CWD management hunt to be held in several Region-3 hunting districts

*White-tailed deer harvest allowed
between Dec. 11 through Feb. 15*

A chronic wasting disease (CWD) management hunt will be held for white-tailed deer on private and state-owned lands in several southwest-Montana hunting districts.

The primary goal of this hunt is to reduce white-tailed deer density to slow the spread of CWD among whitetails and reduce the probability of spread to mule deer, elk and moose. FWP also hopes to increase understanding of CWD distribution and prevalence through continued testing of hunter-harvested deer.

The CWD management hunt will run from Dec. 11 through Feb. 15. Several licenses will be valid in the CWD management hunt area, and each — including B licenses — will be valid for either-sex whitetail harvest:

- Unused 2021 general deer license
- 003-00 white-tailed deer B license
- 399-00 white-tailed deer B license; this license will remain available for purchase throughout the hunt with a limit of five per hunter
- White-tailed deer B licenses from any other hunting district

This hunt is only valid on private and state-owned lands in these deer/elk hunting districts:

- HD 320 — Those portions within the Jefferson River watershed. Portions within the Madison River watershed are excluded.
- HD 322
- HD 324
- HD 325 — Those portions within the Blacktail Deer Creek watershed. Portions within the Beaverhead River watershed south of Barretts are excluded.
- HD 326
- HD 329
- HD 330 — Those portions within the Ruby River watershed. Portions within the Madison River watershed are excluded.
- HD 331
- HD 340

As always, landowner permission is required before hunting. All other 2021 hunting regulations apply.

CWD in southwest Montana

CWD is a contagious neurological disease that infects deer, elk and moose. It is always fatal, and there is no known cure. It was first detected in Montana's wild herds in 2017.

CWD was detected among white-tailed deer in the Ruby Valley in 2019. These deer are contiguous with white-tailed

deer and moose throughout the Ruby, Jefferson, Beaverhead and Big Hole valleys. They are seasonally connected to populations of elk, moose and mule deer.

Observed CWD prevalence varies throughout the hunt area, with some localized portions reaching prevalence levels as high as 45 percent.

Hunters play a significant role in FWP's management efforts for CWD. Without population reductions, prevalence is expected to increase in the coming years throughout these white-tailed deer populations.

Continued CWD sampling

Hunters who participate in the management hunt are encouraged to submit samples for CWD testing, though it is not mandatory. FWP has provided resources to help hunters collect and submit samples for testing on their own. These resources can be found on FWP's website by visiting fwp.mt.gov/CWD.

Additionally, FWP will have staff available to collect CWD samples from harvested animals beginning Dec. 12. Staff will be stationed at the Madison County Fairgrounds (2 Fairgrounds Loop) in Twin Bridges on Dec. 12 and 15 from 11:30 a.m. to 4:30 p.m. They'll also be stationed at FWP's Butte Area Resource Office (1820 Meadowlark Lane) on Dec. 13 and 14 from 9 a.m. to 12:30 p.m.

From Dec. 16 through Feb. 15, sampling station locations and hours of operation will be variable and will be posted on FWP's website. Visit go.usa.gov/xAnD, then scroll down and click on "Sampling Stations".

CWD is not known to infect humans. However, the Centers for Disease Control and Prevention recommends that people not eat meat from infected animals and have their harvested animals tested before eating them if they were taken from an area where CWD is known to exist. For more information on CDC recommendations, please visit go.usa.gov/xAcnc.

SANTA'S HELPERS 2021 SENIOR & ADULT DISABLED CHRISTMAS GIFT TREE

The Senior Gift Tree is being set up once again to assist seniors and adult disabled individuals in the community who have limited resources, income or who are by themselves. Sometimes this is the only Christmas presents they will receive.

Tags will be placed on the giving tree in the dayroom at Bicentennial Apartments for anyone who wishes to choose a person to buy gifts for. Gifts can be returned wrapped or unwrapped.

Please return the purchased, gifts with the tags to Bicentennial Apartments no later than December 22th. Gifts will be delivered on December 24th.

CHRISTMAS RAFFLE

It's time for the Grasshopper Valley Ladies Club Christmas Raffle. There are 2 changes to win. The first drawing is a beautiful lap quilt made by Club members. The second drawing is for a huge box of gifts donated by Club members. The raffle items are on display in the window at Taylor Realty on S. Idaho St.

The drawing for the raffle will be held December 16, 2021. Tickets are \$1 each or 6 for \$5. Tickets are available from Club members, Taylor Realty, Womack's Printing Place and the Polaris Post Office. All proceeds benefit a BCHS scholarship and local projects. For more information call Kathy Allard 834-3550 or Katie Miller 865-0022.

The Children's Giving Tree

The Children's Giving Tree is gearing up for the 2021 Christmas season. This Tree will provide gifts for children whose parents/guardians may not have the resources to buy a Christmas gift for their child. Applications forms can be picked up at Rattlesnake Alpacas, 23 S Idaho St.

