Vance Anderson

Vance Anderson left this world doing what he loved on March 21, 2022 in a snowmobiling accident. He was born March 29, 1963 in Great Falls, MT to Skip and Pat Anderson. He was the youngest of three children. He grew up in Great Falls and graduated from Great Falls High School.

After high school he met and married Cheryl Olson and they later divorced. They had a beautiful baby girl that was his pride and joy. He would do anything she wanted him to do. Ice cream for breakfast? Sure! He took her on any trip she wanted to go on. They went all over from California to Florida. He would go to the end of the earth for her. He was at every concert or game she had growing up and was there for every big accomplishment she had.

In May 1989, he moved to Elko, NV to start a career in the mining industry as a certified welder. He went on to work in the autoclave and successfully worked his way up the ladder over 16 years. His professional mining career spanned over 30 years. When his daughter graduated high school, he decided to start working at mines across the world. In June of 2006, he took his first overseas job in Australia. From there, he worked in places all over the world including the Dominican Republic, Madagascar, and Zambia, and much of western Africa including Ghana, Burkina Faso, Mauritania, and Guinea. He touched so many lives all over the world. He finally came back to the United States for good in September 2021.

His favorite humans in the world came into the world in 2007 and 2011. Those were his grandbabies, Laine and Leigha. If you thought he did everything for his daughter, he went even further for his grandchildren. Those two were the light of his life and he lived every day for them. His biggest goal in life was to see them smile and never see them shed a tear. He would have given up everything for them.

He had some amazing friends. They were true lifelong friends. Tim, Zane, Danny, Kent, and many many more that were the best friends to him for years. There were many memories made and a ton of miles put on sleds with all of them. His favorite pastime was playing in the powder with his favorite people.

Vance is preceded in death by his mother, Patricia Crump. He is survived by his step-dad, Bob Crump, his daughter, Jessica (Matt) Anderson and his grandchildren, Laine and Leigha Lowder, children of Jessica and former son-in-law RJ Lowder. He is also survived by his close friends and numerous nieces and nephews acquired through these friendships.

A celebration of Life will be held at a later date. Condolences can be sent to 1460 Water Line Rd, Butte, MT 59701.

Friends of the Jaycee Park Gala *Jeremy Crawford, Southwestern Montana News*

Tuesday March 22nd the Friends of the Jaycee Park held their annual fundraiser and Gala at the UMW Lewis and Clark room. The evening started off with a cocktail hour and bidding on silent auction items.

Next up was introductions of the night with a dedication of naming the Reeder Street Boulevard to honor Father Harry and Val Neeley as it goes by the park. Up next was a small speech from RayAnn Sutton and a follow up on projects for this year, which include Sunshades, Sidewalks, and a picnic shelter and Brenda Womack spoke on website and QR codes for comments, donations and tracking use for grant purposes.

Attendees enjoyed a fine meal of Roast beef or Chicken Cordon Bleu. Cocktails hosted by Macs Last Cast and UMW serving the food.

The main draw of the night started around 7:30 with the Val Prophet memorial Auction held by Jeff Welborn and Gary Ordish. As the auction progressed the bids on the items came pouring in.

One such item was a half a beef which Judy Tash was

Dillon Middle School News for March 28 - April 1st

The lunch menu for the week is as follows: Monday, we will enjoy breakfast for lunch with scrambled eggs, pancakes and sausage. On Tuesday, we will have chicken curry with rice and a biscuit. On Wednesday, Bar B Q Pork Rib sandwiches will be served with macaroni. Then on Thursday we will enjoy cheesy hamburger mac served with a dinner roll. And on Friday, chicken fajitas will be served with a bean salad.

Today is the first day of the fourth quarter. Wow, how the year has flown. Seventh and eighth graders, you will begin a new 8th period extension class today. Please ask the office if you don't know where to go. Also, third quarter grades will go home this Friday, April first.

Congratulations to Sawyer Platt for becoming this year's ping pong champion. Also, congratulations to Braxton Turney and Cohen Hartman for becoming this year's corn hole champions. The competition was stiff and fun was had by all. Thank you, Mr. Williams, for running such a fun lunch time competition.

Today, track and field starts for 7th and 8th grade after school. A mandatory parent meeting will happen Tuesday at 5 PM in the DMS gym. At least one parent MUST attend this very important meeting. Schedules and picture flyers will be given out at the meeting. The track and field team and individual pictures will be taken Friday, April 8th, during practice.

Also on April 8th, graduation pictures for eighth graders will be taken. Students must dress up or wear a gown which will be provided. Look for picture packets to come home soon. Spring break is just around the corner. We will begin with a noon release on Wednesday, April 13th. We will be out on Thursday, Friday and the following Monday, April 18th. School will resume Tuesday, April 19th.

Testing is also just around the bend. Schedules of testing days and times will come home with students and also be online and in this broad cast. Parents, if possible, please schedule appointments around these testing times as the testing window is very short.

