Claire Ellen Pilon

Claire Blackburn Pilon passed away peacefully April 4, 2022. She was born October 3, 1932 in Library Pennsylvania. She moved to Dillon Montana when she was six years old with her widowed mother, her father John passed when she was 3 years old. Her mother was called to First Baptist church as a missionary. Claire grew up in Dillon attending schools and graduated from BCHS in 1950. She married her high school sweetheart, Roscoe, in 1952, they were married for 68 years, before his passing. Claire was partner in everything Roscoe did from running Dillon Disposal to farming and ranching. In their later years they enjoyed traveling to Yuma AZ, enjoying the fun and sun, while developing new friendships with people from around North America. As a couple, they were strong supporters of all their children and grandchildren's activities. She also worked outside of the home at different times in Dillon, a couple of those jobs were a telephone operator and customer service with Montgomery Wards.

Claire accepted Christ as her savior at a young age and was a lifelong member of First Baptist Church in Dillon, where she wore many hats. One of those was pianist, playing for services and special music. She played piano in the church beginning in her high school years and played until her eyes failed.

Her family consisted of her immediate family, however; her church family was also very important to her. Her home was a place of hospitality. Many missionaries and Christian workers stayed at their house while in the area.

Claire was a wonderful wife, mother and grandmother. Each grandchild thought they were her favorite, which they were.

Claire was preceded in death by her mother Edna Cantrell (Blackburn), husband Roscoe. Survived by her children and their families, Becky (Tom) Miller, their children Melissa (Justin) Schluessler, Michael (Sarah) Miller, Kavin (Amber) Miller, Talyn (Toni) Miller, Dan (Teresa) Pilon, children Tadd Pilon, Brian (Shanna) Pilon, Rory (Shantel) Pilon, and Jim Pilon, children Brent Pilon, Travis (Kacey) Pilon and Kaden Pilon. Sister-in-law Lora Lee (Steve) Dougherty, and 20 great-grandchildren, numerous nieces and nephews.

Services are planned for Monday April 11, 2022, At Brundage Funeral Home. Viewing will take place at 11:00 AM and the service will be at 1:00 PM. Reception to follow at First Baptist Church. Memorials in Claire's name may be made to First Baptist Church, Hospice of Dillon, or the charity of choice.

Dorothy H. Gaines

Dorothy H. Gaines, 77, of Great Falls, passed away on Thursday, March 24, 2022, from complications after surgery, her loving family by her side. A Memorial Service will be held on SATURDAY April 16, 2022 at 2:00 PM in the Rose Room Chapel at Croxford Funeral Home.

A New Year's baby, born January 1, 1945, in Dillon, MT to Ross A. and Francis Nadine (Eberline) Harkness, Dorothy attended local schools, graduating from Beaverhead County High School and earning two bachelor's degrees in English and Science from Western Montana State in Dillon. She would go on to teach in Turner, was a nurse's aide in Dillon, a doctor's assistant for Dr. Daniel Eudaily, a medical tech and laboratory director for Dr. John McGreager and a ward secretary at Columbus Hospital. She was diagnosed with Crohn's disease, and although she suffered, she never let that slow her down.

A traveler at heart, Dorothy cruised the Hawaiian Islands, enjoyed a fall foliage tour back East, steamboated on the Mississippi, toured Scotland, Ireland, Wales and England and visited Canada. A talented musician, she was an accomplished piano and clarinet player, blessed with a beautiful voice and would sing at weddings, funerals and other events. Her love of music and travel lead her to travel to see plays and musicals, visiting Calgary for "Jesus Christ Super Star" to see Ted Neiley as Judas, to Edmonton for "Phantom of the Opera", saw "Cats" in Spokane, and to Vegas for the "Starlight Express".

Dorothy's talent also included being an artist of 706 Studio, specializing in pastels and oils, she was a member of the Red Hat Society, the Mae Carol Theater Troupe, a member of Center Stage and a published writer of poetry and short stories.

She is survived by her sister, Billie Brackett; brother, James Harkness; special friend to the family, Linda Sue Thompson; niece, Teresa Simpson; great niece, Kristina

Dillon City Council Meeting Report

Jeremy Crawford

Southwestern Montana News

The Dillon City Council started the April 6th meeting off with a presentation from I-Worcs software. The software in question is used to track code enforcement violations. The software would allow the person to take pictures, record what the offense is and track if the violation has been brought up to standard.

