Carma Jean Tyler, 59

Carma Jean Tyler, 59 of Dillon, passed away after a short battle with cancer on May 6, 2022.

Carma was born at Barrett Memorial Hospital in Dillon. She spent her childhood in Lima and was active in her high school and served as the valedictorian of her graduating class. Carma moved to Dillon shortly after marrying her high school sweetheart Mike Tyler.

She was fond of the occasional shopping excursion and was partial to sight seeing while riding shotgun in her side by side.

Carma is preceded in death by her parents Joe and Camille Foster (Lima).

She is survived by her husband, Mike Tyler (Dillon) daughters, Ashlee Tyler (Riverton Wy) and Heather Hjelle (Three Forks Mt) two grandchildren Hunter McWilliams (16y/o) and Everleigh Hjelle (1y/o) and her brother Curtis Foster.

Megan Louise Hayden

On March 11th, 2022 Megan Louise Hayden (Jones) gained her heavenly wings and joined the lord. Megan was born March 5th 1990 in Visalia California to Kimberlee and Paul Jones.

Megan always had a bright smile and bubbly personality. She loved fiercely and would never turn a person down in need of help. Megan wouldn't hesitate to put others before herself.

Megan grew up in California but decided to see what Montana had to offer. Here she found her soulmate and love of her life Leonard Hayden. They tied the knot August 20th, 2016. Shortly after they conceived their precious baby girl Mckinizzy Ray-Ann. Unfortunately God granted Mckinizzy 12 short hours before gaining her wings. With much love and anticipation Megan and Leonard welcomed Leonoxx Timothy Allen on January 23rd, 2021. Megan lived for little Leonnoxxs smiles and giggles, bringing an ever brighter smile to her face.

Megan lived to make people happy. Her quirky attitude and motivation to stay positive always turned any situation around. When you needed someone to talk to she was there. She was always making friends whether it was at The Milk Pail, Family Dollar or Renaissance Care, always making sure everyone was cared for.

Megan also loved spending time with her family and friends camping, fishing and hunting. She wasn't afraid of getting dirty. Megan was always prepared for whatever the day might bring. Megan will always remain in our hearts. She will be sadly missed by all.

Megan is preceded in death by Mckinizzy Ray-Ann Hayden (daughter), her mother and father; Kimberlee and Paul Jones.

Megan is survived by Leonard Ray Hayden(Husband) Leonnoxx Timothy Allen Hayden(Son), Anndrea and Samantha Jones of Cali.(Sisters) Robert Reed(Brother) Nancy Korrell of Dillon (Mother- in Law) . Many nieces and nephews and too many friends to count.

A memorial service will be held May 14th, 2022 at 1 P.M. at the LDS Church in Dillon.

The Chimney Ladder
Bryce Angell

It was time to clean the chimney, brush the soot and creosote.
But I'd have to climb the ladder. If I fell, that's all she wrote.
My neighbor's son cleaned chimneys, paid him cash to clean the pipe.
But he never cleaned yet took the cash. The doggone guttersnipe.
I'd bought a ladder, a year ago, to get me on the roof.
But hadn't used it one dang time 'cuz falling ain't fool-proof.
So, I asked my wife to help me. I could use an extra hand.
She said she'd keep an eye out for a softer place to land.
That's what I like about a wife. They're always upbeat bound.
She'd be seeking out my welfare while I'm falling to the ground.
Well, we wrestled with the ladder. It was sixteen feet in length. And
when we tried to stretch it out ''twas more than both our strengths.
When we tipped the ladder up, it wasn't bad luck just plain fate.
It fell and smashed the brake lights, dented in the truck's tailgate.
We finally placed the ladder. It was stretched out nice and tall.
Then it slipped and knocked the Wi Fi dish right off the cabin wall.
I swear we looked like stooges, only two instead of three.
Yet, the roof was calling out my name. I wished it wasn't me.
We stretched the ladder once again. This time it stayed in place.
Now, I had to climb the ladder. Time to offer pleads of grace.
So, this time I climbed with confidence. I felt like Errol Flynn.
Then I looked down at my wife and she was looking mighty grim.
I must admit her panicked look had shook my certitude.
I froze and hugged the ladder prob'ly looked the scardest dude.
My wife was looking at me. I was scared plumb half to death.
But I wanted to impress her, so I took a giant breath.
So, then I climbed the ladder, made it to the chimney top. I cleaned
the chimney, climbed on down before my brain yelled, "Stop!"
I knew there was a better way to climb up on the roof.
I didn't need convincing 'cuz today was living proof.
I added up the costs that I would have to pay in dough. So next
time I'll call a chimney sweep, who'll clean the pipe then go.

