Montana Secretary of State Christi Jacobsen joins NASS in #TrustedInfo2022 voter education effort

Secretary of State Christi Jacobsen joins fellow members of the National Association of Secretaries of State (NASS) in the #TrustedInfo2022 education effort to encourage citizens to look to their state and local election officials as the trusted sources of election information. The initiative begins ahead of the 2022 midterm elections.

"Montana election officials are your trusted source for election information and resources, including voter registration, key dates, and official results," said Secretary Jacobsen. "Our state and local election officials will provide the most up-to-date information regarding Montana elections."

The nation's Chief Election Officials, along with local election officials, are continuously working to inform Americans about the elections process, including voter registration, state election laws, polling place locations, post-election processes, and much more.

The Elections & Voter Services section of the Montana Secretary of State's website is a trusted source for numerous resources, including certified election results, the voter registration application, election calendars and contact information, and the My Voter Page to check a voter's registration status.

For questions, please contact the Montana Secretary of State Office's Elections Division at soselections@mt.gov or call (406) 444-9608.

FWP seeks comments on expanding Poindexter Slough Fishing Access Site

Proposal includes .693-acre land donation

Montana Fish, Wildlife & Parks staff are seeking public comments on an environmental assessment for FWP to accept the donation of a parcel of land adjoining the Poindexter Slough Fishing Access Site.

The .693-acre parcel is adjacent to the fishing access site along Interstate 15, about 3 miles southwest of Dillon. The donated property is isolated by the interstate and of no reasonable value to the current landowner. Under this proposal, the parcel would be incorporated into the fishing access site.

To view the environmental assessment, please visit go.usa.gov/xtTKx. The deadline for comments is 5 p.m. on Feb. 3. Comments can be emailed to jpape@mt.gov or sent by mail to:

Veteran's Corner Update #136

By Mike Lawson

Greetings to all of you who read my SW MT veteran update articles. I, like many of you, have done a lot of shoveling and plowing this past week. We're getting the must needed snow, in SW MT, that we need to fill our reservoirs, have good stream flows later in the year and give our ranchers/farmers the water they need for their crops. The winter recreation folks are more than happy, as this is the time of the year, for them to enjoy getting out in the great winter outdoors. With the Covid omicron virus surging in Montana, at the present time, and our winter weather making travel difficult, veteran activities are pretty limited for January. Planning activities for the rest of the year is starting to take place, in preparation for the many events our Veteran Organizations do throughout the year. One thing that continues, no matter the weather, is the Veteran Honor Guards doing graveside veteran ceremonies for our brother/sister veterans who have passed away. Sometimes the weather doesn't cooperate very well but these veterans perform this ceremony in spite of it. We as veterans, honoring our deceased brothers and sisters, wouldn't have it any other way.

Our new, being constructed VA (CBOC) Medical Center continues to move forward, construction wise. The sheetmetal guys have most of the heating/air-conditioning ductwork in place with some short lines off the main lines to finish. The insulators have all the pipe insulated as well as the completed ductwork. The fire suppressant/sprinkler system is in place with the final sprinkler-head installation taking place once the suspended ceiling is installed. That's a ways out, as the walls need to be taped/textured and painted first. I did see protective floor covering being taped down in anticipation of those processes taking place. The heating system is working well and keeping these workers warm and cozy. One of them told me that he had to quit wearing his winter underwear as it was too warm for that, working inside. The overall picture for this facility, is it's pretty well on schedule to be completed and open in April.

The Southwest Montana Veteran's Home has 31 resident veterans now. This week there's two short term women veterans and a long term male veteran being admitted. The two women veterans are needing rehab and could become long term. One of them has a husband at Fort Harrison, who also may become a resident. The Activities Director Teresa Madrazo was telling me they're working on getting our resident veterans to the Belmont Senior Citizen Center for lunch. They would take four residents at a time, probably rotating different residents durning the week. They are planning for a Senior Olympics event durning February, with the residents competing against one another. She said they really enjoy that. Out SW Mt Veteran's Home Liaison Ashley Bair

Reports that the "Covered Walkways" are moving forward and planned to be completed in the late summer of 2023. I had a good visit with Cory Markovich from Markovich Construction. He said they're wrapping things up. The mechanical punch-list is completed, the electrical is close as is the painting. Some FFE items that were damaged are ordered and in the supply line somewhere. Change orders have been a big story from the very start of this job, to the tune of about two million dollars. There were design changes, changing the mechanical system from gas to electric, after it was already in and the list goes on. Things are finally getting close. Some smaller things such as installing an emergency button to open all the doors at once, are add ons and being addressed. The Certificate of Occupancy from the County has passed for both Cottages #4 & #5. VA/State inspections will happen once Eduro has control of these Cottages. They can be tuff, but once passed our Veterans who need this care can then be admitted. Both of these Cottages will be "Memory Units", for which there's a great need.

A bit of veteran information some of you might be interested in, is the VA has started to pay the costs of transporting a veteran's remains to state and tribal veteran's cemeteries. If they haven't already started to do so, the VA will begin furnishing urns for storing the cremated remains of the deceased veteran. Families will also have the option of receiving a free headstone or urn but not both. An additional benefit is if a veteran is buried in a private or state cemetery the VA will pay for the spouses name to be engraved on the headstone of their spouse. This will be effective for deaths going back to Oct 1,2019. (military.com) Another bit of veteran news is that military retirees and veteran's who receive disability from the VA will see their benefits increase by 5.9%. That's a good bump in pay and will really help our veterans in dealing with the rise in inflation.

SW MT Veteran Organizations activities: Anaconda : (1) DAV Post Chapter #13 will meet in 3 months when the weather gets better (2) Marine Corps League Detachment #1380 has wrapped up their Toys For Tots Campaign. They meet the 4th Monday of the month at 7:00 At the VFW Hall. (3) VFW Post #1876 meet the 1st Monday in February at their Hall at 7:00pm. (4) American Legion Post #21 meet the 1st Wednesday of the month at their Hall at 7:00 pm. They have a very active Honor Guard that do the Anaconda area Veteran funerals as well as other events that need an Honor Guard. DeerLodge: (1) American Legion Post #10 meet on the 2nd Monday of the month at 7:00 pm. (2) The Honor Guard meet on the 3rd Thursday of the month

In all these articles I have mentioned about being safe durning these Covid virus pandemic times sweeping our country, state and our SW Montana. My wife and I both received the two Covid Vaccinations and the Booster and have now tested positive for Covid Omicron virus. We are in quarantine and after 5 days will be able to go out, but must wear a mask. We were exposed to some family members, at Christmas, who ended up very sick from it. So far our symptoms have been very mild and I contribute that to us having been vaccinated. Hopefully folks will realize that the more who get vaccinated, the less people around them will get sick, or if they do, their symptoms will be mild like ours are. Until next time, please take care.
