Bulldogs Fall to Drovers in Opening Round

The Montana Western Bulldogs finished out their season with a loss against the Drovers of Science and Arts (Okla.) in the opening round of the 2022 NAIA Basketball Championships, 67-78.

The Bulldogs led the Drovers 22-17 at the end of the first quarter. Shainy Mack scored three consecutive 3-pointers in the first five minutes of the ball game. The Drovers picked up their game in the second quarter.

The Bulldogs went on an 8-2 run in the first few minutes of the third, but the Drovers quickly answered with nine points in two minutes. Both teams put 15 points on the board in the third quarter. The Bulldogs went on a 9-2 run late in the fourth quarter, but it wasn't enough to push them past the Drovers.

Montana Western scored seven points off of 11 Drover turnovers; the Drovers scored 31 points off of 20 Bulldog turnovers. Science and Arts stole the ball 17 times.

Brynley Fitzgerald led the Bulldogs with 30 points, eight rebounds, and three steals. Mack and Sydney Sheridan each had four assists for the Bulldogs. Milagros Carrera and Lainey Morrow each had 15 points for the Drovers.

DILLON BEAVER LADIES

Dillon, the Western A No. 1 seed, outscored Miles City 11-6 in the fourth quarter to erase a 32-31 deficit following the third quarter after the teams had played to a 19-19 halftime stalemate in a consolation semifinal Saturday morning Dillon put Miles City down, 42-38.

Dillon girls fell to Hardin 46-61 in the game for third place. Dillon got close with a 27-21 score in the third quarter, before Hardin answered with nine straight points. Hardin pushed its lead to 41-25, led 43-32 entering the fourth quarter and maintained a double-digit advantage the rest of the game.

The Dillon girls had trouble and turned the ball over 21 times to Hardins 9 turn overs.

Ainsley Shipman led the Beavers with 18 points and 10 rebounds.

DILLON BEAVERS CONSOLATION

The Dillon Beavers had a weekend with more than usual mistakes and turnovers. In a game that seemed much like a championship game, the Beavers came out on the short end of the score board going down to Lewistown 58-56. Curnow led the Beavers with 17 points, and Hoffman scored in the fourth quarter to bring the game to a tie 47-47.

The Beavers then faced Polson in a game that went into overtime for third place. It came down to 3 point lead by Polson and a three point foul on Jonathan Kirkley with a second left in the game. Kirkley made the first two. Polson called time out and Kirkley came back to miss the last shot. Connor Curnow led the Beavers in this game as well with 22 points.

The Beavers ended going down to Polson 52 to 53.

KASSIA ENSEMBLE

On Tuesday, March 22, 2022, Dillon Concert Association will present the Kassia Ensemble, a string quartet plus a featured trumpet, at 7:30 p.m. in the UM-Western Beier Auditorium. Season sponsors are John A. and Elizabeth Garry, Lorraine King, Gary and Kerstin Lorenzen, and Richard and Dorothy Wheeler. Event sponsors are Kathleen and Charles Keller and African Oasis.

This group of all female musicians takes its name from poet and hymnographer Kassia, a byzantine abbess in the 9th century. Kassia was a woman born into a wealthy family and is said to have been in the running to marry the Emperor Theophilus. The Emperor, however, found her to be too witty and chose another. Kassia went on to found an abbey and became a prolific composer. She is one of the first composers in medieval history (for either gender) whose scores are both still in existence and able to be understood in modern notation. The spirit of this early musical woman is what the group seeks to emulate.

Program highlights will include classical music by Bach, Mozart, Debussy, and Puccini, along with more modern favorites from Duke Ellington.

Dillon Concert Association membership grants admission to all 2021-22 performances. Single event tickets can be purchased at the door: adult \$20, college \$10, student/youth \$5.

They did it to us again? You know what I'm talking about?

Oh, so you don't know! That's because you have a time lapse.

You lost an hour because of Daylight Saving Time! But you didn't save any time. You just lost an hour. Where did that hour go? And the big question? Will you have to pay taxes on the hour lost?

