Gene Melvin Halstead, 75

Gene Melvin Halstead, 75, died Friday, October 1, 2021 at Hot Springs Health hospital in Thermopolis after a period of declining health.

Born June 27, 1946 in Dillon, Montana, he was the son of Wayne and Nola (Fournier) Halstead.

Living in Armstead, MT, Gene was active in 4-H Club and active in Little League Baseball. After the Clark's Canyon Dam was built in 1962, the family moved to Dillon where Gene graduated from Beaverhead County High School in 1965 where he participated in Square Dance Festival.

Enlisting in the U.S. Navy, January 1966, he served aboard the Cruiser CLG3 Galveston in radio communications at San Diego, CA. Gene's first deployment was to the Mediterranean, second to WESPAC during the Vietnam War, 1968 and then back to the Mediterranean.

He married Peggy Jankunas, welcoming her son, Shane, into his life. The couple later divorced.

He graduated from Northern Montana College at Havre, MT with a Bachelor of Construction Technology Degree. For many years he was employed by the Bureau of Reclamation as a Civil Engineering Technician on contract administration on multi-purpose water resource projects.

A member of Risen Son Southern Baptist Church, Gene was dedicated to helping with the Food Pantry and Messiah's Mall, even if it wasn't a scheduled time to receive food or clothing. A caring man, it was important to him to help someone in need.

Survivors include his stepson, Shane Jankunas of Hamilton, MT; aunt, Marlene Halstead of Farmington, MN; cousin, Paul and Ruth Pilgram of Dillon, former wife, Peggy, of Hamilton, MT and friend, Walter Warrick of Arizona and Idaho.

Cremation has taken place. Inurnment will take place in the Mountain View Cemetery in Dillon, MT.

Mortimore Funeral Home is assisting the family with arrangements. Messages may be offered at www.mortfh.com.

BULLDOGS FOOTBALL

The Bulldogs fell to Rocky Mountain College 41-31 saturday afternoon in billings.

Dillon Middle School News October 4-8

The lunch menu this week is as follows: Monday we will have chicken fajita soft shell tacos with trimmings. Tuesday, we will enjoy sloppy joes served with cabbage. Wednesday, we will have local beef hamburgers served on a bun with trimmings. Thursday, corn dogs will be served with mac and cheese and on Friday, we will enjoy beefy noodles served with a biscuit.

The presidential and vice presidential hopefuls have been having fun campaigning. Due to the uprise in covid cases, we were not able to gather to hear their speeches. However, students were able to hear their speeches through google meet in their 8th period classes and then vote. We hope to have the results next week.

In the meantime, those hoping to become a representative for student council are campaigning this week. The halls are adorned with posters and voting will be Friday. Students, please make sure that you carefully consider who would be the best for the job.

Last week, DMS was able to start up with our sports schedule. Monday, volleyball traveled to Butte East. 7A, 7B and 8B were not able to pull off a win. But with no practice for a week, they played remarkably well. 8A came to play and to win, and they did so handily. Great job ladies.

In football, last Tuesday, DMS hosted Hamilton. Both 7th and 8th grade teams won. Great job guys.

This week in volleyball, Tuesday, October 5th, the 8th grade A team will host Butte Central in the DMS gym. The three other teams will practice in the Parkview gym. Then on Thursday, the B teams will travel to Deer Lodge. The bus departs at 2:00 PM. Games are at 4:00 and 5:00 PM at the CP Center. The A teams will have practice that day. Then on Saturday, October 9th, the A teams will travel to Butte East for a tournament. Times are yet to be determined. Athletes and parents, a note should come home with details about this event.

This week in football, today, Monday, the teams host Butte East. Games are at 4:30 and 5:30 behind the DMS school. Then on Thursday, the teams travel to Butte East. The bus departs at 2:30. Games are at 4:00 and 5:00 PM. Football will end their season on Monday, October 11 playing Anaconda. Games will be home and will begin at 4:00 PM. 7th grade will play the first half, and 8th will play the second half.

