Theodore "Ted" Alfred Bostwick

Theodore (Ted) Alfred Bostwick, 74, of Dillon, Montana peacefully passed away from cancer on May 24, 2022 at his home.

Ted was born December 21, 1947 in Dillon Montana the youngest son of the late Gerald H and Marjorie E (Carroll) Bostwick.

He attended school in Dillon and later helped his father in the family truck line business. While delivering product to Newbro Drug in Butte, MT he met his wife Linda. They soon married

in 1970 in Reno, NV. A few years later he started his own trucking company, T&L Trucking, where he hauled produce from California to Canada. In 1990, he got out of driving trucks and started Ted's Repair, a semi truck and wrecker company. Trucks in one way or another was apart of his life for over 55 years.

When not working, Ted played hard too. In his younger years, he enjoyed snow and water skiing. He loved to camp and go on ATV rides with his family. However fishing was his all time favorite past time and the family can recount several "tails".

Ted leaves behind his wife of over 52 years, Linda Bagley Bostwick. He also leaves behind three daughters Janice Rule of Dillon, MT; Michelle (Bill) Kremer of Idaho Falls, ID; and Autumn (Dallas) Frey of Helena, MT. Seven grandchildren, Rachel Hankinson, Michael English, Randy English, Dexter Frey, Tess Frey, Cole Frey, and Shelby Kremer. He also leaves behind several great grandchildren. He is also survived by his brother Dallas "Shaggy" Bostwick, of Nampa, ID, sister Edna Jones of Tampa, Florida, brother Virgil (Harriet) Bostwick of Preston, ID and sister in laws Marian Bostwick and Laura Bostwick.

He is preceded in death by his parents; a sister, Myrla and brothers Maurice & David Bostwick.

At the request of Ted, there will be no funeral or memorial services. In lieu of flowers donations can be sent to the Dillon Humane society. Any condolences can be sent to the family via brundagefuneralhome.com.

AIS inspection stations to focus on high-risk corridors Tongue River Reservoir station will not operate this season

As part of a statewide strategy to focus on high-risk corridors for transporting aquatic invasive species into Montana, Fish, Wildlife & Parks will discontinue inspections at some stations including Tongue River Reservoir this season.

In previous years, inspections were provided periodically at Tongue River Reservoir, but inspection data shows that most of the boats inspected were from Montana or Wyoming and presented low risk for transporting aquatic invasive species.

Watercraft inspection is required before launch for all boats entering Montana waters. Watercraft inspections conducted by Wyoming fulfill Montana inspection before launch requirements.

As a reminder, all watercraft – motorized and nonmotorized – must stop at all watercraft inspection stations you encounter. Inspection stations are the first line of defense to stop the spread of aquatic invasive species.

For a list and map of inspection station locations, click here.

AG Knudsen and MHP remind Montanans to stay safe on the road during 100 Deadliest Days of Summer

As summer approaches, Attorney General Austin Knudsen and the Montana Highway Patrol (MHP), along with the Montana Department of Transportation (MDT), are reminding drivers to stay safe on the road. Memorial Day weekend marks the beginning of the "100 Deadliest Days of Summer." State troopers will increase their presence on Montana roads and highways throughout the summer, cracking down on drunk and drugged drivers.

Traffic deaths are down from this same time last year. However more fatal crashes occur during the time between Memorial Day and Labor Day than any other time of year. There were 48 traffic deaths in Montana from January 1 through May 9 – a 36 percent decrease from the same time last year. Many times, excessive speed and alcohol are the factors leading to fatal crashes.

"I urge all Montanans to be responsible behind the wheel this summer as they enjoy time with their friends and family. Do not drive impaired," Attorney General Knudsen said. "I'm glad to see that so far this year traffic deaths are down – let's keep it that way."

"If you drive intoxicated this summer, you will pay the consequences. Our troopers will be out all summer to keep drunk and drugged drivers off Montana roads," MHP Colonel Steve Lavin said. "Have fun but have a plan to get home safely if you go out."

"Summer in Montana is truly unmatched, so it's no surprise that our roads see a seasonal increase in traffic," MDT Director Malcolm "Mack" Long said. "In order for everyone to enjoy summer travel safely, we must all be vigilant in practicing safe, lawful behaviors in our chosen mode of travel. Only drive sober, always buckle up, avoid distractions, slow down, and share the road with other users that include motorcycles, bicyclists and pedestrians."

