also discuss how some tools we commonly use to manage weeds, especially herbicides, can perform differently during drought. Best management practices for managing weeds during drought will be shared and discussed.

11:00am-12:00pm: Rangeland 101 with Corteva

Claire Volk— Pasture and Land Management Specialist, Corteva Agriscience A conversation with Claire Volk about managing and identifying invasive species, current prescriptions, and the tools for long-term success of rangeland restorations. Claire will also share information about Corteva's newer product, DuraCor.

LUNCH

Lunch will be provided courtesy of the Centennial Valley Association. Stay and enjoy!

1:00-2:00 pm: How Water Quality and Soils Impact Herbicide Performance

Clint Saunders— Sales Specialist & Territory Manager, Nutrien Solutions

This presentation will cover how water quality, such as pH, hardness, and dissolved solids, affects herbicide performance. Clint will also cover measures that can be taken to mitigate problems associated with water quality, including additives that are available and how they can be used in a tank mix. Please bring water for testing if you are interested!

2:00-3:00pm: Biocontrol Update

Melissa Maggio— Project Coordinator, Montana Biological Weed Control Coordination Project An update on the progress of the development of new biocontrol agents for houndstongue and Canada thistle will be provided. Additionally, the newly finalized Biocontrol Posters and updated Montana Biocontrol Field Guides will be introduced and handed out to attendees. Both the posters and field guides include information on the most common and effective biocontrol systems in Montana. Details of the plant's and insect's biology through the seasons and how to's on monitoring, collecting, and releasing are included within these educational tools. A hands-on activity will demonstrate how to utilize these educational materials.

To help ensure we have enough lunch for those in attendance, a RSVP is requested, but not required. To RSVP, or if you have questions, please contact Kara at (406)683-3790 or knaplethorpe@beaverheadcounty.org.

Ray Lynch Park

The City of Dillon, the Dillon Cubs, and Beaverhead Little League ask that the community (as well as your pets) not go out onto the fields at Ray Lynch Park at this time. We are trying to get the fields ready for the upcoming baseball/softball seasons and we want to have the best and safest playing fields for our kids.

If you have any questions please contact Todd Hazelbaker, Director of Operations, at 683-4245.

Public Service Announcement

The City of Dillon would like everyone to be careful when driving and walking on Noble Avenue and Swenson Way for the next week. There are several projects that are taking place along those streets that will have people and machinery on the edge of those streets. The streets will remain open during this time. With the warmer weather more and more people are getting out to enjoy the outdoors so please be aware of your surroundings when walking and driving.

If you have any questions please contact Todd Hazelbaker, Director of Operations, at 683-4245.

Springtime in Dillon

The City of Dillon encourages everyone (homeowners, businesses, renters) to keep their sidewalks clear of debris. With nicer weather, more and more people are getting out to enjoy walking and running throughout our community. Lets' all make it safe for everyone. Also, please when walking your dog, cleanup after them if they have to stop and relieve themselves. No one likes to pickup dog waste, particularly when it does not belong to your pet. Be a responsible dog owner and clean up after your dog! Your neighbors yard and city parks are not restrooms for your pets.

If you have any questions please contact Todd Hazelbaker, Director of Operations, at 683-4245.

2 Madison River fishing access sites reopened

A full closure of Valley Garden Fishing Access Site and a partial closure of Burnt Tree Hole Fishing Access Site have been lifted.

These closures were in place due to ice jams and flooding. Conditions have improved, allowing public access to resume at these sites.

Ennis Fishing Access Site is still closed. It has been inundated with ice jams and flooding for several weeks. Maintenance staff at Montana Fish, Wildlife & Parks will reopen the site as soon as possible after repairs are completed.

Floating on the Madison River between Burnt Tree Hole and Valley Garden fishing access sites, as well as in other areas, could still be hazardous because of unpredictable and rapidly changing conditions.

Veteran's Corner Update #147

By Mike Lawson

Greetings to all of you who read my veteran update articles. It's nice to be able to wear a light jacket, or no jacket at all, in these warm daytime temperatures. My friend Mark Gollinger went snowboarding at Discovery last week, but said that was probably the last time for this season. The snow is melting too quickly, which is of great concern. With a possible dry summer, the fire probability will be extremely high, which SW Mt doesn't need.

More money is being appropriated for the homeless and low income veterans, through a Sen Tester sponsored "Bipartition Veteran's Bill". The Volunteers of America will be given some of this money to help Veteran's get the help they need for housing/ employment/counseling/training/etc. If you are a Veteran needing assistance, please call Karl Ortman or go see him at the VOA Office at 130 N Main ST #2. Enter on the Granite St side or call him at 406-565-5020. One of the purposes of this Congressional Bill, is to help eliminate Veterans being homeless.

On another front, March 29 will have been "Vietnam Veteran's Day" across this nation. That is the day before this Butte Weekly comes out on Wednesday. Being a Viet Nam Veteran, it means a lot to all of us who were there, to observe it, receive some recognition as to the sacrifice made and the lives that were lost. Our veterans who came home in a body bag were many. Their names are on the Viet Nam Memorial Wall in Washington DC. The shameful treatment many of us received when we returned home was hard to take, much less understood. Three days after I left the Vietnam fields of rice paddy's, a plane full of us "Nam Vet", landed in Oakland, California.

We were so happy to get back to our own world, we called home, that when we went over the Golden Gate Bridge, the shouts of joy vibrated throughout that plane cabin. The joy turned into shock/anger/sadness when we landed, as the demonstrators were waiting for us. We wondered if we were going to have to fight a war on our own home soil. Never in the history of this great country we live in, have our veterans been treated with so much disrespect.

Since then we've been apologized to and honored on many fronts. We, the Viet Nam Veterans, appreciate those efforts and are quick to put the past behind us, to the degree that we can.

Some interesting statistics I was able to find from the American War Library from 2019. There were 2,709,918 Americans who served in Viet Nam. Less than 850,000 are alive, as of 2019. 5,099 were KIA, 14,232 were wounded and 4 missing in action. This means that less than 1/3 of those veterans were alive, as of 2019. There's an estimated 44,000 Veterans

who have died of Agent Orange up to 2019, and that number has increased since then. The average age expectancy for the average American is 86 but for the Viet Nam Veteran is 78.6. Many of our Nam Vets are disabled and are in care facilities, such as our SW MT Veteran's Home. The suicide rates among veterans is staggering and the different war related disabilities are a challenge for many of these Nam Vets. In spite of these statistics, many of us refuse to be couch potatoes.

Our therapy is to become involved in our communities and beyond. Our motto for many of us is "WE SERVE". We serve by helping each other, our communities and our country. We do it by being leaders/workers in our Veteran's Organizations as well as other Community Organizations. Volunteering and helping others is what keeps many of us going, especially in seeing that we're making a difference. Driving the DAV Vans, Toys For Tots, building the Viet Nam Veterans Amphitheater at Stodden Park in Butte, building the Viet Nam Veterans Memorial in Anaconda, supporting the SW MT Veterans Home and the Veteran Residents there, are just a few of the things we do in SW MT.

The Dillon Veteran Community will have done some things to honor the National Viet Nam Veteran's Day. Hopefully our other SW MT Communities will have done the same. O

ur SW MT Veteran Update is that Cottage #4 is close to admitting new Resident Veterans as Eduro is close to having it supplied/set-up for the final inspection for the state to give the ok for that to happen. I'm sure the Medicare and VA folks will also have to do their inspections like they did on the other Cottages.

Cottage #5 is getting the flooring pulled up and the Concrete under it sanded in the areas that had ripples in them. Then it'll be relayed with the vinyl flooring again. The hope is that its of short duration and ready for occupation within a couple of weeks. The waiting list is full to occupy it, once it's complete. One of the resident veterans passed away with his family around him, last week. Our condolences to the family.

The new VA(CBOC) Medical Center continues to advance toward that completion date. The Lobby Flooring is complete as are all the window sills. All the counter tops and sink counter tops, should be completely installed this week. The ceiling panels will be the last thing installed as some wiring is left to be run above it. The furniture and medical equipment, will start arriving next week. All and all, things are looking good there. Spring is here with days being longer. Get out and enjoy any outdoor activities you enjoy. Until next time, take care.

Hey, Dillon Peeple! It's Peep Diorama time!

Dillon Public Library is bringing the opportunity for sugary whimsy, creative expression and fun to the community. Rules for the dioramas are now available at the library, on the library's website, and on its Facebook page.

Dillon Softball @ Hamilton

Kinzy Creighton lead the team hitting with 2 homeruns in her first 2 at-bats! She went 3 for 4 with 5 RBI's. Lexy Johnston went 2 for 3. Adyson (Ade) Creighton was our ace on the mound and threw all 5 innings. She tallied 10 strikeouts and gave up only 2 hits and 1 earned run. We took the early lead in the top of the first inning and never looked back. We are a young team with a lot of potential this year.

It is the veteran

It is the veteran, not the preacher who has given us freedom of religion.

It is the veteran, not the reporter who has given us freedom of the press.

It is the veteran, not the poet who has given us freedom of speech.

It is the veteran, not the campus organizer who has given us freedom to assemble.

It is the veteran, not the lawyer who has given us the right to a fair trial.

It is the veteran, not the politician who has given us the right to vote.

It is the veteran who salutes the flag, who serves under the flag and whose coffin will be draped by the flag.
