Walter James Manula

Walter James Manula, 68 of Dillon, Montana passed away at Barrett Hospital on November 8, 2021. He was born on February 4, 1953 to Walter and Lila (McClennan) Manula. There is a celebration of life scheduled for Thursday, November 11th at 1 PM at Brundage Funeral Home. A full obituary will follow.

James Martin Lane

James Martin Lane, 80, of Dillon, MT passed away on November 5, 2021 with his wife Susie by his side. Jim was born on July 5, 1941 in Pomona, California, the oldest of 3 children, to James Marx Lane and Iva Lane. Jim was a graduate of Citrus College in Glendora, California with a degree in automotive repair. He served in the United States Navy aboard the aircraft carrier USS Hancock. After his service he was employed by General Motors at the Smog Emissions Control Laboratory in Van Nuys, California. He was a forerunner and leader in the field of emissions science and served in an executive capacity with GM until his retirement.

Jim loved racing motorcycles in his youth and was able to continue this hobby and race buicks while working at GM. He loved Nascar and rarely missed a race. He always had a car he was working on and loved to drive his Model T around town. Jim was an avid cyclist and would often bike for hours in good weather. He adored his cats and dogs and spoiled them all. Jim was a kind friend who loved to spend time with others. He could always be found on Friday nights at the brewery enjoying a beer with his friends.

Jim married Carolyn Bland in 1966 and later married Carol Port in 1988. On August 28, 1992 Jim married Nancy Nelson. After retirement, Jim and Nancy moved to Dillon, MT. They were married for 19 years when Nancy passed away after a difficult battle with cancer. In 2012, Jim met and began a relationship with Susanne Brown. Jim and Susie were married on October 5, 2017.

Jim loved his wife and was loved by all who knew him. He is survived by his wife Susie Brown, step-daughters Freddi (John) Christensen and Joni (John) Neal. He is also survived by his step-son Chad Laird, step-daughters Sally and Holly Laird, from his marriage to Nancy Nelson, and many grandchildren who loved their grandpa very much. He is survived by his brother John (Cheryl) Lane as well as his ex-wife and best friend Carolyn, in addition to many other friends.

He is preceded in death by his parents, sister Margaret Elizabeth, and wife Nancy.

Graveside services will be held on Friday, November 12, at 3:30 p.m. at Mountain view Cemetery in Dillon. A reception will follow at Beaverhead Brewing Company.

Dillon Jaycee Awards

The Dillon Jaycee and Jaycee Auxiliary combined their night and held outstanding awards last Friday night.

They started the evening with a moment of silence to remember Chris Mehring and John Schuyler before presenting this years awards for Outstanding Young Man and Distinguished Service, Outstanding Woman and Outstanding Young Woman.

2021 Outstanding Young Man is Will Hampton

This year's OYM winner was born and raised in Dillon, MT. He attended BCHS where he was actively involved in football,

wrestling, track and FFA. After graduation he attended University of Montana before finding his passion as a carpenter.

His combination of selflessness and hard work naturally led him to the Dillon Jaycees. Since becoming a member he has been an integral part of almost every project and has chaired many of them including Little Shooters,

Flags and the Jaycee Wrestling Tournament. As Little Shooters chairman he worked to grow the program and pushed to host the State Tournament in Dillon. He led this effort and hosted a very successful tournament despite only having 9 usable fingers at the time. It went so well the rest of the teams wanted Dillon to host again the following year which was even more successful.

In 2021 he took on Chairing the rodeo committee. Under his

direction and leadership the Jaycees were able to have a record year and will continue to build off this success. Before leading the committee he was the Wild Horse Race Chairman where he made multiple improvements to the event which contributed to the overall success of the weekend. He has been involved in multiple improvements to the fairground that will be utilized for years to come.

He has had a successful career as a carpenter and has worked for Taylor Construction for many years. During his tenure he has earned the respect of his co-workers. That combined with his work ethic and craftsmanship have made him a natural front runner for foreman. He is also skilled at building furniture and has donated his skills to many organizations or anyone in need.

He truly cares about his community and the people in it and will try to help them in anyway he can.

Above all he is a devoted family man. He left Dillon for a while but returned to be able to spend quality time with his grandparents. This was not his original plan but it a testament to his character. Will is devoted father who is always taking his boys on an outdoor adventure or volunteering to coach one of their teams. He has skied with his 3 year old on his back and made countless other great memories with his kids. Being a military spouse is not easy but he works hard to make sure his family is cared for and loved. Will has a knack to balance family and work while volunteering to make is community a better place.

He does not volunteer his time and energy for recognition or awards. He is an exceptional and humble example of what it means to be an Outstanding Young Man.

Distinguished Service Recipient Jim Valach

This year's DSA winner was born in Bozeman before relocating to Dillon at the age of five. He attended BCHS and went on to graduate from Western Montana College with a degree in secondary education, majoring in industrial arts with a minor in history. His first job out of college took him to Hill County Montana and Box Elder where he taught industrial arts. After central Montana he returned to Twin Bridges where he continued his career as an educator.

Dillon was destined to be his home and in 1978 he married Lori in the catholic church. They had met while attending college. They would set their roots here and had two sons; John and Nick. Today they are proud grandparents to Chris and George.

In 1985 he received his masters degree from Western Montana College and went on to be a professor of industrial arts there. After teaching at Western he went on to teach technology education at Dillon Middle School. He served there for 39 years. During his tenure he saw technology change and evolve right in front of him and his students. His positive impact at the

school is still evident today through all of his students who went on to pursue careers in technology.

This years winner has an impressive resume of professional and community involvement including:

- Member International Technology Education Association
- Past President of the Montana Technology Association
- Montana Technology Association Teacher of the Year in 1991
- Past executive board member of the Montana Vocational Association
- Past board member of the Beaverhead united way and spent 2 years as fundraising chair
- Past Board member of the Western Montana College Alumni Association
- Beaverhead little league – past president of minor league, team manager and coach
- Volunteer for Dillon Cubs
- Volunteer for American Legion Cemetery Marker Installation
- 4-H judge at the Beaverhead County Fair

This years winner has always done these things for his family, neighbors and community. He has always stepped up to help someone in need like helping to cut firewood for a family in need or helping a lady build a log cabin after she lost her home to a fire. He enjoys bowling and volunteered with Bowl for Kid's sake where he taught young people much more than bowling, he taught them life lessons; winning, losing and the importance of sportsmanship.

After an impressive career as an educator and being involved in his community he thought it was time to kick up his feet and enjoy his retirement and his grandkids. And while he may have done plenty of that there was still work to do. He became a project leader for the Jaycee Park Renovation with his wife by his side. It is said that he did not leave the park during the project and his hard work and dedication helped to make the dream project a reality. After completion of the park renovation he continued his commitment to the project and currently serves as the President of the Friends of Jaycee Park Group. He has been described as a full time unpaid employee and has spent countless hours making sure the park is maintained and safe in addition to helping with improvements. He has served as a liaison to the City Parks Department to coordinate efforts. He has even become a plumber when necessary to keep the splash pad running. He has been and continues to be instrumental in completing the wonderful park project and keeping it in pristine condition.
