Montana Cowboy Hall of Fame & Western Heritage Center Announces 2022 Inductees

The Montana Cowboy Hall of Fame & Western Heritage Center (MCHF & WHC) announces their 14th class of inductions into the Montana Cowboy Hall of Fame. The inductees were chosen from a field of candidates nominated by the general public. Inductees are honored for their notable contributions to the history and culture of Montana.

"The Hall of Fame exists to honor those who have made an impact in their part of the state and represent Montana's authentic heritage for future generations," said Bill Galt, MCHF & WHC president. "Our volunteer trustees around Montana vote on nominations that come from the district in which they reside. This process gives the local communities a strong voice in who will represent them in the Montana Cowboy Hall of Fame."

The MCHF & WHC board of directors has designated 12 trustee districts across the state from which up to 20 trustees may be appointed. Nomination criteria established by the board for the Class of 2022 inductions allowed the election of one Living Inductee and one Legacy Inductee from each of the 12 districts.

BLM seeks nominations to its Resource Advisory Council

The Bureau of Land Management's Western Montana District seeks public nominations for positions on its Resource Advisory Council. This citizen-based council assists in the development of recommendations that address public land management issues.

The BLM maintains 16 RACs chartered under the Federal Advisory Committee Act and the Federal Policy and Land Management Act across the West. The 15-member Western Montana RAC assists in the development of recommendations that address public land management issues.

"Resource Advisory Councils provide the BLM with vital feedback on current issues, concerns, and proposals, and enable us to engage local communities and stakeholders to improve our management of public lands," said BLM Montana/Dakotas Acting State Director Theresa Hanley. "Our goal is to ensure that the membership of every RAC encompasses a wide variety of perspectives and backgrounds to guide our work as effectively as possible."

The BLM maintains RACs as a means of gaining expert advice, ideas, and diverse opinions on issues including land use planning, fire management, off-highway vehicle use, recreation, oil and gas exploration, noxious weed management, grazing issues, and wild horse and burro herd management issues. The RACs support the Bureau's commitment to enhance the quality of life for all citizens through the balanced stewardship of America's public lands and resources.

Individuals may nominate themselves or others to serve on a RAC. Nominees, who must be residents of the state or states where the RAC has jurisdiction, will be reviewed based on their training, education, and knowledge of the RAC's geographic area. Nominees should also demonstrate a commitment to consensus building and collaborative decision-making. Letters of reference should accompany all nominations from any represented interests or organizations, a completed RAC application, and any other information that speaks to the nominee's qualifications.

The Western Montana RAC has positions open in the following categories:

Thank you!

We, the trustees of Dillon School District #10, would like to thank all the district's teachers, staff, and administrators who have gone above and beyond to allow our schools to remain open for face-to-face instruction and best meet the needs of our students during challenging times.

Teachers, your dedication to your profession and our students has been exceptional; you are the reason our students love school.

Staff, your efforts to keep our facilities maintained, programs running, and children fed has been nothing short of amazing.

Administrators, your leadership has helped everyone to navigate uncharted waters and meet ever-changing demands; we know that teachers and staff could not do their work if you did not do yours, and we applaud your efforts.

We are very grateful to all of you for your continued commitment and service to our district.
