Choirs and Jazz Band Fall Concert

"Beaverhead County High School's Choirs and Jazz Band will present their Fall Concert in the BCHS Auditorium on Tuesday, November 2, 2021 at 7:30pm. The concert is free to the public. Masks are encouraged.

During the concert the BCHS students who participated in All-State Band and Choir in conjunction with October 20-22 will be recognized.

VOTE: Yours is important.

by: MJ

DROP your ballots off at the court house as it may be too late to mail them. Do your homework and know why you are voting for a specific candidate. There are no mandates against voting or exposing who you vote for. Vote for the candidates that will allow diversity on the council.

Question: Does a husband and wife sitting on the council give you that diversity needed to make well rounded decisions or is it more like a sucker punch to the majority in the community, to control how a vote goes on issues? Would this allow a small number of individuals to gain a majority vote and discount the mainstream? The choice is yours.

Questions: If there are three (3) members on a committee of (3), would you say the power to influence or direct people's behavior would be a problem? Are we seeing this type action via power in Washington D.C. today?

NOTE: If Mr. Johnston, votes for himself he will automatically be elected as he has nobody running against him. Mr. Hank Munster is running against Ms. O'Rourke, that gives you a choice for that council seat.

PARKS: Ms. O'Rourke has presented to the council to take 80,000 dollars of federal covid money and apply it to Ibbyville Park. Question: Would that money be spent much wiser if it was used in the Jaycee Park to put picnic shelters up to provide social distancing and the ability to clean and sanitize easily. Question: What Park does the majority of the children use? Does it not make more sense to build on preventing Covid in the park that is used by the majority?

Community Youth Initiative Board through The Friends of Park have offered \$40,000 dollars to the city for operating the splash pad only, for the first ten years. The estimated cost to operated splash pad when it started was \$4,000 a year. Another one of those issues where, "she says - he says" was the topic of discussion without supporting actual facts. Majority of the committee voted to send the Memorandum of Understanding to the council to accept the remaining \$28,000. Ms. O'Rourke voted no, she has concerns that it obligates the City to run the splash pad for the next seven years.

Passing out informational papers at the meetings without putting the information into the packets for the public to read breaks the "Public Right to Know Law." Periodically

Ms. O'Rourke does this. If a public member is watching a meeting on zoom, they have no idea what information is passed out and are unable to respond intelligently.

Council Choices: Questions: *How fair is it to the entire community to have a husband and wife, both council members representing you and both sitting on committees that will be making final decisions. If your opinion or your facts and figures are different then the wants and desires of the husbands & wife team, do you feel they would split their vote or would they support each other and both vote the same way?*

College Dreams in Reach Thanks to Elks Scholarships

On Monday, November 1 at 6pm there will be an informational presentation at the Dillon Elks about the Elks Scholarships opportunities. This presentation is open to the public, high school seniors and parents are all welcome.

The MVS scholarship is available to high school seniors who are United States citizens. Applicants do not need to be related to a member of the Elks. The judging criteria is based on academics, leadership, service, and financial need.

The application is completed online and must be submitted by the November 15, 2021 deadline. The 500 national winners will be announced in April 2022. The ENF will award 20 top scholarships ranging from \$20,000 to \$50,000. The top 20 national finalists participate in the Leadership Weekend and interview for the top awards. The remaining 480 runners-up will receive \$4,000 scholarships.

This year, the Elks National Foundation is investing \$4.2 million in college scholarships. We've invested wisely. MVS scholars—all of whom demonstrate outstanding leadership skills and a commitment to service—are graduating from college at a rate of 90 percent, 30 percent higher than the national average.

Applications for the 2022 contest are available on the Elks National Foundation's website. For complete Most Valuable Student scholarship contest details including the application, visit enf.elks.org/MVS.
