We will start taking bids online at 7:00 p.m. on Saturday, October 9.

You will need to Sign In and create an account for bidding and checkout.

We hope you will join the fun online or in-person and help support our Bulldog student-athletes! Thank you so much for everything you do to support our students.

This event is sponsored by the University of Montana Western Department of Athletics and the Bulldog Club.

Dear People of Dillon,

Thank you for another great summer at the Dillon Farmers' Market! This year, for 13 Saturdays, we had a variety of local products and talent on display, and a good time was had. Over the summer, 34 vendors joined the market, with an average of 13-15 vendors active each Saturday. Thanks to all who came to visit the market each Saturday, and those supporting us behind-the-scenes, we've completed 18 seasons as a safe, inexpensive, community-centered place for local commerce.

The street locations permitted by the City were excellent. The portable toilets that arrived for our last two weekends on Pacific Street were a last-minute arrangement by Todd Hazelbaker that helped us survive the chaos of construction. Also, we owe thanks to Julie Bramlet at Mountain View Farm Bureau, for giving electrical power to our coffee vendor in the 11 weeks we were on Washington Street. Joan at the 3D Store kindly updated our banners in June. Rachel at Womack's Printing place worked with our advertising. Mike Reagan at the Tribune was the local reporter on the scene. KDBM-KBEV aired our announcements during the Community Calendar. The 4H building was made available for our spring meeting in April. With help from HUB insurance, we obtained insurance for our event. Thanks, everyone, for making this another fun Farmers' Market summer. We look forward to seeing you again at the market next year.

Sincerely, the Board of Directors, Dillon Farmers' Market, Inc., a 501(c)4 nonprofit organization.

NOTICE OF ELKS LODGE MEETING

Lodge Meeting will be held on October 13, 2021 at 7:00 pm. Bylaws and House Rules changes will be proposed, and bylaws will be presented for a house vote.

Crowdfund Montana Launches Investment Platform for Local Businesses

A new investment platform has launched to empower Montana businesses to raise investment capital directly from the general public, helping entrepreneurs start and grow their businesses free from the control of traditional financial gatekeepers.

Crowdfund Mainstreet (<https://crowdfundmainstreet.com/>) and the Missoula-based Center for Community Ownership (<https://www.centerforcommunityownership.org/>) have collaborated to create Crowdfund Montana (<https://crowdfundmontana.com/>), an investment crowdfunding portal where Montana businesses and organizations can post offerings that anyone can invest in, regardless of their wealth or income levels.

Investment crowdfunding is similar to traditional crowdfunding - think Kickstarter or GoFundMe - where many people come together to fund projects. Investment crowdfunding is different, though, because it allows the funders to receive a financial return on their contribution, and in some cases own shares in the companies they are funding. Investment crowdfunding is a true investment, not just a donation.

"I am incredibly excited that Crowdfund Montana will make investment crowdfunding more available to Montana businesses," said Andrew Connor, director of the Center for Community Ownership. "Access to start-up and growth capital is a major obstacle for entrepreneurs, especially in the aftermath of the pandemic. Crowdfund Montana will help our businesses thrive and creates a wealth-building opportunity for people who would rather invest in Montana than in Wall Street."

Crowdfund Mainstreet, a nationwide investment crowdfunding portal, saw tremendous potential in creating a platform specifically for the purposes of funding Montana businesses. "We are a values-driven company that seeks out community-oriented and mission-aligned companies to support. Montana has such a strong sense of pride and place that we thought it was the perfect opportunity to cultivate a community of people who want to invest in local businesses," said Michelle Thimesch, Crowdfund Mainstreet's Founder & CEO.

Crowdfund Montana's website (<https://crowdfundmontana.com/>) is live, and its first investment offering is already posted. Connor and Thimesch will host an online launch and Q&A event from Noon - 1:00 PM MT on Wed., Oct. 20th that is open to everyone and will introduce attendees to the platform and its first investment offerings.

Anyone interested in attending the online launch event can register here to get an invitation and video call information: <https://forms.gle/VN9cJYXSkCH6UPq9>

Attorney General Knudsen Announces First Round of K9 Grant Awards to Crack Down on Illegal Drugs

Montana Attorney General Austin Knudsen announced the first round of grant awards today that will help local law enforcement agencies obtain and train new canine units to crack down on illegal drugs being trafficked into Montana. Announced in August, the new program reflects Attorney General Knudsen's commitment to moving resources out of Helena and into the hands of local first responders and law enforcement.

"Dangerous drugs like methamphetamine and fentanyl are coming in from the southern border and leading to an increase in crime across Montana. This program is part of my commitment to getting additional resources into the hands of local first responders," Attorney General Knudsen said. "Once trained, these canines and law enforcement officers will be on the front lines protecting our communities from drugs and the crime they cause."

