## Beaverhead Search & Rescue News

Submitted by Mel Rice – Public Relations

Sunday Morning at 12:15 a.m., the Beaverhead Search and Rescue was paged out to look for a lost party in the Crystal Park area. A 53 year old gentleman and his 16 year old son had been reported missing from a day trip to Crystal Park. The lost party is from Anaconda. The incident actually started the day before. The reporting party called the Sheriff's office at 7:52 p.m. Saturday evening and reported the two individuals had not returned home. A Sheriff's deputy was dispatched to the Scenic By-Way from the Grasshopper end of the highway. A Highway Patrol Trooper was also dispatched from the Wise River end. Searches at either end of the byway did not produce the lost individuals or their vehicle.

he Dillon deputy found car tracks going around the road closure barrier just below Elkhorn Hot Springs. Upon further investigation the deputy, while following the tracks, became stuck in a snow bank. After digging for two hours and finally getting some help from one of the Grasshopper Volunteer Firemen, he got out and returned to Dillon. At that time the Beaverhead Search and Rescue was called out to aid in the search. Tara Remely, Alex Dunn, Lawrence Morrisroe, and Mel Rice responded to the call out. Rice acted as the IC while Dunn, Remely, and Morrisroe were deployed to the Scenic By-Way with a side by side and snowmobile.

The side by side and sled ventured up the By-Way behind the closure gate. The side x side had been stuck twice and was about 300 yards short of the Price Creek Campground. They had found nothing. At that point the sled went on into Crystal Park and over to Moose Park. Nothing was located and it was determined the Nisson car the party was driving would not have been able to make it that far. There were no tracks from a car in the area. It was also determined a car of that nature would not have been able to advance beyond the road closure barrier on the Wise River end of the By-Way… Therefore, the S&R members terminated the search in the area and returned to Dillon, arriving back in town at 6:10 a.m. At this point the Sheriff's office called individuals in Anaconda and was informed the individuals were home. Approximately 36 man hours were spent during the search.

## Beaverhead Search and Rescue News

Submitted by: Mel Rice-Public Relations Officer

The Beaverhead Search and Rescue was called out for two overdue hunters on September 23. The incident started when 4 hunters from Wisconsin separated into two parties and one of the parties did not return to the vehicle at the designated time. They were hunting in the Crystal Park area on the Scenic Byway. When two individuals had not returned after a certain length of time, the two that had returned called the Sheriff's office and reported two of their party missing. S&R search managers received the page at 4:15 PM , while the general membership was called out at 4:47 PM.

Hasty teams were deployed to Crystal Park, where the party of 4's vehicle was located. A fixed wing aircraft was deployed to the search area as well. At approximately 6:15, the two missing individuals were located by the aircraft walking across Harrison Park, northwest of Crystal Park. A search ground team got to the individuals shortly after the plane spotted them; the two asked the S&R members whom they were looking for. They were informed that they were the missing party being searched for and they responded by saying we're not lost. We've just been out hunting. The whole incident happened because of lack of communication or understanding between all 4 members of the party.

Search and Rescue members participating in the incident: Clint Rouse, Cody Schnee, Dan Cahill, Dusty Crowe, Graden Greenslade, Jason Ericksen, Julia Clark, Lawrence Morrisroe, Sam Peterson, Shane Puyear, Steve Mock, Trent Cottom, and Tyler Gover. Thanks to all the members who were able to show up and help on the search. There were many man hours spent on an incident that wasn't necessary had all the concerned parties fully communicated before separating for the days hunt. Please make sure when you venture out to the hills:

- Let someone know where you are heading and if that changes let someone know the alternative plan.
- Have a specific time that you are to meet back as a party but don't panic if the individual(s) are a little bit overdue. Maybe they just got something and it is taking a while to get out.
- Be prepared for all of the different weather conditions that you may encounter in a 24 hour period.
- Have the necessary equipment in case you do get caught out after dark and may have to spend the night.

It is finally looking like we might be moving into some inclement weather. Conditions can change in a hurry. Take care out there and be prepared. "In The Business of Saving Lives" your Beaverhead Search and Rescue.

## Elk Hunt

Bryce Angell

My friends were city dwellers. They were hunter wannabees. So, they drew a late fall elk hunt. Here's the story they told me.
The morning snow was on the ground. We gulped down our last bite. Our bellies full of scrambled eggs and coffee black as night.
We'd drawn our tags six months ago, the elk hunt of our dreams. Our guide was checking all our gear, so surreal, it seemed.
I heard the guide make mention, "Let's go easy on these guys. They both look like they're nervous. I can see it in their eyes."
How could we fail this outdoor guide? He seemed to know so much. But we were fragile city boys, and hunters out of touch.
Our guide had surely pegged us. We were not tough hunter men. We both were soft as Twinkies 'cuz each day we pushed the pen.
We started at a slower pace but sweat fogged up our glasses. The camp cook called us overweight and slower than molasses.
The days flew by with nothing but the blisters we'd been branded. We were running out of time and prob'ly leaving empty handed.
We wondered what our wives and kids would say to no elk rack. Hopefully they'd all agree it's good to have us back.
But then our guide stood pointing at two bulls just up ahead. He whispered, "Better hurry boys it's time to fire some lead."
We might be city boys, but we were practiced, deadly shots. We'd both go home successful. No more stomachs tied in knots.
Our guide was there for skinning and said, "Please don't waste the meat. Enjoy what we've been given. This will make your hunt complete.
"And realize, before our time, men would hunt to stay alive. So, count your many blessings while you're working nine to five."

