## Muzzleloader heritage season open December 11-19

Many Wildlife Management Areas will be closed
Hunters should continue to be bear-aware

While the general rifle season is now closed, traditional muzzleloader enthusiasts will have a season of their own starting in about two weeks.

The nine-day season muzzleloader heritage hunting season was established when House Bill 242 was signed into law by Gov. Greg Gianforte earlier this year. The season begins on Dec. 11 and goes through Dec. 19.

Hunters should note that many of Montana's Wildlife Management Areas will be closed from Dec. 2 through May 14.

Before heading to the field, hunters need to check the online hunting regulations to make sure they are compliant. A list of WMAs and their seasonal closure dates (PDF) is also available online.

## THANK YOU

My wife and I would like to personally thank those responsible for the Thanksgiving Community dinner. I don't know of anything as nice as this event. Our family has gone their own way so my wife and I were alone. We really enjoyed the delicious meal and visiting with friends. Once again, thank you.

## FWP wardens seek information on elk dumped in Gallatin Gateway

Game wardens with Montana Fish, Wildlife & Parks are seeking information on two elk that were dumped near Gallatin Gateway Sunday morning.

Carcasses from a cow elk and a bull elk with the antlers cut off were found dumped on the south side of Axtell Anceny Road on state land, about 4 miles west of Gallatin Gateway. The hindquarters and tenderloins from the bull were still attached to the carcass and left to waste.

Reports from hunters and ranchers in the area indicate the elk were likely dumped around 7 a.m. on Sunday.

Hunters are prohibited from wasting any part of a game animal that is suitable for food, including the tenderloins, backstraps and all of the four quarters.

Dumping carcasses is also illegal and can spread diseases, including chronic wasting disease. Proper carcass disposal by hunters helps reduce the transmission of CWD among Montana's wild herds. All discarded carcass parts should be left at the kill site or bagged and disposed of in a landfill.

Anyone with possible information is encouraged to call the FWP violation reporting hot line at 1-800-TIP-MONT. Callers can remain anonymous and could be eligible for a cash reward of up to $1,000.

## Bookstore features Montana authors at Christmas Stroll

***Authors, Chuck Johnson and Dave Carty, will be signing books at the Bookstore on Friday during the annual Christmas Stroll from 5:00-7:00.***

Chuck is the owner of Wilderness Adventures press in Belgrade and the author of Training the Versatile Hunting Dog. This book shows you how to develop a great hunting dog with his unique approach. The emphasis is on letting your young dog first develop its natural abilities. He then shares how to put the controls on your dog with chapters on trained retrieving and tracking. These versatile breeds also love water and there are detailed chapters on water retrieving. Included in the book is information on choosing a pup, the importance of early socialization and introducing your dog to gunfire and birds. This revolutionary book is written for the popular hunting breeds with detailed explanations and numerous illustrative photos along with lists of suppliers and various hunting dog organizations. Johnson has been training, breeding and hunting with German Wirehaired Pointers for over 30 years as well as writing a column for Pointing Dog journal.

Dave Carty of Bozeman is the author of the debut novel Leaves on Frozen Ground. Meet the Vaillancourt family, where 11 year old Edmund loves the wild country beyond his family's orchard. He is stubborn and willful with a heart that is owned by his dog and a land that can be unforgiving. He finds himself alone in the woods while a killer storm is bearing down on him. His border collie, Breeze is by his side is all he has to keep warm. The book explores what happens when economic and personal bonds are torn apart and tragedy strikes. Telling the story of a small family's struggles and loss stretches them to the limits of family union and love. From beginning to end the vivid descriptions and careful character development prove this story to be the work of a keen observer of the human condition.

Meet the authors at The Bookstore during the Christmas Stroll and Parade of lights. Please call 683-6807 if you have questions or would like to reserve copies of these books.

## Veteran's Corner Update #130

By Mike Lawson

Greetings to all of you who read my SW MT veteran update articles. Our weather continues to be a puzzle. A week ago Monday it was 70 degrees and got as low as 6 degrees later in the week, in our SW MT areas. The Seattle area up through Vancouver, BC is getting massive amounts of rain, while we get a few sprinkles. The snow we usually get is not happening, which is a huge concern. Hopefully this will change. Thanksgiving is tomorrow, our Hunting Season ends on Sunday and Christmas is a month away.