Eighteen grants were approved by the selection committee. The following applications were approved:

- Billings Police Department
- Bozeman Police Department
- Carbon County Sheriff's Office
- Cascade County Sheriff's Office
- Columbus Police Department
- Dawson County Sheriff's Office
- Havre Police Department
- Helena Police Department
- Hill County Sheriff's Office
- Lake County Sheriff's Office
- Lewis and Clark County Sheriff's Office
- Meagher County Sheriff's Office
- Missoula County Sheriff's Office
- Missoula Police Department
- Musselshell County Sheriff's Office
- Ravalli County Sheriff's Office
- Rosebud County Sheriff's Office
- Sidney Police Department

During the 2021 Legislative Session, Knudsen secured funds in House Bill 701 for the Montana Department of Justice to administer a grant program helping law enforcement agencies purchase and

train new drug-detecting K9s to replace those that were trained to detect marijuana after voters last year passed an initiative legalizing the drug. Representative Mike Hopkins carried the legislation implementing the initiative, while Representative Barry Usher sponsored the amendment containing the funds.

Law enforcement agencies that did not meet the deadline for the first round of grants and agencies that would like to apply for reimbursement of costs already incurred this calendar year to replace their marijuana-certified canines are able to apply for a \$10,000 portion of the remaining \$120,000 in the program. Applications must be submitted for the second round of grant dollars by Nov. 5, 2021.

Methamphetamine trafficked into Montana has led to a 91 percent increase in violent crime from 2013 to 2020, Montana Board of Crime Control statistics show. Austin Knudsen is committed to reversing this trend and putting the focus of the Attorney General's Office on public safety.

Hi, my name is Eli Johnson and I have been in 4-H for 6 years. Besides showing sheep, my favorite 4-H project is Shooting Sports.

I have taken Air Rifle and currently am enrolled in Archery and Shotgun. The leaders teach good safety rules and are patient and encouraging. Also, all of the equipment is provided for anyone wanting to start. My favorite thing about Archery is the fun shoots and 3-D target range. Shotgun is really fun too! You learn how to lead the clays and make every shot count. Getting a hit and watching the targets explode is awesome!

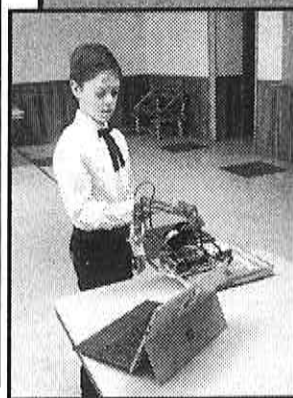

I would encourage anyone looking at join 4-H to give Shooting Sports a try. It is a great way to make new friends and learn neat things.

I think that 4-H is pretty awesome! The projects I've participated in over the past two years are market lamb and Lego robotics. Robotics is fun -- you get to build your own robot and program it to do millions of different things. Lamb is fun because you get to go choose a lamb, then can either raise it to become a breeding sheep or a market sheep, and finally show and sell it at the

Fair. There are tons of projects to choose from and they can vary from delicious baking, accuracy with shooting sports, raising your very own animal, etc. I hope you find that 4-H fun and exciting as I do.

Koen Malesich, age 10

My name is Wyla Miner. This is my 7th year in 4-H. I'm a member of the Beaverhead Stock and Stitch 4-H club. 4-H has taught me more lessons than I even thought it could, responsibility, time management, communication skills, plus I have learned about nutrition and medical care for swine. I enjoy 4-H because it's taught me how to raise a quality animal to consume as meat, I get to hang out with my friends and I also enjoy the opportunity to rodeo as a project.

4-H is a very good experience for kids that want to try new things, explore their interests, and maybe even find a couple new hobbies or passions! I've learned so much in 4-H and have had a lot of fun doing it. This is my third year in 4-H and I intend to keep doing it. So far I have taken Western Horsemanship, English Horsemanship, and Market Lamb. Horsemanship has taught me perseverance and that if you want something, you really have to

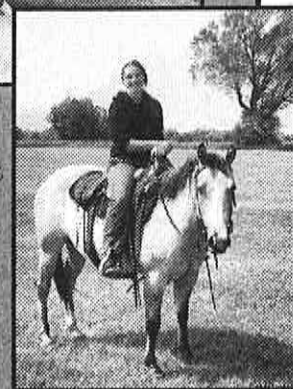

work at it. If you want to experience new things and have a LOT of fun with whichever project you may choose, I suggest you try this wonderful program.

