Wood Bank Re-Dedication April 24

On Sunday April 24, 2022 at 2 pm the Beaverhead Community Wood Bank Ministry will celebrate 14 years at their current location, and rededicate the wood processing yard in memory of their founder, Father Harry Neeley.

The public is invited to a brief ceremony followed by refreshments at the wood yard, located at 175 Lovell Road. This is an outdoor event – please dress for comfort according to the weather. Following an invocation by The Reverend Jane Shipp, and remarks by Wood Bank volunteers, "Moosejaw" Geoff Roach will provide music.

The Wood Bank is a unique all-volunteer nonprofit inspired by the late Father Neeley, retired Episcopal priest. Volunteers cut, split, and deliver wood to households in need (low income, disabled) throughout Beaverhead County.

This season, since September 2021 the Wood Bank has distributed about 115 cords of wood among 43 households.

For information about this event, contact Rick Hartz at 406-683-4506.

Grizzly bear euthanized near Augusta

After confirming four calves were killed by a grizzly bear along the Rocky Mountain Front near Augusta, Montana Fish, Wildlife & Parks and the U.S. Department of Agriculture Wildlife Services shot the bear after obtaining the necessary approval from the U.S. Fish & Wildlife Service (USFWS).

Having the approval from USFWS to lethally remove the bear, the 3-to-4-year-old male bear weighing 390 pounds was killed by firearm. Traps were not set, to avoid capturing other bears in the area that were not confirmed to have killed any livestock.

The hide and head from the bear were salvaged for Choteau High School students, who are using them to construct a replica for bear spray training lessons.

A different grizzly bear was in and around Augusta over the weekend, and although this second bear has not been reported in any conflicts, residents are urged to continue to exercise caution.

Donate blood on Monday, April 25, 2022 at The Church of Jesus Christ of Latter Day Saints and become a hero for patients in need

Heroes come in all shapes and sizes. They don't wear capes or
special suits, and their badge of honor is the bandage that shows
they gave the gift of life.

The community is invited to become a hometown hero and
answer the call of patients in need by donating blood on Monday,
April 25, 2022 from 1:30 p.m. to 6:30 p.m. at The Church of Jesus
Christ of Latter Day Saints.

Donating blood is one of the simplest things a person can do
to help save a patient's life. For the hour it takes to give blood,
there could be a whole community of people thankful for another
birthday given to their loved one.

To make an appointment or to learn more, download the American
Red Cross Blood Donor App, visit RedCrossBlood.org, call 1-800-
RED CROSS (1-800-733-2767) or enable the Blood Donor Skill on
any Alexa Echo device. Completion of a RapidPass® online health
history questionnaire is encouraged to help speed up the donation
process. To get started, follow the instructions at RedCrossBlood.org/RapidPass or use the Blood Donor App. A blood donor card or
driver's license or two other forms of identification are required at
check-in. Individuals who are 17 years of age in most states (16 with
parental consent where allowed by state law), weigh at least 110
pounds and are in generally good health may be eligible to donate
blood. High school students and other donors 18 years of age and
younger also have to meet certain height and weight requirements.

New fishing regulations in place for Big Hole, Beaverhead rivers

New regulations adopted in 2021

Montana Fish, Wildlife & Parks reminds anglers of new fishing regulations that are in effect for the Big Hole and Beaverhead rivers.

The Fish and Wildlife Commission adopted the new regulations last year to help preserve existing brown trout in the two rivers, where populations have declined in some reaches in recent years.

Anglers should consult the complete list of regulations for these and other waterbodies in the current fishing regulations booklets, which can be found at fwp.mt.gov and anywhere fishing licenses are sold.

Some of the regulations for the Big Hole River include:

From Dickie Bridge to the mouth, artificial lures and single-pointed hooks only. No treble or double hooks. Anglers may remove treble or double hooks from the lure and replace them with a single hook, or the shanks may be cut off to leave a single hook. Lures with multiple hook attachments may still be used, but any treble hook must be replaced by a single hook.

From Dickie Bridge to the Bureau of Land Management's Maiden Rock Boat Launch, brown trout fishing is catch-and-release only, and rainbow trout fishing is catch-and-release only from Dec. 1 to the third Saturday in May.

From the BLM Maiden Rock Boat Launch to Brownes Bridge Fishing Access Site, fishing is open only from April 1 through Sept. 30. Fishing for brown trout in this reach is catch-and-release only.

From Brownes Bridge FAS to the mouth, brown trout fishing is catch-and-release only, and rainbow trout fishing is catch-and-release only from Dec. 1 to the third Saturday in May.

Some of the regulations for the Beaverhead River include:

The same regulations on artificial lures and single-pointed hooks mentioned above apply to the entire Beaverhead River.

In the entire Beaverhead River, rainbow trout harvest is limited to one daily and in possession, and brown trout fishing is catch-and-release only.

From Clark Canyon Dam to Pipe Organ Bridge, fishing is open only from the third Saturday in May through Oct. 31.

For more information, visit fwp.mt.gov/fish/regulations.
