Beverly Kae Zobell

Beverly Kae Hart Zobell passed through the veil of mortality this Friday, September 24 while at her home in Jackson, Montana.

Beverly Kae Hart was born May 10, 1948 at 8:27 a.m. at the LDS Hospital in Idaho Falls, Idaho. She was born to Lewis Lynn Hart and Zola Wilson and came into a loving family with an older brother, Bradley. Eleven years later, she welcomed a younger sister, Kristy, who she dearly loved. Beverly was raised in Menan, Idaho where she loved swimming in the canals with her mother and picking apples from

her grandparents' orchard. She was a good student and active in many school clubs and organizations. After graduating from Rigby High School in 1966, she attended Ricks College in Rexburg, Idaho. While there she worked at the Bank of Commerce and graduated with her Associates Degree in 1968. She attended Brigham Young University in Provo, Utah from 1968 till she graduated in 1970 with a degree in Business Education. While at BYU she did her student teaching at a high school in Roy, Utah.

Following graduation, Beverly accepted a teaching position in the business department at Skyline High School in Idaho Falls, Idaho. From 1970 till 1980 she loved her job as a teacher where she taught classes in typing, accounting, general office practice, and shorthand. She lived in Menan, Idaho with her parents and sister, Kristy, and commuted to Idaho Falls. During her summers she would take classes towards her Master's Degree at the University of Montana and stay in Missoula with her brother and sister-in-law, Bradley and Luana Hart. She cherished those summers and the memories made with Luana, who became one of her dearest friends, and her beloved nephews, Brandon and Derek.

At the prompting of her aunt, Verla McCandless of Dillon, MT, Beverly came to Dillon, MT for a blind date on February 1, 1980. There she met the love of her life, Walter Ward Zobell, Jr. of Jackson, MT. Walter fell in love with Beverly's effervescent spirit, beautiful eyes, and bright smile the first time he saw her. They courted over the next few months and became engaged in May of that year and were married October 10, 1980 at the LDS Church in Menan, Idaho. They were later sealed in 1986 in the Salt Lake City Temple for time and all eternity. After a honeymoon in the Southwest they settled in Jackson, MT. Even though she lived in rural Montana, she

maintained active correspondence and communication with her family. She regularly wrote letters to her aunts, Marilyn and Gayle. These letters later turned to daily emails and phone calls to all those she loved. While living in Jackson she kept herself active in the local community by serving as a poll worker, substitute teacher at the elementary school, and being active in her church.

Beverly was an active member of the Church of Jesus Christ of Latter-day Saints throughout her entire life, coming from pioneer heritage that crossed the plains and settled in Utah and Idaho. She served as Relief Society President on multiple occasions, once for over 10 years. She loved going to the LDS Temple, especially in Idaho Falls and more recently in Rexburg.

Beverly's greatest joy and greatest pride was in being a mother. Though she started her family later in life, she was blessed with two boys, Clay Ward Zobell born October 27, 1982 and Gage Hart Zobell born April 14, 1986. She cherished her sons and was always taking them to visit her family in Idaho, on school trips, and to go shopping. This love and devotion extended later in life as she was blessed with four grandchildren, ReElle Hart Zobell, Bexley Rae Zobell, Walter Ward Zobell III, and Theodore Yasuo Hart Zobell. No cheek was safe from her kisses, no eye shielded from her bright smile, and no ear denied endless numbers of stories and "I love yous." She was anxiously looking forward to meeting her new grandson who is scheduled to be born in January.

Beverly struggled with osteoporosis and other health issues in her later life. She rarely complained and continued to be a help to her husband working the ranch in the Big Hole Valley. She spent her time trying to bless others with a smile, story, phone call, or food (she was an excellent cook). With her unexpected and sudden passing she leaves behind a legacy of selfless service and love to all who she touched. She will be dearly missed and her memory cherished.

15th COVID-19 DEATH

Beaverhead County Health Public Health deeply regrets to report that a man in his 80s died from COVID-19 on August 22, 2021. Public Health continues to strongly emphasize the importance of doing everything you can to help decrease the spread of COVID infection in our communities. Community transmission is high. COVID vaccinations continue to be our best strategy in keeping COVID cases low and decreasing the spread to others.

COVID-19 cases are surging in the county. Public Health is far behind in case investigations. Individuals who are tested will receive a call from the entity that performed the test. If an individual is positive for COVID, instructions will be given to them to isolate from others for 10 days from their onset of symptoms or positive test date if no symptoms. The identification of close contacts is important to decrease the spread of the disease. All cases are asked to contact their close contacts if possible to inform them they need to quarantine.

A close contact is a person who was within 6 feet of a positive case for an accumulative time of 15 minutes in a 24-hour period. CDC has outlined the quarantine process. For people who are fully vaccinated, CDC states they do not need to quarantine but wear a mask in indoor public places and get tested in 3-5 days from last exposure. If a vaccinated person does not want to get tested, they should wear a mask for 14 days. All other contacts are required to quarantine. For asymptomatic, non-vaccinated people, they can be tested between days 5-7 from last exposure. If the test result is negative, they can discontinue quarantine at midnight of day 7. If the asymptomatic person does not get tested, they can discontinue quarantine after midnight on day 10 from last exposure. For symptomatic close contacts, they need to quarantine for 14 days. Testing for symptomatic close contacts is strongly recommended. Testing is available through the Community Health Center, Barrett Hospital, and Beaverhead Urgent Care.

Public Health asks the community not to wait for public health to call them but to follow the above guidelines as soon as they know they are a COVID case or close contact. Public Health will eventually contact individuals.

Other actions the community can take to reduce the spread of COVID include the following:

- wear masks in indoor public places
- increase ventilation indoors by opening windows and using a fan
- good respiratory hygiene
- stay home if sick
- continue to social distance
- cleaning and sanitizing surfaces
- GET VACCINATED

FREE COVID vaccinations can be obtained through Beaverhead County Public Health on Fridays, 9-4 at their clinic located at 41 Barrett Street. Please call the clinic at 683-3203 to make an appointment. Walk-ins are welcome. Vaccines can also be found at Safeway.

**Montana Secretary Of State's Office And
Election Officials Celebrate National
Voter Registration Day**

The Office of the Secretary of State and election officials across Montana are proud to recognize Tuesday, September 28, 2021, as National Voter Registration Day.

"Registering to vote is the first step in ensuring your voice is heard on Election Day," said Montana Secretary of State Christi Jacobsen. "Our office joins election officials across the state in encouraging Montanans to register to vote or update their information on National Voter Registration Day."

Since 2002, the National Association of Secretaries of State (NASS) has recognized September as National Voter Registration Month to encourage eligible Americans to register to vote or update their voter registration information. The fourth Tuesday of September was established as National Voter Registration Day.

"If you're not registered to vote or if you need to update your voter registration, please contact your county election administration," said Treva Nelson, the Toole County Election Administrator and President of the Montana Association of Clerk & Records and Election Administrators.

All eligible Montanans can register to vote or update their information by visiting their county election office and submitting a voter registration application. Voters may visit the election and voter services page on the Secretary of State's website for more information.

Thank You!

To the Great Harvest Team - please accept our sincerest thanks for the Great Harvest Bake Days September 15, 16, & 17. It was so much fun for the Tree Board and the "bread and goodie customers." We are in awe of the Great Harvest high energy work ethic and culture of "giving back" to the community. The funds generated by the Bake Days will all be used to renovate the Swenson Way boulevards. Thank you again Great Harvest - You folks make Dillon a great place to raise a family, plant trees and enjoy the outdoors.
