Louis "Louie" Duane Rivenes

April 9, 1948 - March 5, 2022

Louis "Louie" Duane Rivenes, 73, of Wise River, MT passed away at his home, Saturday, March 5, 2022. Louie was born April 9, 1948 to Melvin and Mildred (Kennedy) Rivenes in Pierre, South Dakota. He graduated from Butte High School in 1966.

After high school, Louie was a hard working Teamster in Butte, Montana while working for Safeway and delivering RC cola. In the early 1990's Louie moved to Wise River, Montana to start his new career as a bartender at H-J saloon where he worked until 2019.

Louie married his high school sweetheart Mary Louise Finch on June 3, 1967. Louie and Mary were inseparable for 43 years until her untimely passing in 2010. Mary was Louie's rock, and her passing left a hole in his life. They had two sons Dave and Gary in which they spent most of their free time fishing and hunting.

Along with the fishing and hunting that Louie did, he enjoyed all kinds of sports. He was an avid Boston Red Sox and Boston Celtics fan and watched them as much as he could. In his younger days, Louie was a softball pitcher for Maloney's and H-J Saloons.

Louie's gift to life was his humorous personality which people enjoyed while visiting him at H-J. Louie always had a good joke to share when they came out to see him. He loved his fishing, and he celebrated every fish caught like it was his first. It is hard to imagine how many friends that Louie made and entertained along the way, they will miss him for sure. After having lost his son Dave and wife, Louie became best friends with his grandson Griff, who along with his fiancé Makyla spent numerous hours camping, woodcutting, fishing and hunting while getting to know his great grandchildren Bryant and Emersyn.

Louie was preceded in death by his parents Melvin and Mildred, his wife Mary, his son Dave, and his sister Melody King as well as special friends Herschell, Griff, Tom, Jerry and Patty.

He is survived by his son Gary (Brenda) Rivenes of Gillette, WY, his brother Mike (Virginia) Rivenes of Butte, MT, brother-in-law Bill King of Spring, TX, grandsons Griff (fiancé Makyla) Rivenes, Brady, Bode, Josh, granddaughter Ashlee, and great grandchildren Bryant, Emersyn and Allianna as well as his special buddies Goo, Fritz, Wally, Butch, Larry and the Stajcar clan.

A Celebration of Life will be scheduled at a later date.

In lieu of flowers the family requests donations be made to Montana Tech Foundation or the Rocky Mountain Elk Foundation.

The family would like to thank all the wonderful people that helped take care of Louie over the last few years.

Montana Western Student Honored as Newman Civic Fellow

Campus Compact, a national coalition of colleges
and universities working to advance the public purposes
of higher education, has named 173 student civic leaders
who will make up the organization's 2022-2023 cohort of
Newman Civic Fellows. Brooklyn Suden, a student at the
University of Montana Western, will join students from 38
states, Washington, D.C., and Mexico to form the cohort.
Montana Western Student Brooklyn Suden Honored as
Newman Civic Fellow.

The Newman Civic Fellowship recognizes students
who stand out for their commitment to creating positive
change in communities locally and around the world. The
fellowship is named for the late Frank Newman, one of
Campus Compact's founders, who was a tireless advocate
for civic engagement in higher education. In the spirit of Dr.
Newman's leadership, fellows are nominated by Campus
Compact member presidents and chancellors, who are
invited to select one outstanding student from their campus
each year.

"Since I was young, I have been involved in groups
that worked to improve my community. When I made the
decision to attend the University of Montana Western in
Dillon, Montana, I was concerned that I might not have as
much to offer. I had never been there before and didn't have
the same connections that I did in my hometown of Great
Falls, Montana. But only three months into my freshman

year, I was presented with an amazing opportunity and joined the board of the local United Way so that I could have an impact on my new home. I have also become active in two clubs at Montana Western: the Terra Verde environmental club and the Chi Alpha church group. I am going to take advantage of these great programs to help the community here in Dillon and on the University of Montana Western campus," said Suden.

Through the fellowship, Campus Compact will provide these students with a year of learning and networking opportunities that emphasize personal, professional, and civic growth. Each year, fellows participate in numerous virtual training and networking opportunities to help provide them with the skills and connections they need to create large-scale positive change. The cornerstone of the fellowship is the Annual Convening of Fellows, which offers intensive skill-building and networking over the course of two days. The fellowship also provides fellows with pathways to apply for exclusive scholarship and post-graduate opportunities.

