A Young Patriot

You may be asking yourself, "What is a Patriot"? Well, according to Webster a patriot is "a person who loves his or her country and strongly supports it".

We have a young man in our community who represents a true patriot who is very patriotic and not ashamed to show his patriotism! This young man is currently a Sophomore at BCHS and presented himself with a very strong will and question that should have been presented to the Superintendent years ago. He participates in the Trump Train weekly, and on the evening of the September 24th the Trump Train made a stop at the Frontier Event Center to take part in the Cowboys for Trump presentation. While at the event, this young man learned that it is a House Bill and State Law that the Pledge of Allegiance is to be recited in ALL public schools in Montana. That is when he went into action as BCHS students and staff don't stand and recite the pledge at any point in their day. He gave it more thought over the weekend and went in to talk to the Superintendent of the high school about this issue concerning him and was told they haven't said the Pledge of Allegiance in 24 years! At that moment he advised the Superintendent of the House Bill and was told it would be looked into.

It was a matter of hours and he learned that he was in fact correct and that BCHS will now be reciting The Pledge of Allegiance every day (as soon as flags are placed in every classroom) as they should have been doing for many many years now.

Thank you young man for your bravery and patriotism!! You should be proud of yourself, as your parent I'm very proud of you for making this stand!

"This Gift I Still Have" - Reception

(an evening of art, poetry, and hip-hop)!

This week, we will open the Montana Western Fine Arts Gallery with "This Gift I Still Have", an exhibition of art, poetry, and hip-hop by Montana's incarcerated youth and the teens of Youth Homes with a special multimedia extravaganza this Friday, October 1st, from 6 - 8 p.m.

The poetry and artwork in the exhibition was produced from April 2020 through May 2021 by youth at Youth Homes and students of Free Verse in the Missoula County Juvenile Detention Center, Billings Juvenile Detention Center, Ted Lechner Youth Services Center, and Pine Hills Youth Correctional Facility. The series contains a multitude of voices and experiences that reflect on place, home, identity, and experiences of isolation.

The event will feature Zoomed-in video of the students performing raps they've written on the inside. Staff from Free Verse and Youth Homes will be in attendance, food and drinks will be provided by Sweetwater Coffee, and DJ AURA will be spinning sweet beats throughout the evening.

For more information, please contact Assistant Professor of Art and Design and Fine Arts Gallery Director, Nathaniel Freeman (nathaniel.freeman@umwestern.edu or 406-683-7059).

One Montana announces 2022 Montana Master Hunter Program

One Montana's Master Hunter Program (MHP) is accepting applications from Oct. 1 through Nov. 30 for the 2022 program. Class locations include Missoula (March), Helena (April), Big Timber (April) and Havre (May). Each class will consist of two three-day consecutive weekends (Friday - Sunday). A two-day weekend rendezvous in June is also required for qualifications, field exercises and the final exam.

The MHP is an advanced education program for hunters who want to continue to add to their knowledge and skills. A primary goal of the program is to build trust and relationships between landowners and sportsmen and sportswomen. Secondly, the program seeks to help landowners and the state with their wildlife management goals. By creating opportunities for landowners and sportsmen to connect to each other, the MHP allows for discussion that leads to better understanding and collective solutions. By working with landowners, the MHP also helps to change false perceptions about both hunting and agriculture, and ultimately works to increase access opportunities for future generations.

To date, 232 hunters have successfully completed the program. Graduates belong to a network of ethical and effective hunters stretching from Whitefish to Miles City who hunt together, keep each other informed and are knowledgeable voices on issues affecting sportsmen across Montana.

The program covers wildlife management, history of conservation, hunting culture and ethics, private land stewardship, shooting accuracy and precision, lead-free ammunition, hunting and other topics. The instructors have a wide diversity of knowledge and perspectives and include ranchers, farmers, university faculty, professional shooting instructors, wildlife managers, wildlife biologists, FWP personnel and others.

The program is led by One Montana (1MT), a nonprofit working to sustain a vibrant Montana by connecting urban and rural communities. The program is supported financially by private foundations, nonprofit organizations, trade associations and industry partners such as the Rocky Mountain Elk Foundation, Bass Pro Shop's and Cabela's Outdoor Fund, Montana Stockgrowers Association, Montana Grain Growers Association, Montana's Outdoor Legacy Foundation, Mystery Ranch, Sitka Gear, Weyerhaeuser Company and others.

For information about the application process, class dates and eligibility requirements, visit www.mtmasterhunter.com.

