Tendoy Fine Art Welcomes Sharon Tash Reynolds

On May 27, 2022, between 4 and 7 pm, Tendoy Fine Art Gallery of Dillon will host a reception for Sharon Tash Reynolds, a new gallery member. Reynolds is well known in Southwestern Montana for detailed and well-executed drawings and paintings depicting Beaverhead County.

Reynolds began drawing and painting as a child. Area artist, Kay Harrison, was an early influence on Reynolds work, followed by High School art teachers, Daryl Johnson and the late Jim Corr. Like many artists, she used the kitchen table on which to make art, but at the present time, she enjoys a studio in her home. Although she worked in oil early on, after having children, she found it easier and safer to make pencil drawings. Recently she has been exploring acrylic paint.

Reynolds enjoys "telling the story accurately and honestly", as authenticity is important to her. Mostly using her own collection of photographs for inspiration, she doesn't edit out the wear on a saddle or the sweat of a hard-working cow horse. Her years as a ranch woman, shine forth in her realistic renditions of ranch life and animals.

Springtime in Dillon

The City of Dillon encourages everyone (homeowners, businesses, renters) to keep their sidewalks clear of debris. With nicer weather, more and more people are getting out to enjoy walking and running throughout our community. Lets' all make it safe for everyone. Also, please when walking your dog, cleanup after them if they have to stop and relieve themselves. No one likes to pickup dog waste, particularly when it does not belong to your pet. Be a responsible dog owner and clean up after your dog! Your neighbors yard and city parks are not restrooms for your pets.

If you have any questions please contact Todd Hazelbaker, Director of Operations, at 683-4245.

Pneumonia found in bighorn sheep in Little Belt Mountains

Nine bighorn sheep from a group that were recently reintroduced into the Little Belt Mountains have died from pneumonia this spring. Several other live bighorn sheep in the same herd have also exhibited symptoms of respiratory disease.

Pneumonia in bighorn sheep is often fatal and can reduce lamb survival in an affected population.

FWP biologists closely tracked the movements of the bighorn sheep released into the Little Belts and found no evidence of wild sheep coming into contact with domestic flocks. However, tests of at least two bighorn ewes captured from the Missouri Breaks and moved to the Little Belts in December 2021 later came back positive for the M. ovi bacteria.

Today, the seventh grade will be taking a field trip to the Museum of the Rockies. The bus will leave at 8:00 AM and return by 3:30 PM.

After being shut down for covid, our other grades will also be able to enjoy some field trips this year. On May 16th, the eighth graders will travel to Butte to enjoy a lesson on history. The bus will leave at 8:30 AM and return by 3:30 PM. Then on May 23rd, the sixth graders will go to Lewis and Clark Caverns. The bus will be leaving at 9:00 AM and return by 3:30 PM.

The last day of school for eighth graders is May 27th. On May 31st, eighth graders will have their graduation rehearsal at 9:00 AM at the BCHS lodge gymnasium. Graduation will be that night at 7 PM. Students must be to the gym no later than 6:30 PM as the class picture will be taken at that time.

The last day of school for sixth and seventh grade is Friday, June 3rd. These last few weeks of school will go quickly. Students, please continue to keep yourselves healthy so you can successfully finish the 2021-2022 school year.

Grizzly bear confirmed in North Moccasin Mountains near Lewistown

Bear tracks and hair samples collected in the North Moccasin Mountains near Lewistown confirm the presence of a grizzly bear in the area, Montana Fish Wildlife & Parks officials said Monday.

Bear tracks from the west side of the mountain range were reported to FWP on April 29. An FWP grizzly bear management specialist visited the location on Saturday, April 30, and confirmed the 6 1/4-inch-wide tracks were made by a grizzly bear. Hair collected from a barbed wire fence along a riparian area nearby was also identified as belonging to a grizzly.

For more information on living, working and recreating in Montana's bear country, visit the FWP Bear Aware website at <https://fwp.mt.gov/conservation/wildlife-management/bear/be-bear-aware>.
