George Irvin Eby

George Irvin Eby was born to Ben & Myrtle Eby in Clyde Park, MT on July 22, 1933. He joined brother Herb & sisters Violet and Betty. The family lived in numerous places in the US as Ben moved the family to construct roads for this country.

George graduated from Park High School in Livingston, MT from there he was drafted into the Korean war stationed in Korea.

After serving 2 years, he returned to Montana and followed in his dad's footsteps building roads around Montana. He was working in Dillon, MT when he met the love of his life, Verona Nettik at the Club Bar. They were married on Aug 1, 1958 and welcomed Sandi and Ed into their family.

George worked hard during his time in construction often times going away for a week at a time but always coming home every weekend to spend time with the family. He and Verona spent many years bowling and determining who would be the "boss" of the day by playing 3 games of cribbage every morning they were together. George delighted in taking his love to Jackpot, Las Vegas, Laughlin, Mesquite and even Fort Hall when the urge hit.

George retired from highway construction, and promptly went to work for the city of Dillon reclaiming holes for the dump. He very much enjoyed working with all the people there. He gave it up in 2013 but was often brought back for special projects. He was a lifelong member of the Dillon Elks and was in later years referred to as "Coffee George" as he was the provider of coffee during the family night dinners. He very much loved interacting with all the people who came in to the Elks for all their events.

George was proceeded in death by his parents, siblings and beloved wife, Verona in 2018. He is survived by his daughter, Sandi, son Ed, granddaughter Lindsey (Paul) Neal and 6 great grandchildren, grandson, Evan, special nephew Denny Adams, nieces Diane Thompson, Linda (George) Huckle, Vicki Jo (Larry) Boals and best friends Leo & Frieda Barnett.

Montana. The family later moved to Townsend, followed by Bozeman and Dillon.

Marilyn graduated cum laude from Montana State College (now MSU) in 1956 with a BS in Home Economics and Teaching. In addition to numerous academic honors, Marilyn played leadership roles in many of the clubs and activities she participated in. She was a cheerleader, sang in concert choir, twirled baton, and won several crowns. She made lifelong friends as a member of Alpha Omicron Pi sorority and was proud to be one of three women joining seven men in the Phi Kappa Phi Big 10 Honor Society.

In 1956 she married Marvin Peterson at Christmas time in Dillon. The couple had three children, Paula (Kim), Peggy, and David.

Marilyn later married Al MacSween in South Lake Tahoe, California, and gained two stepchildren, Jim and Joyce MacSween. The couple moved back to Bozeman in 1974 and later divorced.

Not only was Marilyn an exceptional homemaker and loving wife and working mother; before her career as a successful interior designer and seamstress, she taught secondary education, and was a professional model. She never stopped learning and meeting challenges.

Marilyn will be missed by her family: children, Kim Peterson, Peggy Ryan, and David (Lianne) Peterson; grandchildren, Joel and Brent (Amber) Goligoski, Wade (Madeline) Fellin, Kyla (Rydell) Reinbold, Caitlin Ryan, Jon (Alia) Peterson, Erin Peterson, and Anna Peterson; great-grandchildren, Olivia Garcia and Kinsley Goligoski; sisters, Carol Jones and Bette March; niece, Dawn Tolson; nephew, Brad (Kim) Tolson; and cousins Linda (Larry) Hughes and Marcia Cox.

Funeral Services were held on Sunday, September 12 at Dokken-Nelson Funeral Service, followed by interment at Sunset Hills Cemetery.

Memorials may be made to Family Promise of Gallatin Valley, www.familypromisev.org.

Youth only pheasant,
waterfowl hunt to openMontana's young hunters will have the state's
waterfowl and pheasants pretty much to themselves
Saturday and Sunday, Sept. 25-26.Licensed hunters ages 15 and under may
hunt ducks, geese, coots, mergansers and ring-
necked pheasants statewide on these two special days set aside
for youngsters, but they must be accompanied by a non-hunting
adult.While the accompanying adult may not shoot, he or she can
assist with setting decoys, calling and retrieving.Prior to the youth hunt opener, Montana Fish, Wildlife & Parks
will release 2,700 pheasants on seven wildlife management areas.
The WMAs that will receive pheasants include Canyon Ferry and
Lake Helena in Region 3, Freezout and Beckman in Region 4,
Grant Marsh and Yellowstone in Region 5, and Isaac Homestead
in Region 7."We're excited to give our youth hunters this new opportunity
for success," said FWP director Hank Worsch. "As we expand
this program in the coming years, it will encourage hunter
participation and recruitment across the state."The pheasants for the release were purchased with money that
is set aside for pheasant stocking through the upland gamebird
program.This program will expand as FWP works with the Montana
Department of Corrections to establish a gamebird-raising facility
at the Montana State Prison. Birds raised at the prison will be
used to stock appropriate state land in future years.The statewide, two-day youth waterfowl and pheasant hunt is
open to:

- legally licensed 12-15-year-olds who have completed hunter
education and who are accompanied by an adult at least 18 years
of age,

- properly certified and legally licensed apprentice hunters
10-15 years of age who are accompanied by a non-hunting adult
"mentor" at least 21 years of age.

