Michael David Marsh

July 27, 1974 - December 20, 2021

Michael David Marsh passed away on Monday, December 20, 2021. Mike was born in Sheridan, Montana on July 27, 1974 to David and Kassie Marsh. He grew up in Sheridan and graduated from Beaverhead County High School in Dillon in 1993. Mike had the uncanny knack of being able to tear down and rebuild anything with an engine, even at a very young age. Mike worked for the service station in Sheridan throughout high school. After graduation, he went to Wyoming Tech in Laramie, WY and would graduate with a degree in diesel mechanics and business in 1994. After landing a job at Kenworth in Billings, MT, Mike decided his roots were calling him home. He returned to Sheridan and picked right back up with his job at the service station for Andy Verhow. Mike then got a job at the Chevy Dealership in Dillon where he formed a close friendship with Doug Hale. The two opened and ran MD's Auto Repair until Mike became the head mechanic of the Beaverhead County Road Department, where he worked until his passing.

Mike was always eager to lend a helping hand, give back to his community and be a part of his community. He was a member of the Beaverhead Search & Rescue, coached girls fast pitch softball, played in Men's Golf League, and was a member of the Jaycees from 1995-2012. While a part of the Jaycees he was very active, serving as President in 2001, Rodeo Chairman in 2004, and was awarded the Outstanding Young Man of the Year in 2008. But Mike's favorite part of the Jaycees was the Demolition Derby where he competed and later judged for many years. It was always the highlight of his summer. The years he did compete, he built his demolition car, and every year it was the same car, the General Lee!

In 2017, Mike and his partners in crime built the Engine 18 tailgating firetruck. Several times he reminded his partners that it is easier to loosen the bolts than to cut them off with a torch. As a founding member of the Engine 18 Foundation, he was very proud of the fact that the foundation has provided more that $20,000.00 in scholarships to UM Western student-athletes since 2017.

He had the biggest heart and would do anything for his friends and family. Friends were family to him. Mike started dating Brenda Schafer in 2018, and quickly realized she was the love of his life. He knew he hit the jackpot with her when

he found out that she too was a Dallas Cowboys fan. The two married on July 4, 2019. He loved sharing his love of outdoors with his wife and kids. Whether it was taking his daughters hunting, going camping with Brenda, going rabbit & gopher hunting with Ashleigh or teaching her how to shoot.

He was a true outdoorsman. If an activity included an engine, fishing pole or rifle, he was game for everything. Mike loved to quote his favorite movies and never missed an opportunity to throw in a one-liner or sarcastic zinger! In his spare time, if he wasn't in the outdoors hunting, camping, or fishing, you would likely find him rebuilding old cars or tinkering in the garage with his best friends, all while enjoying an ice-cold Bud Light!

Mike is survived by his wife Brenda, daughters Destiny (Marcus) Howser, Ashleigh Guinnane, Makaila Wolfe, and Shelbie Wolfe, son Chace (Rio) Guinnane, granddaughter Brylee Howser, grandson Flint Howser, parents David and Kassie Marsh, sister Lindsey (Jason) Ericksen, nieces Shaylee and Josee Ericksen, nephew Kristian Landis and numerous aunts, uncles, cousins, and so many friends.

He is preceded in death by grandparents Vernon Marsh, Virginia Nelson, Wayne Nelson, Vera Gilbert, Don Gilbert and childhood best friends, the Day brothers.

Services will be on Thursday, December 30, 2021 at 3:00 PM at the Frontier Event Center in Dillon, a reception at the Event Center will immediately follow until 7:00 PM.

In lieu of flowers, the family asks that you make a donation to Engine 18 Foundation.

Don Childers had written his own obituary several years ago and I am so grateful for this. He did miss a few significant notes that made him so special.

