UMW Professor Denise Holland Honored with Teacher of the Year Award

The Montana Association for Career and Technical Education recently announced that Denise Holland, Professor of Business at the University of Montana Western, has been selected as the 2021 Montana Career and Technical Education Post-Secondary Teacher of the Year.

The Montana Association for Career and Technical Education announced last week that Denise Holland, Professor of Business at the University of Montana Western, has been selected as the 2021 Montana Career and Technical Education (CTE) Post-Secondary Teacher of the Year.

Holland, Ed.D, has taught at Montana Western since 2001. Before joining the UMW faculty, Holland taught public high school courses in business and marketing in Idaho and Montana and assisted elementary teachers in creating technology projects.

Her primary teaching and research interests include business education, technology integration, computer applications and business communications. In her classes, students are working on practical skills needed for today's workforce such as hard skills (computer skills) and soft skills (communications and team building).

This award recognizes the finest career and technical education teachers at the postsecondary level who have demonstrated innovation in the classroom, commitment to their students and dedication to the improvement of CTE in their institutions and communities.

The Association for Career and Technical Education is the largest national education association dedicated to the advancement of education that prepares youth and adults for careers. Montana ACTE is a member state with a mission to provide leadership in developing an educated, prepared, and competitive workforce. The Montana Association for Career and Technical Education provides the career and technical education necessary to create the highly skilled workforce that supports the demands of the 21st century economy and promotes economic development in Montana's communities.

To Our Friends of the Dillon Thrift Store

across from the Elk's on Center Street

We are starting a new year at the thrift store, so we are asking all our friends and county residents to see what items you might have that are resalable, clean, gently used, new or gift items you would like to donate to the Thrift Store.

We do not take clothing, shoes, kids toys or books, these items go to the Bargain Basement at St. Rose.

All proceeds will go to the Beaverhead County Museum Association. the community will be enhanced by this for more programs, concerts, and heritage gatherings at the museum.

If you have any items for donation, you can bring them to the thrift store Monday thru Friday during the hours of 11:00 am to 4:00 pm. If this does not work for you, please call me at 406-683-0056 and I will set up a time to meet you at the thrift store.

Judy Carlson.

Frozen Water Pipes

Here are several tips to prevent your pipes from freezing: (1) allow a **small trickle** of water from your cold water faucet in your kitchen to run to keep pipes from freezing. (2) keep garage doors closed if there are water supply lines in the garage; (3) open kitchen and bathroom cabinets to allow warmer air circulation around the plumbing and also remember to move any harmful cleaners and household chemicals out of reach of children; (4) If you will be going away during the cold weather, leave the heat on in your home, set to a temperature no lower than 55 degrees Fahrenheit.

If you have had problems in the past we encourage you to run a small trickle of water from your cold water faucet in your kitchen. This of course is at the customers discretion, as the cost of running water is at their expense.

How the No Surprises Act affects the uninsured

On January 1st of this year, the No Surprises Act (NSA) went into effect protecting individuals with private health insurance from surprise medical bills. In other words, if you are insured from a company that is not Medicare or Medicaid and receive emergency medical care or a scheduled procedure at an in-network facility then, in most circumstances, you will not be billed at "out of network" rates. This law, signed by President Trump in 2020 and now being implemented under President Biden, goes a long way in protecting consumers from what the industry calls "balance billing."

"The No Surprises Act is likely one of the most significant bi-partisan laws protecting American healthcare consumers in more than a decade." Commissioner Troy Downing said, "This law helps protect the consumer from getting caught in the crossfire between health care providers and insurance companies."

It is important to note this new law also protects self-payers and the uninsured. A self-payer is simply someone who pays their own medical expenses directly. While those without traditional health insurance do not have provider or facility networks, the NSA still has provisions to protect consumers from unanticipated medical costs. The NSA requires medical providers to give patients a Good Faith Estimate of the cost of scheduled care before the service is provided. The Good Faith Estimate will be provided to all self-pay and uninsured patients and is a good tool when shopping for lower cost services.

