INDEPENDENT BOOKSTORE DAY

The Bookstore will be celebrating Independent Bookstore day on Saturday, April 30th. This is a one-day national party that takes place at hundreds of independent bookstores in all 50 states. The Bookstore located at 26 North Idaho Street opened its doors on May 1st, 1984 with Debbie Sporich coming on board March 1st, 1992.

Independent bookstores are not just stores they are unique community centers and local anchors run by passionate readers. They are entire universes of ideas that contain the possibility of real serendipity. They are lively performance spaces and quiet places where aimless perusal is a day well spent. Each store represents the individuality of their booksellers. Debbie has been reading since the age of 4 and it seemed to be destiny that she would one day own a bookstore.

In a world of tweets and algorithms and pageless digital downloads, bookstores are not a dying anachronism. They are living, breathing organisms that continue to grow and expand. In fact, there are more of them this year than there were last year.

The Bookstore will host a coloring contest and a trivia challenge, which can be found in the Dillonite Daily, on Face book and at The Bookstore. There will be sidewalk scrabble and in store drawings for exclusive literary items that you can only get on Independent Bookstore day. Join us as we celebrate our indie spirit on Saturday, April 30th. 9:00-4:00 Call 683-6807 if you have any questions.

The Dillon City Council met on Wednesday, April 20th. First on the discussion was the appointment of Jeremy Alvarez from assistant Chief of Police to interim Chief of Police. Councilman Daniel Nye and Councilwoman Mary Jo O'Rourke both asked if they would be advertising the job opening for the vacant position or do they plan on moving Alvarez to the position? They both wanted to know if it is in the city codes to advertise for this position. Mayor McGinley stated Alvarez will fill in and tell they have advertised for the position, and he will be making the decision with the Council meeting on June 1st. Looking through the past appointments for Chiefs of Police, Chief Guiberson was appointed after serving as interim chief for five days. Mayor Klakken at the time said they did not need to advertise for the position, and he was appointing Guiberson to the position. With Chief of Police Paul Craft he was also appointed by the Mayor at that time. It seems after looking at the city laws the mayor has full power to appoint the Chief of Police and has done this in the past, with officers who have been a part of the police force and understand the town and its working.

When Fire Chief Klose finished his report, he gave his opinion that there is no faster way to destroy a good working force than to bring in an outsider. As of now Jeremy Alvarez will serve as the interim Chief of Police. He has proven his leadership capabilities as he served as the assistant chief of police as well as taking over when Chief Guiberson had medical issues for the last two years. He was able to keep the force moving and functional without causing much disruption or change.

Up next was the Library Board, they are working on hiring people for summer programs, but head Librarian Lori Candy stated they cannot pay a wage that would help retain people. Most people they have hired return their keys when the training stages are almost over saying they will not do the work for what the pay is. As of now the City would like to hire at \$11.55/hr but they cannot afford to do this as they would also have to increase the other employees wages as well. Another hot button item up for discussion was a foot bridge located on S. Pacific Street. The bridge is under disarray and needs to either be rebuilt or looked at by an engineer to see if it is safe. After looking

at the bridge in person it does buckle and sway as one walks across it.

The City attorney stated that if it is unsafe and questions have been raised the city does need to take precautions in its use as it opens them up to liability issues. Councilwoman O'Rourke objected to the idea of closing off the bridge stating 200 people a day use it. If the bridge is in disarray and needs repair, would it be cheaper to just replace the bridge then bring in an engineer to look at it and give his opinion before proceeding?

During public comment former Mayor George Warner brought up the legitimacy of City Judge appointing a stand in as she was away on active duty. As per the last meeting it was

clear she could do this she provided paperwork with what she could and could not do, but many people on the council acknowledged they did not read this paperwork. Warner also warned the city of the upcoming budget as the cost of everyday operations have skyrocketed.

Veteran's Corner. Update #151

By Mike Lawson

Greetings to those of you who read my SW MT veteran update articles. Even with our experiencing cooler weather, snow and wind, spring has sprung with green color peaking through the brown grass and foliage. I was at Chico Hot-Springs this past week, and the weather was cloudy but in the 40's and 50's. I took a ride up to Jardine, one afternoon, which is 8 miles above Gardiner. This little mining town was where my Dad was raised and where I lived the first 4 months of my life. I saw a lot of elk and 7 Big Horn Rams, right along side the road, going into Gardiner. Going on the gravel road up to Jardine, I saw more elk. The snow was gone in that high country and the big boom migration of out-of-staters is very evident in both Jardine and especially in Gardiner. The high dollar homes up on some of the ridge lines and above the Jardine road are mind boggling. Big money is the name of the game, in this part of the world. Sad, in a way, for those of us who remember what it used to be, but life moves on and we learn to adapt.

