Lyle D. Walker

It is with deep sorrow we announce Lyle D. Walker of Dillon, Montana left us unexpectedly of a heart attack on January 4th 2022. He was born on May 13, 1952 in Lewiston Idaho to Ira and Florence Walker. Lyle moved with his family to Dillon in the 60's when he was in sixth grade. Lyle later graduated from Beaverhead County High School in 1970. He went to college at the Billings Automotive Training Center in Billings Montana. He then

ventured to West Yellowstone where he took a job working at Yellowstone Park Service Stations as a mechanic and a tow truck driver. While working in the park he met the love of his life Joyce Swan from New Sharon, Iowa who was working at the Hamilton General Store. They enjoyed many great times while working in the park, were engaged three months later and then married later that year on November 3, 1973.

After being married they lived in Dillon for two years and then moved to Iowa, where he worked for Donaldson Muffler Company. While there they had a daughter, Andrea in 1975 and a son, Clint in 1977. They spent a total of 4 years in Iowa, but his love for the mountains called the family back to Dillon where they had their second daughter Ashley in 1984. Lyle began working for Stoltz Land and Lumber and worked there for five years. He then started his own logging business and did that for five years. He enjoyed falling trees, operating the logging equipment and hauling them to the sawmills. He began hauling large equipment locally for eight years. Wanting to work for himself, he began hauling crushed cars, hay and numerous other supplies for the next seventeen years. Then he invested in a belly dump and went to the oil fields for four years. Deciding to get closer to home he sold out and drove semi locally. He was dedicated to his work and he thoroughly enjoyed driving semis and operating equipment.

Lyle loved his wife, family and friends. He enjoyed spending time with them whether it was camping, fishing, hunting, snowmobiling, 4-wheeling, dirt biking, taking his boat out or getting firewood. He enjoyed playing cards, games and reading. Lyle loved going to the mountains to build the family cabin along with his family and making memories with every adventure.

He was always ready to lend a helping hand to anyone in need. From retrieving an elk, filling a freezer with meat, filling a woodshed, pulling in broken down vehicles and snowmobiles to fixing them to run like new. He cared about helping people and doing the right thing.

Bashful Bull

Bryce Angell

Jackson Palmer raised his hand and breathed a loud exhale. He was bidding on a young bull at the Angus Farms Bull Sale.

The auctioneer said, "Take him." Jackson outbid all the rest. His good wife Jana hugged him. Said, "Let's put him to the test."

The bull sale was a grand success. Served prime rib for the meal. With bellies full the Palmers loaded up their bull sale deal.

Jackson drove on home while Jana figured out the books. She said, "The price was fair. Let's see how all his offspring looks."

Gabby was the youngest of the Palmer family. She said, "Let's name him Chubby. He looks overweight to me."

So, Chubby he was given and forget his purebred name. He was 'bout to start his legacy, one for the books of fame.

They drove on through the pasture, backed up to the cattle gate. Then turned their prize bull out to an expected happy fate.

The Palmers stood astonished, every face with raised eyebrows. 'Cuz Chubby didn't show an interest in the angus cows.

They had to wonder was he sick or just a bull's off day? In all their years they'd never seen a bull who'd act that way.

Jana called ol' Sam, the vet. Said, "We could use you here. Maybe you can show us how to get our bull in gear."

Then Sam checked out their Chubby. Said, "He's eatin', drinkin' fine. Bring an older cow who looks like she's on borrowed time."

Jackson found an older cow. She'd been open for a while. Soon Chubby gained his courage. Said Sam, "I saw him smile."

Next day the vet was musing 'bout what happened in the corral. And how the bull passed by the young cows for an older gal.

Ol' Sam in all his shameless smile said, "Next time try this trick. Gussy up the young cows with some old-gal red lipstick."

Early Morning Fire at Sparky's Garage Dillon

Around 1 AM Monday morning a fire started in Dillon's cherished Sparky's Garage Bar & Grill. First and foremost, we are extremely thankful that the building was vacant and no one was hurt. We are also extremely appreciative of the Dillon Volunteer Fire Department, Dillon Police Department, and Beaverhead Emergency Medical Services that showed up quickly with many helping, heroic hands.

We will be working diligently to get our doors open as soon as possible but please be patient with us as it will take some time. Updates will be posted as we receive more information in the coming days.

