wife Bonnie used to say, "You can always tell a Norwegian, but you can't tell him much." What you could tell about Loren was that he was very generous with his time and resources…and sometimes his opinions. Above all, he was a kid at heart. He loved to mischievously "play dumb" with people to see how he could "reel" them in to explaining something over and over, before he started laughing, and they realized he understood all along. He also loved to pull pranks. When someone would get the better of him, he would get a laughing gleam in his eye; you could tell he was trying to think of a comeback. He loved to tease and to laugh.

Loren joined the United States Air Force (USAF) in 1957, soon after he turned 18. He said the military wanted people from the Midwest, because they worked hard and could take orders. In the USAF, he worked on generators (secondary power) and high tech missiles in Korea, Turkey, Johnston Island, as well as in Alabama, Massachusetts, Florida (where he met his bride), and California. A tall service buddy of his, Marion Deffenbaugh, nicknamed him "Shorty," and the name stuck. Many friends and co-workers never knew his first name. After serving eight years in the USAF, Shorty held various heavy equipment mechanic jobs in Birmingham, AL; Orlando, FL; and Sacramento, CA. He retired from Operating Engineers Local 3, having worked at International Harvester, Claude C. Wood, and Teichert Construction, among others.

Shorty loved to camp, read (especially westerns), ride his ATV, snow ski, and hunt. After several decades of elk/deer hunting in Montana, Shorty and Bonnie moved to Lima, MT, in 2004. He loved the mountain beauty and camaraderie he found in Lima and the daily breakfast gathering at the Yesterday's Calf-A in Dell, MT.

After suffering a severe stroke in September 2021, and later coming home on hospice, Shorty maintained his

characteristic sense of humor, work ethic, and an incredible positive attitude. The brightest moment in the last months of his life was the day Shorty accepted Jesus Christ as his Savior. In life, certain people leave a unique and lasting impression. Shorty was one of the special ones. He was dearly loved and will be sorely missed by his family and friends. Although we mourn his passing, we have such joy knowing that we who have also accepted Christ will be reunited with him in heaven someday.

Shorty is survived by his children Scott Johnson of Lovelock, NV, and Tammy (Andy) Grable of Lima, MT; grandchildren Megan Grable of Wilton, CA, Andrew (Gabby) Grable of Yuma, AZ, Luke (Nicole) Grable of Fort Worth, TX, and Cody Johnson and Joshua Johnson of Idaho; three great-grandchildren; and sisters Lois (Delrae) Seibel of Denton, TX, and Joyce McKee of Mesa, AZ.

Shorty was preceded in death by his wife of over 60 years, Bonnie White Johnson; parents, Melvin and Ethel Johnson; brothers Marvin, Duane and Clyde Johnson; and sisters Donna Johnson and Verna Bovy.

Per his wishes, Shorty was cremated; a private ceremony will be held at a later date. The family is extremely grateful for the wonderful care provided by the medical teams at East Idaho Regional Medical Center, Barrett Home Health and Hospice, Barrett Hospital, and Lima Ambulance. Memorial tributes may be made to Barrett Home Health and Hospice (Dillon, MT) or Lima Community Swimming Pool to support youth activities in Lima, MT.

Washington's Birthday (Presidents Day)

Submitted by Joan Bacon

Third Monday in February

Washington's Birthday honors George Washington, the First President of the United States. It is widely known as "Presidents Day" by organizations other than the federal government in honor of other American presidents such as Abraham Lincoln (who was born February 12). While many states have renamed their state holiday "Presidents Day." The legal name of the federal holiday remains "Washington's Birthday." Congress shifted the federal holiday to the third Monday in February. The holiday honors the accomplishments of Washington, who created the first military badge of merit for the common solider. The Purple Heart Medal (revived on Washington's 200th birthday in 1932 and bears his image) is awarded to soldiers who are injured in battle.

Junk Vehicle Program

Montana was one of the leading states to enact junk vehicle legislation. Its primary purpose is to control junk vehicles from being scattered throughout the countryside, thereby helping to preserve the beauty of our state. This program also provides for the recycling of the junk vehicles collected so that this valuable resource may be utilized again. This program is paid for from the small fee you are assessed when you license your vehicle. The benefits of this program are available to all Montanans and you are encouraged to use them.

Beaverhead County has a Junk Vehicle program. Vehicles are hauled to the County Landfill and stored in a graveyard. When we get a certain amount of vehicles, they are crushed and recycled.

There is a form that needs to be filled out and a title registration or bill of sale is required for the removal of a junk vehicle.

Please contact Jamie Flynn, Beaverhead County Junk Vehicle Administrator, at the county courthouse at 406-683-3780, if you would like more information.

Dillon Middle School News

Here's the Dillon Middle School News for the week of February 21-25, 2022.

The lunch menu this week is as follows: Monday we will enjoy chicken Alfredo served with dinner rolls. Tuesday popcorn chicken will be served with mac and cheese. Wednesday we will have local beef hamburgers served with all the trimmings. And Thursday is tomato soup served with grilled ham and cheese sandwiches.

We will not have school on Friday, February 25th. School will resume Monday, February 28th.

This Monday and Tuesday nights are parent teacher conferences. Conferences will be held each evening from 4-7 PM. No appointments are necessary. Parents, please do not miss these important nights. As before, we ask that no children come to the conferences due to social distancing.

Girls' basketball ended with a bang. All the teams won their last two games. The white out was well attended by students and staff. Many young people participated in the "pop a shot" during the half times. This event was sponsored by student council, and fun was had by all.

This Thursday is our 8th grade ski odyssey. All 8th graders will be going. Students will take a lesson in the morning and ski or snowboard in the afternoon. Students that have their own equipment must bring them to the science door before school. Parents, students will NOT be returning before the buses leave for the afternoon. Please be prompt to pick up your student. The buses should return by 4:15 or 4:30. Also, students, make sure your bring warm clothing and extra money for food. We are looking forward to a great day.

Last Friday, 3rd quarter midterms went home with students. Parents, if you have any questions, please contact the middle school office.

Life can sometimes be hard. What's hard on adults is just as hard, if not more, on kids. Resilience, the ability to adapt to challenges, is the most important tool a parent can give a child. Learn more about resilience by joining the Beaverhead County ACEs Task Force. We're focused on building healthy families in our community.
