A Summons to My Dillonites

Those of you who journey to downtown Dillon have surely noticed the window art done by our lady, Jocelyn. These works of art are very appealing and very well done.

So now, my appeal. Jocelyn is in the process of doing 13 windows to honor and tribute the 13 service men and women who were killed by a terrorist strike at the Kabul, Afghanistan airport. A very solemn and beautiful tribute. Jocelyn is doing these 13 windows free-of-charge.

I am asking you to join me in making a contribution, either in cash or courtesy card at one of our cities dining facilities. Contributions will be collected at Womack's Printing.

Skip Bybee

Sergeant First Class (Ret)

U.S. Army K-9 Corp, 26 years

Chris Herren Nba Star Spoke In Dillon

An extraordinary basketball player, Chris Herren was a celebrated star in his native Fall River, MA before graduating high school.

He went on to play at Boston College and Fresno State, two seasons in the NBA – including one with his hometown team, the Boston Celtics – and seven seasons overseas before losing it all to the disease of addiction.

With the unwavering support of his family and friends, Chris has been sober since August 1, 2008, and he now shares his story with the goal of making a positive difference in the lives of others.

His recovery journey has been documented in the bestselling memoir, "Basketball Junkie," the Emmy-nominated ESPN Films documentary, "Unguarded" and in countless local, national and international stories by *The New York Times*, *The Boston Globe* and *Sports Illustrated*, among others. Through Herren Talks, Chris has spoken to over 1 million students and community members, sparking honest discussions about substance use disorder and wellness.

In 2011, Chris grew his vision of support for others when he founded the nonprofit Herren Project. Through the organization, Chris and his team empower schools and communities to make healthy choices, while also guiding families through recovery. In 2018, Chris also founded Herren Wellness, a residential health and wellness program that helps guests lead healthy, substance-free lives.

He was here speaking to kids at BCHS and Dillon Middle School on the dangers of using drugs and alcohol and the importance of choosing friends wisely as all of those things combined can have a huge impact on their lives. Be the Change 406 Coalition and Project AWARE teamed with the schools to bring Chris here and share his story.

Volunteers needed for cave restoration at Lewis & Clark Caverns State Park

Regular cave cleaning is an important part of cave conservation
Montana Fish, Wildlife & Parks staff at Lewis & Clark Caverns State Park are seeking volunteers to help with a post-season cleaning of the caverns. Volunteers in this event will get the chance to see the caverns up close as they work to reduce some of the impacts of visitors' presence in the cave.

The project will be Saturday, Oct. 2, and will begin with an orientation at 9 a.m. at the main (lower) visitor center. Staff and volunteers will then continue to the cave, toothbrushes in hand.

During the season, algae, lint and dust have built up from thousands of visitors who have come to experience the cave, so it's important to periodically clean the formations so they can continue to grow and change. Participants will help restore parts of the cave that have the most human impact. This follows other events happening nationwide as part of National Public Lands Day.

Volunteers are asked to bring a mask, clean gloves (these can be gardening gloves), a water bottle, a head lamp, and clothing that have never been worn in another cave or mine. This is a precautionary measure to reduce the spread of white-nose syndrome in bats. Volunteers with helmets or kneepads are encouraged to bring them as well. All cleaning supplies will be provided by park staff.

Those who would like to participate are asked to contact Zack Story as soon as possible. Please send an email to zack.story@mt.gov before Sept. 25 with your name, the number of people you would like to bring, any food requirements you may have, and the equipment you will be bringing or may need.

Hunters must expect to see bears

Grizzly bears have the potential to be found anywhere in the western two-thirds of Montana (west of Billings), and their distribution is denser and more widespread than in previous years. Some areas with dense concentrations of grizzly bears are very accessible to hunters, especially during the archery season. Keep these precautions in mind when hunting in grizzly country:

- Carry and know how to use bear spray.
- Stay alert, especially when hearing or visibility is limited.
- Travel and hunt in groups whenever possible.
- Follow all food storage regulations.
- Avoid carcass sites and concentrations of scavengers.
- Carry the equipment you need to process a carcass and get it out of the field as quickly as possible.
- If you harvest an animal, remove it from the field as quickly as possible.

