Ricky Joe "Rick" Kuntz

Ricky Joe "Rick"

Kuntz was born February 25, 1950 in Billings, Mont. The believer in a loving and merciful God, Rick left this earth on April, 29 2022 after a 17 year long battle with Parkinson's disease.

The second child born to Edwin and Margaret "Peg" Kuntz, Rick grew up on the family farm 5 miles west of Custer Montana alongside older sister Belva and younger brother Cody. Life as a farmer's son in small town Montana

was the life of dreams. There was always water to change, rattle snakes to kill, grain to shock and cattle to feed. Rick was a standout athlete at Custer High School and always looked backed with pride on this days in Cluster

After being elected Montana FFA State President in 1968, Rick went on to attend Montana State University where ultimately, it could be argued, he majored in rodeo and beer drinking. Graduating with a degree in Agriculture Education, it was not the classroom, but rather the banking industry that Rick started a career in. Rick found a home as an ag lender and enjoyed crunching numbers and helping producers in a financial capacity.

He married Jan Edwards in 1973. The couple had two children, Hilary Dawn, born in 1979 and Alissa (Liz) Mikal, born in 1982. Rick and Jan later divorced. Rick married Gail Shaffner, the red headed daughter of the town veterinarian in 1987. After a short stint in Conrad while Rick wrapped up his banking career, the couple moved home to Gail's family ranch on the lower Grasshopper just south of Dillon in 1988. From the day he moved to the ranch until the day Parkinson's disease got the better of him, Rick loved every minute of being a cowboy.

Rick and Gail welcomed two more children into their lives, Morgan Calla born in 1992 and Jace Cooper born in 1996.

While Rick certainly loved the ranching way of life, a part of his heart was always set aside for sports. Rick enjoyed being a basketball referee for many years in the Big Sky Conference and forever counted his "referee buddies" as some of his most cherished friends. His passion for officiating continued on at the national level where he served on the board for the National Association of Sports Officials.

Without a doubt, Rick's favorite sport was baseball and his brain was nothing short of a steel trap when it came to baseball trivia. He greatly enjoyed getting to "swap" trivia facts with his son Jace- although 9 times out of 10, Rick would always end up stumping Jace.

They say the meaning of life is to find your gift and the purpose of life is to give it away. Well, Rick's gift was his ability to perform cowboy poetry. Rick's command of the English

language, his stage presence and his impeccable memorization skills made him a dynamic performer that wowed audiences. His rendition of poems like "The Bra" or "Snowville" always brought laughter to a crowd while his candid performances of his own authored poems gave audiences an audio-visual experience they would not soon forget. Rick's poetry talent will forever remain a treasure to those who got to see him perform.

A lifelong member of the Montana Stock Growers Association and former member of the organization's Board of Directors, Rick was a cattleman who enjoyed every moment he spent a horse back, riding his favored Morgan geldings- Little Jake or Patches, while a faithful blue heeler dog trotted at his side.

Rick is preceded in death by his father Edwin, his mother Peg, Father-in law, Dr. Don Shaffner, mother-in-law Helen Shaffner, nephew Will Arvik and grandson Burke Mellem.

He is survived by his wife Gail, his sister Belva (Harold) Arvik of Hysham, brother Cody (Susan) Kuntz of Custer, daughter's Hilary Biggerstaff and her two sons, Wyatt and Cole of Bozeman, Liz (Ryan) Mellem and their three children Beckett, Rook and Keaton of Missoula, Morgan Kuntz of Dillon and his son Jace (Grace) Kuntz of Lafayette, Indiana. As well as numerous nieces, nephews and friends Rick has always counted as family.

The family would like to extend a sincere thank you to the staff at the Renaissance and all the doctors and nurses at Barrett Memorial Hospital for the amazing care they offered Rick in his final months.

Donations in Rick's memory can be made to the Montana FFA Foundation. If you wish to donate locally, please consider giving to the Beaverhead County 4-H to help them build their new 4-H building or to the new Beaverhead County High School baseball team.

Rick's Funeral will be held on May 24th, 2022 at 1:30 pm at the Brundage Funeral Home in Dillon.