Life can sometimes be hard. What's hard on adults is just as hard, if not more, on kids. Resilience, the ability to adapt to challenges, is the most important tool a parent can give a child. Learn more about resilience by joining the Beaverhead County ACEs Task Force. We're focused on building healthy families in our community.

Montana Secretary of State Christi Jacobsen certifies candidates

In accordance with the provisions of 13-10-208, Montana Code Annotated, Montana Secretary of State Christi Jacobsen has certified to county election administrators the names and designations of candidates who have filed with the secretary of state.

Pursuant to statute, legislative candidates and non-legislative (federal, statewide, and district) candidates were certified. Thursday also marked the deadline for election administrators to certify for the ballot the names of local candidates and local ballot issues.

"Congratulations to the candidates who have officially been certified, and thank you for your dedication to serving our great state," said Secretary Jacobsen. "Best of luck to all candidates during the upcoming elections."

This week, the Montana Commissioner of Political Practices notified Secretary Jacobsen of any candidates who did not comply with the provisions of MCA Title 13, Chapter 37, therefore disqualifying such candidates from appearing on the ballot.

the lucky highest bidder on and in the spirit of the night she donated it back to the school lunch program. The night progressed as attendees bid on an Alaskan Trip, Buck Knife Package, and many more fine items.

At the end of the night the unofficial tally put the auction earning close to \$27,000 to go towards the improvements at Jaycee Park. This money will come in handy as the bids on these projects increased over \$43,000 from just three years ago.

If you missed the gala and would still like to donate you may do so here. This night was a very good eye opener and reminder as one watched the bidding as well as looked at the items donated. It reminds you why we live in Dillon and what can happen as a community comes together to improve itself. Thank you to all those who donated, attended the Gala, and those who either donated or purchased items for the auctions that day.

VERITAS

Another highlight of the Dillon Concert Association's 2020-2021 season is coming up on Wednesday, April 6, 2022, at the UM-Western Beier Auditorium at 7:30 PM. Season Sponsors are John A. and Elizabeth Garry, Lorraine King, Gary and Kerstin Lorenzen, and Richard and Dorothy Wheeler. Event sponsors are Sandra Jennings, Jim and Laurie Hagenbarth, and McIsaac Appraisals.

Veritas is a male vocal quintet, 3 tenors, 1 baritone, and one bass. The combination of these talents will be showcased by a program called Decades, including a few beloved hymns and patriotic standards intermingled with hits from the 20s/30s, 40s/50s, 60s/70s, and today. These 5 strong voices blend beautifully to present such favorites as Stardust, Over the Rainbow, Phantom of the Opera, as well as recognizable favorites from Simon and Garfunkel to the band Chicago. It is a varied and marvelous program.

Dillon Concert Association membership grants admission into all 2021-22 performances. Single event tickets can be purchased at the door: adults \$20; college \$10; student/youth \$6. Though not required, masks are welcome and will be available at the door.

Please contact Laurie Hagenbarth at 683-5050 with any questions.

Fifteenth Program Development Grant

The City of Dillon and the Dillon Tree Board were awarded an \$7,000 matching grant from a federal award of the U.S. Forest Service, Department of Agriculture, sub-awarded by the Montana Department of Natural Resources and Conservation (DNRC), Forestry Division. The City matches the grant funding at 100% to accomplish the proposed project work.

The 2022 grant will fund several urban forestry projects in Dillon. These projects include pruning and removal of trees on city boulevards, hiring of a seasonal tree worker to water and maintain young trees on city properties, and assist homeowners in planting trees on boulevards through a cost-share program.

The first project involves the pruning of 26 trees and removal of 1 tree located on city-owned property. An International Society of Arboriculture (ISA) certified arborist will complete the work; all woody material will be removed from the sites. Property owners adjacent to the project locations will be contacted before the work begins. Work will begin in late April and finish by June 15.

The second project involves hiring of a seasonal tree worker to water young trees that have been planted on city properties throughout Dillon. This position's responsibilities include watering young trees twice a week during the hot summer months, removing grass competition, perform minor pruning, and maintain mulch around the young trees.

The third portion of the grant will assist private homeowners in planting trees in city boulevards, parks or in the Mountain View Cemetery. Through a cost-share system, the program will defray some of the costs of planting new trees. Homeowners can purchase a tree for \$75, with the Tree Board and City covering the remaining portion of the purchase price. Applicants will be contacted by a Tree Board member to assist them in selecting and planting the most suitable tree species for their site. This cost-share program provides the incentive for private homeowners to participate in enhancing the City's beauty by adding to the boulevard plantings and providing a tree canopy for future generations.

Since 2008, the Dillon Tree Board has secured over \$151,980 in funding to enhance Dillon's urban forest. The mission is to preserve, enhance, and expand our community forest through educating the public and promoting community involvement and individual dedication.

For additional information, contact City Hall at 406-683-4245 or call the DNRC office at 406-683-6305.