Simple rules to follow so everyone can make it home safely and enjoy the summer with their families:

- Slow down and follow the speed limit. The speed limit is the maximum speed for the ideal conditions. Slow down when there is traffic, varied roadway conditions, or inclement weather.
- Don't drive impaired. A person's ability to operate a motor vehicle while impaired by drugs or alcohol is greatly diminished. Driving impaired can ruin your life and the lives of others.
- Wear your seatbelt. Seatbelts are the cheapest life insurance there is

Dillon Middle School News

Here is the Dillon Middle School News for the week of May 31st through June 2nd, 2022.

This is Tuesday, May 31st, as we were out of school yesterday for Memorial Day. Hope everyone had a great long weekend, and welcome to the last week of our 2021-2022 school year.

The lunch menu for the week is as follows: Today, Tuesday, we will enjoy chicken fajitas. On Wednesday, we will have sub sandwiches served with chips and potato salad. Thursday, we will have a hot dog picnic with macaroni salad. Then on Friday, we will only have a grab and go breakfast, as we will have an early release at noon.

Last week, our eighth graders finished up their school year. However, today is a very important day for them. This morning at 9 AM they have a graduation rehearsal at the BW Lodge gymnasium at the high school. Then this evening the group photo will be at 6:30 PM sharp. The photographer will not be able to wait for latecomers. The graduation ceremony will be held in the BW lodge gymnasium beginning at 7:00 PM. If you are able, please come and support this very important milestone in the life of our eighth grade students.

We'd like to congratulate several eighth grade students on their achievements and awards. First of all, receiving the VFW award are Samantha Steadman and Asher Burch. Congratulations Asher and Samantha. Our American Legion Award winners this year are Briley Alberi and Hank Hagenbarth. Congratulations Hank, and Briley. These two students will be giving speeches at tonight's graduation. We are so proud of the four of you and of all of the accomplishments of our eighth grade students, and we wish you the very best as you move on to Beaverhead County High School.

On Wednesday, we will have sixth grade in person check out. The sixth graders will be gone on Thursday for their field trip to Helena. The bus will leave at 8:15 AM and return before the buses leave after school.

Also, on Thursday, we will have seventh grade check out. Friday, of course, is our last day for the 2021-2022 school year. We will release at noon. This has been an

amazing year as we have continued to navigate the Covid challenges. We feel that the students, parents, staff and administration of the Dillon Middle School, along with the support of our great community, has worked together well to solve the many problems thrown at us.

As students of DMS, we are so grateful to have been able to meet for school in person this year, and we know that this has only been possible through the hard work of our school administration and staff, and we want to say thank you.

We also want to say a big thank you to our Beaverhead County ACE's task force. Life can sometimes be hard. What's hard on adults is just as hard, if not more, on kids. Resilience, the ability to adapt to challenges, is the most important tool a parent can give a child. Learn more about resilience by joining the Beaverhead County ACEs Task Force. We're focused on building healthy families in our community.

Thank you so much to Womack's for printing our DMS news each week. We wish you a great summer and we will be back next fall.

VITALANT BLOOD DRIVE

A Dillon community blood drive will be held on Tuesday, June 7, 2022, from 11:30 AM to 6:00 PM at the Elks Lodge. The drive is facilitated by Vitalant and sponsored by First Presbyterian Church. Appointments can be made by calling 406-925-2318 or 877-258-4825, or log on to donors.vitalant.org and use the sponsor code "Dillon". Appointments are preferred, but walk-ins are welcome.

Blood donations are needed now to replenish supplies after Memorial Day. Masks are NOT required.

To donate, volunteers must be at least 16 years old (16-17 with signed parental/guardian approval), follow minimum weight restrictions, and be in good health. A donor must not have donated within the last eight weeks. Someone needs blood every 2 seconds, and your blood donation is very important, so if you can donate, won't you call or go online? Please bring your Vitalant donor card or photo ID.