30 E. Bannack 683-3548**Edwin Stanley Armstrong**

Edwin Stanley Armstrong was born on November 21, 1937, in Bozeman, MT and died on April 24 2022, in Phoenix, AZ.

Despite his birth certificate, he often claimed he was born on a ranch near Willow Creek, MT. His childhood was spent in the South Boulder Valley near Cardwell, MT actively helping with the family ranch. Although an only child, he grew up very close to his double first cousins, whom he often considered brothers and sisters.

He graduated from Whitehall High School in 1955 and by-passed a football scholarship to join the Air Force later that year. He was trained as a

medical technician, and eventually was stationed near London, England. Following his father's death, he was honorably discharged and returned to the ranch in 1959. He met his wife Eileene St. Onge in Whitehall and they later married on June 29, 1963. They settled in Cardwell, began a family and moved to Dillon in 1968 as Ed was finishing an Education Degree from Western Montana College. While academic report cards from his early years show that schooling was a low priority, his college education was more highly valued. He graduated near the top of his class at Western while commuting from Cardwell and simultaneously continuing ranching and raising a family.

After graduation he taught science and history in the Dillon School system for 29 years. During this time, he also coached basketball and baseball. He enjoyed hunting and fishing in his earlier years and golfing throughout his adult life. During their 47 years in Dillon, Ed was active in the St. Rose of Lima Catholic Church serving on the Pastoral Council, Knights of Columbus, and later as a server and Eucharistic Minister at Sunday Masses. He also served as the official scorekeeper for Western football and later for Beaverhead County High School boys' and girls' basketball for over 20 years.

Following retirement, he and Eileene were frequent travelers with visits to see kids and grandkids, as well as trips abroad. This included a once in a lifetime trip to play a round of golf at St. Andrews in Scotland.

He was preceded in death by his wife of 57 years, Eileene (St. Onge) Armstrong who passed away October 5, 2020; his father Edwin Armstrong and his stepfather and mother Rudy and Billie Wegner.

He is survived by his 3 children, 7 grandchildren, and 4 great grandchildren including: daughters Jacqueline (Rod) Christiaens and sons, Valier, Jan (Scott) Wright and son, Buckeye, AZ; and son Scott (Sarah) Armstrong and children Albuquerque, NM. Other survivors include stepbrothers and sisters, cousins, and numerous nephews and nieces.

A Rosary Vigil service will be held at St. Rose of Lima in Dillon on

Friday, May 27 at 7 pm. A Funeral Mass will be held on Saturday, May 28 at 11 am, followed by burial at the Mountain View Cemetery in Dillon. Following the burial there will be a gathering for family and friends at St. Rose of Lima Recreation Center in Dillon.

In lieu of flowers, the family requests donations be made to St. Rose of Lima in Dillon or the charity of your choice.

Daisy

Bryce Angell

She called me on my cell phone. Said, "I'm bringing home a dog."

I'd just woke from my noon time nap. My brain was still a fog.
Was she talking meat frankfurter with some relish and a bun?

And surely not a canine who would keep us on the run.
But when she walked on through the door, it came to my surprise.

There stood a dog who stole my heart with her beautiful brown eyes.

Daisy was her name a mix of Labrador and Poodle. I guess
that's why they say she is a blonde-haired Labradoodle.

Daisy ain't no cow dog. Doubt she's been around a horse.

But she's perfect for a man who left a muddled-up workforce.
She needed lots of scratching, mostly underneath her chin.

You could scratch her neck for hours. She wouldn't let a soul give in.
Daisy wouldn't leave my side and when I'd go to bed, she'd

jump on up right next to me, her butt next to my head.
But the weekend was approaching. I'd be gone for two whole days.

And we never even dreamed our Daisy had some nasty ways.
My wife said Daisy whined and cried most every single night.

I couldn't wait to see her on that Monday morn's first light.
I drove into our driveway through the early morning dark.

I was thinking 'bout our Daisy when I promptly heard a bark.
I hurried from my truck to get inside where it was warm.

Then Daisy went half crazy. She was barking up a storm.
Daisy started growling. She was baring canine teeth.

I panicked when my brain kept saying, "Six feet underneath?"
But our mad dog finally recognized, then calmed herself on down.

