Be bear aware when recreating outdoors

Remove or secure food attractants at residences

As winter gives way to spring, recreationists are taking advantage of the warmer weather to get outside. However, this is also the time of year bears are emerging from their dens and conflicts with people tend to increase.

As bears begin foraging for food, Montana Fish, Wildlife & Parks is asking residents to remove or secure food attractants such as garbage, bird feeders and pet food. The most common human-bear conflicts involve unsecured food attractants.

WHAT IS "KENNEL CLUB"

Cynthia Ayers wanted to help support the Beaverhead animal shelter, so she opened up a thrift store in an area in the rear of her business, The #1 Ladies Quilt Shop, on Montana Street in 2011. When the quilt shop moved to Idaho Street the Thrift Store was moved to the rear of Century 21 Reality, with thanks to the generosity of Betty Grose. Five ladies met in the rear of the quilt shop once a week to sew and from these work sessions the Kennel Club was born. They started taking donations of fabric and turning them into items the group could sell at the Farmer's Market and bazaars. All the proceeds from sales went to the Beaverhead animal shelter. When the Quilt shop closed, Kennel Club moved to the Evergreen center. The out of pocket expense to the members for rent forced' them to move again. They now hold their weekly work sessions in a donated area of a former wood working shop.

Last year the four remaining women of the club decided to support a spay/ neuter program in Beaverhead County and decided that all the proceeds from Kennel Club sales would go towards such a clinic. They contacted the Spay Montana organization and the Beaverhead animal shelter to see what could be done to host a clinic. Spay Montana provided their requirements and a ball park figure as to what the costs would be. After a successful quilt raffle, sale of crafts and the items sold by Hair Care Unlimited, the club is still a little shy of what is needed for a two day clinic in May of 2022.

The Kennel Club, a non-profit 501(c) (3), is asking the community to help with donations to support this and other spay/neuter programs for Beaverhead County.

Be bear aware when recreating outdoors

People venturing into the outdoors should "Be Bear Aware" by following these precautionary steps:

- Carry and know how to use bear spray.
- Travel in groups whenever possible and plan to be out in the daylight hours.
- Avoid carcass sites and concentrations of ravens and other scavengers.
- Watch for signs of bears such as bear scat, diggings, torn-up logs and turned over rocks, and partly consumed animal carcasses.
- Make noise, especially near streams or in thick forest where hearing and visibility is impaired. This can be the key to avoiding encounters. Most bears will avoid humans when they know humans are present.
- Don't approach a bear.

If you are camping in bear country, follow these guidelines:

- Camp away from areas where you see grizzly signs.
- Keep a clean camp at all times. Keep tents free of food and attractants.
- Follow all food storage regulations. Contact the applicable land management agency to learn what food storage rules apply where you're recreating. Hang all food, trash and other odorous items well away from camp and at least 10 feet above ground and 4 feet from any vertical support, or store in a bear-resistant container. Livestock feed attracts bears and should be treated the same as human food.

Anglers also need to practice safe behavior in bear country:

- Don't leave fish entrails on shorelines of lakes and streams.
- Sink entrails in deep water.
- If you don't properly dispose of entrails you increase danger to yourself and to the next person to use the area.

APRIL 1 IS DEADLINE TO PURCHASE CHANCES FOR SMITH RIVER SUPER PERMIT

Those who were unlucky in the Smith River permit draw for the 2022 float season have another chance to score a river trip of a lifetime.

In addition to the regular private float trip permits, Fish, Wildlife & Parks issues one Super Permit each year through a separate lottery. The recipient of the Super Permit is allowed to launch on any date of their choosing for the year.

Floaters can purchase as many $5 Super Permit chances as they choose, but only one Super Permit is awarded.

The opportunity to purchase chances for the Smith River Super Permit ends April 1, and the winner will be announced April 4.

Chances may be purchased online through the FWP Online Licenses Service.

Attorney General Knudsen wins nationwide order to halt Biden immigration policy

Following a lawsuit filed by Montana Attorney General Austin Knudsen, a federal judge has blocked parts of President Biden's immigration policy that drastically tied the hands of immigration officers and coincided with a drastic decrease in the number of deportations.

The nationwide preliminary injunction issued yesterday requires the Department of Homeland Security to resume deporting dangerous convicted criminals and those whom federal immigration courts have already ordered removal from the United States.

"This is a great victory for the rule of law, border security, and public safety across the country. President Biden's open border policies encourage illegal immigration and make it easier for the Mexican cartels to smuggle drugs into our country — drugs that eventually end up in Montana communities," Attorney General Knudsen said. "I hope the Biden administration will abide by the court order and start following the law when it comes to deportations, particularly for illegal aliens who have prior criminal convictions."