For more tips on staying safe in bear country, visit FWP's Bear Aware web page.

Veteran's Corner. Update #120

By Mike Lawson

Greetings to all of you in SW MT who read this column about our Veterans and news concerning our veterans. Some of this news is about our Southwest Montana Veteran's Home, the new Veteran Medical (CBOC) Center, now being built, and other veteran news.

The unveiling of the Submarine USS Montana's Bell, happened this last Friday at Stodden Park. It was made with many of the metals from Montana in it. Navy Submariners from all over the state were there, as well as other supporters. and some attended the dinner at the LaQuenta afterwards.

The sad news today is the Covid Virus is peaking in SW Montana again. Please be careful. The VA will stop treating Veterans who do not have "Covid Vaccinations" after the first of the month.

The Southwest Montana Veteran's Home is at the end stages of construction as you know. Some sad news there is one of the Staff tested positive for Covid and the whole facility went into lock-down mode, which means no visitors and the residents are restricted to their particular Cottages. Because of this, I was not allowed to do my weekly walk-through. I was able to get good information from my go-to guys, Mike Aschman and John Kotka. I did get word that person who tested positive, has now tested negative so hopefully the lock-down will be lifted

Construction Updates: All buildings with the exception of Cottages #4 & #5 are completed, turned over to the state and under the operational control of the Operation Contractor Euro.

Cottage#4: The cleaning was post-phoned until this week. The Fire Alarm System was inspected and passed.

Cottage #5: The completion march is quickly moving forward. The Carpenters have completely installed/wired the Spa Bathtub.

The VA (CBOC Medical Center) continues to show great progress from one week to the next.

I will be flying to Washington DC to attend the Annual "Toys For Tots" training seminar, to again prepare for this season's "Toys For Tots Campaign".

This seminar will last three days and really fires up the Coordinators, for this year's Campaign. Here in SW MT we have TFT Campaigns in Anaconda, Deer Lodge, Dillon, Bozeman and here in Butte. Butte's TFT Campaign covers not only Butte but Harrison, Whitehall, Twin Bridges and the Ruby Valley. Our Campaign kicks off in the middle of October and our goal is to see that every needy child has gifts for Christmas.

I would ask that any of you who love children consider supporting your Local TFT Campaigns through volunteering, donating new unwrapped presents and any money donations you're able to give. If you know children in need, let us know.

FWP to auction confiscated antlers, hides and horns

Antlers, horns, hides and skulls that were confiscated by Montana Fish, Wildlife & Parks enforcement will be auctioned on Sept. 25 at the National Auction House in Billings. Items include 50 big horn sheep skulls, 390-plus-inch bull elk, moose, deer, elk, bear, mountain goats, mountain lions, martins, antelope, bobcats and more.

Most of the items come from poaching incidents. Montana statute requires FWP to sell seized items at public auction. This includes all birds, animals, fish, heads, hides, teeth or other parts of any animal other than a grizzly bear. When a carcass is confiscated, FWP donates the meat to a charitable organization and removes the antlers to be sold at auction.

When enough inventory is collected, FWP schedules an auction. The last auction was held in 2017.

"It's a time-consuming process and requires a lot of logistics, so we try to wait until we have enough items to warrant the auction," said FWP Law Enforcement Chief Dave Loewen.

Money collected from the auction goes to FWP's general license account, which pays for conservation and restoration programs.

Doors open at 9 a.m. for inspection, and the live auction begins at 11 a.m. The National Auction House is located at 3625 South 56th Street West in Billings.

Food Pantry match by Town Pump

To benefit the Beaverhead Community Food Pantry, the Town Pump Cash Match has begun again. All cash donations we receive from September 1, 2021, through November 30, 2021, Town Pump will match dollar for dollar up to \$15,000.

This match program that Town Pump offers is always one of our largest donations which helps us with purchasing groceries and pay operational expenses.

The Food Pantry is a 501(c)(3) non-profit organization. We run entirely on volunteers.

Please help us reach our goal by sending your donations to the Beaverhead Community Food Pantry at P.O. Box 1356, Dillon, MT 59725.