She shot a nasty look to me. I'm sure I saw a frown.
She looked straight to me, in the eye. Then turned her head away.

Our dog was pouting. She was mad and going to make me pay.
Our Daisy wouldn't look at me until I scratched her chin.

Then she finally snuggled up. I was in graces once again.
So, I think I've got it figured how to keep the pout at bay.

Next time I'll take her with me when I'm gonna be away.

With Honesty & Integrity

Troy Andersen has made Dillon, MT Proud

Troy Andersen is an American football linebacker for the Atlanta Falcons. The Falcons drafted Andersen with the 26th pick of the second round (No. 58 overall) on Friday night. There were watch parties throughout Dillon as they saw a dream come true for a local boy that we have watched play multiple sports and are very happy for and proud of.

THANK YOU

"The family of Carma Tyler would like to thank the Beaverhead County community for the outpouring of well wishes and donations. We are deeply humbled and extremely grateful for the support. Carma's benefit was overwhelming, emotional, and just plain amazing. The money raised will go far in the way of bills, but it will also bring some peace of mind. We are part of a spectacular community filled with kindness! Thank you all so much."

BEAVS SOFTBALL

This weekend the Lady Beavs traveled to Frenchtown and played 4 non-conference games in the Frenchtown Tourney. In a weekend that was filled with rain showers off and on, the Beavers struggled to overcome the strong NW A teams they faced. In fact, the Frenchtown brones were the only SW A team able to pull out a couple of wins on the weekend. The Lady Beavs' closest contest was on Friday evening versus the Libby Loggers. That game ended in the 5th due to the time limit, which was unfortunate as the momentum was on our side. The score was 6-8, and the bats had come alive. The other teams we played were Columbia Falls, Ronan and the always powerful defending state champions Florence.

The weekend was good for us as we were able to play girls in a variety of positions, and face the best pitchers in the state. I believe playing against good teams with experienced players just made our team better. I am extremely proud of how hard they worked in every single inning, and showed extreme toughness in playing through poor weather conditions at times. This is a great group of girls with the potential to be very successful in the 2nd half of the season. We've got coaches commenting after games that they are impressed in how far we've come in a short amount of time with so many younger players and that we are going to be a force to be reckoned with in the weeks and years to come. Now, if we can just get all our girls on board and believing in themselves as much as we believe in them then the sky is the limit.

Some highlights from the weekend...

Abby Johnston hit a grand slam versus C. Falls.

Abby Brevig hit a home run versus Libby.

Kinzy Creighton, Tyler Gibson, and Katie Vezina all had multiple hits and multiple RBI's over the weekend.

Adyson Creighton took on the lion's share of the pitching duties from the mound and did an outstanding job for the team. Katie Vezina threw for several innings and was able to get some valuable experience on the mound. Abby Johnston came in for relief in one game as well.

US Congress Candidate Visits Dillon

Dr. Al Olszewski, Republican Candidate for U.S. Congress will be in Dillon on May 6th. You will have a choice of 2 convenient times to meet and greet him. The first time will be from 11 am to 1 pm at the Legacy Assisted Living Meeting Room with lunch available or from 5:00 - 7:00 pm at Mac's Last Cast Meeting Room.

Please take this opportunity to meet this candidate for Montana's New congressional District in the U.S. Congress.

Administrator Airlift Event to be held Thursday

The Montana Youth Challenge Academy, in partnership with the Montana National Guard 1-189th General Support Aviation Battalion and the University of Montana Western, will host an Administrator Airlift event throughout the business day on Thursday, May 5, 2022.

Please be aware that two Black Hawk and two Chinook helicopters will be landing and taking off from the football practice fields on the south side of the Montana Western campus on this day.

This event provides Montana high school administrators, counselors, and staff an opportunity to learn more about the Challenge model of youth development and the University of Montana Western and Experience One.

To ensure the safety of the university and Dillon community, it is critical that all observers stay clear of the UMW practice fields on May 5. For more information, please contact kamille.bergquist@mycacademy.org or call 406-960-4449.

