Kenneth "Kenny" Hildreth

Kenneth "Kenny" Hildreth, of Dillon Montana, passed away October 30, 2021 at the Barrett Hospital & Health Care in Dillon Montana.

Kenny was born July 2, 1935 in Dodgeville Wisconsin to Benjamin and Garnetta (James) Hildreth. He spent much of his life in Wisconsin being a part of the Local 139 Engineers Union as a heavy equipment operator. He loved being in the outdoors and to hunt and fish.

For the past 13 years he has resided in Dillon, where he found great joy exploring the mountains and visiting with friends and entertaining family when visiting.

Kenny was preceded by his parents, his brother Carlos Hildreth and one grandchild and one great grandchild.

He is survived by his sister Beverly (Bill) Hennessy and his brother Ray (Pam) Hildreth, his 5 children Ginger Longseth, Cindy Hildreth, Ben (Laura) Hildreth, Kenneth Hildreth Jr, Chad (Misty) Hildreth, 14 grandchildren, 17 great grandchildren, nieces and nephew.

He will be dearly missed by family and friends.

Memorial service to be held at a later date.

Powerful New Tool to Help Fight Crime in Montana

The Montana Department of Justice Division of Criminal Investigation (DCI) will soon begin using a new, state-of-the-art 3D laser scanner to assist in crime scene investigations and fight increased crime in our state, Attorney General Austin Knudsen announced today. The evidence collected by the scanner will also be a powerful tool for prosecutors during trial as they work to put criminals behind bars.

The Leica RTC360 scanner will improve measuring accuracy, save time, and allow investigators to recreate crime scenes three dimensionally using top-of-the-line software. The device enables investigators to capture and preserve crime scene evidence, making it available long after the scene has been cleared.

Processing a crime scene is time consuming and labor intensive since every measurement and analysis currently must be done by hand, taking valuable time away from other important aspects of an investigation such as following leads and tracking down criminals. Now, work that used to take investigators hours or days to complete can be done in minutes.

Criminal investigators will simply set the scanner on its tripod to scan and photograph its environment then download the scans onto a computer to render the site reconstruction and allow the investigator to accurately measure and analyze the scene. The Visual Inertial System (VIS) technology in the device intuitively knows where it is at all times and can seamlessly put together each area of the scene and recreate the entire 3D environment.

DCI's major case agents will be trained to use the scanner. DCI will also provide support to local law enforcement agencies who may need to utilize the technology.

Since the scanner will digitally preserve the crime scene and evidence, it will be an asset to prosecutors who can be in trial years after the crime was first investigated.

Attorney General Knudsen is committed to cracking down on crime in Montana. Since 2013, the number of homicides, rapes, robberies, and violent assaults in Montana has increased 91 percent. Much of violent crime increase is due to the amount of methamphetamine and other dangerous drugs being trafficked into Montana from the nation's southern border.

Love in a shoebox!

This is part of a national effort to help children across the country and around the world.

If you would like to encourage a child with a shoebox, this is what it involves:

- 1) Put together a shoe box to send to a child, or
- 2) Make a Donation – every donation helps. Shipping costs are \$9 per box. You can make checks payable to Samaritan's Purse/Shoe box and drop off at

Mary Bearden's house.

If you would like to be part of this amazing program and have questions or would like more information, contact Mary Bearden (925-2218 or 683-2037). It would be great to have boxes sooner, but the last day to drop off will be Sunday, November 14th, 2021. Last minute drop off ok.

Shoebox details: NOTHING liquid, No food, No Candy, NO chocolate, No toothpaste, No war toys or guns, No breakable items. Simple rules, but please read....

1. Shoe Box: Use an empty shoebox or a small plastic container. You can wrap the box (lid separately), but wrapping is not required. I have extra preprinted boxes – feel free to stop by and pick up one (or 2).

2. Choose: Boy or Girl: Determine whether your gift will be for a boy or a girl.

Choose child's age category: 2-4, 5-9, or 10-14.

I have extra labels you can use when you drop off your box or you can print out the appropriate boy/girl label by downloading the artwork from Operation Christmas Child website. Tape the label to the top of your box.

3. Fill the box with a variety of gifts that will bring delight to a child. Please include at least one item a child can immediately embrace such as a stuffed toy, doll, ball or toy truck. Other ideas: school supplies, toothbrush, crayons, coloring book, pencil/pencil sharpener, construction paper, comb, bar soap/wash rag, note pad, under garments, socks...depends on the age and gender of the child. For more ideas QR code links to website.