The Tree will be decorated with tags stating what the child wants/needs. Community members can come in to Rattlesnake Alpacas, pick a tag, buy the gift & return the wrapped gift with the tag firmly attached to the top. The gifts will be delivered to the families December 18.

Thank you Dillon for all our years of supporting this wonderful project!

Hunting for male mountain lions to close in hunting districts 411 and 412

The hunting of male mountain lions in hunting districts 411 and 412 in north-central Montana will close at one-half hour after sunset on Saturday, Dec. 11.

The order halting the hunt came shortly after Montana Fish, Wildlife & Parks officials received word that the pre-established harvest quota for the combined districts had been met.

For more information, visit FWP's website at fwp.mt.gov/hunt/by-species, to check the current quota status, or call the toll-free number at 1-800-385-7826.

Resource Assistance Center Sept/Dec Hours

The RAC is now open on Wednesdays by appointment or walk in due to Covid-19. Please wear a mask 205 E. Center, Dillon. Hours are 8-5, closed during the noon hour.

Please call 406-988-0360 for more information.
I have the new LIEAP applications.

The OPA will be coming from Butte on the following scheduled days: Those dates for December dates are 1st and 15th. On scheduled days that they cannot come, there will be a special ph number available, 406-496-4947.

For SNAP and Medicaid assistance on all other days please go to apply.mt.gov or call 1-888-706-1535. You can set up a call back time.

For unemployment go to Montanaworks.gov or call 406-494-0300.

Dillon Middle School News for December 13-17, 2021

Here's Dillon Middle School News for the week of December 13 through 17, 2021.

B: The lunch menu for the week is as follows: Today, Monday, we will have corn dogs served with cowboy beans. Tuesday, Sub sandwiches will be served with trimmings. Wednesday we will enjoy pulled pork sandwiches served with cabbage salad. Thursday, we will have pizza served with breadsticks and salad. Then on Friday, beef and bean burritos will be served with refried beans, fruit and vegetable.

Congratulations to our boy's basketball teams. Last week, they finished their season strong. The "B" teams played Deer Lodge last Monday. 7B won. 8B played well but narrowly lost. Then on Tuesday the "A" teams played Butte Central, and both teams played well and pulled off wins. Because it was the last home game, student council sponsored the event with a "Blackout". Students wore black and came and cheered the teams on. Also, during both half times, as a fundraiser for student council, students were able to try to make a free throw and win a Gatorade. Everyone had a lot of fun.

Girls' cross-training finished up last week. Kudos to all the girls who participated. Next up for our middle school girls for sports is basketball. This will begin right after we return for winter break. Ladies, it's not too early to get all your paperwork and physicals in to the office.

Last week, midterms went home with students. Parents, if you have any questions or did not receive your child's midterm, please call the middle school office.

Student council is busy getting DMS ready to celebrate the winter holidays. Students, make sure you decorate your ornament or star to go on or around the tree. Stay tuned for our dress up days, the short week before we dismiss. Also, a newspaper comes out this week. You can buy them in 8th period.

Also, our food drive is in full swing. The first week's incentive was donuts and was won by Mrs. Bartlome's class. The second week, dodgeball, was won by Mr. Anderson's and Miss Dunlap's classes. Students, keep those non perishable times coming in to 8th period. These items will be donated to the food pantry to help those who need a little extra help this holiday season.

The Beaverhead County ACEs Task Force wants you to know that children who grow up in a household with a family member with mental illness or depression can experience confusion, fear, anxiety, and stress. But one committed, caring adult can help a child build resilience and find success. Be that adult! Healthy families build strong communities.

CWD detected for first time in hunting district 317 near Livingston

Chronic wasting disease (CWD) was recently detected in a white-tailed deer doe that was harvested by a hunter in hunting district 317.

The deer was harvested near the junction of U.S. Highway 89 and Interstate 90, northeast of Livingston. This is the first time CWD has been detected in the district.

Samples from the deer will undergo a follow-up test to confirm the presence of CWD.

CWD is a contagious neurological disease that infects deer, elk and moose. It is always fatal, and there is no known cure. It was first detected in Montana's wild herds in 2017. The disease is known to exist in other parts of southwest Montana, including the Paradise, Gallatin and Ruby valleys, as well as in other areas of the state.

Montana Fish, Wildlife & Parks staff have conducted rotating surveillance for CWD throughout the state for several years. Hunting district 317 is within this year's priority surveillance area.

Hunters play a significant role in CWD management by providing test samples from harvested animals. FWP has provided resources to help hunters collect and submit samples for testing on their own. These resources and others can be found at fwp.mt.gov/cwd.

CWD is not known to infect humans. However, the Centers for Disease Control and Prevention (CDC) recommends that people not eat meat from infected animals and have their harvested animals tested before eating them if they were taken from an area where CWD is known to exist. For more information on CDC recommendations, please visit go.usa.gov/xAcnc.