Dillon Cubs

Jeremy Crawford

Southwestern Montana News

The Dillon Cubs first home game was held today against the Anaconda A's. The Cubs came to play and started an early lead in the first game. The A's were unable to come back after five innings the Cubs wrapped up the first home game with a 25 to 3 win.

The Cubs would go on to win game number two with a final score of 6 to 2 due to an injury with the Anaconda A's player.

UMW Fine Arts to Host Vaudeville Show

Montana Western's Fine Arts Department presents the "Cantabileers" on April 26 and "The Knickerbockers' Theater of Titillation and Talent" on May 4.

The University of Montana Western's Cantabileers, a select choral group, will perform Tuesday, April 26, at 7:30 p.m. in the Beier Auditorium. Admission to the concert is free.

This small group has worked all semester to put together a fun and dynamic program to share with the community. As always, students have had the leadership roles every step of the way. They have chosen some interesting pieces, including familiar songs from well-known musicals as well as songs that will be new to most. Students have volunteered to conduct, and they collectively decided who sings the solos in the ensemble pieces. Additionally, several have chosen songs that they find particularly interesting or meaningful to sing as solos or duets.

Susie Steadman accompanies the group on the piano. For more information, please contact the group's director, Dr. Debbie Seacrest, at debbie.seacrest@umwestern.edu.

"The Knickerbockers' Wednesday, May 4, at 1:00 p.m. University's Small Auditorium main hall. (more information to follow.)

Friends of the Jaycee Park Flag Pole

The Friends of the Jaycee Park are going to add a Flag Pole in the middle of Jaycee Park. This idea was brought up a couple years ago, but is now coming to a reality.

We have a donor who is covering half of the approximate cost of \$5,000 if we can raise the other \$2500.

If you can help us raise a flag pole with a flag that will be lighted, please call Womack's Printing 683-4903 or drop a donation with them, or contact RayAnn Sutton, Jim Valach.

We are looking forward to the new addition to go along with the new sidewalks and picnic shelter. (WE HAVE RECEIVED \$500 IN MEMORY OF AIR FORCE VETS.)

Donations towards the park are greatly appreciated and will be used to cover the extra shipping cost we are experiencing with gas prices what they are now.

Coffee Works has now set up a donation jar at their coffee stand if you would like to drive up and drop off a donation.

Registered Nurse – Med/ Surg- Day & Night Positions Available

***** \$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available *****

Barrett Hospital & HealthCare invites applications to fill a Registered Nurse (RN) position to join our Acute Care nursing team on our Medical/Surgical Inpatient Unit. The Registered Nurse is responsible for the practice of professional nursing, which includes assessment, planning, intervention, and evaluation of pediatric through geriatric patients. All Registered Nurses are expected to function independently in the Special Care Unit within a reasonable time frame not to exceed 18 months. Minimum Qualifications: An associate degree in Nursing, BSN preferred licensed in the State of Montana. Current BLS Healthcare Provider certification required. ACLS and NRP certifications will be required within a reasonable time frame, not to exceed 12 months. PALS preferred. This is a full-time position and is eligible for the full benefit package.

Registered Nurse – Home Health & Hospice

*****\$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available *****

Barrett Hospital & HealthCare invites applications to fill a Registered Nurse (RN) position to join our Home Health & Hospice team. The RN provides direct care and supervision of patients receiving Home Health & Hospice Services. The RN ensures the quality and safe delivery of home care services, delegates and performs all aspects of patient care in an environment that optimizes patient safety, assists the Home Health & Hospice Manager in meeting Federal and State regulations and standards. Successful candidates will have a passion for customer service excellence, teamwork and enjoy working with the public. Minimum Qualifications: Associates degree in Nursing required. BSN preferred. Current Montana Licensure as a Registered Nurse (RN) required. Two years directly related experience preferred, or combination of education and experience may be considered. Basic Life Support (BLS) required. Travel is required for this position and candidates must have a valid and unblemished drivers' license. This is a full-time position and is eligible for the full benefit package.