Council person Russ Schwandt pointed out that the software is an amazing tool, but Dillon lacks an appointed code enforcement officer as well as the manpower to enforce the codes now. So, the software would be a good investment, but the city does not have the manpower to keep up on the enforcement of codes. The initial cost of the software would be \$13,000 then \$11,000 for each year after that.

The appointment of a stand-in judge for Judge Minor came to a heated discussion as Councilperson Graham and O'Rourke wanted to know why there was what they perceived as a lack of transparency in the appointment of Jim Valach.

Judge Minor pointed out that the decision to appoint was solely hers and she did not need the Council's approval for this. He is just stepping in temporarily and will not be the permanent judge. This is the difference from in the past when we had a judge pass away while being in this position.

Mr. Valach withdrew his name, and a heated discussion was had between judge Minor and the Council as she asked if any had read the papers, she handed out that explained how she could assign a temporary replacement. None of the members read the papers. Mr. Valach said he would take the position and Judge Minor was able to swear him in.

Judge Minor will be reporting for active duty, and we wish her the best of luck and thank her for her service to our Country.

Next on the agenda was the discussion of the Beaver Pride subdivision and the approval of the third plat. Part of this discussion was the extension of Franklin Ave. as well as the bonding and completion of the sidewalks. The developers and former developer explained they had every intention of finishing the sidewalks but would like to bond them out as the houses are built.

Mr Stoker also addressed the fact that they have lived up to the agreed upon stipulations when the subdivision was approved, and

the city is now trying to add more stipulations to the final phases and this is a violation.

The Chief of Police announced his plans to retire at the end of April.

The final topic of the night was the purchase of three laptop computers for the City's Court System, they would allow papers to be signed on the computer instead of a person who may be disabled having to go up the stairs. The computer would also help with the processing of paperwork and speed up a lot of the everyday filings. The idea is to use ARPA funds for this. One question brought up from Council person O'Rourke was could funds be used for this as this would be considered a cost of doing business expenses and those types of expenses cannot be used with ARPA funding. This was something that would be referred to the ARPA committee to investigate before a decision would be made. If you would like to watch the whole meeting, you can see it on Southwestern MT News Facebook page.

ELK MANAGEMENT ADVISORY GROUP TO MEET APRIL 14

The Elk Management Citizen Advisory Group will meet via Zoom on April 14 from 8 a.m. to noon. The meeting will be streamed on the Montana Fish, Wildlife & Parks website.

Anyone interested in offering comment during the public comment portion of the meeting must register on the FWP website between noon on April 8 and noon on April 13.

The group is composed of 12 citizens, selected by FWP, who represent a broad range of viewpoints and experience. The group is tasked with developing a set of recommendations to address elk management issues and improve relationships among stakeholders.

The group's recommendations will be presented to FWP Director Hank Worsech by July 31.

For more information about the advisory group and to watch the April 14 meeting, go to <https://fwp.mt.gov/aboutfwp/elk-management-citizen-advisory-group>.

Dillon Middle School News for April 11 - 15

The lunch menu for the week is as follows: Monday we will enjoy stromboli served with green salad. Tuesday, Pork roast will be served with mashed potatoes and vegetables. On Wednesday, only a grab and go breakfast will be served as we will have a noon release. We will be out of school for spring break beginning with a noon release on Wednesday, April 13th. We will return to school on Tuesday, April 19th.

This Tuesday, track members will travel to their first track meet in Belgrade. The bus leaves the school at 7:45 AM and the meet starts at 11:00 AM. We cannot wait for you if you show up late, so please be to the school by 7:30 AM. Track members, please be prepared for all weather conditions. Sweat pants and shirts are requested as well as jackets, hats and gloves. Also, sun screen is highly recommended. Although we will stop on the way home for food, it is a long day at the meet, and members should bring plenty of water and a sack lunch as well as money for when we stop to eat. The school will provide a track jersey, if you did not purchase one of your own. Please talk to one of the track coaches about this, if you need one. Also, a reminder that during track practice, if an athlete has an individual event that is practicing that day, they will be done at 5:30 PM instead of 5:00 PM. Many of our athletes will be staying late each track practice because they are trying the many different events offered.

During March madness, Mr. Williams ran a bracket competition for any middle school student that was interested. Many of the students competed. Congratulations to Brynna Gibson for winning the competition with 42 correct. Second place went to Quintin Roark with 39 correct.

Wednesday, before our early release, we will be having an assembly on grizzly bear safety and awareness.