"Brooklyn is a first year University of Montana Western student majoring in Business Administration with a minor in Visual Art. While growing up in Great Falls, Montana, she was passionate about addressing issues surrounding the environment. She was especially interested in increasing recycling efforts and public education about environmental issues. Since starting at Montana Western, she has continued her efforts by joining the Terra Verde Club which concentrates on environmental science and outdoor recreation. She is also active in the Chi Alpha Campus Ministry. Recently she became the first ever UMW student to be named to the board of the local United Way," said Montana Western Chancellor, Michael Reid.

"We are proud to name such an outstanding and diverse group of students as Newman Civic Fellows," said Campus Compact President, Bobbie Laur. "Their passion and resolve to take action on the wide range of issues challenging our neighborhoods and communities is inspiring and deeply needed. We cannot wait to engage with them through this transformative experience."

The Newman Civic Fellowship program is supported by the KPMG Foundation. Learn more at compact.org/newman-civic-fellowship. You can read more about each of the student leaders selected for this year's cohort at compact.org/newman-civic-fellowship/the-2022-2023-newman-civic-fellows.

Secretary Jacobsen refers 'deceptive mailing' to Attorney General's Office

On behalf of Montana businesses, Secretary of State Christi Jacobsen referred a matter of a "deceptive mailing" to Attorney General Austin Knudsen for potential action.

The Secretary of State's Office has alerted Montana businesses of the misleading mailing, which is regarding a Certificate of Existence. The mailing, which is not associated with the Secretary of State's Office, offers a Certificate of Existence for \$77.50. Businesses can obtain a Certificate of Existence directly from the Secretary of State's Online Filing Portal (biz.sosmt.gov) for \$5.

Multiple businesses have contacted the Secretary of State's Office regarding the deceptive mailing.

"For many Montanans, their business is their livelihood, and it's important we protect that way of living," said Secretary Jacobsen. "Similar mailings have misled businesses in other states, leading to legal action and restitution for the business owners who were deceived, which is why I am sending this matter to Attorney General Knudsen on behalf of the thousands of business owners in Montana."

In November 2020, the Iowa Attorney General's office sued Florida-based Centurion Filing Services, LLC, under Iowa's consumer protection laws, resulting in the company agreeing to pay nearly \$80,000 in refunds to more than 1,000 Iowa businesses.

Centurion Filing Services operates in Montana under the Assumed Business Name "MT Certificate Service."

An example of the deceptive mailing being sent to Montana businesses can be viewed on the Secretary of State's website.

Idaho House OKs measure that could fine, jail librarians

By KEITH RIDLER

Legislation with the potential to fine Idaho librarians \$1,000 and send them to jail for a year for checking out material to a minor that could harm them cleared the House on Monday.

The House voted 51-14 to approve the measure that backers said will protect children. But opponents said it is so undefined and subjective as to be unconstitutional.

Democratic House Minority Leader Ilana Rubel asked Republican Rep. Gayann DeMordaunt, the bill's sponsor, if a classic young adult novel by Judy Blume that included masturbation could land a librarian in jail. DeMordaunt refused to answer.

Backers of the legislation distributed material to other lawmakers they said came from public libraries and supported the legislation. The material had widely differing reactions among lawmakers.

"I would rather my 6-year-old grandson start smoking cigarettes tomorrow than get a view of this stuff one time at the public library," said Republican Rep. Bruce Skaug.

MALE SCAR

By "Swede" Troedsson

For several years after I retired from the Forest Service, I would assist Montana Fish, Wildlife and Parks biologists in manning big game check stations

One weekend day I was helping out at a check station in the Ruby Valley, near Alder, MT. A suburban truck pulled up to the check station. In the truck were four men, which included a teenage hunter who had suffered a scope cut above one eye.

I advised the hunter with the scope cut to be proud of the injury, as it would turn into the second most common male scar in Montana.

To Friends of the JC Park

This letter is to throw the full support of the City of Dillon behind the Jaycee Park Renovation Project. What has happened at the park in the past years has been amazing and astonishing. The City of Dillon now has a new Splash Pad that is being used by many children, a new Playground built completely by the public with guidance from Playground-by-Design, and finally the City has a new amphitheater which has been needed for some time. Each section of this park is now being fully utilized by a large number of children and families.

By having a large number of families traveling through the City to participate in the activities at the park, it will increase the financial position of the City by increasing the customers in the downtown businesses. Also when the parent(s) leaves their kid(s) at the park, some of the time the parent(s) then proceed to shop downtown during the play time of their kids which is usually several hours thus increasing the financial position of the City.

One of the last items needed to give the park a final professional look is to remove the old sidewalks and replace them with new ADA compliant sidewalks.

This amazing park and surrounding neighborhood and businesses will only get better with time..

John K McGinley, Mayor

The Friends of the Jaycee Park would like to thank
Mayor John McGinley and the City of Dillon Staff
for their continued support of Jaycee Park Improvements.