Registered Nurse – Ambulatory

***** \$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available *****

Barrett Hospital & HealthCare invites applications to fill a Registered Nurse (RN) position to join our Ambulatory Surgery team. The RN is responsible for the practice of professional nursing which includes assessment, planning, intervention, and evaluation of patients of all age groups (pediatric through geriatric). The RN is trained to cover in ACU/PACU and will provide advocacy and care for the patient, especially during pre-operative treatment, through the immediate and secondary post-operative treatment periods (admission through discharge, whether to another unit or from the facility). The RN participates in regularly scheduled shifts and call coverage rotation. Successful candidates will have a passion for customer service excellence, teamwork and enjoy working in a fast-paced, professional environment. Minimum Qualifications: Associates degree in Nursing required. BSN preferred. Active licensure in the State of Montana. Candidates will have two (2) years of clinical experience including IV therapy experiences. Basic Life Support (BLS) and Advanced Cardiac Life Support (ACLS) Healthcare Provider Certification is required. Pediatric Advanced Life Support (PALS) certification is preferred.

Certified Nurses Aid (CNA)

***** \$1000.00 Sign-on Bonus and Retention Bonus *****

Barrett Hospital & HealthCare invites applications to fill a Certified Nursing Assistant (CNA) position to join our nursing team. The Certified Nursing Assistant performs assigned tasks and activities according to patient needs, as assessed by the primary RN. The Certified Nursing Assistant supports the nursing team in providing quality nursing care to patients and assists with fostering a safe, quiet, clean, and organized environment for excellence in care delivery. Minimum Qualifications: An active certification with the Montana Nurse Aide Registry required. A current Basic Life Support (BLS) certification is also required. This is full-time positions and is eligible for the full benefit package.

Diagnostic Imaging Tech II/CT Technologist

***** \$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available *****

The Diagnostic Imaging Department at Barrett Hospital & HealthCare invites applications to fill a Diagnostic Imaging II/CT Technologist position to join our team of healthcare professionals. The Diagnostic Imaging II/Computer Tomography Technologist will operate ionizing equipment to produce radiographic and computed tomography images of body regions for diagnostic purposes, as ordered by a licensed medical provider. Incumbents must have the ability to perform both radiologic and computed tomography modalities. The Technologist must possess the ability to communicate effectively with patients and an interdisciplinary health care team. The successful candidate must effectively follow established departmental procedures, work efficiently, and demonstrate the ability to navigate emergent situations. Minimum Qualifications: Incumbents must be a graduate of an accredited 24-month course of study program in Radiologic Technology, have an active Certification with the American Registry of Radiologic Technologist (ARRT), as well as an active Radiologic Technologist License in the State of Montana with the Board of Radiologic Technologists. Advanced certification in Computed Tomography/MRI by the ARRT or demonstrated competency with 1-year experience may be considered. Candidates must also be able to demonstrate evidence of compliance with ARRT continuing education requirements. Basic Life Support (BLS), required. Current employee in good standing. This is a full-time position and is eligible for the full benefit package. In addition, there is a PRN position available.

Patient Services Coordinator

Barrett Hospital & HealthCare invites applications to fill a Patient Services Coordinator position to join our Clinic team. The Patient Services Coordinator provides a full range of receptionist and clerical supportive services including greeting visitors, providing general information to patients either in person or on the telephone, maintains the switchboard, interviews patients for pertinent account information, verifies patient insurance coverage/eligibility, and enters new patient information into the electronic medical record. The Patient Services Coordinator protects the privacy of patients, physicians, and employees in accordance with policy and regulatory requirements. The successful candidate will have a passion for customer service excellence, possess a high standard of communication skills, and enjoy working with the public. Minimum Qualifications: High School Diploma, GED or equivalent required. A minimum of one to three years related healthcare experience and/or training; or equivalent combination of education and experience preferred. Candidates who are bilingual in English/Spanish are preferred. There are full-time and a per diem positions available. The full-time positions are eligible for the full benefit package.

