OSHA mandate suspension 'welcome news' for Montana workers and businesses: Attorney General Knudsen

The Biden administration reversed course, suspending its implementation of the Occupational Safety and Health Administration (OSHA) COVID-19 vaccine mandate for private employers after previously telling businesses they should proceed despite a court-ordered pause.

A federal court order instructed OSHA to "take no steps to implement or enforce" its Emergency Temporary Standard (ETS) until the court said otherwise. Despite this, the White House had said businesses should not wait to comply with the mandate. Now, Biden's OSHA says it has "suspended activities related to the implementation and enforcement of the ETS pending future developments in the litigation."

"This is welcome news for Montanans whose livelihoods were threatened and for businesses facing pressure from the Biden administration despite a federal court order blocking the mandate. Employers in Montana have no reason to force their workers to choose between a vaccine or a paycheck, which would be a violation of state human rights law," Montana Attorney General Austin Knudsen said. "As our lawsuit against the Biden administration joins others, I'm continuing to work with attorneys general from across the nation in the fight to strike down this illegal mandate for good."

Earlier this month, Attorney General Knudsen and ten other states sued the Biden administration in the Eighth Circuit Court of Appeals to block the mandate. That lawsuit – along with all other challenges nationwide – were consolidated yesterday into the Sixth Circuit Court of Appeals.

Montana's lawsuits against the federal contractor mandate issued via executive order and the Centers for Medicare & Medicaid Services mandate continue. Preliminary injunction requests to block those mandates pending the final outcomes have been filed in both cases.

Public Service Announcement

The City of Dillon has placed two additional stop signs at the intersection of Southside Blvd and State Street. This intersection is now a four way stop. After several discussions with the City of Dillon Police it was felt that the best way to get traffic to slow down was to establish a four way stop.

If you have any questions please contact Todd Hazelbaker, Director of Operations, at 683-4245.

Veteran's Corner Update #128

By Mike Lawson

Greetings to all of you who read my SW MT Veteran update articles.

"Veterans Day is a US legal holiday and commemorated in many countries as Armistice Day, the following year, November 11th became a federal holiday in the United States in 1938. In the aftermath of World War II and the Korean War, Armistice Day became known as Veterans Day. " This is a good explanation and to add to it, it is a day for every American who has honorably wore that military uniform in the service of the United States of America.

Our two Veteran Facilities are both looking good.

The Southwest Montana Veteran's Home completion is being held up because of the back-order toilet tanks not arriving. Once they arrive, this facility will quickly be finished and the final inspections can be completed. Once those are done/passed, the state will then receive Cottages #4 and #5 from Markovich Construction as completed, turn them over to the Nursing Operation's Contractor "Eduro" who will then start admitting resident veterans. Not much more to share as everything is finishing up and the sub-contractors are packing-up to move elsewhere, if they haven't already done so. Electricians are waiting for some material to arrive so they can do the finishing touches of their work in Cottage #5.

Cottages #1/#2 are full, Cottage #3 has two Resident Veterans and is admitting another veteran this week. Hopefully this Cottage will get filled up by Christmas. The Covid lockdown has been lifted and visitors are again allowed to visit. The United Veteran's Honor Guard will be visiting on Veteran's Day this Thursday and will due a small ceremony in each of the first three Cottages.

The VA (CBOC) Medical Center Construction Update: Site Exterior/Outside; Impressive in seeing the continuing progress. The sod has been laid completely around the building, between the scrub/decorative rock strip against the building walls and the sidewalk. It really gives this area a beautiful defined look. The parking-lot striping was half completed, at the time of this writing,

and will probably be completed this week. The Electricians pulled the wires through the conduit to the parking lot light-pole bases. Again, the missing in-route lights for the light poles are preventing the setting of the light poles on these cement bases. This is also true for the accent-lights on the upper walls of the building. Where down the supply-train trail these lights are, is anyone's guess. The rain gutters are completely installed around the building perimeter.

Building Interior; It's exciting to see the stud walls being covered by sheet-rock. The ceiling was completely sheet-rocked this week. A crew of Mexican sheet-rockers started hanging sheet-rock on the walls on Friday and continued through the week-end. The inside of the outside exterior walls were insulated and covered with visqueen plastic sheeting a few weeks ago and are ready for sheetrock. One side of the interior walls is being sheet-rocked, followed by a high density sound-barrier insulation being installed on the open side. Once the open side is insulated, this open side can then be sheet-rocked. This crew is moving quickly. Once they have everything hung, the tape/mud crew will get the joints taped/mudded. This will take some time but when their done, the painters can come in and paint the building out. The two front doors will be installed this week which will keep the heat inside. The heaters will also be wired and turned on as the sheet-rock tapers can't tape unless it warm inside. As quickly as things are moving, I'm anxious to see how close to being done by the end of December, this job will be. It's been fun to watch.

The VA, County Health Departments, Pharmacies, etc. are all giving Covid Booster shots. I'll go to the VA in Helena and get the Moderna Booster on Tuesday. A teacher friend of mine said there's been an outbreak of students testing positive at Butte HighSchool. I really worry about the kids and am happy that ages five and up, can now get the Vaccination for Covid.

I'll go for now, wishing all Veterans a Happy Veteran's Day and also wishing all Marines a Happy Birthday. Until next time, take care.