UR-DP-SB Coordinator

Barrett Hospital & HealthCare invites applications to fill a Utilization Review & Discharge Planning Registered Nurse (RN) position to join our Quality Improvement Services team. The RN is responsible for conducting utilization review on inpatients, observation patients, and swing bed patients. The RN will review charges and perform discharge planning for all inpatient and swing bed patients. The RN assists the Quality Services/Risk Management Director with quality and performance improvement projects. The successful candidate must have excellent organizational and time management, be a motivated learner, have above average interpersonal and customer services skills, be a self-starter, have an innovative spirit, expertise in hospital business acumen, be a problem-solver and the ability to deal with ambiguity. Minimum Qualifications: Bachelor's Degree and RN license, required. Candidates without a nursing licensure may be considered, however a bachelor's degree is required. Computer proficiency and experience with electronic medical record documentation. A minimum of five years of related healthcare or hospital experience preferred. This is a PRN position.

Chief Clinical Officer

Barrett Hospital & HealthCare invites applications to fill a Chief Clinical Officer (CCO) position to join our Executive Leadership team. This executive level position plans, coordinates and directs clinical and nursing patient care activities within the facility in alignment with the organization's mission, vision, values, strategic plans and goals. The CCO provides leadership support in the clinical services areas including acute care Nursing (Medical/Surgical, (including Hospitalist oversight), Emergency Department, Special Care, Obstetrics, Peri-operative services (including CRNA oversight), Cardiopulmonary Rehabilitation, Nutritional services, Clinical Laboratory, Radiology, and Pharmacy departments. The CCO ensures standards of patient care are met and advises medical staff, department managers, administration, and Board of Directors in matters related to clinical services. The CCO participates as a member of the senior leadership team for ensuring organizational focus in achievement of strategic plan goals and objectives, sharing accountability for overall facility results. The CCO ensures compliance with state, federal and other regulations impacting the organizations licensure and/or accreditation. Minimum Qualifications: Commitment to continuous learning in appropriate field. Education: Master's degree (M.S.N.) or equivalent required; five to ten years related experience and/or training; or equivalent combination of education and experience. Licensure: Registered Nurse in the State of Montana; Basic Life Support (BLS) Certification and ACLS required. This position is a full-time position and is eligible for the full benefit package.

Sterile Processing Technician

Barrett Hospital & HealthCare invites applications to fill a Sterile Processing Technician position joining our Peri-Operative team. Sterile Processing Technician provides excellent customer service and exhibits professional demeanor at all times. Manually sorts, disassembles, cleans and/or disinfects instruments, scopes, and supplies per department protocol for assigned area(s). Utilizes critical thinking skills regarding workflow and assignment. Performs quality control on instruments/scopes by checking for visual damage, sharpness, cleanliness, and working condition. Initiates process for repairs and/or replaces as applicable to assigned area(s). Completes all daily production and quality control records. Continually checks for any outdates of sterile items and packaging integrity. Performs immediate-use steam sterilization of instrumentation using proper technique. Prepares surgical instrument sets and/or trays. Prioritizes production of surgical case cart, floor stock trays and miscellaneous. Wraps, packages, and sets up instrument trays per department protocol. Labels all instrument sets, peel-pouches, etc. Efficiently and accurately loads sterilizers per department procedure and as applicable to assigned area(s). Sterilizes instruments, scopes, supplies and linen using mandated sterilization processes per department protocol. Ensures proper operation of sterilization units through daily quality control testing. Inspects equipment as applicable to assigned area(s) for visible signs of malfunction and reports malfunction to leader in a timely manner. Processes requisitions and requests for case carts, instrumentation, and supplies in a timely manner. Orders all department supplies. Communicates deficits in supplies or instruments for case carts to appropriate stakeholders per department protocol. The above essential functions are representative of major duties of positions in this job classification. Specific duties and responsibilities may vary based upon departmental needs. Other duties may be assigned similar to the above consistent with knowledge, skills and abilities required for the job. Not all the duties may be assigned to a position. Minimum Qualifications: Minimum of one (1) year work experience in sterile processing or healthcare preferred. Other combinations of education and experience may be considered. Minimum of one (1) of the below must successfully be obtained within two (2) years of hire: International Association of Healthcare Central Service Material Management (IAHCSCMM) or Certified Board for Sterile Processing and Distribution (CBSPD) certification. Excellent organizational skills, detail-oriented, a self-starter, possess critical thinking skills and be able to set priorities and function as part of a team as well as independently.