Time moves quickly and things to do in preparation for the holidays can really mount up. One of the preparations, I would mention, is to the families who need help with getting gifts for their kids. The Butte Toys For Tots Campaign, operated by the Marine Corps League #724, is encouraging those in need to get/complete an application for toys at the Mining City Christmas office, located at the corner of Colorado and Silver Streets. We want no needy child to go without gifts on Christmas morning. Speaking of Toys For Tots, the Elks put on a dinner/dance last week. They asked people to bring a gift and to donate money in the TFT Donation Boxes. They also had a 50/50 ticket drawing. The night was a great success with many toys donated and a check for $3,200.00. This check will be presented to the Butte Toys For Tots Campaign at the Christmas Stroll in December. All of us doing this Butte TFT Campaign are overwhelmed with gratitude for the Elks taking this on. Their plan is to do this on a yearly basis.

I would like to introduce, to you the readers, a very special Veteran who is now a resident in our SW MT Veteran's Home. I've been a DAV Van Driver going on 18 years and started driving this Veteran, to Ft Harrison from Anaconda, for his medical appointments, 10 to 12 years ago. His name is Charlie Dobb and I found myself captivated by his life stories and his friendly/positive attitude. Charle is a Navy Veteran who was at Pearl Harbor Naval Base, Honolulu, Hawaii, when the Japanese attacked it on Dec 7,1941. Charlie had come ashore and was in a building next to the docks when this assault began. He and some others were issued rifles, went to the rooftop and shot at the incoming Japanese planes, who were attacking. Somehow he even got ahold of a picture of he and the others shooting at these planes. He's a neat precious

guy. The Anaconda Veterans are sponsoring a special event at the Mother Lode on December 13th, which is on a Monday night. The Anaconda Veteran's will Post the Colors, followed by a recognition of Charlie and then a night of entertainment, which will last until 9:00 PM. The Anaconda American Legion will donate $500.00 to help defray the cost of tickets to Veterans. Our other Veteran Organizations might consider doing the same. I will update as to the show's venue/performers/etc.. Looks like a great tribute to Charlie, combined with some great entertainment.

On the Veteran front, our SW MT Veteran's final construction completion date, is still on hold due to the non arrival of 6 toilet tanks for Cottages #4 and #5. The Contractors are moving their construction trailers off site as they are so close to being done. It's a waiting game for now, unfortunately. On the operation side, things are going well. Activities are important for both the physical and mental well being of our resident vets. Teresa Madrazo, the Activities Director, is working to get ministers to come/visit and do devotions, communion etc.. She also is encouraging folks to volunteer there. Give her a call at 406-792-3100, to get more information.

The VA (CBOC) Medical Center has seen some movement on the outside, in that the accent lighting on the upper outside walls have been installed and are lighted up at night. If you drive by in the evening, check them out. Some sidewalk replacement has taken place. The inside is being sheet-rocked/taped and not far from being done, probably next week. The Electricians have been doing some of their wiring. This week, being Thanksgiving and the end of Hunting Season, will be a short one.

Talked with American Legion member, Tom Straugh from Dillon recently. He reported that the veterans, purchased and put up a new flag Pole in the Mountain View Cemetery, on Nov 10th. The lowering/raising mechanism for the flag is internally within the flagpole itself versus being on the outside as before. The Ceremony for this will be at a later date. The American Legion there, will have a leadership meeting on Nov 30th. The Dillon VFW meet on the 2nd Wednesday of every month.

reported from Deer Lodge, that the Honor Guard meets the 3rd Thursday of the month, the American Legion on the 2nd Monday of the month and the VFW on the 4th Monday. They all meet at the Deer Lodge Community Center. We're always looking for new members, especially younger ones to carry on the veteran traditions, that give so much to our communities. If you're a veteran and not a member of any of these vet organizations, please consider joining. It's a way of giving back that is not only satisfying but one that makes a difference in the community you live in.

Mike Monroe who runs the State Job Service here in Butte, is interviewing a replacement applicants for the former Veteran Representative who resigned, to go back to school. Mike is a veteran himself and has been doing the duties for this position, as well as his own, to get veterans back to work. Hopefully this position will be quickly filled. I want to express, for all of us veterans who live in the different SW MT Communities, our gratitude for supporting us as veterans, supporting all the functions/programs that we bring forth and for your respect. We couldn't do what we do without you. Many thanks. Until next time, take care.

## DOLL DISPLAY AT MUSEUM

Dolls of all sizes and ages will be on display at the museum on December 3rd. some dolls date back to 1892 and many are over 100 years old. Of special interest is 115 year old Bessie, she is the size of a 5 year old child with human hair, teeth and a jointed body. Bessie has local history and is on loan for a limited time. Bring your young kids or "young at heart" to enjoy this special Christmas event.