For the self-pay and uninsured, if the services provided exceed the Good Faith Estimate by $400 or more, patients can dispute the charges. In most cases, it makes sense to first dispute the discrepancy with your medical service provider. If you are unable to resolve this dispute with the provider, the U.S. Department of Health and Human Services (HHS) in conjunction with the Centers for Medicare and Medicaid Services (CMS) provide a Patient-Provider Dispute Resolution (PPDR) service. To start the dispute process, there is a $25 administrative fee that will be paid by the individual making the claim. This process provides a valuable tool for those who are unable to afford health insurance or who self-pay for their medical services.

For more information, contact our office at http://CSIMT.gov, 406-444-2040, or, go to the CMS website at https://www.cms.gov/nosurprises/consumers or call 800-985-3059.

Veteran's Corner. Update #135

By Mike Lawson

Greeting to all of you who read my veteran update articles. I'll be optimistic and believe 2022 will be a year of new beginnings and recovery.

Butte's two new Veteran Facilities will be in full operation this year which will be a great benefit to our Veterans in Southwest Montana, for many years to come. The SW MT Veteran's Home is so close with the final punch-list/inspection stages expected to be wound-up this month. We have great people from Eduro, the Operating Contractor, giving our resident veterans great care. It's a beautiful facility and plans for continuing to make improvements with covered sidewalks is in the planning stages. The Foundation continues to look for and create ways to make our resident veteran's lives as happy as they can be. Any of you or your organizations might think of ways to visit and interact with these Vets. They love company and are ready to maybe play a card or board game. It's rewarding for them and for any of us who have the privilege to be with them. The VA (CBOC) Medical Center, continues to move forward. All the internal infrastructure components, between the roof ceiling and the yet to be installed suspended ceiling, are close in being completed. These components include the insulated copper water pipe/tubing, the heating/ air conditioning insulated ductwork, the sprinkler fire suppressant piping, wiring, etc.. The sheetrock taping, texturing and painting will then take place, before the suspended ceiling frame work is installed. The electricians and plumbers are in and out, as some of these other construction steps are finished up. Wayne and Todd Paffhausen are on top of making sure the coordination between these different sub-contractors, run smoothly. January/February will be a big month, in closing in on, getting this building completed.

Our Veteran Organizations in SW Montana will be meeting as the month January moves on. More will be said about their activities as they become available.This first month of the year always seems to be a quiet month, where activities and plans for the rest of the year begin to be talked about and planned for. Charitable activities are always at the forefront of all these Veteran Organizations plans. Veterans are known to give back to the communities they live in and do it, not wanting to expect anything in return. Serving their country wasn't always a cakewalk, but they served and never looked back.

They are quick to step forward in a crisis or respond to someone in need. Our Veteran Court in Butte is a prime example, where a veteran in trouble is given a second chance to turn their live around. Volunteer Veterans are paired up as mentors with these mentee veterans to help them through the many aspects of this 18 month recover program. The team is made up of two of our judges, attorneys, therapists, probation officers, etc. These veterans are members of our communities and most will be successful in their recovery and lead lives that will benefit themselves, their families and the communities they live in. Most veterans have a positive influence wherever they live. We all want to make our world a better place.

Our DAV Vans continue to get veterans to their medical appointments. Our Vans are kept in top mechanical condition, have good all weather tires and experienced top-notch drivers, who get these veterans to their appointments safely. Friendships are formed between the drivers and their passengers, what a win win experience. Last week veterans were taken to Helena, Anaconda, Missoula, Kalespell, Bozeman and local medical appointments. Our vans run from Butte, Dillon and Anaconda. We're all volunteers and feel privileged and honored to serve our veterans/their families in this way. If you need a ride call Darlene our DAV Coordinator at 406-490-3692.

With the weather being more severe this time of year, it's important to dress warm and if you're disabled, please be careful on the icy sidewalks/ roads. If you're a senior citizen, take advantage of having lunch at the Senior Citizen Center here in Butte. They have a bus they can pick you up with. They also can deliver a noon-meal to you.

The Covid-19 is still with us and now it's variant Omicron is spreading like wild fire. Bozeman and Billings are presently the hot spots but we know it'll be hitting our communities also. If you have had your Covid vaccines and booster shot, it's reported that the effects are milder if you do get it. Hopefully following the safe practices of masking/distancing in crowds or social establishments will be good preventive medicine action.

This is a New Year and I wish you all the best that it can provide. Until next time, take care.