Echo Cardio-Sonographer

Barrett Hospital & HealthCare invites applications to fill an Echocardiographic Technologist/Sonographer to join our Cardiopulmonary Services team. The Echocardiographic Technologist/Sonographer coordinates and participates in a variety of duties involved in the operation and maintenance of cardiac graphic and ultrasound equipment to provide detailed analysis of cardiac and other body system functions in the Echocardiography and Sonography suite. Working closely with an interdisciplinary team of professionals, the Echocardiographic Technologist/Sonographer must have a passion for teamwork, customer service excellence and enjoy working with the public. Minimum Qualifications: Requires completion of an accredited program in Sonography. License, certification and/or active registry status required from the American Registry of Diagnostic Medical Sonographers (ARDMS) or National Society of Cardiopulmonary Technicians (NSCT) certification. Basic Life Support (BLS) required. This is a PRN position.

Physical Therapist

Barrett Hospital & HealthCare invites applications to fill a Physical Therapist (PT) position to join our Rehabilitation Services team. The Physical Therapist evaluates patients and implements an appropriate plan of care or treatment based on patient needs and goals. The Physical Therapist provides physical therapy interventions in accordance with the Montana Physical Therapy Practice Act and practices within federal, state, and local legal and professional requirements. The Physical Therapist communicates effectively with patients, their families and other healthcare providers as part of an interdisciplinary team approach to care, constructing individualized, patient-centered treatment plans. The Physical Therapist provides accurate and timely documentation of services provided and demonstrates a commitment to life-long learning by participating in continuing education. Successful candidates will have a passion for customer service excellence, teamwork and enjoy serving the public. Minimum Qualifications: Master's or Doctorate degree (preferred) or Bachelor's degree from a Commission on Accreditation in Physical Therapy Education (CAPTE) accredited Physical Therapy program. Candidates must be able to produce documentation of passing the National Physical Therapy Examination (NPTE) and an active Montana State license in Physical Therapy from the Montana Board of Physical Therapy Examiners. Basic Life Support (BLS) required. This position is a full-time position and is eligible for the full benefit package.

Physical Therapy Assistant

Barrett Hospital & HealthCare invites applications to fill a Physical Therapy Assistant (PTA) position to join our Rehabilitation Services team. The Physical Therapy Assistant (PTA) works under the supervision of a licensed Physical Therapist and carries out all therapeutic modalities planned by the therapist such as application of hydrocollator/heat packs, vasopneumatic cryotherapy/cold packs, ultrasound, massage, soft tissue mobilization (with or without instrumentation), intermittent cervical and lumbar traction, gait training, joint mobilization, taping/strapping, and assistance with exercise programs. The Physical Therapy Assistant (PTA) must have knowledge of anatomy and physiology and the ability to detect treatment difficulties. Successful candidates will have a passion for customer service excellence, teamwork and enjoy working with the public. Minimum Qualifications: Completion of an accredited Physical Therapy Assistant program as outlined by the Montana Board of Physical Therapy Examiners. Candidates must possess evidence of passing the National Physical Therapy Assistant Examination and produce an active Montana State license. Basic Life Support (BLS) required. This position is a full-time position and is eligible for the full benefit package.

Population Health Coordinator* \$5,000 Sign-On Bonus, Retention Bonus and Relocation Assistance Available *****

Barrett Hospital & HealthCare seeks a Population Health Coordinator to join our team! The Population Health Coordinator participates in team-based care to provide health services to individuals, through effective partnerships with patients, their caregivers/families, community resources, and their medical provider. The Population Health Coordinator facilitates a "shared goal model" within and across settings to achieve coordinated high-quality care that is patient and family centered. The Population Health Coordinator provides coaching to patients and families with the goal of successful self-management of chronic health issues, while working towards an effective plan of care. The successful candidate must demonstrate a high level of organizational skills, attention to detail, flexibility, and the ability to prioritize. The Population Health Coordinator is knowledgeable about the trends in healthcare and CMS focus. The Population Health Coordinator keeps patients as their focus of care working toward the "Triple AIM" goal. Minimum Qualifications: High School Diploma, GED or equivalent required. An active Montana licensure as a Registered Nurse (RN) required. Three to five years related healthcare experience in a hospital or clinic setting required. Epic EMR experience highly desirable.