Blacktail Dental to open soon

Blacktail Dental, a new dental practice owned and operated by the Southwest Montana Community Health Center, is slated to open in mid-September at 122 E. Glendale St. "It is our mission to provide access and quality care to the people of Southwest Montana," said Dr. Shawna Yates, executive director for the SWMTCHC. "We have been working diligently to remodel our building and hire staff, including two new dentists, in order to meet the dental needs of the area." The health center was forced to close its dental services in 2020 due to the Covid pandemic. The remodeled building was the site of a former law office and is located across the street from the Blacktail Pharmacy at 125 E. Glendale. The clinic plans to remodel that building in the next year in order to relocate its primary medical and behavioral health services there. "We are making significant investments in the Dillon community in order to meet community needs," Yates added. "We are thrilled to be creating a new home for medical, dental, pharmacy and behavioral health services for everyone who needs us." The new dental clinic will accept all insurances, including Medicaid, and offers a sliding fee scale to eligible patients.

HUMAN RESOURCES BUSINESS PARTNER

Barrett Hospital & HealthCare invites applications to fill a Human Resources Business Partner position to join our team! The Human Resources Business Partner role is both a hands-on and strategic partnering role. The Human Resources Business Partner facilitates the human resource processes and provides talent management consultation for Barrett Hospital & HealthCare with the express purpose of maximizing the effectiveness of operational business and the organization's human resources which promote BHH strategic objectives. The Human Resources Business Partner serves as a primary contact for staff and provider recruitment, Orientation and on-boarding activities, employee relations, administration of employee health and benefit plans, internal educational development facilitation, compensation reviews, and acts as a liaison between employees and insurance/broker/vendors. The Human Resources Business Partner insures personnel files and associated required documentation are in accordance with Montana state and federal regulations, compliance standards, and industry best practices. Working in a professional environment, the Human Resources Business Partner administratively maintains employer required recordkeeping, prepares and submits mandatory employer reports, researches changes in labor law and recommends necessary changes for the Barrett Hospital & HealthCare organization. The Human Resources Business Partner serves as a role-model driving excellence in customer service, process improvement, and employee advocacy. The successful candidate will be comfortable with a rapid and changing work environment, be an enthusiastic team player, can manage multiple priorities, and has a proven ability to handle confidential information and situations with agility and integrity. Minimum Qualifications: High school diploma, GED or equivalent required. Bachelor's degree in Business Administration, Human Resources (HR), Marketing or other related field required. A minimum of five years of human resource or customer service job-related experiences; or proven equivalent combination of education and experience that provides the required knowledge, skills and abilities may be considered. PHR, SPHR, SHRM-CP, CHHR, ASPR or other human resource industry recognized certification, is preferred. Willingness and ability to attain certification within 18 months of hire, strongly preferred. This position is a Full Time position and is eligible for the full benefit package.

An Act To Promote Transparency and Protect Civil Rights and Civil Liberties With Respect to Surveillance Technology¹

Whereas, the City Council finds it essential to have an informed public debate as early as possible about decisions related to surveillance technology.

Whereas, the City Council finds that no decisions relating to surveillance technology should occur without strong consideration being given to the impact such technologies may have on civil rights and civil liberties, including those rights guaranteed by the First, Fourth and Fourteenth Amendments to the United States Constitution, and Article II section 10 of the Montana State Constitution.

Whereas, the City Council finds that, while surveillance technology may threaten the privacy of all of us, throughout history, surveillance efforts have been used to intimidate and oppress certain communities and groups more than others, including those that are defined by a common race, ethnicity, religion, national origin, income level, sexual orientation, or political perspective.

Whereas, the City Council finds that decisions regarding if and how surveillance technologies should be funded, acquired, or used, and whether data from such technologies should be shared, should not be made until meaningful public input has been solicited and given significant weight.

Whereas, the City Council finds that legally enforceable safeguards, including robust transparency, oversight, and accountability measures, must be in place to protect civil rights and civil liberties before any surveillance technology is deployed, and

Whereas, the City Council finds that, if a surveillance technology is approved, data reporting measures must be adopted that empower the City Council and public to verify that mandated civil rights and civil liberties safeguards have been strictly adhered to.

¹ The full text of this act, and description of the technologies included, can be found online by searching ACLU, CCOPS draft legislation
