### Support Shaina in her Fight Against Breast Cancer

October 10th, 2021 is a day that will live in Shaina Torgerson's memories as one of her best days ever. Her boyfriend of 8 years, Kyle, proposed to her at Sawtooth Lake in the Pioneer Mountains. It was an amazing day. However, the joy didn't last long. The next day Shaina found out she had breast cancer.

"In just less than 24 hours, their reality went from dreams of a wedding and raising a family to facing chemo, breast surgery, and fertility preservation," Stephanie Grover, a close friend who started a GoFundMe for Shaina, said. "It's time for us as a community to lift she and Kyle up and support them in this fight!"

Shaina is only 29 years old and her story is an important one as we come to the end of Breast Cancer Awareness Month. It serves as a reminder to all women to get screened and catch cancer as early as possible.

To view the GoFundMe, please visit: <https://gf.me/v/c/x6yw/support-shaina-in-her-fight-against-breast-cancer>

According to the GoFundMe page any money raised beyond what Shaina needs for treatment will be donated to Young Survival Coalition and Barbell for Boobs.

For your convenience, photos shared on the GoFundMe are public and available for use with attribution to the GoFundMe fundraiser. Please let me know if you'd like any help contacting the fundraiser organizer.

## General hunt in southwest Montana begins with above-average success in some areas

Hunter success was above average in a few areas of southwest  
Montana during opening weekend of the general hunting season,  
which began Oct. 23.

Wildlife biologists with Montana Fish, Wildlife & Parks  
operated six game check stations over the weekend and met  
with 1,880 hunters. Biologists use check stations to collect data  
on hunter participation and success, as well as the species, sex  
and age class of the animals harvested. This supplements data  
collected through hunter harvest phone surveys each year.

The Alder check station saw 330 hunters, about 16 percent  
of whom had harvested an animal. This is double the success rate  
measured during opening weekend last year and is up from the  
station's average success rate of 12 percent.

The Cameron check station also saw above-average hunter  
success. About 11 percent of the 579 hunters checked there were  
successful, compared to a 9.3-percent average.

Biologists also operated check stations at Divide, Gallatin,  
Townsend and York. Hunter success rates at these stations were  
within long-term averages.

In total, biologists checked eight white-tailed deer, 27 mule  
deer and 150 elk. They also checked six pronghorn, one moose  
and one black bear.

These figures do not account for different hunting season  
regulations over the years, which have varied from liberal to  
restrictive for elk and mule deer, depending on population status.

## All mountain lion hunting to close in HDs 405, 447 and 471

The hunting of all mountain lions in northcentral Montana hunting districts 405, 447 and 471, which includes portions of Cascade, Chouteau, Judith Basin and Fergus counties, shall close at one-half hour after sunset on Thursday, Oct. 28.

The order halting the hunt came shortly after Montana Fish, Wildlife & Parks officials received word that the pre-established harvest quota for the districts combined had been met.

These hunting districts may re-open, depending on sub-quota and quotas filled during the fall season, for the hunting of all mountain lions for the winter season beginning Dec. 1.

For more information, visit FWP's website at fwp.mt.gov/hunt/by-species, to check the current quota status, or call the toll-free number at 1-800-385-7826.

## WHIP accepting grant applications through WebGrants

The Montana Wildlife Habitat Improvement Program (WHIP) is currently accepting grant applications. The application process for this year was initiated in a grant administering system that Montana Fish, Wildlife & Parks has decided to replace due to software issues. WHIP applications will instead be offered through the WebGrants system for the current application period.

Grant applicants can find the FWP WHIP Grant Cycle 2022 funding opportunity at <https://funding.mt.gov>. Applicants new to WebGrants must register prior to accessing the application forms. For more information about WHIP and grant application instructions, visit the WHIP webpage at <https://fwp.mt.gov/aboutfwp/grant-programs/wildlife-habitat-improvement>.

The WHIP application deadline has been extended to 5 p.m. on Dec. 3, 2021, to give applicants additional time to switch their applications over to WebGrants. If you have questions about applying for a WHIP grant or accessing WebGrants, contact Kim Antonick, WHIP coordinator, at [kim.antonick@mt.gov](mailto:kim.antonick@mt.gov) or 406-444-7291.

# Veteran's Corner Update #126

By Mike Lawson

Greetings to all of you who read my SW MT veteran update articles. I leave for Hunting Camp, located at the West Fork of the Madison, tomorrow. Hoping the weather stays decent on our 105 mile trek to this, our camp. Being a two tour Viet Nam Veteran with PTSD, this week is beyond therapeutic. Many of our combat vets with both physical and mental wounds, get great value out of programs that get them out in the outdoors. Some of these veteran programs deal with fishing/hunting/working with horses, etc.. For me this week of hunting and sharing that experience with our hunting group, is getting that rejuvenation to carry on for the rest of the year. I feel fortunate to have this special opportunity, as many Vets don't. If you're interested in one of these outdoor veteran therapeutic programs, check with other veterans who have had this unique opportunity to go to one. My friend Mark Gollinger has given me some leads that I'll share: "Got Your Horsemanship" run by Cassie Ubaldo of the "Upper Canyon Outfitters" in the Upper Ruby Valley. <https://ucomontana.com/>, "Warriors and Quiet Waters" run by retired Marine Brian Gilman, a Butte boy. <https://warriorsandquietwaters.org/staff/>, "Project Healing Waters" located just west of Wise River, Mt. on Freedom Ranch for Heroes, [projecthealingwaters.org](http://projecthealingwaters.org). All worth checking out.