His love for life was truly pure. He thoroughly enjoyed meeting people and mostly hearing their stories. A truly caring and thoughtful soul that was always ready to lend a hand to anyone. He valued time with Family and our Golden Retrievers. He had a passion for Volunteering in the community, Camping, Fishing, Wood working, taking Day Trips and Exploring nature. During his retirement years he enjoyed working part-time and loved his Sunday job, as he fondly referred to the Beaverhead County Landfill Estates. He looked forward to meeting old friends and made many new all with a smile, a piece of taffy or biscuit for their dogs. He will be forever remembered and eternally missed by so many.

Public comment period extended for hunting regulation proposals Season-setting meetings scheduled around the state

The deadline for public comment on the 2022/20223 hunting regulation proposals has been extended from Jan. 14 to Jan. 21.

Those interested can view the proposals and provide comment online at fwp.mt.gov/regproposals. Comments also can be submitted by email to fwpwld@mt.gov.

This is a second opportunity for the public to provide input on 2022/2023 draft hunting regulation proposals. Earlier this fall, Fish, Wildlife & Parks biologists offered science-based regulations proposals that combine some hunting districts, reduce some license and permit types, and eliminate hunting district portions. FWP staff held informational meetings around the state, and the public was invited to submit comments on those initial proposals. FWP adjusted the proposals based on public comment and presented them to the commission. The commission approved the draft regulations for public comment at the Tuesday meeting.

FWP is holding season-setting meetings around the state to discuss the draft hunting regulations with interested members of the public. At the meetings, biologists will present information on the draft hunting regulations approved by the commission. Following the presentations, there will be time for questions and answers.

Each of FWP's regions will hold a virtual season-setting meeting as well as part of their January Citizen Advisory Committee meetings.

Idaho Receives $750,000 in Conservation Funding

The Rocky Mountain Elk Foundation and its partners allocated $750,639 of grant funding to benefit wildlife habitat and hunting heritage projects in Idaho. RMEF contributed $202,550 and leveraged an additional $548,089 in partner dollars.

The grants fund nearly two dozen projects, positively impacting more than 17,000 acres of habitat across Adams, Blaine, Boise, Bonneville, Boundary, Caribou, Cassia, Clark, Clearwater, Fremont, Idaho, Latah, Lemhi, Owyhee, Shoshone, Teton and Washington Counties, including several of statewide benefit.

"This funding addresses a mix of projects that lie at the root of our mission of ensuring the future of elk, other wildlife, their habitat and our hunting heritage," said Blake Henning, RMEF chief conservation officer. "Among them are efforts to enhance wildlife forage by removing encroaching conifers, applying prescribed burns, treating noxious weeds, rehabbing landscapes impacted by severe wildfires and removing old fencing and other

debris that limit the movement of wildlife."

There are 18 chapters and nearly 8,800 RMEF members in Idaho.

"We thank and salute our volunteers. It's because of their efforts that we have this funding to spruce up Idaho elk country," said Kyle Weaver, RMEF president and CEO.

Dating back to 1984, RMEF and its partners completed 641 conservation and hunting heritage outreach projects in Idaho with a combined value of more than $85.4 million. These projects protected or enhanced 592,324 acres of habitat and opened or improved public access to 28,895 acres.

Below is a sampling of Idaho's 2021 projects, shown by county.

Adams County

•Conduct low intensity burns across 7,000 acres in the New Meadows Ranger District on the Payette National Forest to rejuvenate grasses, forbs and shrubs on elk, mule deer and other wildlife habitat. The project is part of a larger effort to treat upwards of 10,000 acres annually with prescribed fire to improve wildlife habitat and reduce the threat of catastrophic wildfire.

Caribou County

•Burn 1,695 acres in the Montpelier Ranger District on the Caribou-Targhee National Forest to maintain and regenerate and aspen stands. Crews will also construct two sets of fencing to benefit aspen – one to keep out livestock and the other to keep out both livestock and wildlife.

Cassia County

•Rehab 1,000 acres in the Minidoka Ranger District on the Sawtooth National Forest charred by the 2020 Badger Wildfire by planting 40,000 sagebrush and bitterbrush seedlings on elk winter range. (RMEF's Torstenson Family Endowment provided partial funding for this project.)

Owyhee County
