FFA NILE

We just got back from another great FFA trip, this time to the NILE (Northern International Livestock Exposition) in Billings. In addition to the livestock shows, over 500 FFA members representing over 50 FFA chapters from across Montana, Wyoming, Washington, North Dakota, and Idaho competed in both Livestock Judging and Ag Sales. Beaverhead FFA members represented very well today against some of the very best in the region.

Results include:

Junior Livestock Judging – 1st place team, consisting of Katie Johnson (5th), Savanna Freitas (7th), Clinton Ford, and Tucker Sitz

Senior Livestock Judging – 11th place team, members Gavin Garrison, Dakota Abbey, Kylee Lewis, and Bree Sampson

Ag Sales – Team B – 3rd place team consisting of Cord Hahnkamp, Ryleigh Plovanic, Josiah Jones, and Austin Schuett

- Team A – 11th place team consisting of Luke Sherwood, Peyton Abbey, Tauryn Hankinson, and Jack Gibson

Thanks for letting me borrow this great group of kids today! I also want to thank our outstanding driver Bob Harrison for getting us there and back safely!

Rebuttal Letter

The health and safety of Barrett Hospital & HealthCare's patients, families and staff members is our top priority. Our visitation guidelines balance preventing the spread of the coronavirus that causes COVID-19 and its variants. We continue to monitor the spread of COVID-19 in our community and update our visitation guidelines as needed to provide safe care to everyone. Currently, we have a no visitor policy. We encourage family members to consider other ways to connect with their loved ones via cell phones or other devices as we have portable electronic tablets available for patient use. We understand that these current visitation restrictions may be difficult for patients and their loved ones. We are taking these necessary steps, which are common among other hospitals in Montana, to protect our patients and our staff.

Veteran's Corner Update #124

By Mike Lawson

Greetings to all of you who read my SW Mt veteran update articles. As I'm writing this column concerning the veterans in our different local areas of SW MT., Anaconda to be the focus this week, a bit later in this article. Reading the weather forecast, starting on Monday through this week, it sounds like an early winter forecast. Temps will dip into the low teens and never get above 50 degrees. One to two inches of snow on Monday during the day and a foot of snow during the night is forecast in the Butte area. All the mountains in all our SW MT areas, have snow in the higher elevations. Ready or not we'll have to adjust. The construction workers, working outside will have to adjust their work methods in adapting to the colder temps. The two veteran construction sites, the SW MT Vet Home and the new Veteran (CBOC) Medical Center, shouldn't be too impacted, with this early winter type weather.

The SW MT Veteran's Home has been winding down and, according to the Contractor Site Superintendent Mike Ascheman, it should be turned over to the state by the end of the month. These dates keep fluctuating for a variety of reasons but this should be pretty solid. On the operation side, Ashley Bair was kind enough to share information, concerning the Resident Veterans. 22 Veterans are wanting to wait to be admitted, 8 are being reviewed for admission, 7 new residents have been admitted, 2 residents have been discharged with one is leaving in October. Admissions and Liaison Bair have been contacting other facilities to let them know our Vet Home is accepting new residents. Eduro is in contact with FT Harrison and are working with them to identify patient residents that would benefit from our veteran's home services. Continuing to find Veteran's in need of our vet home services, a homeless shelter for veterans in Great Falls is being considered for a visit. An Admissions Team consisting of the Admissions Director/ADON/ State Liaison/Administrator, will see who can be served. Any veteran who can be served will then get a Packet filled out with them and any of their medical records that can be obtained will be gathered. Some veterans in Billing are being looked at to become Residents, as well as from the MVH. This getting our Veteran Home fully occupied is important. It was thought that the Veterans from SW MT would fill it. That hasn't been the case, so the need to reach outside this SW area of Montana is a necessity. If you know of any SW MT Veteran's who could be candidates needing this type of medical care, please get in contact with Eduro at the SW MT Vet Home Community Building or call 406-491-4442 and ask for the Admissions Director.