In cross country, the team finishes off the season with a meet today in Belgrade for the Belgrade Invitational. The bus leaves at 8:30 AM and the meet begins at 1:00 PM. Good luck to all our cross country runners.

STREET & ALLEY COMMITTEE MEETING

Monday, October 4th, 2021

1:00 P.M.

Future Fisheries Improvement Program grant deadline is Nov. 15

Montana Fish, Wildlife & Parks reminds landowners, watershed groups and others that this winter's deadline to apply for Future Fisheries Improvement Program grants is November 15.

The goal of FWP's Future Fisheries Program is to restore rivers, streams and lakes to improve Montana's wild fish habitat. Entities can receive funding for qualifying projects that benefit Montana's wild fish. Each project is assessed by an independent review panel and final funding decisions are made by the Fish and Wildlife Commission.

To learn more about the Future Fisheries Improvement Program, and to download the grant application form, go to the FFIP website at <https://fwp.mt.gov/ffip>, email FWPFFIP@mt.gov or call the program manager at 406-444-2432.

Completed Future Fisheries Improvement Program applications must be received on or before 11:59 p.m. on Nov. 15 and should be sent electronically to FWPFFIP@mt.gov. Paper applications can be sent to Montana Fish, Wildlife & Parks, Fisheries Habitat Bureau, P.O. Box 200701, Helena, MT 59620-0701.

class per week with guest speakers and TRIO staff presenting on a range of topics including resume writing, degree tracking, financial literacy, interview skills and graduate school.

The staff and students who participated in the Accelerator Program would like to thank the donors who help make the program possible.

The Montana Western TRIO Student Support Services grant was recently renewed for another five years of funding, ensuring that the program will continue to serve UMW students.

For more information about the University of Montana Western's TRIO Student Support Services office and provided services, please visit their website.

FWP wraps up aquatic invasive species survey

Montana Fish, Wildlife & Parks is wrapping up another season surveying for aquatic invasive species (AIS). FWP and partner AIS early detection crews surveyed more than 300 waters around the state, collecting over 2,200 early detection samples looking for new populations of invasive mussels, snails, clams and aquatic weeds.

AIS early detection crews conducted focused surveys for AIS at all fish hatcheries in the state, assessed Eurasian watermilfoil treatments in Noxon Reservoir and supported a state-wide crayfish survey project. AIS staff worked with a variety of partners on Eurasian watermilfoil eradication in Beaver Lake near Whitefish, fragrant water lily removal in Holland Lake and Asian clam eradication in Lake Elmo in Billings.

New populations of several AIS were identified in the state this year including several snail and plant species. New Zealand mudsnails (*Potamopyrgus antipodarum*) were identified at three new locations including Big Sheep Creek near Dell. This is the first time New Zealand mudsnails have been detected in Montana's natural water bodies west of the Continental Divide. The tiny mudsnails are often transported to new locations when snails cling to plants, muddy boots or fishing gear.

These new detections are a reminder to ensure boats, trailers, fishing gear, waders and clothing are always clean and free of mud, plants and vegetation; all water is drained; and boats and gear are thoroughly dry before entering another waterbody. Aquarium pet owners should never dispose of aquarium water, plants or animals into natural waterways.

The public can report sightings of aquatic invasive species to FWP at CleanDrainDryMT.com or call 406-444-2440.

UMW TRIO Program

*UMW TRIO Program Offers Guidance for New Students
TRIO Student Support Services kicked off the beginning of
the 2021 Fall Semester to help new students be successful.*

TRIO programs are federal outreach and student services programs designed to identify and provide services for eligible students. Students qualify for the TRIO program if they are first-generation college students, have a disability, or fall below a certain income level. TRIO helps students overcome economic, social, and academic boundaries to higher education by assisting with basic college requirements and providing students with needed support. The program aims to increase college retention and graduation and currently serves around 160 UMW students each year.

