George Irvin Eby

George Irvin Eby was born to Ben & Myrtle Eby in Clyde Park, MT on July 22, 1933. He joined brother Herb & sisters Violet and Betty.

The family lived in numerous places in the US as Ben moved the family to construct roads for this country. George graduated from Park High School in Livingston, MT from there he was drafted into the Korean war stationed in Korea.

After serving 2 years, he returned

to Montana and followed in his dad's footsteps building roads around Montana.

He was working in Dillon, MT when he met the love of his life, Verona Nettik at the Club Bar. They were married on Aug 1, 1958 and welcomed Sandi and Ed into their family. George worked hard during his time in construction often times going away for a week at a time but always coming home every weekend to spend time with the family. He and Verona spent many years bowling and determining who would be the "boss" of the day by playing 3 games of cribbage every morning they were together. George delighted in taking his love to Jackpot, Las Vegas, Laughlin, Mesquite and even Fort Hall when the urge hit. George retired from highway construction, and promptly went to work for the city of Dillon reclaiming holes for the dump. He very much enjoyed working with all the people there. He gave it up in 2013 but was often brought back for special projects. He was a lifelong member of the Dillon Elks and was in later years referred to as "Coffee George" as he was the provider of coffee during the family night dinners. He very much loved interacting with all the people who came in to the Elks for all their events.

George was proceeded in death by his parents, siblings and beloved wife, Verona in 2018. He is survived by his daughter, Sandi, son Ed, granddaughter Lindsey (Paul) Neal and 6 great grandchildren, grandson, Evan, special nephew Denny Adams, nieces Diane Thompson, Linda (George) Huckle, Vicki Jo (Larry) Boals and best friends Leo & Frieda Barnett

There is a memorial service scheduled for Monday, October 11th at 1 pm at Brundage Funeral Home.

Montana Western Appoints Michael Feuling as Athletic Director

The University of Montana Western is pleased to announce the appointment of Michael Feuling to the position of Athletic Director and Development Officer.

Feuling currently serves at Linn-Benton Community College in Albany, Oregon as their Annual Fund Development and Community Relations Officer. Prior to working at Linn-Benton, Feuling worked at Western Oregon University for over ten years, serving as their Assistant Athletic Director for Development.

During his time at Western Oregon, one of Feuling's primary focuses was leading fundraising

efforts for the university and athletic department. He was responsible for the management of fundraising campaigns, programs, events, and initiatives that generated funds and established a strong donor pipeline. By developing strategic relationships with alumni, friends, family, and community members in 2019, Feuling led fundraising efforts that brought in over \$485,000, a record for Western Oregon University Athletics.

Feuling was selected after a national search that brought several candidates to campus.

"Michael's commitment to students and passion for providing opportunities for growth through athletics and academics, as well as his successful background in fundraising, make Michael an excellent choice for Montana Western," said UMW Chancellor, Michael Reid. "I'd like to thank the community of Dillon and our students, faculty, and staff, for their participation and input they provided during the search process. I'm looking forward to welcoming Michael and his family to the Bulldog Community."

Feuling earned a Master of Arts in Sports Administration from

"I'm humbled and honored for this opportunity and can't wait to work with the terrific staff and student-athletes at Montana Western. The community support for the university and Bulldog athletics is incredible, and my family and I are excited to join the team," said Feuling. "I want to thank the search committee and Chancellor Reid and as the next athletic director for UMW, I look forward to creating a 'Championship Experience' for the student-athletes and set them up for success in the classroom, in competition, and after they graduate."

"We are excited to welcome Michael, Jamee, and their sons to the Bulldog Community. Michael's experience in fundraising will help create new opportunities for our coaches to improve their programs and recruit outstanding athletes to Montana Western. His previous work in collegiate athletics has prepared him well to understand our culture and he brings in great energy and ideas to help us continue to advance each of our programs," said Interim Athletic Director, Janelle Handlos.

HORSE MUFFINS

By "Swede" Troedsson

In 1966 my wife MaryAnn and I backpacked into Green Lake for an overnight stay. Green Lake is located southwest of Melrose, MT, in the East Pioneer Mountains.

Our approach to the east shore of Green Lake entailed a difficult scramble downhill and over a field of large boulders. It was an easy walk north along the lake shore to the inlet.

The inlet is surrounded by a small smooth flat area. An ideal camping spot!

After setting up our tent to the bleating calls from numerous pikas, I pulled a plastic bread sack out of the bottom compartment of my Kelty backpack. In response to my wife's inquiry as to what was in the sack, I responded "Horse turds". I told her it was my intent to deposit the dry horse turds by the inlet and let the next visitor try to figure out how a horse managed to get into the area.

Lewis & Clark Caverns State Park presents 'escape cabin' and marshmallow roast event

Can you unlock the mystery in time?

Lewis & Clark Caverns State Park will host an original escape room event on Saturday, Oct. 23, with time slots starting at 5 p.m. and going until 10 p.m., meeting at the main (lower) visitor center.

Here's where the adventure begins: Dr. Townsend, a bat biologist, has gone missing in a nefarious plot. To avoid the same fate and escape in time, you'll have to search his cabin for clues and find his hidden research notes. Participants will have 40 minutes to follow the trail of clues and unlock the door.

When you've successfully found the way out with research in hand, you can enjoy your newfound freedom and celebrate with a s'more or two. All ingredients and materials will be provided except for chairs, which escapees are encouraged to bring.

Tickets are \$5 per person. To book your time slot, please email Emily.Dickerson@MT.gov or call the park at 406-287-3541. Each time slot may have up to six participants.

Lewis & Clark Caverns State Park is about 15 miles southeast of Whitehall, along Montana Highway 2. For more information about the park, please visit fwp.mt.gov/stateparks/lewis-and-clark-caverns or call 406-287-3541.
