Ryan Derek Hawk

It is with deepest sorrows for our family to share the passing of our beloved Ryan on Thursday October 28, 2021. Ryan was born May 4, 1976 in Butte, MT to Brenda Alley. Ryan drew his last breath at St. Patrick's Hospital ICU in Missoula, MT due to COVID-19, complications from COVID-19, and pneumonia that he courageously battled for almost 2 months. Ryan was cremated on November 1, 2021 in Missoula, MT.

Ryan battled illness his whole life as he was born with a degenerative kidney disease, almost 15 years on dialysis, a kidney transplant, and his body fighting hard twice to survive twice not to reject his new kidney. Ryan had an immeasurable amount of strength, courage, humor, and determination to fight to live for the ones he loves. Through all of his trials and tribulations, Ryan developed many philosophies, one philosophy that guided him is that "it's just a speed bump on the road of life."

Ryan grew up in Dillon, MT with short periods spent in Chicago and New Jersey with his Mother, Brenda, and older sister, Tammy. He loved Dillon and the lifelong friendships he cherishes that began in Dillon. One of those friendships was with Melanie Hawk (Blomquist). They had one son, Devin, together and married in Missoula, MT. Even though they did divorce, family was of the utmost importance to them and they worked to maintain a beautiful friendship, love and respect for each other. Devin knows that was the light and life of his father. Ryan also chose to be an amazing role model to Melanie's second son Hunter. Ryan's character, ethics, and morals, and humor lives on in both Devin and Hunter. Ryan was always willing to be there to help anyone and lend a hand or shirt off his back to anyone he could, to encourage his loved ones, and to listen and help guide his loved ones.

Ryan had numerous hobbies such as bicycling, spending time outdoors walking or target practice, working on his or family members' vehicles, reading, cooking, forever collector of hot wheels, legos, and nerf, and spending time with his family.

Ryan was saddened when his Uncle Donald passed away some years ago as he looked up to him greatly. Ryan's family includes his Mother Brenda, sister Tammy and children including, Niece Nikki and her family, Grandma JoAnn Alley, numerous Aunts, Uncles and cousins within the Hawk and Alley family trees, Blomquist family tree, Melanie, Hunter, and Devin Hawk. Ryan cherished his friends and neighbors. We would like to invite friends and family to share in their memories of Ryan also by submitting memories, photos, videos, and to visit the online site at www.dillonite.com

Dear Dillon Community,

We are the Catholic Campus Ministry, and we are selling fresh cut Christmas trees from November 28th - December 9th at the St. Rose Catholic Church parking lot. Trees are \$5 per foot and are being sold Thursdays and Fridays from 4pm-8pm and Saturdays from 10 am - 3 pm. We would love to have your support!

Best wishes and happy holidays,
UMWestern CCM

Frontline Truck Found In St. George Utah

Frontline Ag reported a break in to their shop where a pickup truck had been taken in October.

Derek Gore has now been accused of breaking into Frontline Ag and is being charged with felony burglary and felony theft, he is currently out of jail on bail.

Derek had been reported as a missing person a jay after Jason Morris had been reported missing. Both men were riding motorcycles and someone identified the bikes in Utah.

Utah police found the truck several days after the reported theft from Frontline Ag.

Beaverhead Search & Rescue had previously sent a report on the hours and cost they have spent on the missing person searches on both men.

Champions for Children

Each month, the Early Childhood Coalition of Beaverhead County highlights someone who is advocating for children in our community. So many wonderful things are being done to serve and help children and this work deserves recognition!

This month we have selected our very own, Callie Triller, as the founder of the Coalition and for her tremendous work to bring funding and recognition to early childhood issues in our county.

Callie has single handedly applied for and been awarded over 260,000\$ in grants to serve the children of Beaverhead County in the last year. Callie also volunteers her time on the Mental Health Local Advisory Council, and the Be The Change 406 Executive Board all with the hope of improving the lives of local children and families.

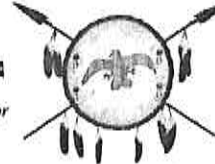

Callie moved to Dillon 3 years ago at 8 months pregnant with her oldest child and felt a need for a stronger support system for caregivers and children in our community, as this was an isolating time for her. She began dreaming of a community of parents, children and caregivers who could support, play and learn together year round in Beaverhead County.

"I started dreaming about what it might look like for our community to offer more opportunities for young children and their families. What if we had a play space for families to visit in the winter months? For parents to meet one another, for kids to play together. To celebrate one another. To encourage others on their tearfully, overwhelming days. As I began talking with other parents and community leaders, I realized that this was a shared dream for many young families, so we started the work to make it happen."

Through sharing her experiences with other parents and stakeholders in the community Callie was able to join with a dedicated and passionate group of volunteers to support the work, legitimize her goals and the Early Childhood Coalition was born.

"I have lofty dreams for this group, but essentially, I picture every kid having access to what they need to grow and develop into the best version of themselves that they can be. And I picture every parent having the support they need so that they can help their child grow and develop into the best version of themselves that they can be."

On behalf of the Coalition, Callie's most recent work has been focused on opening an indoor play space for children and their families to engage in developmentally appropriate play year round.

Her vision for this space is captured in its name: The Village. If it takes a village to raise a child she has worked hard to create a space where the people of Beaverhead County can find their village, people who know the trials and triumphs of early childhood and are working hard to help each other through it.

This work is still new and moving quickly as new voices and new perspectives are brought to the table to problem solve and support this work. Callie welcomes anyone with interest to join her in this effort to expand the work of the Coalition and its projects.

