Vietnam War Veterans Day

March 29 each year is observed as National Vietnam War Veterans Day. This commemoration was designed as a way to thank and honor the nation's Vietnam War veterans and their families for their service and sacrifice during and after the war. March 29 was chosen as the day to honor our Vietnam War veterans because that date in 1973 was the day the last U.S. combat troops departed the Republic of Vietnam. Please take the time on March 29 to acknowledge the service of any Vietnam War veteran that you know.

REAL ESTATE COMPANY**Resurfacing Project for Montana Highway 41
in Dillon Planned for 2023**

The Montana Department of Transportation (MDT) would like to update the public on the plan to resurface about 1.5 miles of Montana Highway 41 (MT 41) in Dillon. The project begins at the South Dillon Interchange, and extends north on Atlantic Street and west on Helena Street for about 1.5 miles ending at the intersection of Helena Street and North Montana Street.

Proposed work includes milling the existing surface, applying a new overlay, and finishing with a seal and cover (chip seal), upgraded pavement marking, signage, and guardrail. Sidewalk will be repaired in several locations and sidewalk curb ramps will be upgraded to Americans with Disabilities Act standards. The purpose of the project is to provide an improved roadway surface and extend the service life of the roadway.

The project is tentatively scheduled for construction in 2023, depending on completion of all project development activities and availability of funding. No new Right-of-Way or utility relocations will be needed. The project is progressing in design and MDT staff will contact adjacent landowners in 2022 to request sidewalk construction agreements.

An important part of properly planning for future projects is partnering with the community. The Montana Department of Transportation welcomes the public to provide ideas and comments on the proposed project. Comments may be submitted online at <http://www.mdt.mt.gov/contact/comment-form.aspx> or in writing to Montana Department of Transportation, Butte office at PO Box 3068, Butte, MT 59702-3068. Please note that comments are for project UPN 9481000.

The public is encouraged to contact Butte District Preconstruction Engineer Dave Gates at (406) 494-9636 or Project Design Engineer Chad Welborn at (406) 994-1843.

Alternative accessible formats of this document will be provided on request. Persons who need an alternative format should contact the Office of Civil Rights, Department of Transportation, 2701 Prospect Avenue, PO Box 201001, Helena, MT 59620. Montana Western Environmental Science Students Receive Jobs in Hydrology

Two students from the University of Montana Western's Department of Environmental Science, Torie Bollinger and Kori Mooney, have received positions as Seasonal Hydrologic Technicians for the United States Forest Service in the Beaverhead-Deerlodge National Forest.

Torie Bollinger

Torie Bollinger has always loved to be on, in or by the water, and interested in making water studies and the outdoors a focus for her life. She grew up in Indiana, just outside of Indianapolis.

While at Montana Western, Bollinger says she's had the opportunity to gain valuable field experience from the E.S. professors that will be critical as she pursues her professional career.

Bollinger will graduate this spring with a B.S. in Environmental Sustainability with a focus in Natural Resources Management.

This summer, she will be working as a Seasonal Hydrologic Technician (GS-4) for the United States Forest Service in the Beaverhead-Deerlodge National Forest.

Bollinger says that she is thankful for the knowledge that the Environmental Science professors have passed on to her. Her academic advisor, Dr. Arica Crotoft, has helped guide her throughout her undergraduate experience and she is grateful for the support and encouragement she has received over the past four years.

Last year was her first year working for the US Forest Service.

Kori Mooney

Kori Mooney grew up in Kalispell, Montana, and graduated from Flathead High School in 2017. She began college at the University of

Serving Southwest Montana

With Honesty & Integrity

Montana before transferring to Montana Western for the small class sizes, affordability and flexibility of the block schedule.

"I first came to Montana Western for the education program. While completing my gen-eds, I took an applied chemistry class with Dr. Schoenemann where we collected water samples throughout the valley and ran extensive testing in the chem lab. I did well in the class and had so much fun that I changed my major to Environmental Science," Mooney said.

She then applied for and received a grant to work on a paleoclimate study with Dr. Schoenemann shortly after completing his class. Mooney says the Environmental Sciences (E.S.) Department at UMW has given her great experience conducting field science and analysis.

Mooney would like to credit the Montana Western professors for helping guide and mentor her as she has progressed through her academic career.

Mooney will receive a Bachelor of Environmental Science with an emphasis in Geology from UMW this spring. Mooney is passionate about the interactions between water and climate. This summer, she will kickstart her career as a hydrologist by joining a team that works on the surface waters of southwestern Montana. She plans to attend graduate school after gaining experience in this field of work.

