Nancy Ruth Paige

October 18, 1933 - January 23, 2022

Beloved wife, mother, grandmother, great grandmother and friend to many winged her way to heaven on the evening of January 23, 2022. Passing quietly in her sleep with husband and daughter by her side ending her three year courageous battle with cancer. This closed a gentle life filled with love and service to her family and community.

Nancy was born on October 18, 1933 to Frank and Ruth (Smith) Ledford in Grover Colorado. Her father died when she was a baby and she was placed in the care of her grandparents, Weaver and May Smith. They adopted her, became her Dad and Mom and she grew up as Nancy Smith. She graduated from Twin Bridges High School in 1953 and was a lifelong leader of reunions and celebrations of her class. As a three year varsity cheerleader she led student body and community support of the successful teams of that era including a state football championship in 1952. She was also active in student organizations, student government, 4-H and Rainbow for girls.

She and classmate Ronnie (Ronald Elmer) Paige started a friendship and partnership in the 8th grade which in its over 73 year span led to many adventures and experiences. They were married in June 1954 and enjoyed special celebrations of that event at 25, 50 and 65 years. Their children were born while their Dad was a student of Montana State College in Bozeman, son Audie Wynn in 1955 and daughter Rhonda Ann in 1957. They were her lifelong pride and joy and she stayed involved in their lives and reveled in their successes. In her younger years, Nancy worked at the bank in Twin Bridges and later was a sales representative of the Home Interiors and Gifts Company for over 25 years. This led to meeting and working with many ladies throughout southwest Montana and interesting fun trips to national conventions. Her husband's work took them to Virginia, Wyoming, Whitehall, Dillon, Alder and Deer Lodge but, Twin Bridges was always home and they retired north of town on what was her parents property.

Never one to be idle, retirement became busier than ever. At home it was decorating, flowers (inside and outside), crafting, cooking (locally famous for her lemon pie) and

taking care of her family. In the community she was an election official, museum volunteer and 60 year member of Eastern Star. For many years she has served as a board member and treasurer of the group which built and manages the Twin Bridges Senior and Community Center. For fun, she was a Red Hat Lady, avid card player and local high school sports fan. She was rightly honored by the TBHS Booster Club and the TBHS Alumni Association.

She was preceded in death by grandparents Weaver and May Smith, father Frank Ledford, mother Ruth Ledford Brown, favorite aunt Ruby Bowie, half-sister Ruby Wandell, numerous cousins and friends. She is survived by her husband Ron, son Audie (Deadra) of Sandy Utah, daughter Rhonda (Tom) Craver of Silver Star, grandson Brandt (Laurie) Paige and great grandson Jaxon of Stockton Utah, half-sister Joan Weil of Grand Junction Colorado, several cousins and many dear friends.

The family expresses sincere thanks to Barrett Home Health and Hospice and Doctor Sandra McIntyre for their support and kind attention. She was cremated per her request. Services by K & L Mortuaries, Inc. and a celebration of her life will be held at a later date. Memorials can be of the donor's choice.

Helen Joan (Wenger) McNinch

June 6, 1929 ~ January 22, 2022

Helen Joan (Wenger) McNinch, 92, entered into eternal rest with family by her side on January 22, 2022. Joan was born on June 6, 1929 in Jackson, Montana to John and Jean Wenger. Most of Joan's childhood was spent in Dillon helping her family manage the Beaverhead County Golf Course. It was during these years that Joan developed a "from dusk till dawn" work ethic that would serve her

LEARN HOW TO RELAX WHEN FACED WITH STRESS.

You can't always walk away from a stressful situation. Instead, get in the habit of taking 5-10 seconds to scan your body for tension from the top of your head to your toes. Relax all your muscles along the way. Do that throughout the day so it becomes second nature. Be kind to yourself.

family throughout her life. Following her graduation from Beaverhead County High School, Joan continued working the family business, eventually enrolling in Montana State Normal College to pursue a degree in education. Her plans to become a teacher were altered when she met a rugged cowboy from Lima in Ted McNinch, whom she married on September 5, 1953, weeks after they began dating. They enjoyed over 60 years together.

In 1955, Joan followed Ted to the Bitterroot Valley where they started another family business in Bass Creek Post and Poles, which eventually became Bass Creek Logging. During the next four decades Joan's work ethic and willingness to do whatever was needed to get the job done earned her the nickname, "The Gofer." Whether it was stacking poles, feeding cows, cooking hearty meals for the crew, or running parts to jobs sites in timber GPS would not find, Joan was always on the go holding everything and everyone together. Joan's greatest pride and joy came in the form of her two children, Maggie and Jim, and her six grandchildren. Joan had Maggie and Jim, and eventually her grandkids, working by her side on the ranch, in the post yard, and in the woods. The most joyous occasions for Joan were the family gatherings she hosted celebrating holidays and birthdays, which were filled with endless laughter. She made it a point to know the latest happenings of every family member, and never forgot a birthday or anniversary. As the family matriarch, Joan purposed herself to care for and sustain her family with joy, perspective, and support as they experienced the peaks and valleys of life. Personally, Joan found renewed strength and purpose through her faith, specifically in the form of hymns, scriptures, and poems.

Joan is preceded in death by her parents, John and Jean Wenger, brothers John and George, sister Elveretta, and daughter Maggie.

She is survived by her son Jim (Kari), her six grandchildren, eight great grandchildren, and one great, great grandchild.