Letter to the Editor

Oh, all you political nerds! Sorry! I mean all you cerebrally gifted individuals. Politically correct! We hear that a lot. And you know how much a lot is? Ok, they say we need to be politically correct. We never find out who "they" are. Please. "they" stand up and identify yourself. While we are waiting lets look at some politically not correct words. Conservatives and Liberals. What has become of the conservatives? They don't conserve anything, and the liberals don't liberate anything. One group is to the left and the other group is to the right. Don't know which is which. If you are to the right you are to the right of what? Right of the left. I know some of us are out in left field. Some of us are in right field. What happened to the center field?

Have you ever had someone tell you to have a nice day? Now what right does that person have to tell you what to do? It's none of their business. If you want to have a rotten day. Have a rotten day. Not politically correct. Just what is a nice day?

What about the person who says. "you look nice today." What about yesterday and the day before? No! Just today! I hope to see that person tomorrow. I will give them a piece of my mind. Don't know what or where I will find a piece of my mind. But I know it wasn't politically correct.

Another politically correct mistake is Daylight Saving Time. Did you save any time? What did you do with the time you saved. Now what is the purpose of all this nonsense? No purpose, just waiting for "they" to show up!

Holy Horse!

Rodeo is not a sport!

Many, many Beaverhead County friends warned me not to write this letter because it would be too upsetting for rodeo fans. And most likely I would become the least liked person in the county.

I repeat: Rodeo is not a sport!

From the Calgary Stampede to Cheyenne Frontier Days to Montana's Biggest Weekend, many think rodeo is a sport. It is not!

At best, rodeo traumatizes animals. At worst, rodeo terrorizes animals.

Rodeo champions a culture filled with unnecessary, gratuitous harm.

In steer wrestling, the steer is cork-screwed, twisted to the ground. In calf roping, the calf is choked-down flipped and then tied down. In team roping, the headed-healed steer is stretched. In goat tying, the trapped goat sees a full-speed humongous horse where the dismounted rider flips-ties the goat. Bare-back, saddle bronc, bull riding, chuck wagon racing—all traumatize animals for some humans' viewing pleasure.

Even last week's Tribune frontpage multiple, photo-story "Little Britches" Rodeo promoted enthusiastically a young girl riding a sheep. The text included this assessment: "The beast sprinted out of the chute, crashed to the arena floor..."

Congratulations! Our culture now promotes to kids (boys and girls) how to traumatize sheep, saddled and then mounted.

We need a full-time substitute for all traditional rodeo events.

Rodear, which means literally "to surround" in Spanish, is now the most promising, humane substitute for all traditional rodeo events.

Rodear is a low-impact event where the horse-rider and horse-dog harmoniously and gently move a few cattle through obstacles. More can be found here: <https://rodearamerica.com>.

Finally, because many, if not most, rodeo participants and rodeo fans are Christians, I make this appeal. What would Jesus do? Do inflicting pain and suffering on animals as "sport" reflect the teachings and actions of Christ?

"How did you treat all animals?" may be the first question posed to enter Heaven!

Let's give new meaning to the toughness of Cowboy Up! and Cowgirl Up! by reducing and ultimately eliminating unnecessary, gratuitous harm of traditional rodeo events.

What would Jesus do? What will you do?

Randy Piper, Ph.D., M.B.A.

Blacktail Dental to open soon

Blacktail Dental, a new dental practice owned and operated by the Southwest Montana Community Health Center, is slated to open in mid-September at 122 E. Glendale St. "It is our mission to provide access and quality care to the people of Southwest Montana," said Dr. Shawna Yates, executive director for the SWMTCHC. "We have been working diligently to remodel our building and hire staff, including two new dentists, in order to meet the dental needs of the area." The health center was forced to close its dental services in 2020 due to the Covid pandemic. The remodeled building was the site of a former law office and is located across the street from the Blacktail Pharmacy at 125 E. Glendale. The clinic plans to remodel that building in the next year in order to relocate its primary medical and behavioral health services there. "We are making significant investments in the Dillon community in order to meet community needs," Yates added. "We are thrilled to be creating a new home for medical, dental, pharmacy and behavioral health services for everyone who needs us." The new dental clinic will accept all insurances, including Medicaid, and offers a sliding fee scale to eligible patients.

An Act To Promote Transparency and Protect Civil Rights and Civil Liberties With Respect to Surveillance Technology¹

Whereas, the City Council finds it essential to have an informed public debate as early as possible about decisions related to surveillance technology.

Whereas, the City Council finds that no decisions relating to surveillance technology should occur without strong consideration being given to the impact such technologies may have on civil rights and civil liberties, including those rights guaranteed by the First, Fourth and Fourteenth Amendments to the United States Constitution, and Article II section 10 of the Montana State Constitution.

Whereas, the City Council finds that, while surveillance technology may threaten the privacy of all of us, throughout history, surveillance efforts have been used to intimidate and oppress certain communities and groups more than others, including those that are defined by a common race, ethnicity, religion, national origin, income level, sexual orientation, or political perspective.

Whereas, the City Council finds that decisions regarding if and how surveillance technologies should be funded, acquired, or used, and whether data from such technologies should be shared, should not be made until meaningful public input has been solicited and given significant weight.

Whereas, the City Council finds that legally enforceable safeguards, including robust transparency, oversight, and accountability measures, must be in place to protect civil rights and civil liberties before any surveillance technology is deployed, and

Whereas, the City Council finds that, if a surveillance technology is approved, data reporting measures must be adopted that empower the City Council and public to verify that mandated civil rights and civil liberties safeguards have been strictly adhered to.

¹ The full text of this act, and description of the technologies included, can be found online by searching ACLU, CCOPS draft legislation