The Selway Creek Watershed Westslope Cutthroat Trout Restoration project will also include streamflow monitoring and road surveying.

This will be Mooney's seventh season working to restore and protect public lands in Montana.

Attorney General Knudsen announces inaugural Law Enforcement Appreciation Poster Contest

Attorney General Austin Knudsen announced today the launch of the inaugural Montana Law Enforcement Appreciation Poster Contest for elementary school students across Montana. The contest – a partnership between the Attorney General's Office, Montana Highway Patrol, and the Montana Sheriffs and Peace Officers Association – will promote public safety and show appreciation for Montana's law enforcement officers who risk their lives every day to keep our communities safe.

All elementary school students are invited to participate in the contest by completing an application and creating a poster that reflects why they appreciate Montana's law enforcement officers.

"This contest is a great opportunity for young Montanans to learn more about their local law enforcement officers and the sacrifices they make each day to keep families and communities safe," Attorney General Knudsen said. "As Montanans, we support our law enforcement, and this is another way for us to show our support while promoting public safety among our youngest citizens."

A regional winner will be chosen from each of the eight Montana Highway Patrol districts and awarded an ice cream social for their class delivered by the Montana Department of Justice.

From the regional winners, a statewide winner will celebrate with Attorney General Knudsen, MHP Colonel Steve Lavin, and local law enforcement during National Police Week in May. The winner will also have the opportunity to ride along with Col. Lavin. The winning poster will be displayed in MHP offices and made available to law enforcement offices across the state.

Contest rules:

- Applicants must be in elementary school.
- Artwork should reflect why the student appreciates law enforcement.
- Artwork that has been digitally produced is not allowed. Artwork should be created using acrylics, watercolor, pencils, charcoal, markers, crayons, pastels, or others.
- The preferred size for posters is 8.5 x 14 inches. Submissions that are 8.5x11 and 11x17 will also be allowed.
- To complete the submission, the applicant must also include a brief biography and a completed application.

Applications must include the original artwork, contest application, and release form and should be mailed to the Attorney General's Office to the attention of the Law Enforcement Poster Contest at 215 N. Sanders, Helena, MT 59601. Applications and artwork must be received by April 15 and winners will be notified April 22.

Veteran's Corner Update #146

By Mike Lawson

This last week, I call St Patrick's Day week. It was a great week on many fronts, with big crowds and two big drones hovering above Granite St and Park St., videoing the Parade. I had never seen drones that big before. I was with three other veterans who walked with our SW MT Veteran's Home Van, which was the #6 entry in the parade. The Bag Pipers from Anaconda, who were in the parade, went to our vet home after the parade and blew their Bag Pipes for our Resident Veterans in each of the cottages. Cottages #1/#2/#3 are fully occupied and Eduro is getting Cottage #4 stocked and ready to go, for admitting new Resident Veterans. No word on Cottage #5, as of yet.

Exciting progress on the new VA (CBOC) Medical Center. I did a walk-through on Friday and was very impressed on how quickly things are coming together. All the doors are in place/hung, the flooring was all laid a week and a half ago, except for the Lobby and now the tiles are laid there as well. The grouting of that tile is taking place this week. Good work and coordination is a bright spot for the Grand Opening to happen on April 29th. Wayne and Todd Paffhausen are really on top of things, in keeping everything on track. Veteran's are starting to do fund raisers from raffles to selling spots on boards for sporting events, to Rest Stop Coffee/Cookies/Bakegoods fundraisers, Poppy Drives, etc.. We do this to support the many volunteer actives each of our veteran organizations do in our communities, as well as our Veteran related activities.

Butte's Marine Corps League Detachment #724 had there first Coffee Stop Fundraiser at the Anaconda turn-off Rest Area on Friday, the day after St Patrick's Day. A lot of people travel down our Interstate Highway, in that area and stop to use it. There are electric counters on both doors and when the highway department person checked them, over 50,000 people had gone through those doors, last week.

Another report concerning Veteran homelessness: "Department of Veteran Affairs Secretary Denis McDonough established new goals in VA's efforts to prevent and end homelessness among Veterans. (2/25/22)". At Ft. Harrison, in Helena, there is a Veteran Homeless Office and program set up for homeless Veterans. If you have contact with any of these homeless Veterans, have them call Ft Harrison at 1-844-724-7842. Next week I'll seek information on our Veteran Organizations in Dillon, Deerlodge, Anaconda and Twin Bridges. If anyone is connected to WhiteHall, Sheridan and Ennis, have one of those Veterans give me a call or leave a text message (406-560-3591).
