HE SAID— SHE SAID

By: MJ

September 1st council meeting was an example of "He Said, She Said" type of governing without facts to support the local community. "He Said-She Said," is conflicting reports from two or more parties on an issue.

Example: At city council meeting the discussion was about 'junk vehicles?' Once again, no facts just opinions presented. The issue of 'Junk' vehicles being removed in Dillon has been a hot topic for better than a year. **Note:** Nowhere in the cities draft ordinance does it define clearly what a junk vehicle is. **Question:** Does that leave the door wide open for anyone's interpretation? The eye-sore you call a junk vehicle may be a person's heir-loom, or a vehicle being restored as time and money allow...? Would your neighbor see your property as 'Junk'? Are you the loser if your neighbor can use the vague city law to have your property removed?

In years past children upon adulthood probably would earn higher incomes then their parents. That is not true today. Fifty (50%) of kids today will not earn more than their parents did. People are downsizing and making their livings while enjoying life.

Instead of worrying about our personal pet-peeves would it be productive for the community to focus on the changes today in the economy. **Example:** In today's world an employee may be a person living a nomadic life style. They live, raise and educate their children while traveling and earning their income in a R.V. **Question:** Would the small, quiet, rural town of Dillon provide this group a reason to stop and spend time?

Let's challenge ourselves to bring respect, commitment and consideration to the table, lay out ideas and act on the ones that would benefit Dillon. Take time to review guiding plans today and make sure they are for the betterment of the community and will work in the future.

What is the "junk" being referenced at council meetings? How is it affecting or destroying Dillon? Are new laws required and if so why, be specific...

Stacking the deck? It was announced at the meeting that Mr. Johnston, (Mary Jo O'Rourke's husband) has signed up to run for the vacated seat in Ward 4. There is no body running against him; one (1) vote will elect him. **Questions:** Would this mean there would be a bipartisanship; husband and wife representing Ward 4. Would this be fair representation for the majority of people in Ward 4 to have a husband-and-wife partnering up and making the decisions. Mary Jo O'Rourke has a person challenging her for the council seat she currently holds, giving the electorate a choice for one of the seats.

In No. 23 Montana Western's 42-28 conference win over MSU-Northern, Simkins caught eight passes for 92 yards and three touchdowns. The three touchdown receptions in a single game ties a Montana Western school record. Also nominated: Jet Campbell of Montana Tech, Nathan Dick of Rocky Mountain College, Camron Rothie of Carroll College and Isaiah Thomas of Eastern Oregon.

Defensive Player of the Week: Tanner Leaf, College of Idaho, 6-foot-2, 215 lbs, freshman linebacker from Boise, Idaho. Special Teams Player of the Week: Zachary Cahill of Eastern Oregon, 6-foot, 185 lbs, redshirt junior kicker/punter from Boise, Idaho. Love in a shoebox!

This is part of a national effort to help children across the country and around the world.

If you would like to encourage a child with a shoebox, this is what it involves:

- 1) Put together a shoe box to send to a child, or
- 2) Make a Donation – every donation helps. Shipping costs are \$9 per box. You can make checks payable to Samaritan's Purse/Shoe box and drop off at Mary Bearden's house.

If you would like to be part of this amazing program and have questions or would like more information, contact Mary Bearden (925-2218 or 683-2037). It would be great to have boxes sooner, but the last day to drop off will be Sunday, November 14th, 2021. Last minute drop off ok.

Shoebox details: NOTHING liquid, No food, No Candy, NO chocolate, No toothpaste, No war toys or guns, No breakable items. Simple rules, but please read....

1. Shoe Box: Use an empty shoebox or a small plastic container. You can wrap the box (lid separately), but wrapping is not required. I have extra preprinted boxes – feel free to stop by and pick up one (or 2).

2. Choose: Boy or Girl: Determine whether your gift will be for a boy or a girl.

Choose child's age category: 2-4, 5-9, or 10-14.

I have extra labels you can use when you drop off your box or you can print out the appropriate boy/girl label by downloading the artwork from Operation Christmas Child website. Tape the label to the top of your box.

3. Fill the box with a variety of gifts that will bring delight to a child. Please include at least one item a child can immediately embrace such as a stuffed toy, doll, ball or toy truck. Other ideas: school supplies, toothbrush, crayons, coloring book, pencil/pencil sharpener, construction paper, comb, bar soap/wash rag, note pad, under garments, socks...depends on the age and gender of the child. For more ideas QR code links to website.

4. Please include \$9 Donation for each shoebox you prepare to help cover shipping and other project costs.

5. Drop Off: Place a rubber band around the box (I have extras if you need one). Let's work together to brighten a child's life!

Wolf hunting and furbearer trapping regulations available online

Wolf hunting regulations and furbearer trapping regulations for 2021-2022 are now available on Montana Fish, Wildlife & Parks' website. Print versions will be available at FWP offices and other outlets in a few weeks.

Wolf season dates are:

- Archery: Sept. 4 - Sept. 14
- General: Sept. 15 - March 15, 2022
- Trapping: Nov. 29 - March 15, 2022*

*These dates do not apply to the federally designated Grizzly Bear Recovery Zones in Montana. For these zones, the trapping season will start on Dec. 15 unless otherwise determined by FWP due to evidence the majority of bears in these areas have begun hibernation. Trappers should be aware that grizzly bears exist in much of the western half of Montana and should always be prepared to encounter a grizzly bear while trapping.

Furbearer season dates are:

- Trapping Districts 1, 2 & 3
 - Beaver: Nov. 1 - Apr. 15, 2022
 - Bobcat: Dec. 1 - Feb. 15, 2022*
- Trapping Districts 4, 5, 6 & 7
 - Beaver: Sept. 1 - May 31, 2022
 - Bobcat: Dec. 1 - March 1, 2022*
- Portion of Trapping District 6
 - Swift Fox: Nov. 1 - Jan. 15, 2022*
- Fisher, Marten
 - Where open: Dec. 1 - Feb. 15, 2022*
- Mink, Muskrat, Otter
 - Nov. 1 - Apr. 15, 2022*

*May close earlier when the quota is reached.

Blacktail Dental to open soon

Blacktail Dental, a new dental practice owned and operated by the Southwest Montana Community Health Center, is slated to open in mid-September at 122 E. Glendale St. "It is our mission to provide access and quality care to the people of Southwest Montana," said Dr. Shawna Yates, executive director for the SWMTCHC. "We have been working diligently to remodel our building and hire staff, including two new dentists, in order to meet the dental needs of the area." The health center was forced to close its dental services in 2020 due to the Covid pandemic. The remodeled building was the site of a former law office and is located across the street from the Blacktail Pharmacy at 125 E. Glendale. The clinic plans to remodel that building in the next year in order to relocate its primary medical and behavioral health services there. "We are making significant investments in the Dillon community in order to meet community needs," Yates added. "We are thrilled to be creating a new home for medical, dental, pharmacy and behavioral health services for everyone who needs us." The new dental clinic will accept all insurances, including Medicaid, and offers a sliding fee scale to eligible patients.
