Letter to the Editor

They did it to us again this past week! You know what I am talking about? Ok, so you don't know!! That's because you have a time lapse. You gained an hour or did you loose an hour? Whatever happened you are now in a time lapse. And you do know you will have to pay an extra tax for the extra hour. When you got an extra hour you did get a tax return for that hour. Look on line 254 on page 672 in small print.

Daylight Saving Time causes much stress, agitation, confusion and tension. It makes you have a funny appetite. You will have a desire to eat sardines with peanut butter. It will cause you to cry and swear. I know you did that before but now it will increase.

It will give you a desire to answer all robo calls. You will want to extend your car warranty. You will want to buy a time share. You will have time on your hands with a time out. You will be on time some time in the near future.

You know a man invented Daylight Saving time?!? Yes, a man! No woman in her right mind would invent this silly scheme. Oh, by the way!! That man! He is in prison serving time. Not Daylight Saving Times, just time!

Time to reset my clocks. If I can remember how to do that. Time will tell!!

Atlantic Street Renovation Project Nears Completion

The University of Montana Western is excited to share with the community that the Atlantic Street Renovation Project is now 90% complete, with a few remaining tasks to be completed next spring.

Please find below some highlights of this project that were completed this summer and fall:

- The existing elevated sidewalk and retaining wall were removed and replaced with a new, curb level sidewalk. This addressed several safety hazards and ADA access issues that had been present in this area of campus for many years.
- The campus lawn was re-contoured to match the grade level of the new sidewalk.
- Approximately 21,000 square feet of sod was placed.
- A combination of six total red oak and silver linden trees were planted.
- Approximately 580 feet of sidewalk was replaced.
- The irrigation system was reconfigured to ensure adequate coverage for the new sod and plantings.

Tasks to complete next spring:

- Another 7,000 square feet of sod will be placed to

complete the re-contoured lawn.

- Multiple plantings will be added to the center concrete planters at the new entrance area in front of Main Hall.
- Rocks from the retaining wall that were salvaged during demolition will be installed around the new concrete planters to blend them in with the historic surroundings of campus.

Please note that all of the new sidewalks and access points will be usable for the duration of the winter once the construction crew completes the remaining concrete work and handrail installation. The new sidewalks and access points can be used once the orange fence has been removed from those areas which should take place within the next two weeks.

There will be some fencing left around the lawn areas still needing sod to protect them over the winter and covers on the concrete planters in the areas that will have rocks installed next spring.

Montana Western would like to thank the campus and Dillon community for their patience during the construction process, and we look forward to fully completing the project in the spring.

VIENESS PIANO DUET

As part of the Dillon Concert Association's 2021-2022 season, Vieness Piano Duet will perform at UM-Western Beier Auditorium on Tuesday, November 9, 2021, at 7:30 p.m. Season sponsors are John S. and Elizabeth Garry, Lorraine King, Gary and Kerstin Lorenzen, and Richard and Dorothy Wheeler. Event sponsors are Agge Helle and Fran Schisler.

Vijay Venkatesh & Eva Schaumkell (V&S,) a piano duet, will captivate the audience as they orchestrate delightful coordination with four hands on one piano. Their performance is largely classical featuring Bach, Brahms, and Mozart. Eva & Vijay also enjoy communicating with the audience featuring information on the composers, the piece, or the experiences performing.

Dillon Concert Association membership grants admission into all 2021-22 performances. Single event tickets can be purchased at the door: adults \$20, college \$10, student/youth \$6.