4. Please include \$9 Donation for each shoebox you prepare to help cover shipping and other project costs.

5. Drop Off: Place a rubber band around the box (I have extras if you need one).

Let's work together to brighten a child's life!

Veteran's Corner Update #127

By Mike Lawson

Greetings to all of you who read my SW MT Veteran update articles. I'm back from spending a week at Hunting Camp. We came back with a big bull elk/four deer, cut-up meat on Saturday and all the out of state guys headed for home. My nephew from Virginia, shot the bull-elk which green scored 349 points. He was in the Marine Corps for six years and this was his first elk. One happy guy!!

The Veteran's in Butte will be busy next week with the United Veteran's Council sponsoring and putting on the Veteran's Day Ceremony. This will take place at the Civic Center Annex, at 10:00 AM on November 11th. Bill Melvin, the Civic Center manager, always bends over backwards to accommodate anything concerning Veterans. Many thanks to him. The United Veteran's Honor Guard will perform the Honor Guard Ceremony, with our Local and Congressional Representatives expressing tributes to

our veterans. The Honor Guard has also been asked to go to our Southwest Montana Veteran's Home and do a short ceremony in each of the three Cottages that have Resident Veterans living in them. All of us who are in the Honor Guard, are looking forward to doing this. There are now 25 Resident Veterans living there.

The weather has been decent enough, temperature wise, that the contractors have been able to get outside work moving forward /finished.

Construction Updates:

Our new VA (CBOC) medical center has seen the paving completed and big strides on the landscaping end of things. Exterior: The masonry is all scrubbed down. The paving of the parking lot, surrounding this building, is completely paved. A three and half foot strip has been installed around the circumference of the building walls, with shrubs planted and surrounded by decorative rock. Really looks great. From the edge of this shrub/rock strip to the sidewalk is about 6 ft, which will have sod laid within it. Scheduled to be laid this week. On the whole site, between 80% to 90% of the sod is in place. The street light posts are here but the lights for them and the outside building lights are in the supply train somewhere and the arrival is arrive, they'll be installed. The two main entrance doors are now here and are scheduled to be installed this week. The man

doors have the window glass installed but the security hardware is pending.

Interior: The sheet-rock is the main thing going on inside. Wayne expects the ceilings to be completely sheet-rocked and insulated above them, this week. The power is installed to the outside meters and is now being wired to the main inside breaker-panel. Once this is completed, the heaters will be hooked-up, as well as lighting. With the weather getting cooler and the days getting shorter, both these work projects are critical.

All and all, things are moving in the right direction for this building's opening, after the first of the year in January. Southwest Montana Veteran's Home:

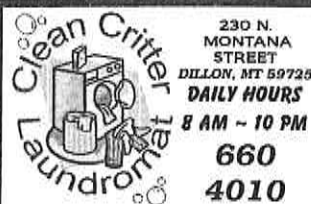

The Community Building, Maintenance Building, Cottages #1/#2/ #3, have been turned over to the state and are under the Operation's Contractor Eduro's control.

Cottages #4/#5; The self punch-out list and the architectural punch-out list were completed last week. The Mechanical and Electrical punch-out lists are taking place this week. Still waiting for toilet tanks to arrive for both Cottages #4 (1 tank) and Cottage #5 (6 tanks). They're supposed to ship this week. The turnover for these Cottages can't take place until they are installed.

Our SW MT Vet home has had the Covid-19 lockdown lifted and my Resident Vet friend, who had the Covid, has recovered. It's hard on these resident folks to be locked down, both physically and mentally. This is great news for them as well as for their friends and family, who want to visit them.

The Southwest Montana Veteran's Home Foundation meeting, will have taken place the Monday before this article comes out on this Wednesday. Any updates from the state that are presented, I'll inform you the readers, next week. (The covered walkways are of particular interest). This meeting is held on the first Monday of every month at 1:00 PM, in the Community Building. You're welcome to join us.

The Moderna/Pfizer/JJ Covid-19 Boosters have been approved by the FDA. I encourage any of you to get one. The FDA also approved children 5 years old and up to now get vaccinated. Many children are getting it so now we can help protect them, with a Covid Vaccination. We love the children and want them to stay alive and well. Until next time, take care.
