Dillon Farmers' Market Members to Meet April 21

The General Member Meeting for Dillon Farmers' Market will begin at 6 pm on Thursday April 21, 2022 in the 2nd-floor conference room of Lucy Carson Library at UM Western. Last year's market and finances will be reviewed, 2022 plans discussed, and the Board of Directors will be elected. Vendor application forms will be available at the meeting.

Four vendors have volunteered to serve on the Board of Directors to manage the Farmers' Market this year. These volunteers were welcomed at the March 23 Board of Directors meeting by former directors Katie Bump, Kim Nye, and Brenda Hawk, who are retiring. Janet Tatarka, Kathleen Tatarka, Lilia Guillen-Sanchez, and Damian Guillen will stand for election by the general membership on April 21. One additional volunteer is needed to complete the Board.

For information about the Dillon Farmers' Market, please contact Janet Tatarka at 406-683-6419.

City of Dillon & Dillon Tree Board Pruning Low Hanging Branches on Boulevard Trees April 12, 2022

The City of Dillon and Dillon Tree Board have hired Edge Tree Care LLC to work on city owned trees in boulevards throughout the community on April 12, 2022. The work will consist of cutting and chipping of low growing branches on city owned trees. Epicormic branches form on trees in response to being pruned. These lower branches can become a hazard to pedestrians walking on the sidewalks. The Tree Board will participate in helping with the work.

Edge Tree Care LLC is a local tree care business that Matt Allen and his family run. Matt is an International Society of Arboriculture (ISA) certified arborist, and will treat as many trees as time will allow on April 12th.

For additional information, contact City Hall at 406-683-4245 or call the DNRC office at 406-683-6305. Information about trees can also be found on the Dillon Tree Board website at www.dillontrees.org.

Montana Highway Patrol fentanyl seizures in 2022 already surpass 2021 total

Montana Highway Patrol (MHP) troopers interdicted large amounts of illegal drugs in 2021, and in the case of the dangerous opioid fentanyl, they've already blown past last year's quantity in 2022, Colonel Steve Lavin announced today.

Troopers found nearly 3,800 fentanyl tablets in 2021, while fentanyl arrests were up 1600% from 2020 to 2021 – from one to 17. From 2018 to 2020, the MHP criminal

interdiction team made only two fentanyl interdictions, showing how fast this threat has emerged. Through March 15 of this year, Montana Highway Patrol troopers have already seized 12,079 fentanyl pills – more than three times the total for all of 2021.

The quantity of methamphetamine interdicted this year is also on track to surpass 2021. While seizing 49.1 pounds of the drug, troopers made 163 felony arrests for methamphetamine last year, an increase of 20 percent over 2020. Through just the first ten weeks of this year, troopers had already taken two-thirds of that total – 33.3 pounds – off Montana roadways.

“Drug interdiction is a focus of the Montana Highway Patrol, and it is a credit to the hard work and dedication of our troopers to take this amount of illegal drugs off of the roads and disrupt the supply chain in Montana,” Colonel Lavin said. “Our troopers work tirelessly each and every day to make Montana safe and I am proud of their efforts.”

“Montana communities are safer thanks to the Highway Patrol’s efforts and coordination with other law enforcement agencies to interdict drugs,” Attorney General Austin Knudsen said. “Unfortunately, we’ll keep seeing large amounts of fentanyl, methamphetamine, and other dangerous drugs coming into our state until the southern border is secured.”

In 2021, troopers also interdicted 2.0 pounds of heroin resulting in 19 felony arrests and 4.5 pounds of cocaine resulting in six felony arrests.

To aid their narcotics interdiction efforts following the legalization of recreational cannabis, MHP is replacing two drug detecting K9s with the help of a grant program that Attorney General Knudsen spearheaded.

One of those dogs, Hary, is already on the job.

WOOLEY BUGGER

By "Swede" Troedsson

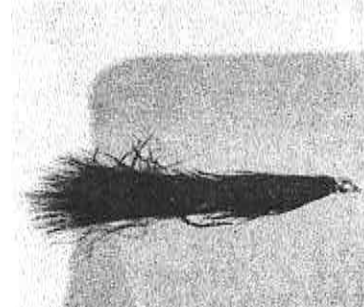

About thirty years ago I was returning to Dillon, MT. I was driving north in my Bronco on the east frontage road, south of Dillon. Just past the sawmill I was waved down by Bill Jappe, who had exited his pickup truck.

