, and whether data from such technologies should be shared, should not be made until meaningful public input has been solicited and given significant weight.

Whereas, the City Council finds that legally enforceable safeguards, including robust transparency, oversight, and accountability measures, must be in place to protect civil rights and civil liberties before any surveillance technology is deployed, and

Whereas, the City Council finds that, if a surveillance technology is approved, data reporting measures must be adopted that empower the City Council and public to verify that mandated civil rights and civil liberties safeguards have been strictly adhered to.

¹ The full text of this act, and description of the technologies included, can be found online by searching ACLU, CCOPS draft legislation
