RECEPTION AND BOOK SIGNING

Join us Friday, May 6th for a reception and book signing featuring Mary Frances O'Connor. 5:00-7:00 at The Bookstore.

The Grieving Brain: The Surprising Science of How We Learn from Love and Loss

A renowned grief expert and neuroscientist shares groundbreaking discoveries about what happens in our brain when we grieve, providing a new paradigm for understanding love, loss, and learning.

For as long as humans have existed, we have struggled when a loved one dies. Poets and playwrights have written about the dark cloak of grief, the deep yearning, how devastating heartache feels. But until now, we have had little scientific perspective on this universal experience.

In *The Grieving Brain*, neuroscientist and psychologist Mary-Frances O'Connor, PhD, gives us a fascinating new window into one of the hallmark experiences of being human. O'Connor has devoted decades to researching the effects of grief on the brain, and in this book, she makes cutting-edge neuroscience accessible through her contagious enthusiasm, and guides us through how we encode love and grief. With love, our neurons help us form attachments to others; but, with loss, our brain must come to terms with where our loved ones went, or how to imagine a future that encompasses their absence.

Based on O'Connor's own trailblazing neuroimaging work, research in the field, and her real-life stories, *The Grieving Brain* does what the best popular science books do, combining storytelling, accessible science, and practical knowledge that will help us better understand what happens when we grieve and how to navigate loss with more ease and grace.

Tree Cost Share Program in 2022

If you have a location in need of a tree, the Dillon Tree Board can help. The Tree Board cost/share program provides the opportunity for private homeowners to participate in enhancing the beauty of Dillon. Homeowners can purchase a tree for just \$75. The city and Tree Board cover the remaining portion of the purchase price. Trees can be planted on city owned land which includes the boulevards, Swenson Way, city parks, schools or Mountainview Cemetery. The program is first come, first served and limited to funds available.

Several species of trees are available, including Amur Chokecherry, Northern Acclaim Honey locust, Japanese Tree Lilac and Bur Oak. You can pick up an application or find out more information about the program at City Hall, the MT DNRC office, or the Tree Board website at www.dillon-trees.org. The trees will be planted by Tree Board members and volunteers in mid-May.

The funding for the project is derived in full or in part from a federal award of the U.S. Forest Service, Department of Agriculture, sub-awarded by the Montana Department of Natural Resources and Conservation (DNRC), Forestry Division. The City matches the grant funding at 100% to accomplish project work.

Since 2008, the Dillon Tree Board has secured over \$160,000 in funding to enhance Dillon's urban forest. The mission of the Tree Board is to preserve, enhance, and expand our community forest through educating the public and promoting community involvement and individual dedication.

UMW Athletic Department Unveils New Bulldog Statue

Before a crowd of current student-athletes, coaches, athletic staff and other university administrators, the University of Montana Western athletic department unveiled a new bronze Bulldog statue outside the Bulldog Athletic and Recreation Center (BARC).

The project was developed by the Bulldog Association of Student-Athletes (ASA), which is a student-athlete led organization that focuses on enhancing the student-athlete experience at Montana Western. This past fall the ASA envisioned establishing new traditions for students and student-athletes, one of those traditions was centered on the Bulldog.

In the BARC hallway, there are descriptors of what it means to be a Bulldog. Those characteristics include: distinct, unique, focused, intense and fearless to name a few. The sculpture was created by Jan Sievers, based on those characteristics and the university Bulldog logo.

"It is our hope that this statue will serve as a gathering place for teams, student-athletes, students, fans and alumni before university and athletic events" said ASA President Mesa King.

When new students begin as Bulldogs the first building they enter is the BARC for convocation and is also the last building they leave after the graduation ceremony.

"It is common tradition on many campuses with statues similar to this, for people to rub for good luck," said ASA Supervisor Russ Richardson. "We hope students, student-athletes, alumni and fans will reach out and rub for good luck the next time they're on campus."