April 29th is the upcoming date for us to remember, in the SW MT Veteran world. This is the day that the Grand Opening Ceremony is going to take place, for the new VA (CBOC) Medical Center in Butte. As most of you know, it's located off the last I-90 Butte east exit, toward Homestead Pass. It's located across the road and east of the Three Bears Grocery Store. The beauty of this building, inside and out, is outstanding. A well deserved tribute to Wayne and Todd Paffhausen, who build it, along with their various sub-contractors.

We the Veterans, who will receive care there, will benefit from the easy accessibility and additional medical services the VA will provide for us, is this new facility. The Montana Standard published a good article, explaining the addition of more staff and services that will be provided. On the construction end of things, it's in a final finishing mode this week. The VA came and did a walk-through inspection, which always creates a punch-list of adding/correcting/touching-up various things, they want addressed. Josh Paffhausen, the Construction Superintendent on this project, said the punch-list was minor and was being addressed quickly. He felt everything should be ready for the Grand Opening this Friday.

The SW MT Veteran's Home has two openings in Cottage #3, as one Veteran passed away and another decided to leave. Teresa Madrazo said there are a few of our Resident Veterans who are on Hospice, but most of them are doing pretty well, health wise. No word, at this time, as to how the inspections on Cottage #4, have gone. I know that Eduro is anxious to start admitting Resident Veterans, to this Cottage. We hope it's this week, and that the inspections are hopefully over. Getting the United Veteran's Honor to do a short Ceremony, in each of the Cottages, on Memorial Day, is being worked out. It was such a privilege and joy last year, when we did it. Music/religious/other activities are being planned for our veterans living there. This isn't a place where our vets are sitting idle, twiddling their thumbs. Teresa Madrazo and her staff, strive hard to make everyday life enjoyable, for our veterans living there. This Veteran applauds them and the rest of the Eduro staff, for the loving care they provide on an every day basis.

The Dillon VFW Post #9240 hosted a District #4 VFW Meeting at the Armory, this past Saturday. They did a great job and we were treated to a delicious BQ Brisket dinner. Many thanks to them. The VFW Post # 6774, in Billings, will sponsor the VFW State Convention. This will be at the Billings Hotel and Convention Center, from June 15th to June 18th. The American Legion Post #20, will meet today, the 27th, at 6:00 PM for some planning sessions. All veterans are encouraged to attend and participate.

In Sheridan the American Legion Post #89 had a Sheridan Appreciation Day at the schools. They passed out Essay and Survey applications for the kids to participate in. The top three of each will go to the State Competition where they can win cash/scholarships and the chance to go to the National Competition.

In Twin Bridges, Appreciation Day will on May 13th and the 16th. Both the middle school and the high school will be given applications. Twin Bridges Post #31, meet the 2nd Thursday of every month. The other event Post #31 is sponsoring, is a Fishing Derby for kids at Laurie's Pond in the middle of May. They give a variety of prizes from fishing poles to money. Sounds like a lot of fun.

Deer Lodge is home to both the VFW Post #689 and the American Legion Post #10. The VFW Post #689, meet the 4th Thursday of the month at 6:00 PM. The American Legion Post #10 meet the 2nd Monday of the month at 7:00 PM. They both meet at the Community Center. There is a "Veteran's Night Out" event at the Elks at 7:00 PM on the 1st Tuesday of the month. All veterans are invited. Another event that happens every year, is the Deer Lodge Honor Guard, made up of both of these Post's members, performing a ceremony to honor all Law Enforcement Officers, who have fallen in the line of duty. They do this in the "Old Prison Court-Yard". What a great thing to do.

This past Monday the SW MT United Veteran's Council Honor Guard, will have done a veteran's funeral ceremony for Lola Krueger, who was a WWII Veteran. Lola was an intelligent woman who raised her children and was a school teacher. She attended our church and was a very kind and interesting lady. Serving her country during war time, was her way of giving back. We salute her and paid tribute to her, in this way. Our Veteran Honor Guards, across America, bury our own in the solemn ceremony we perform, and know one day we'll receive the same. The three volley gun firing salute and Taps, bring a tear too many an eye, as we send our brother or sister veterans home. Their lives of serving, is remembered with a hand salute.

I'll close for now, hoping for warmer weather, to get out and enjoy ourselves in. Until next time, take care.