As Bill approached me I could see he had a large Wooley Bugger fishing hook imbedded in his throat, just above the carotid artery. (A Wooley Bugger is a popular fishing fly used during the Salmon Fly hatch on local rivers).

Bill asked me if I could remove the hook.

I retrieved a pair of wire cutters from my truck tool kit, then proceeded to rotate the hook out so as to expose the barbs. After clipping off the barbs, I then rotated the hook back out of his throat.

Bill thanked me, and went on his way.

Hartman & Long: Candidates for School Board Election

Sarah Hartman and Richard Long are candidates for School Board of Dillon Elementary School District #10 (Parkview Elementary & Dillon Middle Schools). The election will be conducted as a MAIL BALLOT election. Active voters will be mailed a ballot on April 13th. Election Day is May 3rd. Thank you for voting!

SARAH HARTMAN: I was born in Sidney, MT, raised in Great Falls, and my husband, Justin, and I have been members of the Dillon community for 17 years. Currently, all 3 of our children are happily enrolled in Dillon Elementary School District #10. I have a heart to empower parents, support teachers, and engage the administration of our schools.

During a 4th of July gathering in 2020, it became obvious that many parents were questioning whether public school was still the best educational option. Since then, I have tried to listen and learn. Now I look forward to the opportunity to serve Dillon and its surrounding areas as a Trustee on the Board of School District #10.

I earned a Bachelor's degree in Business Management and Marketing with a minor in Communication Studies from The University of Montana in Missoula. When first living in Dillon, I worked in a real estate and insurance office, and have since built recreational, hospitality, rental, and real estate businesses alongside my husband and family while being home with our children.

I have worked closely with many community organizations including the Beaverhead County Chamber of Commerce and served on the Board of Hand n' Hand

Preschool for six years. I currently coach Little League softball and help my HOA as an Architectural Review Committee member. Through continued communication and a history of working alongside others to solve problems with openness and honesty, I hope to continue to gain the trust of the community as a Trustee for SD#10.

My greatest honor, however, is raising children. It is with them in mind that I step into this new endeavor. As parents, we are responsible for the upbringing and education of our children. By choosing SD#10 to educate our youth, we trust that the dedicated staff and teachers are working in unity with committed administrators and trustees to give our students the best opportunities for success. I welcome the chance to be a part of this team.

RICH LONG: I am 67 years old and married to Susan, my wife of 44 years. We have four children, all of whom are married, and seven grandchildren with three of them in our Dillon Elementary school.

I graduated from the U.S. Air Force Academy in 1972 and served 27 years in the Air Force. When I left active duty and transitioned to the Air Force Reserves, I began a career with Northwest and Delta Airlines, retiring with 35 years of flying in 2019. In both the Air Force and the airlines, I was involved in education. I was an Air Force and airline Instructor Pilot and evaluator. I was also a classroom instructor, and the head of academics for Air Force student pilots in Del Rio Texas. With the airlines, I was a Professional Standards representative for 25 years, mediating conflicts between pilots and management. Additionally, I was on the faculty of the U.S. Air Force Academy, where I was also an NCAA Division I head coach (Lacrosse).

My family has always been involved in education. My Grandmother was the very first female superintendent of a school district in the state of Texas in the 1920's. My mother was a teacher then a principal in both Middle and High Schools in the Denver Public Schools. My Sister is a professor at Stanford University, where she also served as the Dean of Faculty. My wife is a teacher and was also a High School administrator in Anchorage Alaska where we lived for over twenty years. Both of our daughters are teachers.

It is quite clear that the education and preparation of our children is critical to the future well-being of the United States. Times are not

getting easier or more simple.

One of our Dillon community goals should be excellence in education. The two critical elements in the education process are first, the responsibility and involvement of parents and second, the interaction between the student and the teacher - of committed teachers whose gift set and genuine concern for students enables them to make a positive and lasting impact on the student.

Similarly, one of the most important responsibilities of a school board and a school's administration is to enable dedicated teachers to utilize that gift set to achieve excellence in education. The groups need to work in unity focused on that common goal.

The integrated efforts of the school board and teachers is essential. Trust, confidence with each other and assurance that they share a vision for excellence and what is best for our students cannot be understated.

My motivation for running for Dillon District 10 School Board is to assist School Administration and teachers to attain excellence in education for the benefit of our students, our community, and our nation.