Kindly,

Beaverhead Search and Rescue News

Submitted by: Mel Rice, Public Relations Officer

The Beaverhead County Search and Rescue monthly meeting was held on January 5. The meeting was called to order by commander Lawrence Morrisroe at 7:08 PM with 27 members in attendance. Mick Paffhausen was introduced to the members as an approved probationary member. Adam Norlander was introduced as a guest and he indicated his interest in becoming a member of the organization.

There were no searches/rescues during the month of December. Commander Morrisroe informed the unit there were 12 searches/rescues during the year 2021. This number is the same as year 2020. In recapping the involvement of the unit during 2021, Lawrence stated the average duration of a search/rescue was 5 hours 25 minutes. The search areas were an average distance of 30 miles from the Search and Rescue building. The average membership attendance per search was 22% or 12 members. It was also interesting to note that 34 of the 55 members participated in one or more of the searches/rescues.

The unit has a new piece of equipment called a GARC. This machine is a water craft that can be used on big open water like Clark Canyon or used on rivers for swift water searches, rescues, or recoveries. Member Tommy Goins drove to Spokane, Washington to pick up a new trailer for transporting the GARC. The machine is like a large 6 man Jet Ski. You can go on line and search GARC and take a look at this life saving piece of equipment.

Brad Wagner, communications officer, informed the membership of the status of our new radios and updated the unit on other communication projects that are on-going. Working on mobile radios, portable radios, repeaters, and any other pieces of communication equipment is very time consuming and tedious. Brad has been very diligent in keeping our communication equipment up and running and figuring out what new types of equipment and placement of that equipment will benefit the unit's members when working out in the field. Communication is the very most important part of any search/rescue operation. Brad is one of the unit's unsung heroes. When you see Brad out and about please thank him for all he does to keep your S&R up and running. He is very instrumental in the operation of the unit.

Another important member of the team is training officer, Nathan

Freeman. Nathan informed the members of trainings that are ongoing and new experiences that are coming up. Rope teams are continuing with ongoing training. He is trying to get a professional search manager in to do a group training; on January 6th there was a joint water rescue training at the YMCA sponsored by Ruby Valley S&R; Nathan is considering doing quick hit training on weekends so members can familiarize themselves with equipment they either haven't seen or used; and member Alex Dunn will be doing avalanche training which will include classroom work and field work.

The Unit's annual Stan Shafer Memorial Ice Fishing Derby will be held at Clark Canyon Dam on the 16th of January. There are lots of prizes to be given away and lots of money to be earned out on the ice by catching the biggest trout and ling. There is also a contest with monetary payouts for kids 12 and under. Come join the fun. It is supposed to be a wonderful day.

The last order of business was the election of officers for 2022. Here is a list of the new officers for your Beaverhead Search and Rescue:

- Commander: Lawrence Morrisroe
- Vice Commander: Dusty Crowe
- Secretary: Kolby Malesich
- Co-Treasurer: Brian Vinson, Clint Rouse
- Communications: Brad Wagner
- Equipment: Evan Helle
- Public Relations: Mel Rice
- Training: Nathan Freeman
- Board of Directors: Cody Schnee, Trent Cottom, Mike Clark

Please congratulate each of these officers. Their jobs can be thankless and a lot of work but are also very rewarding at the same time. Meeting adjourned at 8:20. Your Beaverhead Search and Rescue: "In the Business of Saving Lives".

Sagebrush and Snowdrifts 4-H News

By Secret Petersen, Club Reporter

The Sagebrush and Snowdrifts 4-H club had a meeting at the Search and Rescue building on January 3, 2022 at 7:00 p.m. Old business included our 4-H T-shirt swap so members could exchange shirts to fit, and new members would get shirts too. Reports were given by members helping with the Christmas baskets and family gifts. It was reported that our club made \$700.55 for working the concession stand at the fair.

4-H members gave lists of their projects so the leaders could order the needed manuals for each member.

We discussed community service and fundraising projects for this year. Our community service projects include Weed Day, planting trees, and picking up trash at the Jaycee Park, and clean-up at Bannack. Our fund raising will be our annual honey sales and, selling butter braids. The Holt family will take charge of the honey project, and Martin family will be in charge of the butter braids.

Our next meeting will be February 7th at the Search and Rescue building. We plan to invite a speaker from the Extension Office to come and explain how to correctly fill out record books.

Beaverhead Outdoors Association meeting

The Beaverhead Outdoors Association meeting scheduled Thursday, January 13th at the Search & Rescue Building at 7 p.m. Agenda includes information regarding Grant and funding for the restoration and maintenance of trails presented by Park Scott. Attendance encouraged for all outdoor enthusiasts.