Daylight Saving Time causes much harm. It causes, "time confusion." There is no known cure for this disease. Victims can go insane looking for that lost hour. Other harms that are related to Daylight Saving Time are, restless elbow syndrome, whimpering, crying, bleeding of the toenails and an eating disorder for the craving of sardines with peanut butter. Not to mention the constant swearing. The day after Daylight Saving time 79 million people were late for work with the results of the loss of \$67 billion dollars. The others that were on time for work slept for the first hour. With the results of the loss of \$44 billion dollars and fifteen cents.

You do realize Daylight Saving Time was invented by a man. No woman in her right mind would invent this silly scheme. The cuckoo clock was invented to honor the man who instigated Daylight Saving Time.

If you wake up with "Time Fever" or "Time Lapse" it is because you are in another time zone and will just have to kill time until the feeling goes away. Time will tell. So they say! But we never find out who "they" are!

Please call the "time advisor". Tell them to call this stupid idea quits. If you don't get an answer they are probably sleeping.

Excuse me! I need to find some young person to program all my clocks. Call me. I will answer if I am not crying!

Veteran's Corner Update #144

By Mike Lawson

In the news it's all about the horrific Russian invasion of Ukraine and we're all wanting it to stop. The Ukraine people are fighting for their sovereignty/freedom. Veterans can applaud them and understand the sacrifice they are making, with the possibility of some of them not making it back home. Freedom is not free and never has been.

The SW MT Veteran's Home is operating smoothly under the Director Chris Cotton and his staff. Our Resident Veterans are able to see family and visitors more readily, now. The SW MT Vet Home Foundation met on Monday. It sounds like good news for the construction of the covered walkways between the Cottages. The Cottage #4 & #5 situation is not clear at this point as I was only able to talk with the contractor, Cory Markovich. The flooring issue in Cottage #5 is being negotiated between the State and the contractor/sub contractor, so more on that next week. Cottage #4 may not become a memory unit, after all, and is close to being open for admitting regular resident veterans. Hopefully that is the case.

The new Veteran (CBOC) Medical Center is really progressing well. Outside the building the new Veteran Administration sign has been erected. It looks very promising that the Grand Opening will in fact, take place on April 29th.

Veterans helping veterans is always a bright spot in our communities. Across this state and country this is what veteran honor guards do. They respectfully do a dignified Veteran Burial Ceremony for their deceased veteran brothers and sisters. In all of our Veteran communities, who have these Honor Guards, there's a critical need for some of you younger veterans to join and continue this solemn ceremony of showing respect to our deceased veterans who have served this country, we call America. Please dig deep within yourselves and consider serving in this way.

Another veteran helping veteran's program, is one which is new to me. Veteran Chad Armstrong, who served in both the Army and Marines, contacted me about a program called RCTA which means Reserve Component Transition Assistance. This program focuses on a smaller segment of our veterans who were in the reserves of the Army National Guard/National Guard, Air Force Reserve, Navy Reserve, Marine Reserve and the Coast Guard Reserve. The requirement for these veterans to qualify is to have been federally activated, for 180 days, in a wartime or emergency activation. If you, one of your relatives or friends have served 180 days on a Federal Deployment (emergency, combat, etc), this would be a very good thing to check into. Contact Advisor Chad Armstrong at 202-987-3825 or email him at carmstrong@gapsi.com.

The Veteran Court in Butte, continues seeing the the veterans going through it, improving their lives. Some of these vets will graduate in the next few months as new Veterans in trouble, come in. We who are mentors, as well as the rest of the team, are inspired with the positive attitudes that will take these mentees back into society with a clean record and life change.

The DAV Vans continue taking our Vets to their medical appointments.

Also, hats will be allowed that day, if they are decorated for St. Patrick's Day. We will have a prize for the best decorated hat, as well as the best dressed leprechaun. So, have some fun this week on St. Patrick's Day and dress up.

Our track season will be beginning on March 28th. There will be a mandatory parent meeting on the 29th in the DMS gym after practice.