What are ACEs? Adverse Childhood Experiences are significant childhood traumas that result in actual changes in a child's brain development. ACEs include physical, sexual, and emotional abuse and emotional and physical neglect. Resilience helps families respond effectively to these challenges. Join the Beaverhead ACEs Task Force. Healthy families build strong communities. We'd like to wish everyone a happy and safe spring break and see ya back at school on April 19th.

The RN is responsible for conducting utilization review on inpatients, observation patients, and swing bed patients. The RN will review charges and perform discharge planning for all inpatient and swing bed patients. The RN assists the Quality Services/Risk Management Director with quality and performance improvement projects. The successful candidate must have excellent organizational and time management, be a motivated learner, have above average interpersonal and customer services skills, be a self-starter, have an innovative spirit, expertise in hospital business acumen, be a problem-solver and the ability to deal with ambiguity. Minimum Qualifications: Bachelor's Degree and RN license, required. Candidates without a nursing licensure may be considered, however a bachelor's degree is required. Computer proficiency and experience with electronic medical record documentation. A minimum of five years of related healthcare or hospital experience preferred. This is a PRN position.

Chief Clinical Officer

Barrett Hospital & HealthCare invites applications to fill a Chief Clinical Officer (CCO) position to join our Executive Leadership team. This executive level position plans, coordinates and directs clinical and nursing patient care activities within the facility in alignment with the organization's mission, vision, values, strategic plans and goals. The CCO provides leadership support in the clinical services areas including acute care Nursing (Medical/Surgical, (including Hospitalist oversight), Emergency Department, Special Care, Obstetrics, Peri-operative services (including CRNA oversight), Cardiopulmonary Rehabilitation, Nutritional services, Clinical Laboratory, Radiology, and Pharmacy departments. The CCO ensures standards of patient care are met and advises medical staff, department managers, administration, and Board of Directors in matters related to clinical services. The CCO participates as a member of the senior leadership team for ensuring organizational focus in achievement of strategic plan goals and objectives, sharing accountability for overall facility results. The CCO ensures compliance with state, federal and other regulations impacting the organizations licensure and/or accreditation. Minimum Qualifications: Commitment to continuous learning in appropriate field. Education: Master's degree (M.S.N.) or equivalent required; five to ten years related experience and/or training; or equivalent combination of education and experience. Licensure: Registered Nurse in the State of Montana; Basic Life Support (BLS) Certification and ACLS required. This position is a full-time position and is eligible for the full benefit package.

Sterile Processing Technician

Barrett Hospital & HealthCare invites applications to fill a Sterile Processing Technician position joining our Peri-Operative team. Sterile Processing Technician provides excellent customer service and exhibits professional demeanor at all times. Manually sorts, disassembles, cleans and/or disinfects instruments, scopes, and supplies per department protocol for assigned area(s). Utilizes critical thinking skills regarding workflow and assignment. Performs quality control on instruments/scopes by checking for visual damage, sharpness, cleanliness, and working condition. Initiates process for repairs and/or replaces as applicable to assigned area(s). Completes all daily production and quality control records. Continually checks for any outdates of sterile items and packaging integrity. Performs immediate-use steam sterilization of instrumentation using proper technique. Prepares surgical instrument sets and/or trays. Prioritizes production of surgical case cart, floor stock trays and miscellaneous. Wraps, packages, and sets up instrument trays per department protocol. Labels all instrument sets, peel-pouches, etc. Efficiently and accurately loads sterilizers per department procedure and as applicable to assigned area(s). Sterilizes instruments, scopes, supplies and linen using mandated sterilization processes per department protocol. Ensures proper operation of sterilization units through daily quality control testing. Inspects equipment as applicable to assigned area(s) for visible signs of malfunction and reports malfunction to leader in a timely manner. Processes requisitions and requests for case carts, instrumentation, and supplies in a timely manner. Orders all department supplies. Communicates deficits in supplies or instruments for case carts to appropriate stakeholders per department protocol. The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with knowledge, skills and abilities required for the job. Not all the duties may be assigned to a position. Minimum Qualifications: Minimum of one (1) year work experience in sterile processing or healthcare preferred. Other combinations of education and experience may be considered. Minimum of one (1) of the below must successfully be obtained within two (2) years of hire: International Association of Healthcare Central Service Material Management (IAHCSCMM) or Certified Board for Sterile Processing and Distribution (CBSPD) certification. Excellent organizational skills, detail-oriented, a self-starter, possess critical thinking skills and be able to set priorities and function as part of a team as well as independently.
