RMEF Commits \$1 Million to Wildfire Restoration

The Rocky Mountain Elk Foundation committed more than \$1 million to landscape-scale efforts to help restore thousands of acres of public and private forestland, meadows and other landscapes charred by recent wildfires.

"This commitment only solidifies RMEF's ongoing strategic efforts dating back decades to enhance habitat for elk and a myriad of other wildlife species for their long-term betterment while also improving overall forest health," said Kyle Weaver, RMEF president and CEO. "We greatly appreciate our partners at the U.S. Forest Service (USFS), Bureau of Land Management, state agencies, private landowners and other organizations for implementing actions that benefit, wildlife, hunters and others who enjoy the outdoors."

Funding for the 2021 work targets 19 different projects across Arizona, Idaho, Montana, New Mexico, Oregon, Utah, Washington and Wyoming – go here to see full list.

RMEF will review proposals for 2022 projects focused on large-landscape restoration across public and private land.

"What we're talking about here are treatments like seeding and shrub planting, invasive weed control, timber salvage, wildlife water development repair and other forest restoration and habitat stewardship methods," said Blake Henning, RMEF chief conservation officer. "The targeted areas are important for elk and other wildlife, especially critical big game winter range, corridors, movement pathways and connectivity with nearby landscapes."

RMEF dollars for the project are a combination of funding from its project advisory committees combined with significant contributions from RMEF's Torstenson Family Endowment.

LEARN HOW TO RELAX WHEN FACED WITH STRESS.

You can't always walk away from a stressful situation. Instead, get in the habit of taking 5-10 seconds to scan your body for tension from the top of your head to your toes. Relax all your muscles along the way. Do that throughout the day so it becomes second nature. Be kind to yourself.

Veteran's Corner. Update #140

By Mike Lawson

Greeting to those of you who read my SW MT veteran update articles. Our weather seems to be above freezing one day and below freezing the next day. We're not getting much in the way of precipitation, but cloudy overcast skies and wind seem to be the order of most days. Just part of living here in SW Mt, where we love to live. A number of Veteran interests to report on this week. After my last weeks column, John Emeigh from KXLF TV contacted me about the Town Hall meeting concerning the moving the VA (CBOC) Center from Anaconda to Butte, where the new Center is being built. He wanted to do an interview and walk-through of the new VA Medical Center in Butte. He also wanted to interview some of the key people involved with it. Bruce Knutson, who has been the "VA Point Person" in getting all the new (CBOC's) VA Medical Centers established/built across Montana, brought two of the Public Relation folks (Katie and Eric) from FT Harrison, to participate in the interview. We also had the Owner/Contractor Wayne Paffhausen and myself there. It was a great opportunity to show off this beautiful building, that's going to treat our Veteran's in SW MT. I'm sure many of you saw John's TV News coverage segment on the new Butte VA Medical Center, last week. All of these folks, who were interviewed, were impressed and excited about the progress and the anticipated finish date of April 1st. The easy access right off the interstate and the beautiful setting it's located in, will be a big plus for all of our SW Montana Veterans, who will have their medical appointments/treatments take place there, once it opens. The construction progress is as follows: The communication wiring is being installed and will be close to being completed this week. We were told that there will be about 13 miles of this blue communication cable installed, in this building. Impressive to say the least. Once this process is complete, the folks installing the suspended ceiling, can then put their T-Bar metal ceiling grid in, followed by the ceiling tile installation into this ceiling grid. The bathroom flooring is being installed in all the bathrooms, this week. The Electricians continue trimming out the outlet/light-switches/etc.. The copper piping in the utility/pump room is beautiful and worth taking a picture of. These plumbers who were working on this, were young guys and their workmanship is a tribute to them and the skills they learned, going through their apprenticeship training. Still a lot of finish work to do, but Wayne

is a great coordinator and everything is happening in the order It needs to happen, so people aren't interfering with one another. Just a reminder that the Town Hall meeting to discuss the Anaconda VA relocation to the new Butte VA Clinic, will be February 16th, at 5:15 PM to 6:15 PM. You can do a call-in at 866-478-3358 or livestream at www.access.live/MontanaVATownHall or from Montana VA's Facebook page.

The latest on our Southwest Montana Veterans Home is as follows: There are currently 35 resident Veterans, living in our Veteran's Home. Markovich Construction has been given a 30 day order to have Cottages #4 & #5 completed by the state. They are having the sub-contractor painters doing the necessary touch-up painting, identified from the final inspection. They should be in good shape by the February 23rd deadline. The long awaited news concerning the walkway, is the fire code issue is documented and resolved, so it is moving forward. The design stage is being worked through, with the schedule to be advertised in April and opening of bids in mid-May. More on this as it comes on-line to be constructed. Eduro has moved some of their inventory into both Cottages #4 & #5. The SWMVH Foundation is always on the 1st Monday of the month at the Community Center Building, at 1:00 PM. This will have taken place on Monday, before the article comes out. Anyone is welcome to attend if you desire too.

I mentioned Volunteers of America last week and will cover some of their Veteran Programs. The VOA SSVF Service Coordinator in Butte is Karl Ortman, 406-565-5020, KARL.ORTMAN@VOANR.ORG, 130 N Main ST # 2, Butte, MT 59701

Supportive Services for Veteran Families;

The hardship of many of our Veterans adjusting to society because of different issues such as PTSD, etc., have made many of them homeless and struggling to survive. Many are having trouble finding a job and any hope for their future, in having a better life. This VOA "Supportive Services for Veteran Families" program can help some of these needy veterans. To quote VOA "It's designed to assist with the housing stability for Veterans experiencing a housing Crisis. Housing is the foundation to employment

and reintegration to society. Eligible Veterans receive case management and referrals to Veteran Administration (VA) and community resources." Eligible veterans may also be eligible for short term financial assistance. If you are one of these Veterans or know one of these Veterans, please contact Karl, whose information I provided above.

Three questions will be asked to Pre-qualify for the SSVF Program: (1) Are you a veteran with one day of federal active duty with a discharge, DD214 that was Not for dishonorable discharge. (2) Are you homeless or do you have a threat of homelessness/eviction notice? (3) Do you have 50% of income MFI (Area Median Family Income)? (I got this info off one of the VOA's websites)

The Volunteers of America, Northern Rockies, serve the entire states of Montana & Wyoming. We meet many of these veterans in our every day lives. If you have the opportunity get them connected to one of the VOA Coordinators and in this area it would be Karl Ortman, please do this for them.

Many of our Community organizations are starting to come out of this Covid hibernation we've been in. As the Covid numbers are slowly coming down, we are coming out to socialize, following safe health protocols we learned to use during this long pandemic. Our Veteran Organization members are coming out of the cocoons they've been in and slowly getting together again. We as a people need to socialize to survive. Coming together again, whether its church or any other organization, is a must. We just have to use common sense and take precautions. The days ahead are looking hopeful for us to do more and more of this. As the weather gets warmer in the spring, many of us will be planning picnics and other activities. Let's always be safe and look for opportunities to our socializing again. Until next time, take care.