To start the year, TRIO welcomed incoming new students to the third annual Accelerator Program. The Accelerator Program allows new TRIO students to move in two days earlier than most freshmen, giving these students the chance to learn about the expectations of the TRIO program. It also allowed students to meet their TRIO advisors, mentors, pick up their books and locate their classrooms before the first day of classes.

"During my time at the accelerator program, I was able to settle into the dorms before orientation and get familiar with our campus. It was also nice to learn that I will always have someone in my corner to help," said freshman TRIO student Lakota Becker.

The programs and activities new TRIO students participate in are designed to help alleviate any anxiety they may be feeling.

"I was very happy that I decided to participate in the Accelerator Program," said freshman Brooklyn Suden. "This program helped show me what I needed to know before I knew it. Thanks to the Accelerator Program, I was less stressed and more excited to start college."

One of the workshops during the Accelerator Program featured a faculty Q&A session where students had the opportunity to ask a panel of Montana Western professors any questions they had about taking a college course. This was a great opportunity for students to connect with some of the UMW faculty and learn about the expectations professors have for students during a block course.

New TRIO students also participate in First Year Experience (FYE) classes throughout the fall semester. FYE classes are designed to help TRIO freshmen transition to Montana Western and gain the skills and knowledge it takes to be successful throughout their college careers. FYE participants attend one

Where People Come First. *Always.*

Dear parents,

If your child hasn't had an annual wellness check-up, schedule the important appointment—and get the sports physical he or she needs for the current school year—all at one convenient visit to Barrett Hospital & HealthCare.

Wellness appointments track physical growth, emotional development and are an important tool to protect your child's health. During the annual visit, providers can also complete sports physicals—a requirement of most schools before children can participate in organized sports and activities. Even better, because most insurance plans cover the cost of annual wellness visits, when you have sports physicals completed during wellness exams, you maximize your insurance benefits and safeguard your child's health at one convenient appointment.

Even if the sports your child is interested in start later in the year, having sports physicals completed means he or she will be ready whenever the fun begins. Ask your child's primary care provider to complete a sports physical during his or her annual visit. For your reference, please note the following information about appointments:

Sports physical only. With discounted prepay service, \$32 is requested upon arrival.

- Primary care provider reviews and completes the sports physical form that parents receive from schools/organizations where the child will play.
- Immunizations are not provided.
- Visit cannot be used for other medical or health needs.

Well-child check. Insurance is billed (if available); often annual check-up/wellness visit is included in insurance premium. Check your insurance plan to determine individual coverage.

- **Providers can complete sports physicals and fill out appropriate form/paperwork if needed.**
- Immunizations are reviewed and given.
- General medical and health topics are addressed. Insurance companies may not consider the appointment an annual wellness visit if appointment is used for acute issues or concerns. If acute concerns/issues are addressed additional insurance billing may occur.

Regular illness/acute care visit. Insurance is billed (if available); deductibles, co-pay, co-insurance apply.

- Provider cannot review sports physical forms.
- Immunizations can be discussed, but not administered because of the illness that prompted the visit.
- Discussion of acute visit/reason for visit is addressed.
- Other medical and health discussions can be addressed.

Call 406-683-1188 to schedule an appointment or learn more at BarrettHospital.org.

Beaverhead County Public Health Drive-thru Flu Clinic

Montana Street Parking Lot
Across from Womack's Printing Place

Thursday, September 30 • 1 to 3pm

Thursday, October 7 • 12 to 3 p.m.

To benefit the Beaverhead Community Food Pantry, the Town Pump Cash Match has begun again. All cash donations we receive from September 1, 2021, through November 30, 2021, Town Pump will match dollar for dollar up to \$15,000. This match program that Town Pump offers is always one of our largest donations which helps us with purchasing groceries and pay operational expenses. The Food Pantry is a 501(c)(3) non-profit organization. We run entirely on volunteers. Please help us reach our goal by sending your donations to the Beaverhead Community Food Pantry at P.O. Box 1356, Dillon, MT 59725. 9/8-11/15 BILL
