Mandatory trapper education course available online soon Course available June 1 online, field days scheduled this summer and fall

People looking to get into trapping will have a new, and required, education course available online June 1 from Montana Fish, Wildlife & Parks.

The course is being developed by the Trapper Education Committee, which has members from the Montana Trappers Association and Montana Fur Harvesters, as well as staff from FWP.

During the 2021 legislative session, Senate Bill 60 passed, which requires trapper education for all trappers who have not been a licensed trapper for at least three previous seasons. The education program will include online course work and a mandatory field day where new trappers can learn from experienced trappers about trapping ethics, humane techniques, avoidance of non-target species, fur management, and safety. This course also includes the mandatory wolf trapper certification for anyone looking to also trap wolves.

"Our trapper education course is really the culmination of years of collaboration to implement mandatory trapper education in Montana," said FWP Director Hank Worsech. "Trapping has a long-standing history in Montana and is not only part of our outdoor culture, but a critical tool in wildlife management. Alongside our partners from Montana trapping organizations, we're going to ensure that we're teaching ethical and safe trapping, that avoids conflicts and maintains the tradition of trapping in Montana."

Trapping licenses went on sale in April. Trappers who have been licensed trappers for three previous seasons will be asked to list that experience when purchasing a license. All other trappers age 12 and older will need to take the trapper education course before purchasing a license. Wolf trappers who have taken the wolf trapper education course, but haven't been a licensed trapper for three years, will need to complete the trapper education course to be able to trap wolves in 2022 and beyond.

The online course will be available by June 1. Two field days are already scheduled for July. More field days will be scheduled and advertised in the coming weeks.

For people who are interested in going through the course curriculum in hard-copy format, please call or email Wayde Cooperider, 406-444-9947 or wacooperider@mt.gov.

For more information, on upcoming field days, please go to https://fwp.mt.gov/hunt/education/trapping.

The Hunt Continues – Search for Treasure Across Beaverhead County Again this Summer!

The Beaverhead Chamber of Commerce and Agriculture and the University of Montana Western Glass Arts Program have partnered for the second year in a row for the Annual Beaverhead Treasure Hunt. One-of-a-kind, beautiful glass art objects, custom-made by UMW Glass students, will be hidden at local businesses from Memorial Day through Labor Day. Over 100 glass art objects made by the students in the University of Montana Western Glass Arts Program, under the instruction of Professor Ruth King, will be hidden in the shops of: Bannack, Dillon, Lima, Dell, Grant, Jackson, Wisdom, Wise River, Dewey, and Glen. Visit these towns' businesses for a chance to find a your own one-of-a-kind glass art treasure from Memorial Day through Labor Day!

This year's works of glass art represent the forests, waters, and minerals of Beaverhead County by featuring an impression of a pinecone and colors of minerals including gold, copper, ruby, garnet, and talc. Search the county and collect these amazing objects d'art!

According to Chamber Executive Director, Rebecca Jones, "These pieces are so authentic and lovely, you will want to take it home to let the sunshine through it! Each limited-edition paperweight is stamped with the year. Participants can bring their prize into the Beaverhead Chamber office located at 10 W. Reeder St. in Dillon to show us your paperweight and be entered into a drawing to win $100 Chamber Bucks! But the beautiful paperweight is yours to keep!"

The rules of the Beaverhead Treasure Hunt are:

- The glass art pieces are hidden from Memorial Day to Labor Day, rain or shine.
- Each participant is limited to taking home one treasure this summer, so everyone has a chance to join in the fun!
- The term "hidden" is used loosely; some of the glass treasures have been cleverly hidden in plain sight in public areas, historical sites and local businesses. Participants are asked to be respectful of these areas while searching.

The Beaverhead Chamber of Commerce and Agriculture thanks the University of Montana Western Glass Art Program for sponsoring the Treasure Hunt as well as to all the students for designing and producing these unique and beautiful works of art!

For more information, please contact Rebecca Jones, Executive Director, Beaverhead Chamber of Commerce and Agriculture: 406-683-5511 or info@beaverheadchamber.org.

The lunch menu for the week is as follows: Monday we will enjoy chicken curry served with rice and a biscuit. Tuesday, white lasagna will be served with bread and green salad. Wednesday we will have chicken breast sandwich with trimmings. Thursday Mexican pizza will be served with bean salad. And on Friday, we will enjoy potato soup served with chicken salad.

Today, Monday, May 23rd, the sixth grade was supposed to be going on their field trip to Lewis and Clark Caverns. This unfortunately has been cancelled. The good news is that the school was able to reschedule a field trip for sixth grade to Helena on June 2nd. Stay tuned for details.

This is the last week for our eighth grade students. They will be completing their check out this Wednesday throughout the day. Next Tuesday, May 31st, the students will have their 8th grade graduation beginning at 7:00 PM. There is a graduation dance following that is hosted by the 8th grade parents.

Also, on Wednesday at 2:30 PM, we will have a walk through the school of our graduating BCHS seniors. They will begin at the science and math end of the middle school and walk through the whole school and out the Parkview Elementary office doors. Teachers and students, please line the hallways to cheer these seniors on!!!

This Thursday, May 26th, there will be a sixth through eighth grade academic accomplishment assembly in the DMS gym, followed by a yearbook signing party. Student Council will serve ice cream bars during the party.

We have the result of the Robin Hood Archery Shoot. The top students in each of Mr. Williams' PE classes competed in an archery shoot last week. Out of 60 students competing, the top nine were as follows: Ky Engelhardt, Garrett Tackett, Paxton Puyear, Hank Hagenbarth, Secret Peterson, Zach Sandall, Cash Hoffman, Conner Grey, and Cooper Abbey. Our champion archer this year is Hank Hagenbarth. Congratulations, Hank.

Next week is the last week of school for the 2021-2022 year. We will begin the week with no school on Monday, May 30th in observance of Memorial Day. We hope you have a restful and safe long weekend as we begin the last week of the school year next week.