Veteran's Corner Update #122

By Mike Lawson

Greetings to all of you in SW MT who read this column about our Veterans and news concerning our Veterans. Some of this news is about our Southwest Montana Veteran's Home, the new Veteran's Medical (CBOC) Center, now being built, and other Veteran news.

The VA CBOC, being built just south of the Harley Davison Dealership on Three Bears Lane, is this past week's big construction story. The outside is really progressing well, with a big push in getting the curbing poured around the building and the outer perimeter of the parking lot. The sidewalks around the building will follow and Wayne's next push is to get the paving done. Todd Paffhausen is the Site Construction Superintendent and keeps things moving at a good pace. The landscapers have all their piping put in and are working on the zone valves/spreading top soil/ etc.. The Roofer has installed the remaining metal roofing/snow guards/caps and has his work completed. The guy troweling the brown surface plaster on the wall sections, between the stone on the bottom of the wall perimeter and the brow roof, has completed the front of the building. Really looks good. The water-well has been drilled but can't be used until the electricity is able to be hooked up to it. The city water is being hooked up/turned-on at this site. This will allow the landscapers to water the trees/scrubs they plant. The last thing I'll mention on the outside, is the completion of the stone-covered sign concrete base and the Sonatube Concrete Forms for the parking-lot light pole bases.

Inside: The frustration of having building components continue being on backorder, is a real problem on not only this construction site but on sites across the country. One big example, on this Vet Center site, is the main outside "Electrical Panel" where the Power Company brings in and hooks up the electricity for this building. This Panel has been on back-order for 5 months. Other examples are a number of metal door frames and entrance doors that are also on back-order. Due to some VA change-orders, they can't start hanging sheet rock until those change-orders come in.

The Southwest Montana Veteran's Home is now home to 24 Resident Veterans. The resident veterans are being involved in a variety of activities, including Liaison Ashley Bair bringing her beautiful big Labrador dog in to visit them, which is a big hit. Big Halloween drive-through event planned for October 29th from 3-5 p.m.. Any of you who might be interested, the Resident Vets will be outside to receive any treats you would put in their

Trick or Treat Bags. Covid precautions will be in place. Great fun for all involved.

The Operating Contractor, Eduro, is hiring in anticipation of Cottage #3 and than Cottages #4 & #5 being on-line, in the near future, with new residents. Cottage #5, being designated as a "Memory Unit Cottage", will fill up quickly due to the tremendous back-log of veterans needing this type of care. The completion date for our Vet Home has been pushed out to October 20th. It really bothers me when I report a certain completion date and that date isn't kept.

Construction Update:

All buildings, with the exception of Cottages #4 & #5, have been turned over to the Operations Contractor Eduro.

Cottage #4: Not much going on here. Few minor change-order things going on. Final cleaning has been put on hold, probably until Cottage #5 is ready to be cleaned, as they're both going to inspected at the same time. Hopefully they'll pick another wallpaper selection.

Cottage #5: The Sheetmetal Guy is doing finish work on the HVAC systems. The Electricians continue doing their trim-work installing switches/outlets/lighting/etc.. Plumbers continue on their trim-out. The Boilers are scheduled for start-up testing this week.

Becker Landscaping: This crew continues to impress with their hard work of sod-laying/planting scrubs/spreading rock & bark. All the cottages have sod laid around them, as well as the Community Center.

VFW Post #1448 is sponsoring a Barbecue for all Veterans at the Marine Corps League "Hooch", (525 Garden Ave, Bt.) The time for this is from 4-7 pm, the 29th of September. Bring your family.

The Marine Corps League Det #724, is having their monthly SOS Breakfast at the Hooch on Saturday, October 2nd from 9 am - 12 pm. Our Marine member Billy Robbins is the chef and his cooking is top notch.. Veterans/spouses are welcome. Cost; \$6.00 .

Down Dillon way, the American Legion Post #20 will have their Executive Board meeting on September 29, at 7 P.M.. This will take place at the Legion Hall on 437 E Glendale. The Annual Veteran's Day Free Community Breakfast will be a main topic of discussion during this 45-60 min meeting. Commander Lois Volkening will conduct this meeting. If you have any questions, call 925-3774.

If any of you have the opportunity to attend the reunion of a military unit you were part of, it's well worth the effort.

To the Great Harvest Team - please accept our sincerest thanks for the Great Harvest Bake Days September 15, 16, & 17. It was so much fun for the Tree Board and the "bread and goodie customers." We are in awe of the Great Harvest high energy work ethic and culture of "giving back" to the community. The funds generated by the Bake Days will all be used to renovate the Swenson Way boulevards. Thank you again Great Harvest - You folks make Dillon a great place to raise a family, plant trees and enjoy the outdoors.
