COVID SURVIVOR 2

By: MJ

November at my house was spent sharing COVID with my husband. It was a long month. My husband was hospitalized for a couple days, for heart check. The hospitalists called me when he was being dismissed and ask me where we contacted Covid. I had no idea as we did not go anywhere and very few people came to our house.

A person sick enough to need doctors care does not need to pick up the local newspaper and read the hospitals ad telling you not to go to the hospital, instead you are to pick up the phone and call. Question: Does talking over the phone instead of personally visiting with your doctor or medical staff truly helping to lessen your stress and give you the support needed?

Most difficult problem about having Covid is you are shunned, feared and shut out from others. When you can not get help from your medical staff it does impose stress and anxiety on the mind and body. Stress and anxiety are known to weaken the immune system. There is a shift in the body's chemistry when stress and anxiety are introduced. NOTE: The first responders did not reject people and helped lessen the stress by showing up and not denying a Covid patient. They did not give you a phone number to call and they were rewarded with losing jobs if they did not accept the vaccine. Is that like biting the hand that feeds you?

It appears Covid affects people in many ways. Some people have it and never know they had it, others die, others suffer through including non-vaccinated and vaccinated people. Question: With a high vaccination rate in America why are the Covid infections increasing instead of decreasing? It appears that people who have Covid without knowledge of it are what they call asymptomatic; a person showing no signs however is infected. That person is walking around, grocery shopping, dining out, attending parties and spreading the virus without knowing. Because they are vaccinated, they believe they are in the group that is protected from Covid and are not spreading the virus, however are quick to blame the unvaccinated for spreading of Covid. Appears everyone can be a spreader.

NOTE: It appears that vaccines that were developed in response to Covid-19 are unlike conventional vaccines that provide immunity. Covid vaccines reduce symptom severity. Question: Will this method result in vaccinated people

spreading variants that are increasingly contagious and deadly?

NOTE: Here comes the anger and the dividing of the people. Vaccinated people, still getting Covid are blaming unvaccinated for the spreading of the disease. Get rid of the blame and honor another's decisions to do what they feel is right for their bodies. Let us help and worry about untested, Covid carrying immigrants instead of passing local anger causing anxiety, weakening immune systems and loss of good paying jobs into our community.

Now we have Omicron that is being found in fully vaccinated individuals. National Institute of Health has noted that Omicron, a variant of Covid had shown a number of mutations that may interfere with the vaccine being effective. Some are saying a new shot is necessary.

Let's focus on medicines to help strengthen the immune system; like diet, exercise anxiety reduction...

**25th Anniversary Commemorative Reenactment
of the Hanging of Plummer, Stinson and Ray
by the Vigilance Committee 158 years ago**

The Just Us Old West ReEnactors will once again perform the reenactment of an event 158 years ago that helped push Montana toward territorial status. The capture and hanging of Sheriff Henry Plummer, fellow Road Agents Buck Stinson and Ned Ray by members of the Vigilance Committee of Montana in Bannack January 10th, 1864.

This living history event first began 25 years ago as members of the Just Us reenactment group directed by Stan Smith performed before 200+ spectators on the actual site of this moment in our history. This year "MEN, DO YOUR DUTY" produced by Skypainter Productions will occur Saturday, January 8th at 2:00pm up hangman's gulch in Bannack State Park.

Following the reenactment event The Bannack Association will host their annual dinner and membership drive starting at 5:00 pm in the Lewis and Clark Room at the University Of Montana Western. Join us for an old fashioned roast beef dinner, no host bar, silent auction and election of Board Members for 2022. The cost of dinner is included in membership renewals and new memberships. Please RSVP by December 30th. Call the Park at 406 834 3413 or email President Otis Anderson at otisanderson69337@yahoo.com

2 Madison River fishing access sites closed due to flooding

The Ennis and Valley Garden fishing access sites have been closed temporarily due to flooding.

Ice jams on portions of the upper Madison River have caused water, ice and debris to flow into the sites, creating unsafe conditions, including the possibility for trees to fall. These sites will be reopened when conditions are safe again.

The Ennis Fishing Access Site is a half mile southeast of Ennis, and the Valley Garden Fishing Access Site is about two miles northeast of Ennis.

Dillon Middle School News for the week of January 3 - 7, 2022

Happy New Year, Dillon. Hope everyone had an amazing Holiday break.

The lunch menu for the week is as follows: Today, Monday, we will have Spaghetti with garlic French bread and green salad. Tuesday, it's chicken salad wrap with chips and celery. Wednesday, we will enjoy local beef hamburgers served with trimmings. Thursday, we will have chicken fajitas served with bean salad. And Friday, we will enjoy wiener wraps served with cowboy beans, fruit and vegetables.

LIGHTS! CAMERA! ACTION! All 6th - 8th grade students are invited to compete in the 2nd Red Carpet Youth Video Project. Teams of 2-5 kids are invited to apply now! Applications are available at the DMS Office or online at BethChange406.org. Deadline for applications is January 31st, and the deadline for video submissions is April 30. \$500 1st place!

The week before our Holiday break, student council sponsored a spirit week. On Monday, we had Hawaiian Day. The prize winner was Aiden Ferguson. On Tuesday, in coordination with the food drive, we had a hat day. Students brought in 3 canned goods in order to wear a hat. The winner for that day was, Mac Campbell. Then on Wednesday, it was pajama day. The winner for that day was Starla Schrock. We also had a Christmas tree. Students either did a wish star or decorated an ornament. The winner of the wish star was Declan Oswald. The best decorated ornament went to Athan Graham. Both students received a Dairy Queen card. Great job to all the students who participated in the fun. Student council is also sponsoring a writing contest. The theme is "What does Christmas mean to you?" Please submit your papers to Mrs. Korpi. Great job to our student council members who made Holiday Cards for many of the elderly citizens of our community. It felt good to brighten the Christmas season in a small way for some of our older community members.

The week before the break, Mrs. Blake's 8th grade FCS classes built gingerbread houses. A contest was held, and some amazing gingerbread creations were made.

Congratulations to Briley Alberi for 3rd period, and Sage Tash for 4th period. Nice job to everyone who joined in the fun. Also, Mrs. Coy's Spanish classes enjoyed making pinatas before the break. The highlight, of course, was trying to break them open and enjoy all the treats inside.

Today, seventh and eighth grade girls' basketball begins. Eighth grade practices in the Parkview gym, while seventh grade will practice in the DMS gym. A mandatory parent meeting will be held Tuesday, January 4th at 5:30 PM in the DMS gym. Parents, please attend this very important meeting.