Diagnostic Medical Sonographer

arrett Hospital & HealthCare invites applications to fill a Diagnostic Medical Sonographer position to join our Diagnostic Imaging Services team. The Diagnostic Medical Sonographer (Ultra sonographer) provides diagnostic patient care services using ultrasound and related diagnostic procedures. The Diagnostic Medical Sonographer is responsible for daily operations of the sonographic laboratory, patient schedule, equipment maintenance, the report of equipment failures, and quality assessment processes. The Diagnostic Medical Sonographer maintains a high standard of medical ethics and is self-motivated to increase level of understanding and knowledge of the field, disease, and new procedures as they evolve. Successful candidates will have a passion for customer service excellence, teamwork and enjoy working with the public. Minimum Qualifications: Graduate of a formal Diagnostic Medical Sonography program or Cardiovascular Technology program that is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) is required. Active certification by American Registry of Diagnostic Medical Sonographers (ARDMS) in the following specialties-Breast, Abdomen, OB/GYN and Vascular. In addition, certification in Adult Echo Cardiography is preferred. Current compliance with Continuing Medical Education (CME) requirements for specialty(ies), as appropriate and appropriate Montana State licensure required. Basic Life Support (BLS) required. This is a per diem position.

UR-DP-SB Coordinator

arrett Hospital & HealthCare invites applications to fill a Utilization Review & Discharge Planning Registered Nurse (RN) position to join our Quality Improvement services team. The RN is responsible for conducting utilization review on inpatients, observation patients, and swing bed patients. The RN will review charges and perform discharge planning for all inpatient and swing bed patients. The RN assists the Quality Services/Risk Management Director with quality and performance improvement projects. The successful candidate must have excellent organizational and time management, be a motivated learner, have above average interpersonal and customer services skills, be a self-starter, have an innovative spirit, expertise in hospital business acumen, be a problem-solver and the ability to deal with ambiguity. Minimum Qualifications: Bachelor's Degree and RN license, required. Candidates without a nursing licensure may be considered, however a bachelor's degree is required. Computer proficiency and experience with electronic medical record documentation. A minimum of five years of related healthcare or hospital experience preferred. This is a PRN position.

Chief Clinical Officer

arrett Hospital & HealthCare invites applications to fill a Chief Clinical Officer (CCO) position to join our Executive Leadership team. This executive level position plans, coordinates and directs clinical and nursing patient care activities within the facility in alignment with the organization's mission, vision, values, strategic plans and goals. The CCO provides leadership support in the clinical services areas including acute care Nursing (Medical/Surgical, (including Hospitalist oversight), Emergency department, Special Care, Obstetrics, Peri-operative services (including CRNA oversight), Cardiopulmonary Rehabilitation, Nutritional services, Clinical Laboratory, Radiology, and Pharmacy departments. The CCO ensures standards of patient care are met and advises medical staff, department managers, administration, and Board of Directors in matters related to clinical services. The CCO participates as a member of the senior leadership team for ensuring organizational focus in achievement of strategic plan goals and objectives, sharing accountability for overall facility results. The CCO ensures compliance with state, federal and other regulations impacting the organizations licensure and/or accreditation. Minimum Qualifications: Commitment to continuous learning in appropriate field. Education: Master's degree (M.S.N.) or equivalent required; five to ten years related experience and/or training; or equivalent combination of education and experience. Licensure: Registered Nurse in the State of Montana; Basic Life Support (BLS) Certification and ACLS required. This position is a full-time position and is eligible for the full benefit package.