## VFW Scholarship Raffle Winners

The drawing for the winners of the annual VFW Post 9040 Scholarship Raffle took place on Saturday, September 4, at the Beaverhead County Fair Grounds. Raffle winners were Richard Jackson, Mike English, Carol Sherord, Jodie Jolly, Harold Grogan, Rick Srejkovsky, Len Hear, Brody Lange, and Ardie Fisher.

VFW Post members would like to give a special thanks to all of the area businesses, Bitterroot Trading Post, Brian Mussard/Reminisce Angus Ranch, Standard Lumber/Ace Hardware, Murdoch's Ranch and Home Supply, R.E. Miller & Sons, Town and Country Foods, Triple Crown Nutrition, Inc, and Jim's Smoke Shop for their generous donations of prizes. Thanks also go out to The Bookstore, 3-D, and Womack's Printing for helping sell raffle tickets at their businesses. Lee Pelletier and KDBM/KBEV were also extremely helpful in advertising the raffle throughout the summer.

The VFW would also like to thank all of the individuals in the community who bought tickets for the raffle, and made this another successful scholarship fund raising event. Your support will allow us to continue to provide scholarships to two graduating seniors from Beaverhead County High School, awards to outstanding graduates from the Montana Youth Challenge Program, and the various other programs in the local schools that we are involved in. We hope that everyone will continue to support this event in the future, and, if you didn't win this year, wish you better luck next year.

## RMEF, Partners Provide $3.3 Million for Conservation Projects

The Rocky Mountain Elk Foundation and its partners allocated $3,354,581 of grant funding to enhance wildlife habitat, scientific research and hunting heritage projects in Oregon. RMEF contributed $189,305 and leveraged an additional $3,165,276 in partner dollars.

"So much good will come from this funding across nearly 4,500 acres of elk habitat including noxious weed treatment, installing wildlife-friendly fencing and aspen, meadow, wetland and grassland restoration work," said Blake Henning, RMEF chief conservation officer. "There are also three important research projects that will help shape the future of elk management as well as a number of projects that support and promote hunting."

The conservation work will benefit Benton, Clackamas, Coos, Crook, Curry, Deschutes, Douglas, Grant, Harney, Jackson, Josephine, Lane, Lincoln, Linn, Marion, Morrow, Multnomah, Polk, Shasta, Tillamook, Umatilla, Union, Wasco, Washington, Wheeler and Yamhill Counties. There are also several statewide projects.

Oregon is home to more than 15,000 RMEF members and 23 chapters.

"We salute our Oregon volunteers who give their time and effort to generate this vital funding for these 31 different projects," said Kyle Weaver, RMEF president and CEO. "They also completed more than a half dozen different on the ground projects in their home state this year to improve the landscape for elk and other wildlife."

Since 1986, RMEF and its partners completed 1,023 conservation and hunting heritage outreach projects in Oregon with a combined value of more than $72.6 million. These projects protected or enhanced 854,161 acres of habitat and opened or improved public access to 135,046 acres.

Below is a sampling of Oregon's 2021 projects, shown by county. Go here to see the complete list.

Habitat stewardship work includes replacing old, barbed-wire fencing with new wildlife-friendly fencing and constructing fence crossings designed by volunteers.

**Douglas County**

- Mow and burn 225 acres at the Dean Creek Elk Viewing Area (EVA) on the Bureau of Land Management Coos Bay District to remove dead and decadent vegetation followed up by seeding and planting native forbs to maintain quality forage for elk. The EVA is the most visited site in the district, drawing 480,000 visitors annually.

**Grant County**

- Provide funding for researchers to deploy 139 GPS radio collars as part of a study to determine movement patterns, seasonal use areas and annual survival in two large study areas across the Malheur, Ochoco and Umatilla National Forests in the Blue Mountains (also benefits Crook, Harney and Wheeler Counties).

**Harney County**

- Remove encroaching junipers from 665 acres of aspen, mountain mahogany and sagebrush habitat on the BLM Burns District to improve elk and deer forage. Oregon State University is also conducting long-term research in the immediate area to measure benefits to elk, mule deer, birds and vegetation.

Project partners include the Ochoco, Umatilla, Umpqua and Willamette National Forests, Bureau of Land Management, Oregon Department of Fish and Wildlife, and conservation, sportsmen, university, civic and other government organizations and individuals.