"This work is for our community. It's for our children, grandchildren, nieces/nephews, neighbors. It's for those still to come. There is incredible momentum right now to change the way our community, state and nation think about and make space for young children and families. We welcome you to be a part of it! We need your voice, ideas, time and your energy. If you're at all interested in learning more, please reach out!"

If you are interested in aiding Callie and the Early Childhood Coalition in support of young families, please reach out to earlychildhood406@gmail.com.

Community Thanksgiving Hours:

Fall Concert on November 30th

The University of Montana Western's Cantabileers, a select choral group, will be performing their fall concert on Tuesday, November 30 at 7:30 p.m. in the Beier Auditorium on the University of Montana Western campus.

The concert will feature a diverse program, including some traditional songs like "Silent Night," some lesser-known songs like "Jazz Gloria," and several solos and duets.

According to the group's director Dr. Debbie Seacrest, "We are excited to present this diverse selection of music. This group strongly incorporates the experiential side of choir, as there are far more opportunities for our students than there would be in a more traditional choir. Students are involved in every aspect of the class-- they not only sing, but they choose the songs and conduct the pieces themselves."

The group will be accompanied by Susie Steadman on the piano. Admission to the concert is free.

For more information, please contact Dr. Debbie Seacrest (debbie.seacrest@umwestern.edu, 406-683-7273).

Thanksgiving Fun Run

Montana Running Company is hosting their Thanksgiving Fun Run 5K on Thanksgiving morning, November 25, 2021 at 9AM at Beaverhead Brewing Company, 218 S. Montana St. Everyone is welcome to run, walk, or just to stop by and donate some food! Entry is FREE but we ask everyone to bring non-perishable items to be donated to the Beaverhead Community Food Pantry.

We will be following the Run The Brew Group Run route that starts at Beaverhead Brewing Company- W. Reeder to Ten Mile Road. We will be turning around right after Smith Stables on the Beaverhead River.

Montana Running Company is very thankful to the Dillon Community for all the support over the years!

will also be re-designing our website (wpsurvey.org) to deliver results to the public in an accessible form. This grant includes 100 hours of paid research for Montana Western students. This research experience and training will help prepare students for environmental related careers and graduate programs.

Dr. Thomas received \$6,500.00 for his proposal titled, "In-stream Macroinvertebrate Response to Slickens Discharge on the Upper Clark Fork, Deer Lodge, Montana." Dr. Thomas will have his ENSC 429: Environmental Field Studies class continue to research the impacts to in-stream macroinvertebrates of metal contamination derived from highly concentrated deposits on the river floodplain called "slickens." The contaminants were deposited during anomalous flooding in 1908 and are now being removed to improve the health of the river.

Dr. Thomas's student-led research centers on the transport processes and mapping of contaminated sediment from the slickens into the river channel, with the goal of assessing the impacts the metals have on the health of in-stream macroinvertebrates. These organisms are food for fish, so understanding how metals impact them helps to better understand how to improve the fisheries. The data are provided to state and federal agencies to help them with their remediation of the river.

Student research supported by past CREWS grants to Dr. Crootof and Dr. Thomas has been disseminated to the various stakeholders and is being used to aid in the remediation of the Upper Clark Fork drainage. Their work was recently featured through a series of articles in the Montana Standard.

All mountain lion hunting to close in HDs 314, 380, 418, 420 and 448

The hunting of all mountain lions in hunting districts 418, 420 and 448 will close at one-half hour after sunset on Friday, Nov. 19.

The order halting the hunt came shortly after Montana Fish, Wildlife & Parks officials received word that the pre-established harvest quota for the district had been met.

The hunting of all mountain lions in hunting districts 314 and 380 will close at one-half hour after sunset on Wednesday, Nov. 24.

For more information, visit FWP's website at fwp.mt.gov/hunt/by-species, to check the current quota status, or call the toll-free number at 1-800-385-7826.

Some Elk B License holders will have extended season in select west-central Montana districts

Montana Fish, Wildlife & Parks officials extended the elk hunting season through Jan. 15, 2022, for holders of certain unfilled, antlerless Elk B Licenses that are valid in portions of west-central Montana, in FWP Region 2.

Low elk harvest during the general hunting season, which will end on Sunday, Nov. 28, prompted the seven-week extension in places where elk populations are over objective and elk tend to congregate and cause private land damage over the winter months.

The Elk B License numbers and hunting districts (HDs) for which the season is extended through Jan. 15 are 213-01 (HD 213), 215-02 (HD 215), 262-01 (HD 204) and 291-03 (HD 291). Hunters were awarded one of these special licenses through a drawing earlier this year, and 262-01 was available over the counter prior to the start of the season. No licenses are available for purchase now.

The B Licenses are almost exclusively valid on private lands, and in some cases, on adjoining DNRC lands outside the National Forest boundary. DNRC lands within FWP Wildlife Management Areas are specifically closed to the extended elk season. Regulations that governed the use of these Elk B Licenses during the general season will continue to be enforced in the extended season. Hunters, landowners and other interested parties are advised to closely review the 2021 Montana Deer, Elk and Antelope Hunting Regulations for specifics.

Some Block Management Areas (BMAs) may not be available for the extended season. Check online for updated BMA information before heading out: fwp.mt.gov/BMA.

This is the second year in a row for a similar season extension, and again, mild weather was a big factor.

"We hope that this season extension provides an opportunity for hunters to find more elk, as the winter weather eventually moves in," Thompson said. "Additional elk harvest should help decrease wildlife damage to private agricultural lands in these areas and bring population numbers closer to objective."
