FWP auction raises more than \$260,000 for wildlife programs

More than \$260,000 was raised for Montana Fish, Wildlife & Parks' conservation and restoration programs during a wildlife auction held Sept. 25 in Billings.

The auction included antlers, horns, hides and skulls that were confiscated by FWP over the last four years. Most of the items came from poaching incidents.

Montana statute requires FWP to sell seized items at public auction. This includes all birds, animals, fish, heads, hides, teeth or other parts of any animal other than a grizzly bear. When a carcass is confiscated, FWP donates the meat to a charitable organization and removes the antlers to be sold at auction. When enough inventory is collected, FWP holds an auction. The last auction was held in 2017.

The auction, which was hosted but National Auction, grossed \$311,740. After payout to the auction house for commission and expenses, the sale netted \$260,479.

Typically, these auctions net around \$100,000. However, since it's been four years since the last auction, the revenue was expected to be more.

"Our enforcement staff work hard throughout the year to protect Montana's natural resources," said FWP director Hank Worsech. "The money raised in the auction goes right back into the critical conservation work we do across the state."

Judiciary Committee Swpt 21, 2021

By: MJ

Members Present: Councilperson Mr. Nye and Ms., O'Rourke
City Staff Present: City Attorney Mr. Dolan, Mayor Klakken,
Mayors Assistant Stacey Roundy, Chief of Police Mr. Guiberson,
Director of operations, Mr. Hazelbaker.

Several recommendations, mostly word smithing was discussed
and voted on for the amending Title 12.

Public Comment:

Mr. Tom Miller addressed the committee. He stated he was
interested in the Special Events/Street closures and Parades part
of the code. He asked if the committee was bringing the issue up
because of the Trump Train. Chairman Ny said (no). The code
is already in effect in Title 10 under Vehicles and Traffic. The
committee was just moving it to Title 12 under Streets. Mr. Miller
responded by saying he had no issue with the Trump Train and
believes in freedom of speech.

Mr. Chris Brozell asked the committee about the status of
the resolution that he presented to the council. He was under the
understanding it would be addressed at the Judicial Committee.
Councilperson Nye said the ordinance was given to the City Hall
Committee to review. The City Hall Committee met the prior week,
Sept 16, 2021. City Hall Committee Review: Chief Guiberson
addressed the committee and stated that this particular resolution
presented to the committee was full of misinformation. He stated
that the City didn't have the authority to approve this resolution; it
should be in front of the State or Federal legislature. Chief Alvarez
addressed the committee and spoke about the importance of police
officer's body cameras and security cameras are when doing their
jobs. **Note:** Mayor Klakken stated that he was strongly opposed to
the Federal government dictating surveillance on private property.

The issue was permanently tabled by the committee, and it was
not recommended to be sent to the council. Mayor Klakken told
Mr. Brozell that he was welcome to attend the next Council meeting
and ask that it be readdressed.

Question: If the power grid can't handle a night of 20-degree
temperatures without black-outs, then how are we going to plug in
millions of electric cars in a night.

Dillon Middle School News

Here's the Dillon Middle School News for the week of October 11-15, 2021.

The lunch menu this week is as follows: Monday, we enjoy spaghetti with meat sauce served with French bread. Tuesday, we will have turkey tacos served with trimmings and black beans. Wednesday, grilled chicken sandwiches on whole grain buns will be served. Thursday we will enjoy pizza served with bread sticks and green salad. And Friday, beef and bean burritos will be served with refried beans.

Congratulations to Trenton Moreni for becoming our DMS student council president and to Lilla Guiberson, for becoming our student council vice president. Stay tuned as we will announce who won for student council representative for 6th, 7th, and 8th grade next week. Good luck to all of our candidates.

This past week in sports, football hosted Butte East. Both 7th and 8th grade teams won handily. Likewise the 8th grade girls' volleyball A team hosted Butte Central and came away with the win. Today, football, will finish their season by hosting Anaconda. The game starts at 4 PM and 7th grade will play the first half while 8th grade will play the second half.

Stay tuned next week for more results in volleyball, football, and cross country.

Boys' basketball will begin Monday, October 25th for 7th and 8th grade. Sixth grade boys will begin a week later. Players, if you didn't participate in a fall sport, please make sure to get your physicals in to the office as well as do your online concussion packet form. Any questions? Please call the DMS office.

The Beaverhead County ACEs Task Force is dedicated to building a resilient and connected Dillon community. Adverse Childhood Experiences have long term health effects that are countered by raising resilient children and creating a more compassionate and connected community. Strong families build strong communities.