A graveside service will be held on Monday, January 31, 2022 at Riverside Cemetery at 1:00 P.M. A celebration of Joan's life will be held on Saturday, June 4, 2022 at 1:00 P.M. at the Triple Sisters Group Site at Lake Como. Condolences and memories may be shared with the family at www.whitesittfuneralhome.com.

Landowners have until March 15 to apply for FWP public access to public lands programs

Landowners have until March 15 to submit applications to Montana Fish, Wildlife & Parks for enrollment in the Unlocking Public Lands (UPL) Program or the Public Access Land Agreement (PALA) Program.

These programs are designed to provide recreational public access to state (Montana Department of Natural Resources and Conservation) or federal (Bureau of Land Management or United States Forest Service) land where no or limited legal public access currently exists.

For enrollment in UPL, landowners will receive a tax credit in the amount of \$750 per agreement and up to a maximum of \$3,000 in tax credits in exchange for allowing access across the private lands, roads or trails to reach inaccessible public land. Landowners must hold the public land lease and decide how the public may cross their private property for all recreations.

For enrollment in PALA, landowners will receive monetary compensation, including possible infrastructure reimbursements (e.g., gravel, culverts, cattle guards, etc.) to facilitate public access to inaccessible public lands. Landowners must hold the public land lease. Compensation amounts vary based on a variety of factors, and agreements are limited to up to \$15,000 each with one landowner possibly holding multiple agreements. The governor-appointed Private Land/Public Wildlife (PL/PW) Advisory Committee will review complete applications at their upcoming May meeting and make a recommendation to the FWP director on whether to extend an agreement.

"Offering a tax credit or payment in exchange for public access to inaccessible public land is a unique and innovative way to respect private property rights and increase public access," said Jason Kool, FWP hunting access program manager. "We hope these opportunities and incentives appeal to many landowners throughout the state."

While Montana contains millions of acres of public land, much of this land is inaccessible to the public and requires landowner permission for access.

More information about these two programs, including enrollment criteria, application forms, and fact sheets describing these FWP public access programs, can be found at: fwp.mt.gov/landowner.

Veteran's Corner. Update #129

By Mike Lawson

Greetings to those of you who read my SW MT veteran update articles. I returned home a week ago, from this past Monday, from Seattle.

A number of neat veteran bits of news in our area. The latest happening, is that the Volunteers of America (VOA) of the Northern Rockies, have come back to Butte after being gone for about 5 years. They had an open house up in the Hennessy Building 10 days ago, which Mark Gollinger and I attended. They have a great Veteran support program for low income housing and other benefits. I will use this column to cover the different aspects of what they offer and how folks can connect with them for help. In the few next weeks, the different veteran VOA offerings will be presented and explained in this Veteran's Corner column. VOA coverage will be available to all of our 6 counties of SW MT, we are part of. My hope is in seeing them networking with all our Veteran Organizations and Community Service Organizations, in helping our Veterans in need of what they offer.

If you know any homeless Veterans or Veterans struggling to make ends meet, please send them to VOA at the following: Ph# 1-844-4.VOA. Vet, Veterans service page - <https://www.voanr.org/veterans-services>, Supportive Services for Veteran Families page: <https://www.voanr.org/supportive-service-for-veteran-families>.

Our Southwest Montana Veteran's Home is right on the edge of being opened for our memory impaired veterans, waiting to be admitted. I visited with Cory Markovich and he's optimistic about things being finished up quickly. The CT inspection was completed and the Certificate of Occupancy has passed. The change lock button was installed. When these inspections pass they can then admit the 12 resident veterans allowed. The "Senior Olympics" will be going on through the month of February, between the resident veterans. At the end of the month they'll receive medals. Teresa Madrazo said they got basketball tickets but until the Covid dies down, they don't dare go to these games. County Commissioner Cindy Shaw came and sang in each of the Cottages. She is doing this once a month. The SWMVH site just received two golf carts, for the staff to transport garbage to the dumpster and transport supplies/linens, from the receiving building, to each of the cottages. On a sad note, one of the resident veterans in Cottage #3, passed away.

The new VA (CBOC) Medical Center continues to be on the momentum mode. All the painting/joint-caulking is finished. There will be a "Town Hall to discuss the Anaconda VA Clinic's Relocation to a New Butte VA Clinic" on February 16th at 5:15 p.m. to 6:15 p.m. Folks can call 866-478-3358 or livestream the TownHall at www.access.live/MontanaVATownHall or from Montana VA's Facebook page. There is a limit of 50 people to attend in person. To register for this, contact the Anaconda VA team.

FWP proposes to purchase, add 829-acre parcel to Mt. Haggin WMA

Open house scheduled for Feb. 8

Montana Fish, Wildlife & Parks is seeking comments on a proposal to purchase in fee title an 829-acre parcel of private land adjacent to Mt. Haggin Wildlife Management Area, about 4 miles south of Anaconda. Upon purchase, the parcel would be incorporated into and managed as part of the WMA.

The proposed addition shares 2.5 miles of boundary with the WMA and contains winter range that mule deer and elk use heavily. It also contains high-quality pronghorn fawning and summer range. Mill and Willow creeks run through the property, providing riparian habitat.

FWP has published an environmental assessment of the proposed purchase. That assessment can be viewed online at go.usa.gov/xtmfq.

FWP will host an open house on this proposal on Feb. 8 from 5 p.m. to 6:30 p.m. at the Butte Area Resource Office at the address below. The public is invited to attend and provide comments. The deadline for comments is 5 p.m. on March 1.

Comments can also be emailed to vbocadori@mt.gov or mailed to:
