Merle D. Gilliland

Merle D. Gilliland was born January 10, 1937, in Flippin, Arkansas as the fourth child to Simon and Marie Gilliland. The family relocated to Tehachapi, California in the 1940s, where they continued to grow and where they welcomed three more children. Merle returned to Arkansas for college, then continued his education at California Polytechnical State University San Luis Obispo, where he graduated with a degree in Architecture.

In 1954, the Gilliland family moved to Bakersfield, California, where they made a warm and welcoming home next door to the Baker family. In meeting the young lady next door, it was clear that Merle had met his love and soulmate, Betty Baker. Merle and Betty were married on December 21, and began an incredible journey through life together.

After completing college, the newlyweds moved back to Bakersfield, where they had their first two daughters, Lisa and Lora. Merle's job with Dreyfus and Blackford moved the family to Sacramento, where they had their third and final child, Lynette.

In 1969, the Gilliland family moved to the San Francisco Bay Area as Merle continued his work in architecture working on the design of the San Francisco International Airport. In 1971, the family settled on Tharp Drive in Moraga, California, where they built a loving home and formed lifelong friendships. Merle was the president of the Moraga Community Association and began the drive to incorporate Moraga in order to avoid a freeway going through town. In 1974, the City of the Town of Moraga was incorporated and Merle, along with four others, were on the original city council and formatted the city plans, laws, and established the police department. Merle was on the council for two terms and served as mayor in 1976. Merle and the original city council were presented a certification plaque by then Governor Ronald Reagan. On May 25, 1976, Merle met with, and later publicly presented a medallion to, President Ford. That medallion is now one of the curator's favorite displays at President Ford's Library in Grand Rapids, Michigan.

Merle was predeceased by his mother and father Simon and Marie Gilliland, along with his daughter Lora and his brothers Jimmy, Wayne, Greg and sister Eileen. He is survived by his wife of 64 years, Betty, and his daughters Lisa Furrie (Ethan), Lynette Donahue (Mick), and son in law John Holmes. His love and pride in his grandchildren Tom Parks (Angela), Wayne Furrie (Deyin), Tyler Bettencourt, Aimee Furrie (John Grice), Deverie Engels (Graham), David Donahue (Caitlin Judge), and Katie Holmes (James Taylor) was unparalleled as was his adoration for his five great grandchildren.

Merle undoubtedly had impressive accomplishments throughout his career, as he found opportunities to serve and

care for every community in which he and his family came to reside. As an unwavering man of faith, he led with humility and compassion. For those who were blessed to know him, his unfailing love of God, his country, and his family stand out as some of his most defining and meaningful traits.

Outside of his work, Merle thoroughly enjoyed life. He was frequently outdoors, making memories with friends and family members while hunting, fishing, rafting, and other recreational activities. As one always willing to help, he was an involved participant in many meaningful life moments for those he loved. Through both challenging and joyous moments, Merle created levity through laughter, bringing smiles to those around him. It is through those relationships and memories that Merle's legacy will proudly and confidently live on.

There will be a Celebration of Merle's life at the First Presbyterian Church, 30 South Pacific Street, Dillon, Montana on Wednesday, April 6 at 11:00 AM. The family asks for any donations to go to the First Presbyterian Church in Dillon for the Kids to Camp Scholarship Program. Merle found joy in participating in this program.

TRAILER TURNS OVER IN THE WIND

Jeremy Crawford, Southwestern Montana News

High winds on Saturday afternoon reaching gusts up into the 30 mph caused a Chevy pickup truck pulling a fifth wheel trailer to tip over. The accident occurred on I-15 just past mile marker 59. First responders are on scene working to get the trailer right side up.

Dr. Jane Helm Maddock Service Awards Ceremony to be held April 6th
 On Wednesday, April 6, 2022, Montana Western will honor three outstanding community members for their service and support at the annual Dr. Jane Helm Maddock Service Awards Ceremony. The event will take place at 5:30 p.m. in the Lewis and Clark Room, located in Mathews Hall on the UMW campus.
 Dr. Jane Helm Maddock was a Professor of English at the University of Montana Western for 17 years and was recognized as Professor Emeritus of English upon her retirement by the Board of Regents of the Montana University System. During her time at UMW, she established the Helm Honors Scholarship and the Helm Memorial Scholarship in memory of her parents. The service award is named in her honor and memory and presented to those who have performed extraordinary service to the campus and community.
 This year's community honorees are Dr. Alan Zetler, Gerta Mular, and Terri Haverfield. For more information about the honorees, please visit tinyurl.com/ServiceAwards22.

The following University of Montana Western students will also be acknowledged during the award dinner:

- Jacob Kunze – Dr. Jane Helm Maddock Student Service Award
- Laci Wiggins – Dr. Jane Helm Maddock Student Service Award
- Emily Engen – Montana Student Volunteer Award
- Brooklyn Suden – Newman Civic Fellow Award
- Morgan Duncan – George M. Dennison Scholarship Award

Tickets for the Dr. Jane Helm Maddock Service Award Dinner and Ceremony are \$20 general and \$15 for Montana Western students and may be purchased by calling 406-683-7306. For more information about the event, please contact Executive Director of the UMW Foundation, Roxanne Engellant: roxanne.engellant@umwestern.edu or 406-683-7305

Dillon's Lady Beavs held on to a narrow lead to defeat Park 5-4 in Livingston on Friday.

Despite seeing its four-run lead whittled down by the end, the young Lady Beavs still held off Park for a 5-4 victory on Friday. In the bottom of the 7th Park's Malone hit a solo homer to start the inning and brought Park to within 1 run of Dillon. A walk put the tie run on 1st. And, then center fielder, Emily Brevig caught a deep fly and left fielder, Tyler Gibson caught a fly. And the game ended with a line drive hit back at pitcher, Adyson Creighton which she trapped with her glove and stomach. It knocked the wind out of her, and left an immediate welt, but she held on for the win.

I am extremely proud of how we played today. We just beat a very good team.. I would say they rank top 5 in class A. They (Park) may have hit the ball better than us today, but we played solid defense and did all of the little things (took advantage of their mistakes on offense, didn't give up any extra bases on defense) which in the end made the difference in the game. This was an intense game from beginning to end. The Beavs never lost focus, and maintained their composure until the very last out. That being said, it's back to work and continuing to improve so that we are prepared for our next conference game against E. Helena.

Lexy Johnston lead the team hitting going 2 for 4 with a single and double. She scored 1 run.

Abby Brevig had the team's only RBI on a single.

Ade Creighton went the distance on the mound and tallied 6 strikeouts, had only 2 walks, and gave up 2 earned runs on 7 hits.

Lily Rhoades had a great day at 2nd with 3 assists and 2 putouts

Kinzy Creighton did an awesome job behind the plate and threw out the single attempt at a steal at 2nd base. From that point on Park did not try to run on Kinzy.

Emily Brevig saved a run in the bottom of the 4th when she threw a laser to home plate for the out at home. Kinzy held on to the ball and tagged the runner out in the collision at home.

Street & Alley Committee Meeting Agenda

Monday, April 4, 2022 • 4:00 P.M.

1. Discuss/Recommend Hagenbarth's proposal to Abandon a portion of the 500 block of South Nelson

Carma Tyler Benefit Fund

Friends of the Tylers are trying to help Carma Tyler through her journey. Carma was diagnosed with stage 4 traveling metastatic melanoma, which is a fast, moving cancer. Carma is the wife of Mike Tyler who works at the City of Dillon and has Rolling Smoke BBQ. Both are always helping with fund-raiser with Mike's amazing BBQ business. Carm has worked in Home Health Care taking care of many people. They are both natives of Lima Montana.

Mike will be the only one bringing income into the household, as Carm can not work at this time. They are needing us and the community to help with donations, meals, and support. To Schedule a meal go to <https://mealtrain.com/z25qw>

An account has been set up at High Peaks Federal Credit Union under "Carma Tyler Benefit Fund" if you can donate. A fund-raiser is being planed for the end of the month with more information coming soon.

Gas cards are another way to get them help now. If you could buy one and donate they can be dropped off at Womack's Printing, KDBM/KBEV, Beaverhead Motor Sports (Brandi) with their name. You can send notes and cards to Carma at her home address:

209 Fern Lane
Dillon, MT 59725

If you can help with meals please Call Lisa Jimenez 406-683-6542.

Thank you so much from all of us. We live an amazing community and everyone is always willing to help. Let's all help Carma and Mike.

The Diagnostic Imaging Department at Barrett Hospital & HealthCare invites applications to fill a Diagnostic Imaging II/CT Technologist position to join our team of healthcare professionals. The Diagnostic Imaging II/Computer Tomography Technologist will operate ionizing equipment to produce radiographic and computed tomography images of body regions for diagnostic purposes, as ordered by a licensed medical provider. Incumbents must have the ability to perform both radiologic and computed tomography modalities. The Technologist must possess the ability to communicate effectively with patients and an interdisciplinary health care team. The successful candidate must effectively follow established departmental procedures, work efficiently, and demonstrate the ability to navigate emergent situations. Minimum Qualifications: Incumbents must be a graduate of an accredited 24-month course of study program in Radiologic Technology, have an active Certification with the American Registry of Radiologic Technologist (ARRT), as well as an active Radiologic Technologist License in the State of Montana with the Board of Radiologic Technologists. Advanced certification in Computed Tomography/or MRI by the ARRT or demonstrated competency with 1-year experience may be considered. Candidates must also be able to demonstrate evidence of compliance with ARRT continuing education requirements. Basic Life Support (BLS), required. Current employee in good standing. This is a full-time position and is eligible for the full benefit package.

Registered Respiratory Therapist* Sign-On & Retention Bonus, Plus Relocation Assistance Possible *****

Barrett Hospital & HealthCare invites applications to fill a Certified Respiratory Therapist position to join our Cardiopulmonary Services team. The Certified Respiratory Therapist administers respiratory therapy care and life support to patients with deficiencies and abnormalities of their cardiopulmonary system, under supervision of Physician and by prescription. Successful candidates will have a passion for customer service excellence, teamwork and enjoy working with the public. Incumbents will cover regularly scheduled shifts and participate in a call rotation. Minimum Qualifications: Graduate of a certificate program sanctioned by the National Board for Respiratory Care (NBRC). Incumbents must hold current NBRC certification or equivalent. Active licensure required with the Montana Board of Respiratory Care Practitioners. Candidates must have current Basic Life Support (BLS), Neonatal Resuscitation Protocol (NRP), and Advanced Cardiac Life Support (ACLS) certifications This is a 30 hr. a week position and is eligible for the full benefit package.

Variable weekdays and rotating every fourth weekend on call.

Patient Account Representative – Cashier

The Patient Financial Services Department at Barrett Hospital & HealthCare invites applications to fill a Patient Account Representative-Cashier position to join our team of professionals. The Cashier will be responsible for answering, handling, and/or appropriately routing all incoming calls received through the switchboard. They will be responsible for the daily processes and reconciliation of deposits, complete timely and accurately the posting of payments received for the facility. The cashier will be responsible for duties which include picking up mail and money bags from the clinic, picking up and dropping off mail at the post office and clinic, and picking up and dropping off at CHC. The Cashier for BHH will have direct contact with patients by telephone and face to face. They will be responsible for all mail processing. The Cashier will work closely with all depts. associated personnel to assist in the accomplishment of the PFS dept. goals. The Cashier secures money, maintains a HIPPA compliant work area at the front desk, timely and accurately scans the daily deposit, EOBs, and miscellaneous documents. This position will cross train and provide cross coverage with Registration, Financial Counseling, Billing, and Systems Specialist personnel as required. Minimum Qualifications: High School Diploma or general education degree (GED); one year of related experience and/or training; or equivalent combination of education and experience preferred. This position is a full-time position and is eligible for the full benefit package.

Patient Services Coordinator

Barrett Hospital & HealthCare invites applications to fill a Patient Services Coordinator position to join our Clinic team. The Patient Services Coordinator provides a full range of receptionist and clerical supportive services including greeting visitors, providing general information to patients either in person or on the telephone, maintains the switchboard, interviews patients for pertinent account information, verifies patient insurance coverage/eligibility, and enters new patient information into the electronic medical record. The Patient Services Coordinator protects the privacy of patients, physicians, and employees in accordance with policy and regulatory requirements. The successful candidate will have a passion for customer service excellence, possess a high standard of communication skills, and enjoy working with the public. Minimum Qualifications: High School Diploma, GED or equivalent required. A minimum of one to three years related healthcare experience and/or training; or equivalent combination of education and experience preferred. Candidates who are bilingual in English/Spanish are preferred. There is a full-time and a per diem position available. The full-time position is eligible for the full benefit package.

Certified Medical Assistant
***** \$1000 Sign-on Bonus and Retention Bonus *****

Barrett Hospital & HealthCare invites applications to fill a Certified Medical Assistant position to join our Clinic team. The Certified Medical Assistant performs a variety of administrative and clinical tasks under the direction of the Clinic leadership and medical provider. The Certified Medical Assistant works in tandem with the Clinic team for management of patient flow, assisting physicians with assigned procedures, and taking, screening, and initiating necessary telephone calls to patients. The Certified Medical Assistant is responsible for maintaining exam rooms, supplies and instruments necessary for use by physicians and ensuring cleanliness, sterility, and equipment availability. The Certified Medical Assistant administers medications and injections, as ordered by physician. The Certified Medical Assistant performs all clerical duties required for maintaining complete and accurate electronic medical records. Successful candidates will have a passion for customer service excellence, teamwork and enjoy working with the public. Successful candidates will have a passion for customer service excellence, teamwork, and enjoy working with the public. Minimum Qualifications: High School Diploma, GED or equivalent required. Graduate from an accredited Medical Assistant program and Certification in Medical Assisting required. Three to five years related healthcare experience and/or training, or equivalent combination of education and experience may be considered. Basic Life Support (BLS) required. This position is a full-time position and is eligible for the full benefit package.

Licensed Practical Nurse

Barrett Hospital & HealthCare invites applications to fill a Licensed Practical Nurse (LPN) position to join our Clinic team. The LPN assists in the management of patient flow and assisting physicians with assigned procedures. The LPN also is responsible for taking, screening, and initiating necessary telephone calls to patients, maintaining exam rooms, stocking of supplies, ensuring cleanliness and sterility of necessary equipment, and administration of medications and injections, as ordered by physicians. The LPN is responsible for maintaining complete and accurate electronic medical record documentation. As a member of an interdisciplinary team, successful candidates will have a passion for customer service excellence, compliance, compassion, and genuinely enjoy working with the public. Successful candidates will have a passion for customer service excellence, teamwork, and enjoy working with the public. Minimum Qualifications: Current Montana LPN licensure and Basic Life Support (BLS) are required. Three to five years related healthcare experience and/or training preferred; or equivalent combination of education and experience may be considered for outstanding candidates. This position is a full-time position and is eligible for the full benefit package.

Diagnostic Medical Sonographer

Barrett Hospital & HealthCare invites applications to fill a Diagnostic Medical Sonographer position to join our Diagnostic Imaging Services team. The Diagnostic Medical Sonographer (Ultra sonographer) provides diagnostic patient care services using ultrasound and related diagnostic procedures. The Diagnostic Medical Sonographer is responsible for daily operations of the sonographic laboratory, patient schedule, equipment maintenance, the report of equipment failures, and quality assessment processes. The Diagnostic Medical Sonographer maintains a high standard of medical ethics and is self-motivated to increase level of understanding and knowledge of the field, disease, and new procedures as they evolve. Successful candidates will have a passion for customer service excellence, teamwork and enjoy working with the public. Minimum Qualifications: Graduate of a formal Diagnostic Medical Sonography program or Cardiovascular Technology program that is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) is required. Active certification by American Registry of Diagnostic Medical Sonographers (ARDMS) in the following specialties-Breast, Abdomen, OB/GYN and Vascular. In addition, certification in Adult Echo Cardiography is preferred. Current compliance with Continuing Medical Education (CME) requirements for specialty(ies), as appropriate and appropriate Montana State licensure required. Basic Life Support (BLS) required. This is a per diem position.

UR-DP-SB Coordinator

Barrett Hospital & HealthCare invites applications to fill a Utilization Review & Discharge Planning Registered Nurse (RN) position to join our Quality Improvement Services team. The RN is responsible for conducting utilization review on inpatients, observation patients, and swing bed patients. The RN will review charges and perform discharge planning for all inpatient and swing bed patients. The RN assists the Quality Services/Risk Management Director with quality and performance improvement projects. The successful candidate must have excellent organizational and time management, be a motivated learner, have above average interpersonal and customer services skills, be a self-starter, have an innovative spirit, expertise in hospital business acumen, be a problem-solver and the ability to deal with ambiguity. Minimum Qualifications: Bachelor's Degree and RN license, required. Candidates without a nursing licensure may be considered, however a bachelor's degree is required. Computer proficiency and experience with electronic medical record documentation. A minimum of five years of related healthcare or hospital experience preferred. This is a PRN position.

Chief Clinical Officer

Barrett Hospital & HealthCare invites applications to fill a Chief Clinical Officer (CCO) position to join our Executive Leadership team. This executive level position plans, coordinates and directs clinical and nursing patient care activities within the facility in alignment with the organization's mission, vision, values, strategic plans and goals. The CCO provides leadership support in the clinical services areas including acute care Nursing (Medical/Surgical, (including Hospitalist oversight), Emergency Department, Special Care, Obstetrics, Peri-operative services (including CRNA oversight), Cardiopulmonary Rehabilitation, Nutritional services, Clinical Laboratory, Radiology, and Pharmacy departments. The CCO ensures standards of patient care are met and advises medical staff, department managers, administration, and Board of Directors in matters related to clinical services. The CCO participates as a member of the senior leadership team for ensuring organizational focus in achievement of strategic plan goals and objectives, sharing accountability for overall facility results. The CCO ensures compliance with state, federal and other regulations impacting the organizations licensure and/or accreditation. Minimum Qualifications: Commitment to continuous learning in appropriate field. Education: Master's degree (M.S.N.) or equivalent required; five to ten years related experience and/or training; or equivalent combination of education and experience. Licensure: Registered Nurse in the State of Montana; Basic Life Support (BLS) Certification and ACLS required. This position is a full-time position and is eligible for the full benefit package.

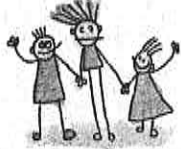

Sterile Processing Technician

Barrett Hospital & HealthCare invites applications to fill a Sterile Processing Technician position joining our Peri-Operative team. Sterile Processing Technician provides excellent customer service and exhibits professional demeanor at all times. Manually sorts, disassembles, cleans and/or disinfects instruments, scopes, and supplies per department protocol for assigned area(s). Utilizes critical thinking skills regarding workflow and assignment. Performs quality control on instruments/scopes by checking for visual damage, sharpness, cleanliness, and working condition. Initiates process for repairs and/or replaces as applicable to assigned area(s). Completes all daily production and quality control records. Continually checks for any outdates of sterile items and packaging integrity. Performs immediate-use steam sterilization of instrumentation using proper technique. Prepares surgical instrument sets and/or trays. Prioritizes production of surgical case cart, floor stock trays and miscellaneous. Wraps, packages, and sets up instrument trays per department protocol. Labels all instrument sets, peel-pouches, etc. Efficiently and accurately loads sterilizers per department procedure and as applicable to assigned area(s). Sterilizes instruments, scopes, supplies and linen using mandated sterilization processes per department protocol. Ensures proper operation of sterilization units through daily quality control testing. Inspects equipment as applicable to assigned area(s) for visible signs of malfunction and reports malfunction to leader in a timely manner. Processes requisitions and requests for case carts, instrumentation, and supplies in a timely manner. Orders all department supplies. Communicates deficits in supplies or instruments for case carts to appropriate stakeholders per department protocol. The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with knowledge, skills and abilities required for the job. Not all the duties may be assigned to a position. Minimum Qualifications: Minimum of one (1) year work experience in sterile processing or healthcare preferred. Other combinations of education and experience may be considered. Minimum of one (1) of the below must successfully be obtained within two (2) years of hire: International Association of Healthcare Central Service Material Management (IAHCSMM) or Certified Board for Sterile Processing and Distribution (CBSPD) certification. Excellent organizational skills, detail-oriented, a self-starter, possess critical thinking skills and be able to set priorities and function as part of a team as well as independently.
