Harley Edwin Smith 95

Harley Edwin Smith 95 of Dillon, passed peacefully at home, on May 11 2022 with his daughter by his side.

Harley was born July 31, 1926, in Absorkee MT, to Jack and Margaret (Shafer) Smith. He spent his early years helping on the family's sheep and cattle ranch; and working in the family's store, Smith Grocery. He also kept busy trapping, selling hides and taking care of his numerous bee boxes. Harley worked the Mouat Mine which was close to their home. He jumped many trains and rode them all over the country finding work wherever he could. At 18, he joined the Navy. He attended boot camp in West Virginia and was then stationed in San Francisco. After the service, he returned home then went to Billings where he worked different jobs. Harley went to work at the mines in Butte. It was there he met the love of his life, Helen Johnson. They were soon married and had two daughters, Kathy Smith Skipper and Terri Smith McIntosh. When the mines started closing Harley moved his family to Billings, where he roofed and built until he was hired on at Elk River Concrete. Harley and his family moved back to Butte in 1969, where he worked at the Berkley Pit until he retired. Always a busy body, retirement didn't last long, Harley started building houses. He built 5 houses on Aspen Lane in Butte.

In the late 1980's, Harley and Helen moved to Dillon, where he spent his time tinkering in the garage, taking "Joy Rides" around town and up into the hills, and spoiling his grandkids. His family was everything to him. His life was full of so much happiness when he was with family. He loved playing with his grandkids, great grandkids, and great-great grandkids.

Harley loved hunting, fishing, hauling wood, working on trucks and running the hills above Argenta on his ATV. He loved motorcycles, helping whoever needed it, and going to Argenta for Sunday barbeques. He always shared a bit of his breakfast with the magpies and enjoyed watching the birds from the deck. He loved having company, western music and in his later years could often be found sitting under the tree in the yard munching on one of Helens Chocolate chip cookies. Harley was a patient, loving man. He was a devoted husband, father, grandfather, brother and friend. Harley will be greatly missed by those who knew and loved him.

Harley was preceded in death by his loving wife of 69 years Helen Smith, parents Jack and Margaret Smith, daughter Kathy Smith Skipper, sisters, Vi Smith Junkert, Winnie Smith Dickey, Vesta Smith and Edith Smith,

Veteran's Corner Update #154

By Mike Lawson

On the Veteran front of things, we'll start with the new VA CBOC Medical Center, which started seeing veteran patients on Tuesday, May 10th. I've talked with a number of veterans who went to their appointments there, and all of them said how impressed they were with the beauty of the building and the treatment they received. If any of you veterans, who receive VA care, want your primary care to be at this Butte CBOC, talk with Diane or the other receptionist at the check-in desks. Case in point, is the north end of the Butte CBOC, that is unfinished but is stated to become a physical therapy and treatment area. Hopefully someone in that higher echelon will make that decision soon and our new Butte CBOC will become complete.

Down the road, to the south of the Butte CBOC, is our SW MT Veteran's Home. It is running smoothly and our resident veterans there have developed routines that work well for each of them.

Frank Grady has been talking with the Kiwanis Clubs about getting committed volunteers for our Vet Home. Hopefully we'll have a solid core of committed volunteers, giving of their time on a weekly basis. All the Cottages are full, with our first woman resident veteran adjusting to her new home. Cottage #4 is waiting for a re-inspection Cottage #5 is continuing to get its cement floors sanded.

I spoke of the VA bureaucratic problems, concerning the VA CBOC, earlier, but our SW MT Veterans Home is dealing with state bureaucrats. Getting folks at the state level, to be on the same page, has been frustrating. At the last Legislative Session, we the veterans asked our representatives for 3.2 million dollars, for this walkway construction. They heard our request and granted this amount of money, for this construction.

The bids are do in June and each of the three different walkways, will be bid separately because the legislative 3.2 million might not be enough for all three walkways. The new walkways will have fire sprinklers which will penetrate each of the cottages they're connected to, which in turn, will then require each of these cottages to have attic sprinklers. This is even though these areas were sprayed with a highly effective fire retardant paint. This in turn, has increased the original costs exponentially.

I did hear from Tom Straugh, down Dillon way. He said they did a Honor Guard ceremony for a veteran's last salute, on the 13th. Plans are being made to put 1200 flags on veteran's graves for Memorial Day. The Memorial Day Ceremony, will take place at 11:00 with the Honor Guard performing the salute. The American Legion planning session is scheduled for May 5th at 1900. All are invited.

On May 20, 2022 Fort Harrison's Veterans Hospital is celebrating its 100th Anniversary. It was previously know as Veteran's Hospital NO.72. Our UVC Honor Guard will travel to Ft Harrison to be part of the Ceremony, honoring this great event.