The Bulldog statue is located outside the BARC main entrance alongside the pathway leading from the main parking lot.

Barrett Hospital & HealthCare Earns Top Hospital Award Five-Time Recipient of National Honor

Barrett Hospital & HealthCare announces it was again named among the Top 20 Critical Access Hospitals (CAHs) by the National Rural Health Association. It will be Barrett Hospital & HealthCare's fifth time receiving this prestigious award.

"We are honored to be recognized as one of the Top 20 CAHs, which underscores the collective commitment of our staff, providers, leadership, and volunteers to achieving excellence," said Patti Mitchell, President of the Board of Directors Barrett Hospital & HealthCare. "Ratings such as these are good tools to help us continually improve. The Top 20 recognition is an excellent confirmation that our system of care is strong, and that we continue to provide high value care and service to residents and visitors of southwest Montana."

Being acknowledged as a Top 20 CAH is an incredible feat achieved by less than 1.5% percent of hospitals nationwide. The National Rural Health Association names the Top 20 Critical Access Hospitals from a larger set of Top 100 CAHs, which is evaluated and produced by The Chartis Center for Rural Health. Both the Top 20 and Top 100 performing Critical Access Hospitals are identified through the Chartis Rural Hospital Performance INDEX™, the most comprehensive and objective assessment of U.S. rural and Critical Access Hospital performance based upon market, value-based and financial measures.

"I thank everyone at Barrett Hospital & HealthCare for their efforts in making the organization a successful one and bringing it to this position. This all happened because they care deeply about this organization and its patients," said Scott Manis Interim Chief Executive Officer. "It is a great privilege to be part of an extraordinary team at an extraordinary time."

Veteran's Corner. Update #152

By Mike Lawson

The big news that happened on Friday was the Grand Opening of the new VA (CBOC) Medical Center. I'm sure most of you saw or read the news media coverage. I was given the honor to cut the ribbon, which was a surprise but appreciated. The consensus was an overwhelming "what a beautiful impressive facility". Many of the veterans, who were there, are looking forward to receiving their medical care at this "Community Based Outpatient Care" VA medical facility. The staff is mostly there getting everything ready to begin seeing their first veteran patients, on May 5th. The DAV Vans and the Veteran Transportation Service, are ready to get our veteran's to their appointments here. In Butte we transported many veterans to their appointments in Anaconda but now it'll be a lot of local pick-ups. Anaconda/Deerlodge/Dillon/Whitehall areas will also have these services to get our veterans to their appointments. For the SW MT DAV, call Darlene at 406 490 3692. This is a free service for veterans in the VA Health Care System.

Most of our Veteran Organizations have had their election of new officers and have them sworn in. The next veteran events, beside monthly meetings/activities, will be the yearly State Conventions. This is then followed by each veteran organization's, National Conventions. The Marine Corps League State Convention will be at the end of May in Hamilton, Mt.. The DAV's State Convention will be at the first part of June in Great Falls. The VFW State Convention will be the middle of June in Billings, and the American Legion State Convention will be in Missoula in June, at the same time as the VFW's. The National Conventions for each, will then be in July and August, at different places across the US.

The Marine Corps League Detachment #724 in Butte, will have a Coffee Stop Fundraiser Saturday. We'll be there Friday, 8 am to about 2 or 3 pm. On Saturday, at 11am, we'll have an SOS Brunch at Sparky's. We have an SOS breakfast at our "Hooch". The Detachment meets on the forth Thursday of the month, at 7 pm. We do the Toys For Tots, are part of the United Veteran's Council and participate in the Honor Guard, with our other Veteran Organizations, who perform Veteran funerals, Veteran's Day/Memorial Day ceremonies, etc.. All our Veteran Organizations are looking for new members who can help make the difference. Veteran Tom Straugh from Dillon in, reports that the American Legion Post #20 will meet Wednesday, May 4th. There will be a social hr at 1700 followed by dinner and meeting. The VFW Post #9040 will have their meeting on May 11th at 1900.