Construction Update:

Community Building/Maintenance Building/Cottages #1/#2/#3 have been turned over to the state and are in the Operational Contractor Eduro's

Cottage #4: the construction is complete except for the wallpaper in the living room, which is being searched for. This Cottage is expected to go through the start-up process on October 13th. Final inspections will follow the start-ups.

Cottage #5: The flooring is expected to be completed this week. The Electricians are finishing up the wiring trim-out this week. The start-up is also expected on October 13th. Final inspections will follow the start-ups.

VA (CBOC) Medical Center: This site continues to be a beehive of activity, especially on the outside areas. There are still supply line issues for which the contractor Wayne Paffhausen searches far and wide to obtain whatever is missing. Some successes and some not. It really is a problem when there's a project completion date expectation and you can't get the material needed to complete it. One example I mentioned before is the main breaker box on the outside of the building that the Power Company brings power for the building into. The sheetrock hanging is on hold as they need both heat and lights, due their work. To alleviate this problem, Wayne is going to rent a large generator to provide the power to supply both. In doing that, the Sheet-rockers can now do their work and hopefully help reach the completion date.

Outside Update: The sonotube concrete form bases, for the street light posts, were cut down to the correct elevation height. Rebar will be put inside followed by a metal apparatus with 4 legs that sit on top of the sonotube concrete form. This apparatus holds the bolts that the street light base, bolts down too. This allows them to stay level and in alignment as the cement is poured up to the bolt-threads which stick up above the cement surface. All the bullnose islands curbing, located off each corner of the building into the parking lot, is poured and the straight curbing between them is 95% complete. The sidewalk forms have started to be put in place and hopefully sidewalks will be poured this week. The parking lot gravel base is being spread and a roller is compacting it. The landscapers have the sprinkler system on the street side working and are planing to lay sod this week. The brown dryvit material that was spread on the mid-wall sections, has been completed and looks very good.

Inside Updates: The VA Architects/Inspectors were on sight and made some changes concerning some area ceiling heights, additional framing, specs for additional backing (for special

equipment) and some electrical changes. They were very pleased with the construction so far. Three metal exterior door frames were installed. Glass package didn't come with them but will be installed once they arrive on the site.

The Veterans in Anaconda are represented by the American Legion, VFW, DAV and the Marine Corps League. If you're from Anaconda and are not a member of one of these Veteran organizations, you might consider becoming a member. These Vets give back to their Community and to each other in many positive uplifting ways. We gave when we were active duty and as Veteran Americans, it's a natural transition to keep giving. In Anaconda they came together and had a Viet Nam Memorial built and dedicated to the Viet Nam Veterans. There is a Viet Nam Committee made up of the Commander/Commandant of each local Veteran Organization, combined with civilians who helped create this memorial. The Marine Corps League took on the duty of cleaning and doing restoration work on the Veteran Memorial in front of the Courthouse which started with Spanish American War Veterans and have places of every major conflict/war up through Viet Nam. They also conduct the local Toys For Tots Campaign, with the support of the other local Veteran Organizations.

Meetings: (1) American Legion; (2) VFW; 1st Monday of the month, 7:00 PM at the VFW Hall, Commander Tom Blaz (3) DAV; 2nd Tuesday of the month, 7:00 PM, at the American Legion Hall. (4) Marine Corps League; 4th Monday of the month, 7:00 at the VFW Hall.

Dillon, Mt. has an American Legion and a VFW. The American Legion is canceling their meeting on the first Wednesday of the month and also their Veteran's Day breakfast. This is due to the surging Covid-19 numbers. The frightening thing is the school kids from elementary to high school are bringing it home. 54% of the residents in Beaverhead County have been vaccinated. Hopefully that percentage can be brought up and the children will be spared until they can get a vaccination. The VFW meets on the 2nd Wednesday of the month. Not sure of the time but get in contact with Steve Esquibel their Commander. The DAV Van Drivers from Dillon, cover a lot of area to get veterans to their VA Medical Appointments. Besides Beaverhead County, they cover Whitehall, Twin Bridges and the Ruby Valley. They're all Volunteers who donate their time to do this great service. If anyone needs a ride, call Coordinator Darlene Allen at 406-490-3692.

I'll close for now. Until next time, take care.