Interpretive programs at Lewis & Clark Caverns State Park begin Memorial Day weekend

Summer's back and so are our interpretive programs. Lewis & Clark Caverns State Park is kicking off its interpretive program season over Memorial Day weekend.

The birds and the bees have returned to the park, and AmeriCorps member Taryn Eveland will present a program titled "The Birds & The Bees" on Friday, May 27, at 8 p.m. at the campground amphitheater. In this talk you will discover how these animals face and overcome the challenges of building a home in the wildly diverse landscapes of the park.

On Saturday, May 28, at 8 p.m. at the campground amphitheater, park ranger Ramona Radonich will present "This is Montana!". This program will acquaint visitors with several of the state symbols Montanans have chosen that proudly represent this state we call home.

On Monday, May 30, at 9 a.m., starting at the Main Visitor Center, Caverns staff will host an orienteering program. Park ranger Radonich will teach you how to use a compass then set you out on a course to see if you can find your way home again. Compasses will be provided.

Other interpretive programs have been scheduled at the Caverns. For a list of programs happening in June, visit go.usa.gov/xuzT8.

Lewis & Clark Caverns State Park is about 15 miles southeast of Whitehall, along Montana Highway 2. For more information about the park, please visit stateparks.mt.gov/lewis-and-clark-caverns or call 406-287-3541.

Southwestern Montana News

The Dillon Cub's hosted the Anaconda A's on Sunday May 15th. Initially the game was going to be held in Anaconda on the A's home field, but due to the field not being ready the Dillon Cub's hosted the game on their home field at Ray Lynch Park. The Cub's played Anaconda earlier in the season and won the first game and the second game was cut short after an Anaconda player was injured and the A's didn't have enough players to finish the game.

Coming off a two game loss to the Missoula Impact on Saturday the Cub's were eager to redeem themselves against Anaconda. In game 1 the Cubs came out on top with a 12 to 5 win over the A's. In game two the Cub's were able to catch their second win with a final score of 8 to 5.

Tendoy Fine Art Welcomes Sharon Tash Reynolds

On May 27, 2022, between 4 and 7 pm, Tendoy Fine Art Gallery of Dillon will host a reception for Sharon Tash Reynolds, a new gallery member. Reynolds is well known in Southwestern Montana for detailed and well-executed drawings and paintings depicting Beaverhead County.

Reynolds began drawing and painting as a child. Area artist, Kay Harrison, was an early influence on Reynolds work, followed by High School art teachers, Daryl Johnson and the late Jim Corr. Like many artists, she used the kitchen table on which to make art, but at the present time, she enjoys a studio in her home. Although she worked in oil early on, after having children, she found it easier and safer to make pencil drawings. Recently she has been exploring acrylic paint.

Reynolds enjoys "telling the story accurately and honestly", as authenticity is important to her. Mostly using her own collection of photographs for inspiration, she doesn't edit out the wear on a saddle or the sweat of a hard-working cow horse. Her years as a ranch woman, shine forth in her realistic renditions of ranch life and animals.

High School Graduates Awarded the Youth Serve Montana Scholarship

The Governor's Office of Community Service (ServeMontana), Reach Higher Montana, and Montana Campus Compact (MTCC) are pleased to announce 83 Montana high school seniors have been awarded a \$1,200 Youth Serve Montana Scholarship.

The Youth Serve Montana Scholarship was created to promote volunteerism among high school students. Funds are available through support from Montana Campus Compact, a network of Montana campuses committed to community service; Reach Higher Montana, a nonprofit dedicated to helping students pursue and fund post-secondary education; and the Governor's Office of Community Service, the state agency tasked with expanding and promoting community service in Montana. The Governor's Office of Community Service administers the scholarship funds.

"We are excited to see another class of freshmen coming into Montana's colleges and universities equipped with the passion and skills for community engagement," said Josh Vanek, Executive Director of MTCC. "As we emerge from COVID, these students embody the spirit of service on Montana campuses."

Scholarship recipients completed at least 50 hours of volunteer service during the past year. Many awardees exceeded 75 and even 100 hours.

"We are proud of these outstanding students and offer our sincere gratitude for their service across Montana," said Kelly Cresswell, Executive Director of Reach Higher Montana.

Recipients that will be attending the University of Montana Western in the fall of 2022 include Hayden Hedges from Cut Bank High School, Mariya Tregidga from Butte Central Catholic High School, and Kya Wood from Flathead High School.

The Youth Serve Montana Scholarship is offered annually with the application opening each fall.

The Governor's Office of Community Service expands and promotes national service and volunteerism in Montana and engages citizens in service. Visit serve.mt.gov for more information.