The supply train of goods getting to all phases of our economy is getting worst by the day and it's hitting our pocket-books. Some food items you can't get, contractors are struggling to get building materials and gas/fuel prices are going through the roof. Many people, including our veterans, are struggling to make ends meet. It's reported on the news that Social Security checks are going to take a five plus percent jump as well as veterans disability/retirement checks. That will help those receiving these checks but many more are barely surviving. Let's hope/pray our "Leaders" in Washington DC, will come to a consensus on solving this situation.

Christmas is coming in less than two months and our kids need a happy Christmas. This is where the Toys For Tots can help out. This Marine Program, is focused on helping needy kids have presents to open on Christmas morning. If you're one of those who is wondering how you're going to get Christmas gifts for your children this year, get in contact with your Toys For Tots Coordinator and find out where you can get an application. The Butte TFT Campaign has a partnership with Mining City Christmas. They will take and process your application and then give it to the Marine Corps League Toys For Tots Campaign here in Butte, who will bag toys for each child whose application was received. You can call 406-490-6566 or 406-310-2641 to receive/fill-out an application. For more information call the Marine Corps League Det

#724, in Butte, at 406-782-2416. We also have our TFT's key people ("Elves") in Whitehall, Twin Bridges and Harrison, who will be on the lookout to help those of you, in need, in those areas. We just love and want to help the "Kids" and their families this Christmas. Deer Lodge, Anaconda and Dillon each have a Tots For Tot's Campaign as well, and are also ready to help your kids have a good Christmas this year, with Toys for them under the Christmas Tree.

Our Veteran's activities continue to go on in each of our communities. "Veterans Helping Veterans" is a reality, with Color Guard participation at Veteran Funerals, Ceremonies (Veteran's Day, Memorial Day, 9/11), the DAV Van Volunteers, taking Vets to their Medical Appointments and the list goes on. We serve each other and our communities because it's a way to give back. If you're a veteran who isn't involved with any of our Veteran Organizations and the activities we do, please consider being part of us. We would welcome you with open arms. We especially need younger Vets who will carry on after we're gone.

Time to address the two new Veteran Facilities on Butte's SE edge of town by Three Bears.

The lockdown because of Covid-19, is to my knowledge, still in place at our SW MT VET Home. Hopefully it will be over by the time Halloween gets here, as the "Resident Veterans" are looking forward to giving treats to the kids, who do the drive-through at our Vet Home.

Southwest Montana Veteran Home Construction update:

All buildings, except for Cottage #4 & #5 have been turned over to the State of Montana and are now under control of the Operating Contractor "Eduro".

Both Cottages #4 & #5 are completed and going through a series of inspections as well as the final contractor cleaning, of both Cottages. The Final Inspection by the VA hasn't been scheduled yet, according to Mike Aschman, the Site Construction Superintendent.

Becker Landscaping was scheduled to have hydro-seeded all the natural grass seed at the end of last week.

VA (CBOC) Medical Center Construction Update:

Our new VA (CBOC) Medical Center is getting a lot of positive comments as to how beautiful the site and this building, is becoming. Wayne Paffhausen has had some sleepless nights concerning, getting different materials to the site, the weather interfering with Contractors getting their part of the work done on time, etc.. I continue to send pictures to the VA on the continuing progress and their pleased with how well it moving forward.

sod and install sprinkler-heads. It continues to be impressive to see the beauty of the grass once it's laid in place. The Electricians have installed the outside power into the new big outside breaker box and are wiring heaters inside the building, which will enable the inside work to continue. The Hoffman Cement Finishers are close to being done. The Hoffman Paving Crew have paved the back half of the Parking Lot and as soon as the cement finishers have the cement poured/finished at the front of the building, the paving crew will finish the paving. The Parking Lot "Light Posts"/"Flag Pole", haven't arrived yet, to my knowledge, but all the bases have been poured with cement.

The Sheet-Rockers have started installing sheetrock. As they bring the ceiling sheetrock out about eight plus feet, the insulators blow insulation in on top of it before any more sheetrock can go up. This leapfrog system will continue until all the ceiling sheetrock is finished, due to the limited headroom between the roof and the ceiling. Other crafts will then start moving in as the Sheet Rockers finish their hanging, taping/mud application. This building is on pace to be completed by the end of December or first part of January of 2022. This will be a great leap forward, for Veteran's VA Health Care in SW Montana.

I'll close for now with the reminder of two Veteran events coming up in the Butte area. The first one is Veteran's Day on Nov 11th, which is really in all your areas in SW MT. Check with your local area news outlets as to when your local Veteran's Ceremony is going to be and where. In Butte the United Veteran's Council will hold their ceremony at the Butte Civic Center at 10:00 AM. The Annual Veteran's Day Race will start and end at the American Legion Hall. The runners will be fed chili & hotdogs after the race ends. At 1:00 PM there's a free lunch at the American Legion Hall. Everyone is invited. The second event is the Marine Corps Birthday Ball sponsored by the Marine Corps League Detachment #724 of Butte. It will take place at the Butte Country Club on November 10th, the Marine Corps Birthday. It's an open invitation event, catered by the Butte Country Club. The menu will be Prime-Rib, Whisky Salmon, and a Chef's special recipe Chicken with all that goes with it. The Country Club will have their bar open for cocktails/wine/beer. The price will be \$50.00 per ticket or \$90.00 for a couple. There will be a silent auction/live auction and dancing for those so inclined. Call AJ: 406-533-5714, Brian: 498-5252 or Mike: 560-3591 for Reservations/Tickets.

Please be safe and take care of yourself. Until next time.