Sterile Processing Technician

arrett Hospital & HealthCare invites applications to fill a Sterile Processing Technician position joining our Peri-Operative team. Sterile Processing Technician provides excellent customer service and exhibits professional demeanor at all times. Manually sorts, disassembles, cleans and/or disinfects instruments, scopes, and supplies per department protocol for assigned area(s). Utilizes critical thinking skills regarding workflow and assignment. Performs quality control on instruments/scopes by checking for visual damage, sharpness, cleanliness, and working condition. Initiates process for repairs and/or replaces as applicable to assigned area(s). Completes all daily production and quality control records. Continually checks for any outdates of sterile items and packaging integrity. Performs immediate-use steam sterilization of instrumentation using proper technique. Prepares surgical instrument sets and/or trays. Prioritizes production of surgical case cart, floor stock trays and miscellaneous. Wraps, packages, and sets up instrument trays per department protocol. Labels all instrument sets, peel-pouches, etc. Efficiently and accurately loads sterilizers per department procedure and as applicable to assigned area(s). Sterilizes instruments, scopes, supplies and linen using mandated sterilization processes per department protocol. Ensures proper operation of sterilization units through daily quality control testing. Inspects equipment as applicable to assigned area(s) for visible signs of malfunction and reports malfunction to leader in a timely manner. Processes requisitions and requests for case carts, instrumentation, and supplies in a timely manner. Orders all department supplies. Communicates deficits in supplies or instruments for case carts to appropriate stakeholders per department protocol. The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with knowledge, skills and abilities required for the job. Not all the duties may be assigned to a position. Minimum Qualifications: Minimum of one (1) year work experience in sterile processing or healthcare preferred. Other combinations of education and experience may be considered. Minimum of one (1) of the below must successfully be obtained within two (2) years of hire: International Association of Healthcare Central Service Material Management (IAHCSCMM) or Certified Board for Sterile Processing and Distribution (CBSPD) certification. Excellent organizational skills, detail-oriented, a self-starter, possess critical thinking skills and be able to set priorities and function as part of a team as well as independently.

Echo Cardio-Sonographer

arrett Hospital & HealthCare invites applications to fill an Echocardiographic Technologist/Sonographer to join our Cardiopulmonary Services team. The Echocardiographic Technologist/Sonographer coordinates and participates in a variety of duties involved in the operation and maintenance of cardiac graphic and ultrasound equipment, provide detailed analysis of cardiac and other body system functions in the Echocardiography and Sonography suite. Working closely with an interdisciplinary team of professionals, the Echocardiographic Technologist/Sonographer must have a passion for teamwork, customer service excellence and enjoy working with the public. Minimum Qualifications: Requires completion of an accredited program in Sonography. License, certification and/or active registry status required from the American Registry of Diagnostic Medical Sonographers (ARDMS) or National Society of Cardiopulmonary Technicians (NSCT) certification. Basic Life Support (BLS) required. This is a PRN position.

Physical Therapy Assistant

arrett Hospital & HealthCare invites applications to fill a Physical Therapy Assistant (PTA) position to join our Rehabilitation Services team. The Physical Therapy Assistant (PTA) works under the supervision of a licensed Physical Therapist and carries out all therapeutic modalities planned by the therapist such as application of hydrocollator/heat packs, vasopneumatic cryotherapy/cold packs, ultrasound, massage, soft tissue mobilization (with or without instrumentation), intermittent cervical and manual traction, gait training, joint mobilization, taping/strapping, and assistance with exercise programs. The Physical Therapy Assistant (PTA) must have knowledge of anatomy and physiology and the ability to detect treatment difficulties. Successful candidates will have a passion for customer service excellence, teamwork and enjoy working with the public. Minimum Qualifications: Completion of an accredited Physical Therapy Assistant program as outlined by the Montana Board of Physical Therapy Examiners. Candidates must possess evidence of passing the National Physical Therapy Assistant Examination and produce an active Montana State license. Basic Life Support (BLS) required. This position is a full-time position and is eligible for the full benefit package.

Population Health Coordinator

***** \$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available *****

arrett Hospital & HealthCare seeks a Population Health Coordinator to join our team! The Population Health Coordinator participates in team-based care to provide health services to individuals, through effective partnerships with patients, their caregivers/families, community resources, and their medical provider. The Population Health Coordinator facilitates a "shared goal model" within and across settings to achieve coordinated high-quality care that is patient and family centered. The Population Health Coordinator provides coaching to patients and families with the goal of successful self-management of chronic health issues, while working towards an effective plan of care. The successful candidate must demonstrate a high level of organizational skills, attention to detail, flexibility, and the ability to prioritize. The Population Health Coordinator is knowledgeable about the trends in healthcare and CMS focus. The Population Health Coordinator keeps patients as their focus of care working toward the "Triple Aim" goal. Minimum Qualifications: High School Diploma, GED or equivalent required. An active Montana licensure as a Registered Nurse (RN) required. Three to five years related healthcare experience in a hospital or clinic setting required. Epic EMR experience highly desirable. Basic Life Support (BLS) required. Previous case management or home health experience is also preferred. This position is a full-time position and is eligible for the full benefit package.
