Harvey N. Gainey, 79

Nov. 20, 1942 ~ Nov. 28, 2021

Harvey Gainey went to be with his Heavenly Father on Sunday November 28, 2021 at the age of 79. He was born in Nichols, Georgia to the late Lloyd and Rita Gainey. Harvey will be lovingly remembered by his wife of 59 years Annie Evevene Gainey, daughter Angela (Brent) Jordan, son Buddy (Michelle) Gainey, grandchildren Devon (Ashley) Gainey, Chelsey (Tyler) Chambers, Mason (Meredith) Gainey, Haley (Cody) Herbruck, Cayman Gainey, Spencer Jordan, Quincy (fiance Tyler Baker) Gainey, great grandchildren, Declan, Ashton, Kipton Gainey, Harvey Newton Gainey IV, Kinsley and Emery Chambers. He was preceded in death by his sisters, Sarah Sammons, Iris Yeager, and brothers Charles, Daniel and Guy Gainey.

Harvey was a very successful businessman, philanthropist and entrepreneur. He owned and operated Gainey Corporation and was also an owner with the West Michigan Whitecaps and Northpointe Bank. Harvey founded Two Moose Camp at Gainey Ranch in Glen, Montana which is a Christian camp dedicated for leadership training. He was a longtime chairman with Liberty University and the Broadway Theater Guild and was a lifelong Christian and member of Calvary Church. Most of all, he was a loving husband, father and grandfather who will be greatly missed.

The funeral service honoring his life will be held at 1:00 P.M. on Friday December 3, 2021 at Calvary Church, 707 East Beltline Ave. NE, Grand Rapids, MI 49525. The family will greet relatives and friends for a visitation on Thursday from 4-7pm at the Metcalf and Jonkhoff Funeral Home and again on Friday at church, one hour prior to the service. Frozen Water Pipes

With more cold weather predicted, the City of Dillon would like to remind homeowners to take measures to prevent their pipes from freezing. Here are several tips: (1) allow a **small trickle** of water from your cold water faucet in your kitchen to run to keep pipes from freezing. The cost of the extra water is low compared to the cost to repair a broken pipe; (2) keep garage doors closed if there are water supply lines in the garage; (3) open kitchen and bathroom cabinets to allow warmer air circulation around the plumbing and also remember to move any harmful cleaners and household chemicals out of reach of children; (4) If you will be going away during the cold weather, leave the heat on in your home, set to a temperature no lower than 55 degrees Fahrenheit.

Last winter was an unusual winter with so many service lines freezing throughout the community. The City of Dillon recommends to citizens to keep a **small trickle** running as a preventative measure to keep their service lines from freezing. If you have had problems in the past we encourage you to run a small trickle of water from your cold water faucet in your kitchen. This of course is at the customers discretion, as the cost of running water is at their expense.

Letter to the Editor
Merry Christmas
France Schisler
 Here are a few words I'd like to share from Christmas cards I have received. There is so much anger, hatred and selfishness going around I thought it might help to spread a little love. If we profess Christianity then we need to practice what being a Christian means. Merry Christmas and may God bless our country and our world and may we find it in our hearts to listen to His word.
It Takes Just One
 It takes just one candle to spread a ray of light,
 To split the darkness with its flame and quell the black of night.
 It takes just one whisper to speak to God in prayer,
 To draw near to His presence and find peace and comfort there.
 It takes just one Savior to save the world in need.
 A holy God wrapped in flesh to heal, to guide, to lead...
 It takes just one candle to spark the memory
 Of the night the Light of heaven came to change our lives with love.
 Warmest Christmas Blessings to the Dillon Community

The Heart of Christmas
 Let's try to recapture the very reason we celebrate this wondrous season.
 Let's think back to yesterdays of kindness, respect, and simpler ways.
 Remember when it was never thought odd to pledge to one nation "under God", when a prayer being said did not cause a stir and "Christmas" was an acceptable word?...
 Think back to the time we could gather 'round a nativity scene in the center of town,
 In awe of the simple figures there: The shepherd, a mother, and a child so fair.
 A miracle sent down to earth, a simple manger and a baby's birth.
 A savior unto us was given to show us all the path to heaven.
 It's the season of love, full to the brim but it wouldn't exist if it weren't for HIM!
 So, let's spread this message in all we do;
 "Merry Christmas and God Bless You!"

Fish and Wildlife Commission approves regulations proposals for public comment

Season-setting meetings scheduled around the state

The Fish and Wildlife Commission approved 2022/2023 hunting regulations proposals for public comment at its meeting Tuesday, Dec. 14.