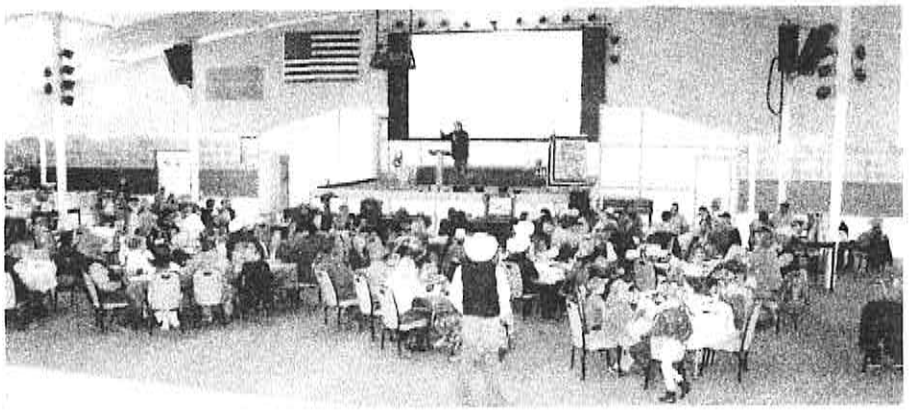
US Senator Steve Daines was the speaker for the evening and talked about his trip to Ukraine.



People came to the Trappers Event from across the state and enjoyed a quieter evening then last year. Last years event was postponed until the following morning due to a bomb threat.

Resurfacing Project for Montana Highway 41 in Dillon Planned for 2023

The Montana Department of Transportation (MDT) would like to update the public on the plan to resurface about 1.5 miles of Montana Highway 41 (MT 41) in Dillon. The project begins at the South Dillon Interchange, and extends north on Atlantic Street and west on Helena Street for about 1.5 miles ending at the intersection of Helena Street and North Montana Street.

Proposed work includes milling the existing surface, applying a new overlay, and finishing with a seal and cover (chip seal), upgraded pavement marking, signage, and guardrail. Sidewalk will be repaired in several locations and sidewalk curb ramps will be upgraded to Americans with Disabilities Act standards. The purpose of the project is to provide an improved roadway surface and extend the service life of the roadway.

The project is tentatively scheduled for construction in 2023, depending on completion of all project development activities and availability of funding. No new Right-of-Way or utility relocations will be needed. The project is progressing in design and MDT staff will contact adjacent landowners in 2022 to request sidewalk construction agreements.

An important part of properly planning for future projects is partnering with the community. The Montana Department of Transportation welcomes the public to provide ideas and comments on the proposed project. Comments may be submitted online at https://mdt.mt.gov/contact/comment-form.aspx or in writing to Montana Department of Transportation, Butte office at PO Box 3068, Butte, MT 59702-3068. Please note that comments are for project UPN 9481000.

The public is encouraged to contact Butte District Preconstruction Engineer Dave Gates at (406) 494-9636 or Project Design Engineer Chad Welborn at (406) 994-1843.

Alternative accessible formats of this document will be provided on request. Persons who need an alternative format should contact the Office of Civil Rights, Department of Transportation, 2701 Prospect Avenue, PO Box 201001, Helena, MT 59620. Telephone 406-444-5416 or Montana Relay Service at 711.

Beaverhead Trails Coalition Members - A safe Chapman Street crossing (north side) is ABSOLUTELY NECESSARY for a feasible walk/bike route from Reeder Street to UMW and South to the Hospital! As a start to mobilization, the Board is asking BTC members to weigh in with MDT ASAP. Please submit a comment regarding the project. https://www.mdt.mt.gov/contact/comment-form.aspx

Beaverhead Search and Rescue News

Submitted by: Mel Rice-Public Relations Officer

On the evening of May 4th the Beaverhead Search and Rescue held it monthly meeting. It was called to order at 7:05 by commander Lawrence Morriroe. Minutes of the last meeting were read and approved with no additions or deletions. Brian Vinson, co-treasurer, gave his report on the financial situation of the unit. Guest and new probationary members were introduced. New probationary members include James Matthews, Daniel Wyatt, and Rhiannon Kalsta. Probationary members serve for one year as members without voting rights. At the end of the year they are reviewed based on their participation and either become full members or be gone. At the present time we have 58 active members of our allotted 60 members.

Nate Freeman, who is stepping down as training officer, gave his report on up and coming training opportunities. There will be swift water training on the Big Hole River on May 14th, 15th, and 16th. At our next month's meeting members will receive training in self-defense. The unit tries to have a summer camp out each year where we have training opportunities in several areas. This was discussed with the expectations of getting back to it after the covid shutdown.

Each unit member is on one of 5 standing committees within the organization. During the meeting these members gathered in their respective committees for a short breakout session. The chair of each committee then reported back to the unit with recommendations. Committees include: training, building and grounds, equipment, membership, and fundraising. There were a few recommendations that prompted lengthy discussion.

It turned out to be a rather long evening with adjournment at 9:00. It is looking like spring might be just around the corner along with the opening of fishing season. These spring squalls can mean radical temperature changes and other weather conditions. Please make sure you are prepared for unexpected changes when going out. When out in boats remember the water is still frigid and it doesn't take long for hypothermia to raise its ugly head. Have a great time out there and enjoy the bounties of Beaverhead County.

Once again we went through another month without any incidents. But remember, Beaverhead Search and Rescue is "In the Business of Saving Lives". Don't let it be yours, but if and when it is, know we will be there .....
