Nathan Edwin Scott

April 22, 1997 - October 2, 2021

Nathan Edwin Scott was born in Walnut Creek, CA and raised in the East Bay of Northern California on the edge of the San Joaquin Valley and the California Delta.

As a youth, Nathan found his niche in music and the outdoors. He played percussion instruments in his high school jazz band for four years, learning to both read and write music. At the same time, Nathan excelled academically throughout high school being an Honor Roll student in his college-prep courses for eight consecutive semesters.

But it was his love for outdoor adventures that framed his life.

Nathan became a Cub Scout when he was nine and by his twelfth birthday had earned the Order of the Arrow; the highest award in Cub Scouting. After transitioning to Boy Scouts his efforts and success increased as he earned 27 merit badges, completed a 50-mile backpacking trip, took on leadership positions and became an Eagle Scout, the highest rank in Scouting.

Beyond Scouting, Nathan found great pleasure in fishing and hunting adventures, and once again found tremendous success. For him, it was the entire experience from planning and scouting, time in the field, then enjoying the harvest with family and friends. His enthusiasm was contagious as he introduced numerous friends to the outdoor life. Moreover, his passion extended to writing as he became a published author at sixteen when the California Waterfowl Association published his essay, Five Years of Youth Hunts, in the Winter 2013 edition of their magazine.

After high school Nathan decided that his future was in Montana. So, he moved to Bozeman and enrolled at Montana State University. This was a wise decision as Montana and Nathan became a perfect fit. His love of adventure and the outdoors could find expression in Big Sky Country.

For Nathan's adventurous spirit it was always the next stream, the next trail, the next mountain, the next valley.

He leaves behind so many who cared for him and loved him. They will never forget his beautiful smile and beautiful soul.

L Duane Frazier 1935-2021

Aug 8th 1935 - Oct 9th 2021

Lyle "Duane" Frazier age 86, passed peacefully on Saturday, October 9th, with loved ones present, an incredible amount of caring support from the Pioneer Care and Rehabilitation staff, Hospice and with many loving thoughts/prayers from residents throughout the entire Beaverhead County.

Duane was born August 8th, 1935 in Mammoth Hot Springs, WY., which is actually inside Yellowstone National Park, and makes him one of a very few individuals ever born in that beautiful part of this

country. Thus, leading to some calling him "Griz". However, those who knew him best may have a couple other reasons for that particular nickname (only with complete love of course).

Duane served this country as a US Marine with great conviction, honor, integrity and strength. He continued to display those characteristics very well throughout his entire life. Truly he set a beneficial example for all others to follow both past and present. The "Marine code" was Duane! After service in the Marine Corp, Duane drove for Garrett Freightliners (formerly in Pocatello, ID) for 25 years "Accident Free" while also obtaining his pilots license

Montana Western Nationally Ranked for Social Mobility, Research, Public Service and Best Value

The University of Montana Western was recently ranked #99 among bachelor's colleges nationwide and #127 for the "Best Bang for the Buck in the West" list by Washington Monthly.

Washington Monthly is a website that ranks universities based on the degree to which they recruit and graduate students of modest means, produce the scholarship and scholars that drive economic growth and a flourishing society, and encourage students to be active citizens.

The University of Montana Western ranked #99 out of 244 colleges nationwide on Washington Monthly's "2021 Bachelor's Colleges Ranking" for meeting the criteria of awarding bachelor's degrees that focus on arts and sciences and based on their contribution to the public good in three broad categories: social mobility, research, and promoting public service.

UMW also ranked #127 out of 215 colleges for the "2021 Best Bang for the Buck Colleges: West" list for how well they help non-wealthy students attain marketable degrees at affordable prices. The list is made by isolating the social mobility metrics from the main rankings of four-year institutions. UMW offers in-state tuition of \$2,261.50 per semester and an out-of-state tuition of \$7,956.70 per semester, with tuition discount opportunities for Western Undergraduate Exchange (WUE) students.

The fields of academic study at Montana Western include Biology, Business and Technology, Environmental Sciences, Education, English, Equine Studies, Health and Human Performance, Fine Arts, Mathematics, and History, Philosophy, and Social Sciences.

Students at the University of Montana Western enjoy a tight-knit community atmosphere and small class sizes where they work closely with peers and professors alike. Montana Western focuses on serving students, achieving academic excellence, and promoting experiential education. The 20-acre campus is an excellent choice for students to take advantage of the immersive learning opportunities offered by the nation's only Experience One program, where they can build on critical and creative thinking skills to prepare for real-world job and graduate school opportunities. With Experience One, students at Montana Western take one course at a time for 18 days, take a short break and then move on to their next course.

Governor adds two additional members to Fish and Wildlife Commission

Montana Gov. Greg Gianforte appointed two additional members to the Fish and Wildlife Commission this week. The new members are William Lane of Ismay and Jana Waller of Florence.

Lane is the current owner and operator of Crescent Cross Ranch and has experience working in the private sector and serving on various boards managing assets, streamlining operations, analyzing investment risk, conducting community outreach, and implementing policy. Lane's term will run through Jan. 1, 2025.

Waller is a freelance outdoor writer for numerous websites and hunting magazines. She brings a passion for hunting and fishing and is dedicated to supporting veteran organizations. She has personally raised over \$45,000 for conservation and veteran causes. Waller's term will run through Jan. 1, 2023.

The two new commission seats were approved during the 2021 Legislature through House Bill 163. The bill expanded the commission to seven members and assigned each commissioner to represent one of Montana Fish, Wildlife & Parks' seven administrative regions. Before this legislation, commissioners were divided into five districts.

Lane and Waller join current commissioners Lesley Robinson (chair), Pat Tabor (vice chair), KC Walsh and Brian Cebull, and Pat Byorth.