The draft proposals are being compiled and will be available online at fwp.mt.gov/regproposals as soon as possible. Public comment on the 2022/2023 hunting regulation proposals will be taken through Jan. 14. Comments can be submitted online at fwp.mt.gov/regproposals or by email to fwpwld@mt.gov.

This is a second opportunity for the public to provide input on 2022/2023 draft hunting regulation proposals. Earlier this fall in an effort of simplify the regulations, Fish, Wildlife & Parks biologists offered regulations proposals that combine some hunting districts, reduce some license and permit types, and eliminate hunting district portions. FWP adjusted proposals based on public comment and presented them to the commission. The commission approved the draft regulations for public comment at the Tuesday meeting.

During December and early January, FWP will hold season-setting meetings around the state to discuss the draft hunting regulations with interested members of the public. Each of FWP's regions will hold a virtual season-setting meeting as well as part of their January Citizen Advisory Committee meetings.

The commission will make a final decision on the 2022/2023 hunting regulations at its meeting in February.

Season setting meeting schedule: Region 3
Dec. 20, Dillon, Beaverhead Search and Rescue, 1000 MT Hwy. 41, 6 to 8 p.m.

The lunch menu for the week is as follows: Monday we will enjoy spaghetti with meat sauce served with French bread. Tuesday, we will have ham dinner with all the fixings. Wednesday, we will get out at noon, so no lunch will be served. However, a grab and go breakfast will be served out on the football field before school.

We will be out for our winter holiday from December 24 through January 2nd. School will resume Monday, January 3, 2022.

When we return from our winter holiday, girls' basketball will begin. Ladies, please make sure you have done your online forms and return your physical to the DMS office.

This week we are having a spirit week. Monday is Hawaiian Day. Tuesday is hat day. Wednesday is PJ or sweat day. Prizes will be given for the best outfit each day with the holiday theme. So, DMS, get in the holiday spirit and dress up this week.

This is the last week for our food drive. Students, keep those nonperishable food items coming into 8th period. Food will be weighed and delivered to the food pantry on the 23rd. Remember, there's a pizza party for the class that brings the most pounds of food per student. And, most importantly, it just feels great to give!! The choirs and bands have been busy rehearsing for the winter concert. Taping was December 17th. The concert will go live on December 20th at 7 PM. The concert can be accessed on our District 10 Schools Facebook page, Southwestern News Facebook page, and a link will be robo emailed. Please call the DMS office if you have any questions.

Congratulations to the following students for making the Academic Olympics teams:

Boys' basketball ended on a high note. Players celebrated wins the last week of play. The A teams were treated to a rowdy crowd as DMS students cheered them on with a blackout game. Students wore black and were very supportive. Students also were able to participate in the "pop-a-shot" during half time. Many students paid a dollar to make a free throw or three pointer for a Gatorade. Money was raised for student council.

"God's Country" Feature Film to Premiere at Sundance Film Festival

God's Country, with scenes filmed at the University of Montana Western last spring, has been selected to premiere at the 2022 Sundance Film Festival in January in Park City, Utah.

Screenwriter Shaye Ogbonna and director Julian Higgins adapted the script from James Lee Burke's short story Winter Light. Burke is The New York Times bestselling author of the Dave Robicheaux detective series and numerous other novels.

Julian Higgins is a Los Angeles-based writer and director whose short films have screened around the globe and won dozens of prizes, including the gold medal Student Academy Award, two Student Emmy Awards, and the grand prize for Canon and Ron Howard's Project Imagination contest. His most recent short, Winter Light, was a top 10 finalist for the Academy Award.

The feature-length film headlines Emmy-winning actress Thandiwe Newton. Newton is an English actress known for starring in HBO's science fiction western series Westworld, for which she has earned a Primetime Emmy Award for Outstanding Supporting Actress in a Drama Series.

Filming for God's Country began in spring 2020 before production was halted due to COVID-19. Production company Cold Iron Pictures filmed several scenes in the Livingston, Mont., area and then came to Dillon, Mont., in late March 2021 to film several scenes on the University of Montana Western campus.

According to the Sundance Institute website, the organization is a champion and curator of independent stories for the stage and screen and provides and preserves the space for artists in film, theater, film composing, and digital media to create and thrive. Robert Redford founded the Institute in 1981 to foster independence, risk-taking, and new voices in American film.

Each January, the Sundance Film Festival introduces a global audience to groundbreaking work and emerging talent in independent film. Today, the Sundance Institute staff of 180 employees works year-round from offices in Park City, Los Angeles, and New York City to provide labs, grants, and ongoing mentorships that support more than 900 artists each year.

To learn more about the film and the upcoming festival to be held January 20th-30th, visit <https://festival.sundance.org>.