- Lilly Malesich, age 12

My name is Taryn Martinell, I am from Dell, MT and this is my 9th year in 4-H. Being in 4-H over the years has helped me become more organized, willing to learn and help others, and becoming more involved in my club and county. I enjoy getting the opportunity through 4-H to be able to

watch the younger members that I have helped over the years and watch them grow as a person and member. 4-H has taught me proper stockmanship, showmanship, and how to judge a quality carcass cut. I am thankful for the people and friends that I have met over the years and becoming more involved in my community.

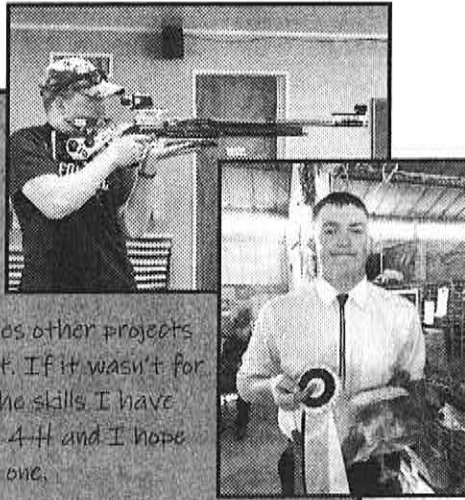

JOIN 4-H TODAY!

Hi, my name is Kiersten Bernard. This is my 3rd year in 4-H. And it is also my 3rd year in baking. I love baking because I can spend time with my Mom. I love baking with my grandma too. I also enjoy shooting sports and have used those skills in my everyday life. I enjoy shooting and hunting with my Dad. 4-H has taught me to be a better person and never give up. I have learned to work harder with 4-H.

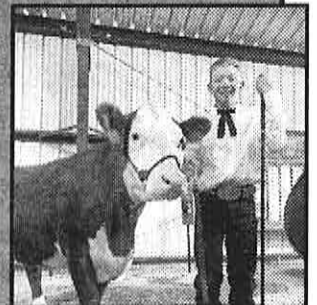

My name is Zane Wendt. This will be my 8th year in 4-H. I am part of the Beaverhead Stock n' Stitch 4-H club. 4-H has helped me learn new skills like leadership, responsibility, and how to raise an animal properly. I like how 4-H does other projects beside animals so all kids can enjoy it. If it wasn't for 4-H, I probably wouldn't have the skills I have today. This will be my last year in 4-H and I hope that it will be a good one.

Hello, my name is Clinton Ford. This will be my seventh year in 4-H as a member of the Beaverhead Buckaroos 4-H Club where I have played the role as Secretary, Treasurer and for the last three years club President. I have also started my first year in FFA at Beaverhead County Highschool. I have been asked to write what 4-H means to me and how it has impacted my life. When I first started out I wanted to do sheep. But, after some talking and convincing on my parents part I decided to market hogs. Now, it has been seven years and I am still glad I chose pigs. I also have breeding swine projects as well as Hereford cattle breeding projects. To me 4-H is more than the check at the end of the year. It is something that I can do instead of staying in the house and playing video games. 4-H has impacted my life a lot. Going to our county fair every year to show off my hard work and reap the rewards of a job well done. If you are interested in doing 4-H, I as a Senior member highly encourage you to do it.

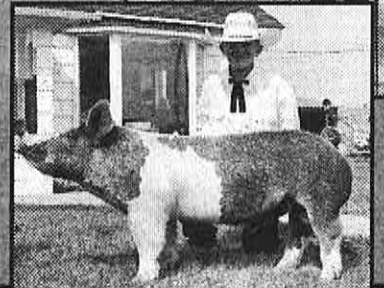

You will have fun no matter what you decide to do. 4-H has been the building block to my successes and will be for my future. "Make the Best Better" is the 4-H motto and I strive to do that each and every year.

Hello I'm Timothy Shumway and I just ended my second year of 4-H. I participate in Outdoor Adventure, Woodworking and Shooting Sports. I enjoy doing activities and community service projects with my club Beaverhead Stock n' Stitch. Our leader Jackie always makes everything very fun for us! Because of my projects I've learned a lot about power tools and the outdoors. It's been fun to make things and do things with my parents. My favorite activity is shooting sports. I've gotten better at target shooting and learned a lot about gun safety. 4-H has taught me a lot about responsibility and how important it is to keep my word.

Hello! I'm Katie Johnson and I have been in 4-H for 7 years. I've been raising market lambs and expanding my breeding sheep flock. In previous years I have done the Horse project, Baking, and Archery. I love 4-H because it encourages everyone to try new things and learn new skills. It's great to see all the kids with their projects at fair and see the work they have put into pay off. As an older member in 4-H, I enjoy helping others with their projects and seeing them learn, all the fun things 4-H offers. So don't wait, join 4-H today!
